

Geez.....
To live in a
house with no
air-conditioning
at a time
like this
...

My
room is
too hot
...

Special volume of "Mediix" called "Inside
Onee-chan" is now on sale!!

Yoshida Tobio

What do you do
when you have nothing
to do over summer break...!?

Is this
house the
only place
still stuck
in the
past?

Kaa~

"This physical reaction is called an 'erection'. When a boy puts his erect penis inside a girl, that's called sex."

"Did you know that a boy's penis gets erect when he sees a girl naked?"

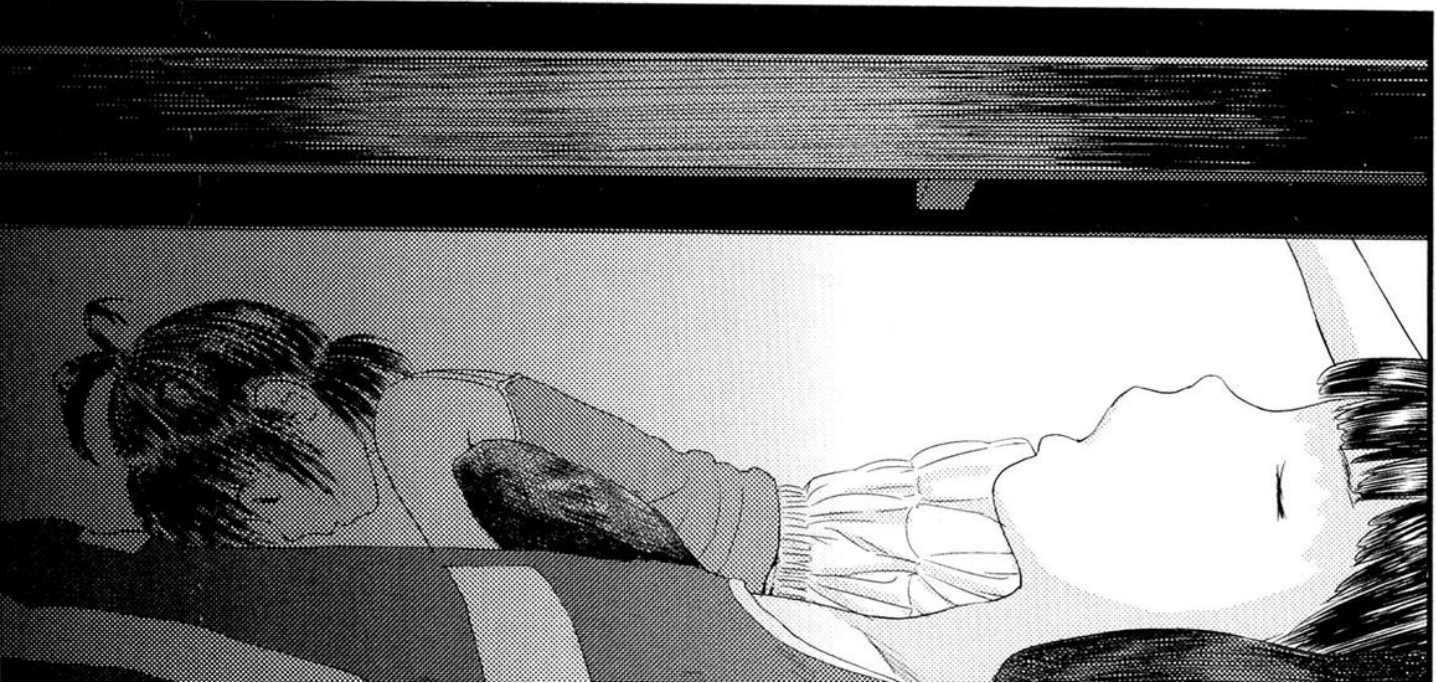

How to not fail having S E X with your partner over summer break???

What's S E X?

"In this issue we'll be going over several techniques to help you get a rise out of your man..."

"Sex can give you a pleasant feeling you can't find anywhere else, but there are several things to be aware of."

Hey,
look at
that.

Hey,
Kazuki
wake up!

Kazuki!

Ugh,
what
is it
?

Why
aren't I
wearing
pants
!?

Hey, what
does it feel
like when
that gets
bigger?

It got
bigger!

Huh
?

Here,
do it
again.

Anyway,
where
are my
pants
?

I don't
know...
It's kind
of tingly
I guess?
I can't
explain it.

Ah.....
It got turned
small.

Hey...
Musubi
nee-chan,
did you
hide my
pants?

