I love stealing other guys' girl-friends!

Oh, hi there! I am Netori Man!

He's a tall guy and has a huge cock, but...

She is dating her childhood friend, Kato Souta.

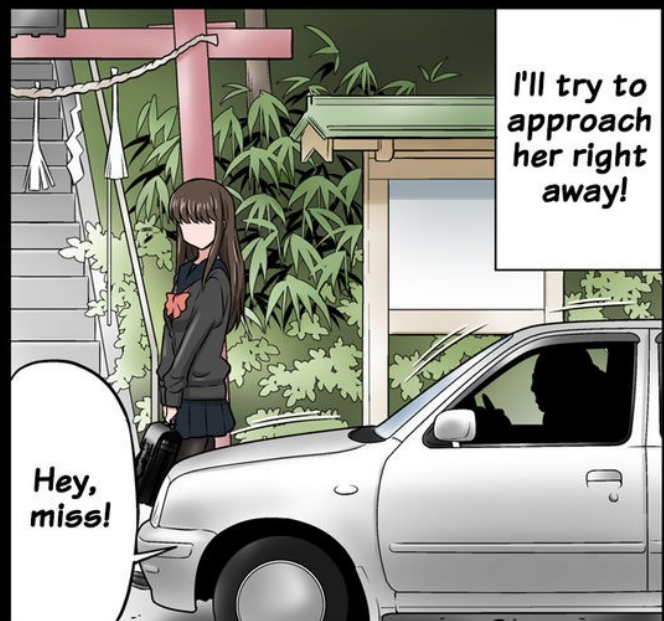

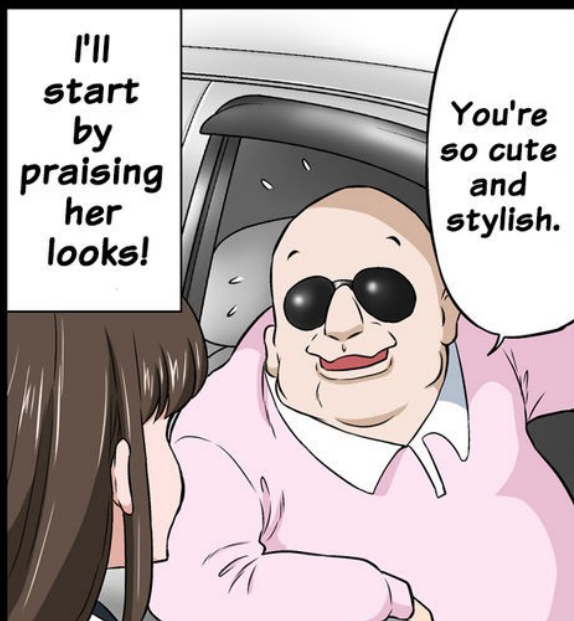

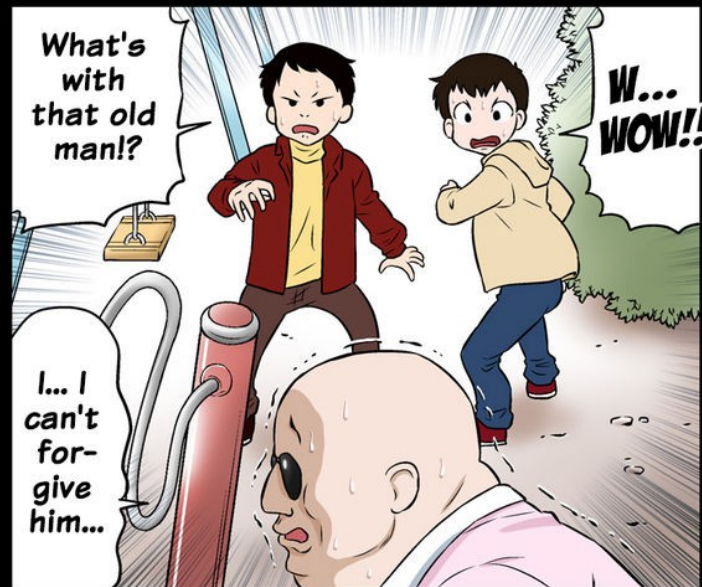

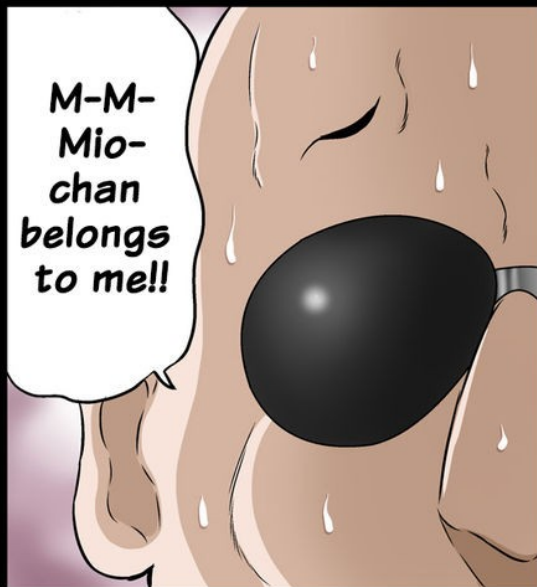

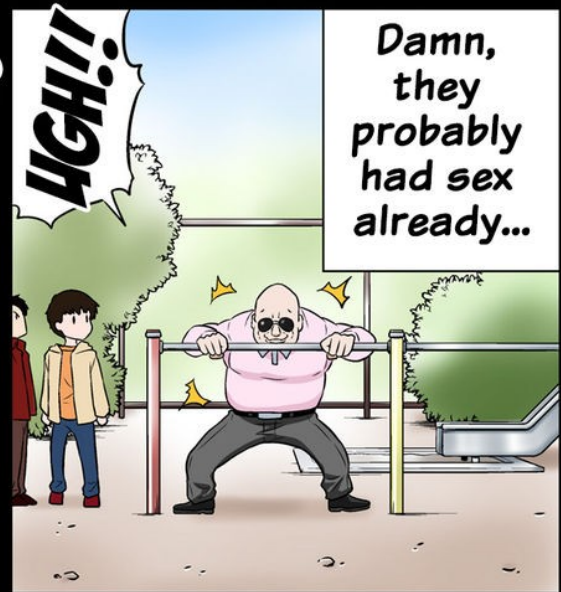

She is a member of the student council and has an innocent image!

She's a 1<sup>st</sup>-year-old school student.

Today my target is Tobe Mio-chan.

That thing is limp.

## Afterword

Thank you very much for buying this book.  
This is a rather straightforward story.  
Schoolgirl, netorare, black pantyhose, leotard... It was really exciting.

By the way, while I was writing this story my assistant was hospitalized because of pneumonia and enteritis.

...It was really exciting.

I'm happy to say that he left the hospital a few days ago. Thanks to everyone's help, I was able to finish this doujin in time.

...But something's wrong.  
I'm a sadist and shouldn't get excited about my own problems. Maybe I discovered something new about myself.

Well then, I hope to see you next time. Stay healthy.
