裸と裸でナマ身のおしきあっ!!

Hirohiro: Okay, see you tomorrow.
Meaow: I'm looking forward to actually meeting you,
Hirohiro-san.

Hirohiro: Don't worry about it, I'm sure I'll be
a little different from your impression of me,
too.

Meaow: But, I'm actually kinda short
Meaow: Don't get disappointed, 'kay?

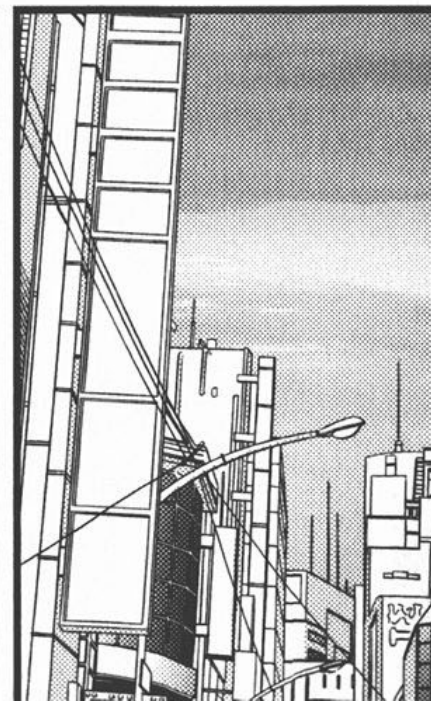

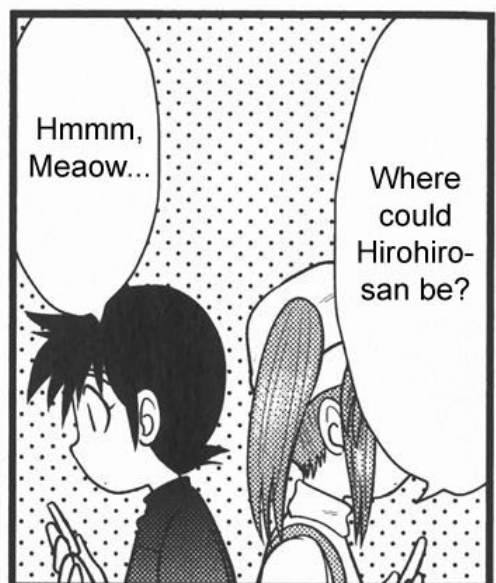

I think she
should be a
26-year-old
office lady...

I wonder
if Meaow
is here
yet.

I'll be wearing
a white hat
and a red bag.

Haaah~

Ugh...

Why are you hiding your chest like that?

That again?

Don't stare too much, okay?

