

I got a roommate of the opposite sex.

But, as it happens,

I'd assumed I'd be living alone for the rest of my life.

After my parents died,

THAT "SALE", OR WHATEVER THAT YOU WENT TO TODAY

Not only that, but she happens to be an oni as well.

YOU SHOULD LEARN HOW TO HAVE MORE PRIDE AND CLASS, LIKE MYSELF.

WAS NO DIFFERENT FROM A SWARM OF HUNGRY SPIRITS FIGHTING OVER A DEAD BODY.

About one month ago.

I first met her

Woosh
Woosh

Later,
upon
asking
her
story,

Horns?

I
found
out
her
name,
Uzura,

and that
she was
an oni,
one that
went on
a ram-
page
long, long
ago...

When I was outside,
cleaning the back yard,
a person suddenly
fell down from the
mountains right in
front of me.

Their
clothes
were
tattered
and their
body
ragged.

At first,
I could
do nothing
but stand
there in
shock.

but, due to
her wounds,
exhausted
her energy
in the
mountains.

Uzura managed
to get away
with her life,

However,
the onis
back then
were
exter-
minated.

Open

she re-
gained
enough
energy
to make it
to the part
of the
mountains
behind my
house.

An in-
complete
revival,
as she
puts it...

After
a few
hundred
years,

COULD
IT BE
THAT...?

WAIT A
MOM-
ENT...

HMP?

I'M
SER-
IOUSLY
WORRY-
ING