Hey,
do you
know why
it gets
bigger?

I don't
know!
.....
Is it a
weapon
?

Why have
you been
talking about
my cock
this entire
time?

Ah!
I know!

Huh
?

What
are
you
doing
?

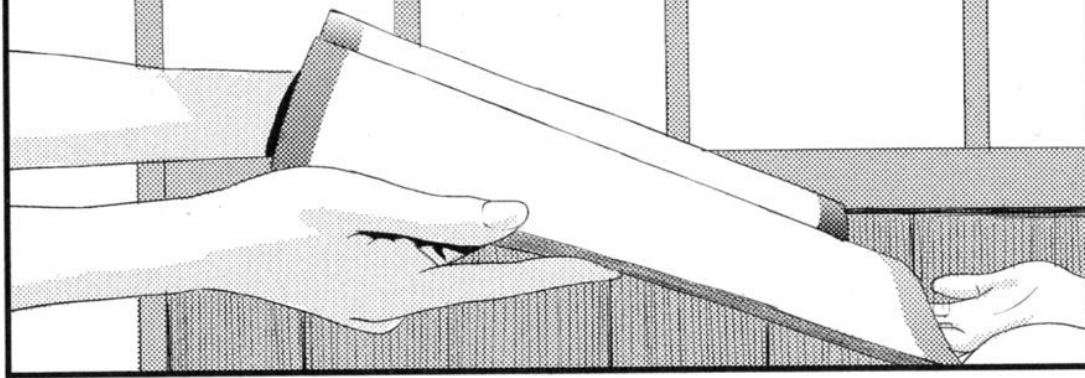

I was
thinking
I'd help
you get
bigger
again.

Not
happen-
ing.

That's
weird
...

Here,
let me
fill you
in.

No
way~

It says when
two people lick
each other down
there it feels
really good.

Uee~
She's
swallowing
a cock.

Seriously,
just look
at this!

You
wanna
give it
a try
?

It looks
pretty
easy,
doesn't
it?

Hey

Huh
?

Don't worry.
When I took
off your pants
earlier you got
hard just from
me poking you
with my feet.

Huh...
what
~...?

The
two of
us?

You're
interested,
right?
Here,
lay down
over
there.

No I...
I don't
think I could
get hard if
it's with you,
Musubi nee-
chan.

...
Wait!
So you
did steal
my
pants
!?

Come on
already,
just lay
down over
there!

Here,
let's get
started!

You
know
how it's
done now,
right?

Oh~?
You're hard
already before
I even touched
it.

Now I just
need to go
up and down
without touching
it with my
teeth
...

Uwaaaa

Amuu

Ahh

N...
No way...
This feels
so weird

Is
Musubi
nee-chan
really
sucking it
...!?

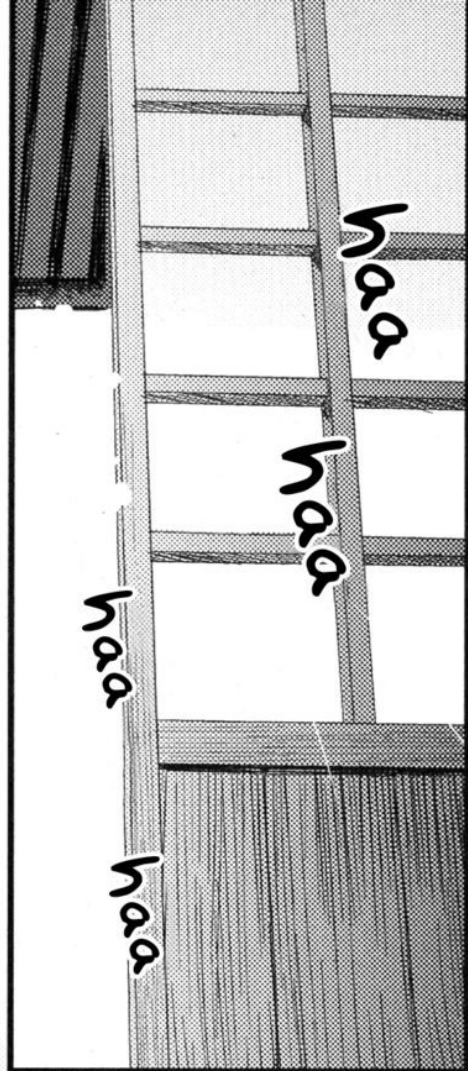

ahh

But now
I can see
inside
...

I thought it
might be
something like
this in front of
a girl's butt
...

Just put it in like that

That's wrong

It probably goes here