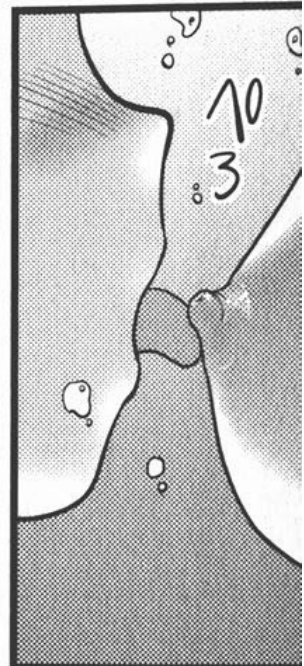

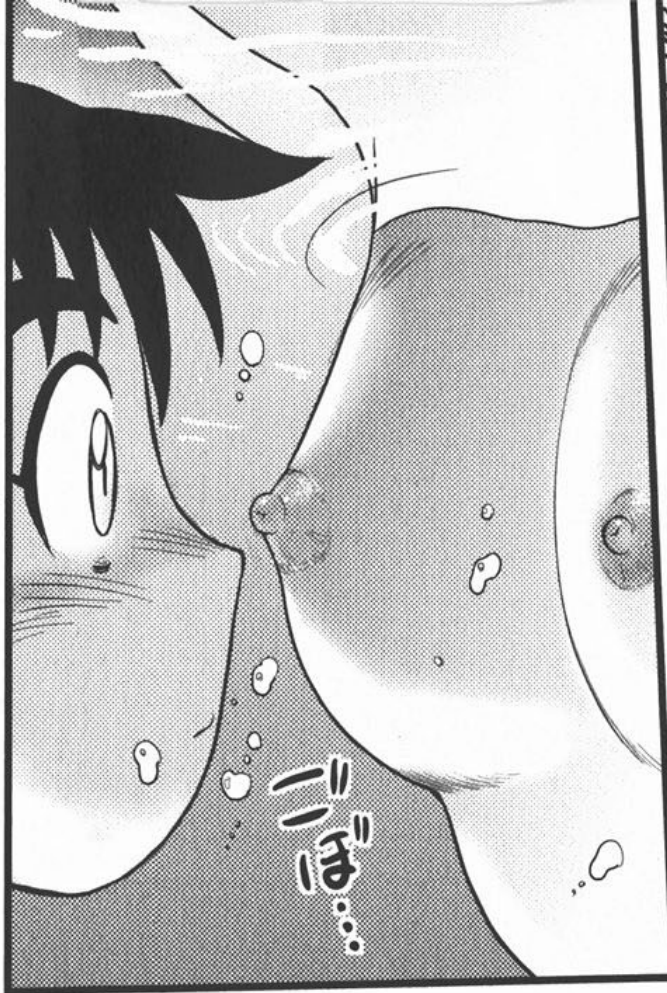

SNAP!

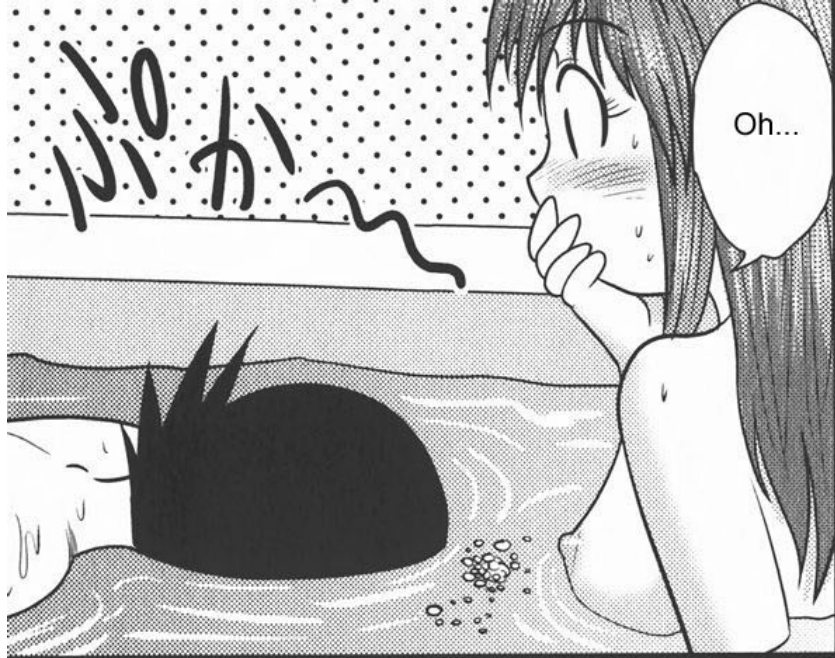

You're worried that your boobs are too small, right?

Well, we both were mistaken ...oh!

Well... because you thought I was some busty 26-year-old office lady.

Oh...

Aaahh!

That's because ...

Your penis seems fine despite all that.

your naked body's really sexy!

Ugh... I thought I was gonna die.

Sorry 'bout that.

The person I really wanted to meet was Meaow. It didn't really matter if she was an office lady or a middle school student!

I'm fine with it, really.

D...dork! You were really hoping for an older woman's body, weren't you?

Are you really not disappointed when you look at me?

You haven't
seen this
before, a
girl's...

How's
this?!

Hey, don't
get carried
away...

Whoa...

!?

Pussy?

P...
pu...

Don't
say it!

Ow!

BONK

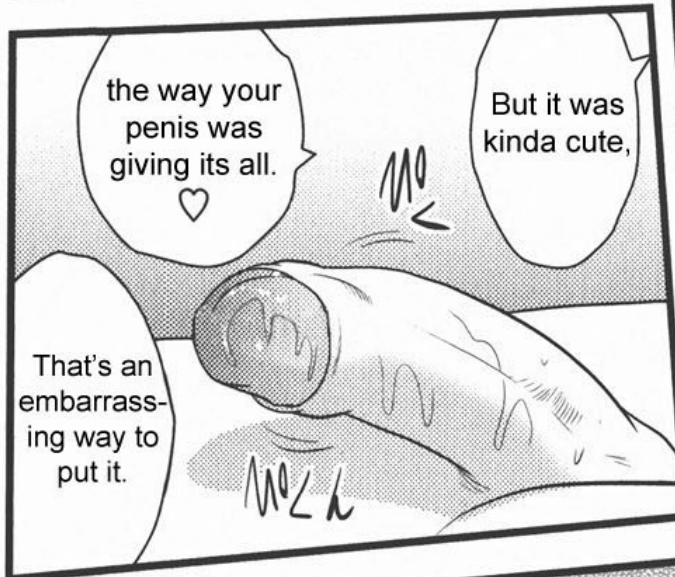

S-sorry!

Ugh,
disgusting.

the way your
penis was
giving its all.

But it was
kinda cute,

That's an
embarrass-
ing way to
put it.

Aahaaah

Hey, don't
stare so
intensely.

But this is the
first time in my
life that my
dick will be
going into a
pussy.

There's
no way
I'm going
to miss a
second
of this!

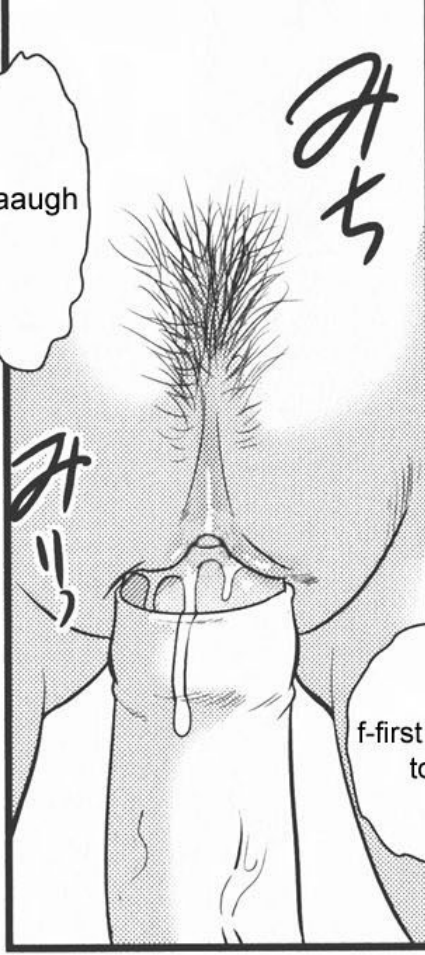

Then, I'll
take the lead!

Oh!

Give me all
you've got
inside me
too, okay?

Aaaugh

f-first time...
too.

Actually...
it's my...

It's a
little numb
inside,
but...

it feels so
good!

Whoa, this
is amazing!
It's so warm
inside you.

It feels like
your penis
is all the way
inside me...

Aaaah...
Hiroto...
you're so
deep...

I'm coming!
Aaaaahh!!

Aah
Aaaaahhh!!

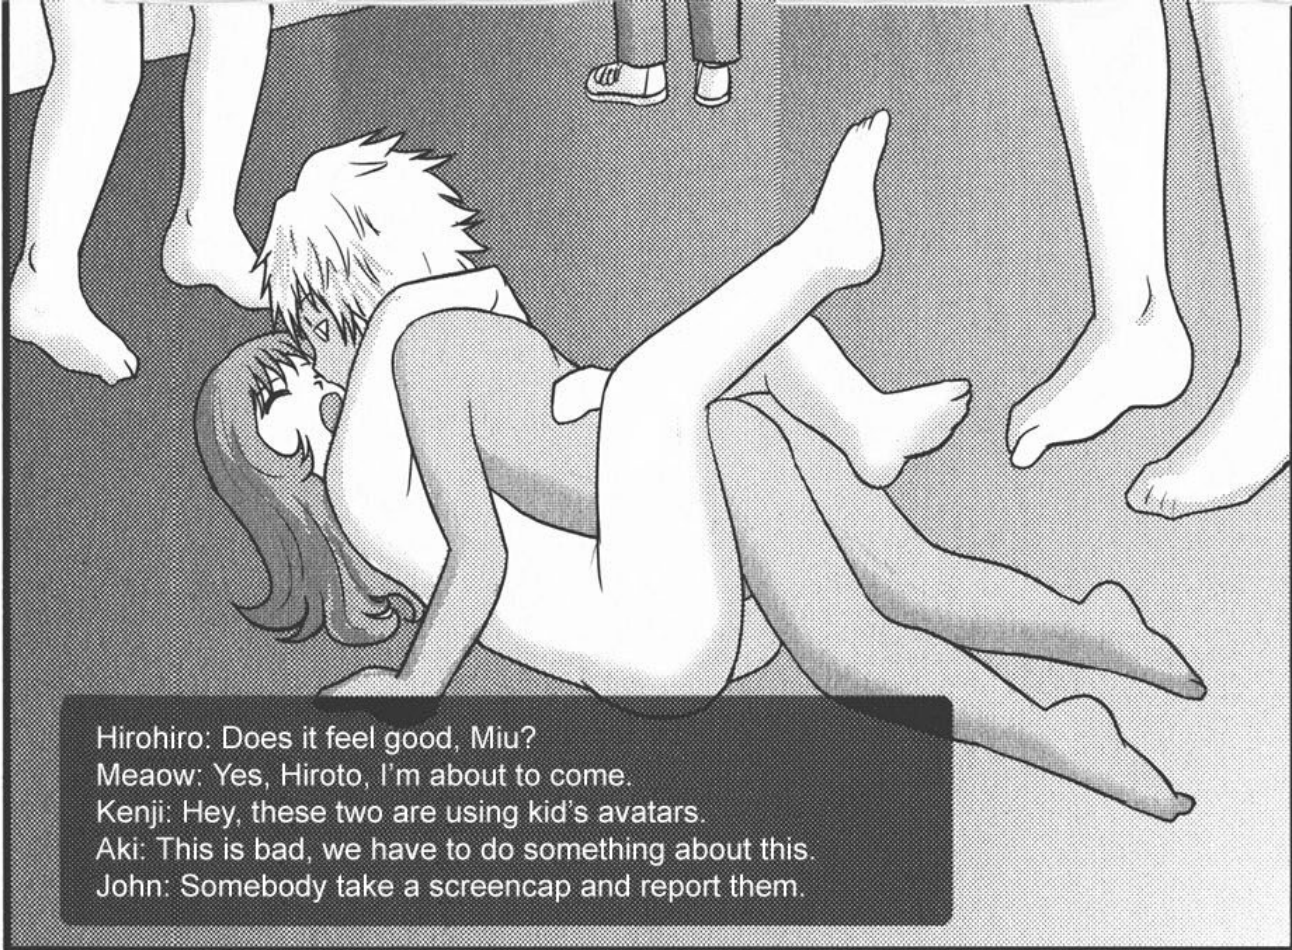

Yeah...
let's just be
ourselves.

Hirohiro: Does it feel good, Miu?
Meaow: Yes, Hiroto, I'm about to come.
Kenji: Hey, these two are using kid's avatars.
Aki: This is bad, we have to do something about this.
John: Somebody take a screenshot and report them.

I
knew
it.
