OUR  
DOJO'S  
NEW  
MEMBER

MASTER!  
PLEASE  
STOP THE  
BATTLE!

The real  
identity of  
the man who

Is none  
other  
than  
the  
master

and  
cahoot

the  
master acts  
all righteous  
and just but  
he has  
joined  
forces with  
the man

[Underground] deck that consisted of

- [Flower of Lust X 5]
- [Tentacle Man]
- [Thorn Bird Nest]
- [Dimension Tunnel]
- [Pussy Upgrade]

Right at this moment. Akemi and master are still in combat.

it has already been going on for a few hours

Master is still playing his deck

Ashita has been confined upstairs

... He is lower than scum

Hence he fooled her into playing [Underground] battle.

One fine day. He lusted after the girl whom he looked at as a daughter...

He used to be a family oriented father

PRINCESS  
KNIGHT  
LYJIDIA  
SUMMON!

Believed  
the weird  
reasoning  
Beh... I'm  
sorry,  
Master

Un

this fair  
and square  
in the  
name of  
Saint Tide

He's gonna lose if he get hit but still he is only defending...

What is he planning?

...But, I got my final attack card this draw!

全てを終わらせるカード...  
上級騎士のみ  
有幸でのラ  
基本能力が

[RAGNAROK]

EVERY FLOWER OF LUST CARD INCREASES THE SENSITIVITY OF SEX BY 10 TIMES!!

Note  
origin  
word used  
for  
Twilight  
has same  
sound as

譯注：「陰光」本來就跟「淫行」同音

What's the use of that now?

Null 1 attack and disperse fog

ACTIVATE TRAP!  
[RANCID FOG]

You will go into [Lustful confusion] if you get covered by the fog...

Now Flower of Twilight turn into Fower of Lust and the fog will spread around.

Ohh...  
Feels good  
even though  
it's my 1st  
time?

STAB  
ALL  
THE  
WAY  
TO HER  
WOMB!

哦呵——♡!?

Unbelievable?  
This is...  
Sex?

哦...啊...♡

Woah...  
Take  
that!

Come  
on. Say  
it out  
loud!

That  
feeling is  
an  
orgasm

By the rules.  
The slave has  
to report if they  
came.

I... I'm...  
came...

That means 5 times!  
During which I can keep spermating you without rest!

You have declared orgasm and lost a turn so it's my turn!

Function is for every active card I have, I can sperm you multiple times.

Activate Card [Energetic Golden Fruit]!

...ahh I drew a really nice card ♡

絶倫の黄金果実

咦!?

You're kidding me?

I'm directly spermating your womb ... woah!!

Let's do this happily in Himeno's round...

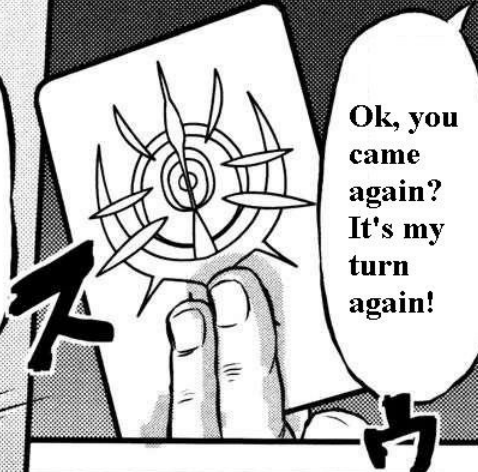

L... I'm gonna come again ♡

What!? Isn't that a... Creampie...

Close in at the blink of an eye

Tongue attack

Ok, you came again? It's my turn again!

Direct Attack with [Zero cm Attack]!

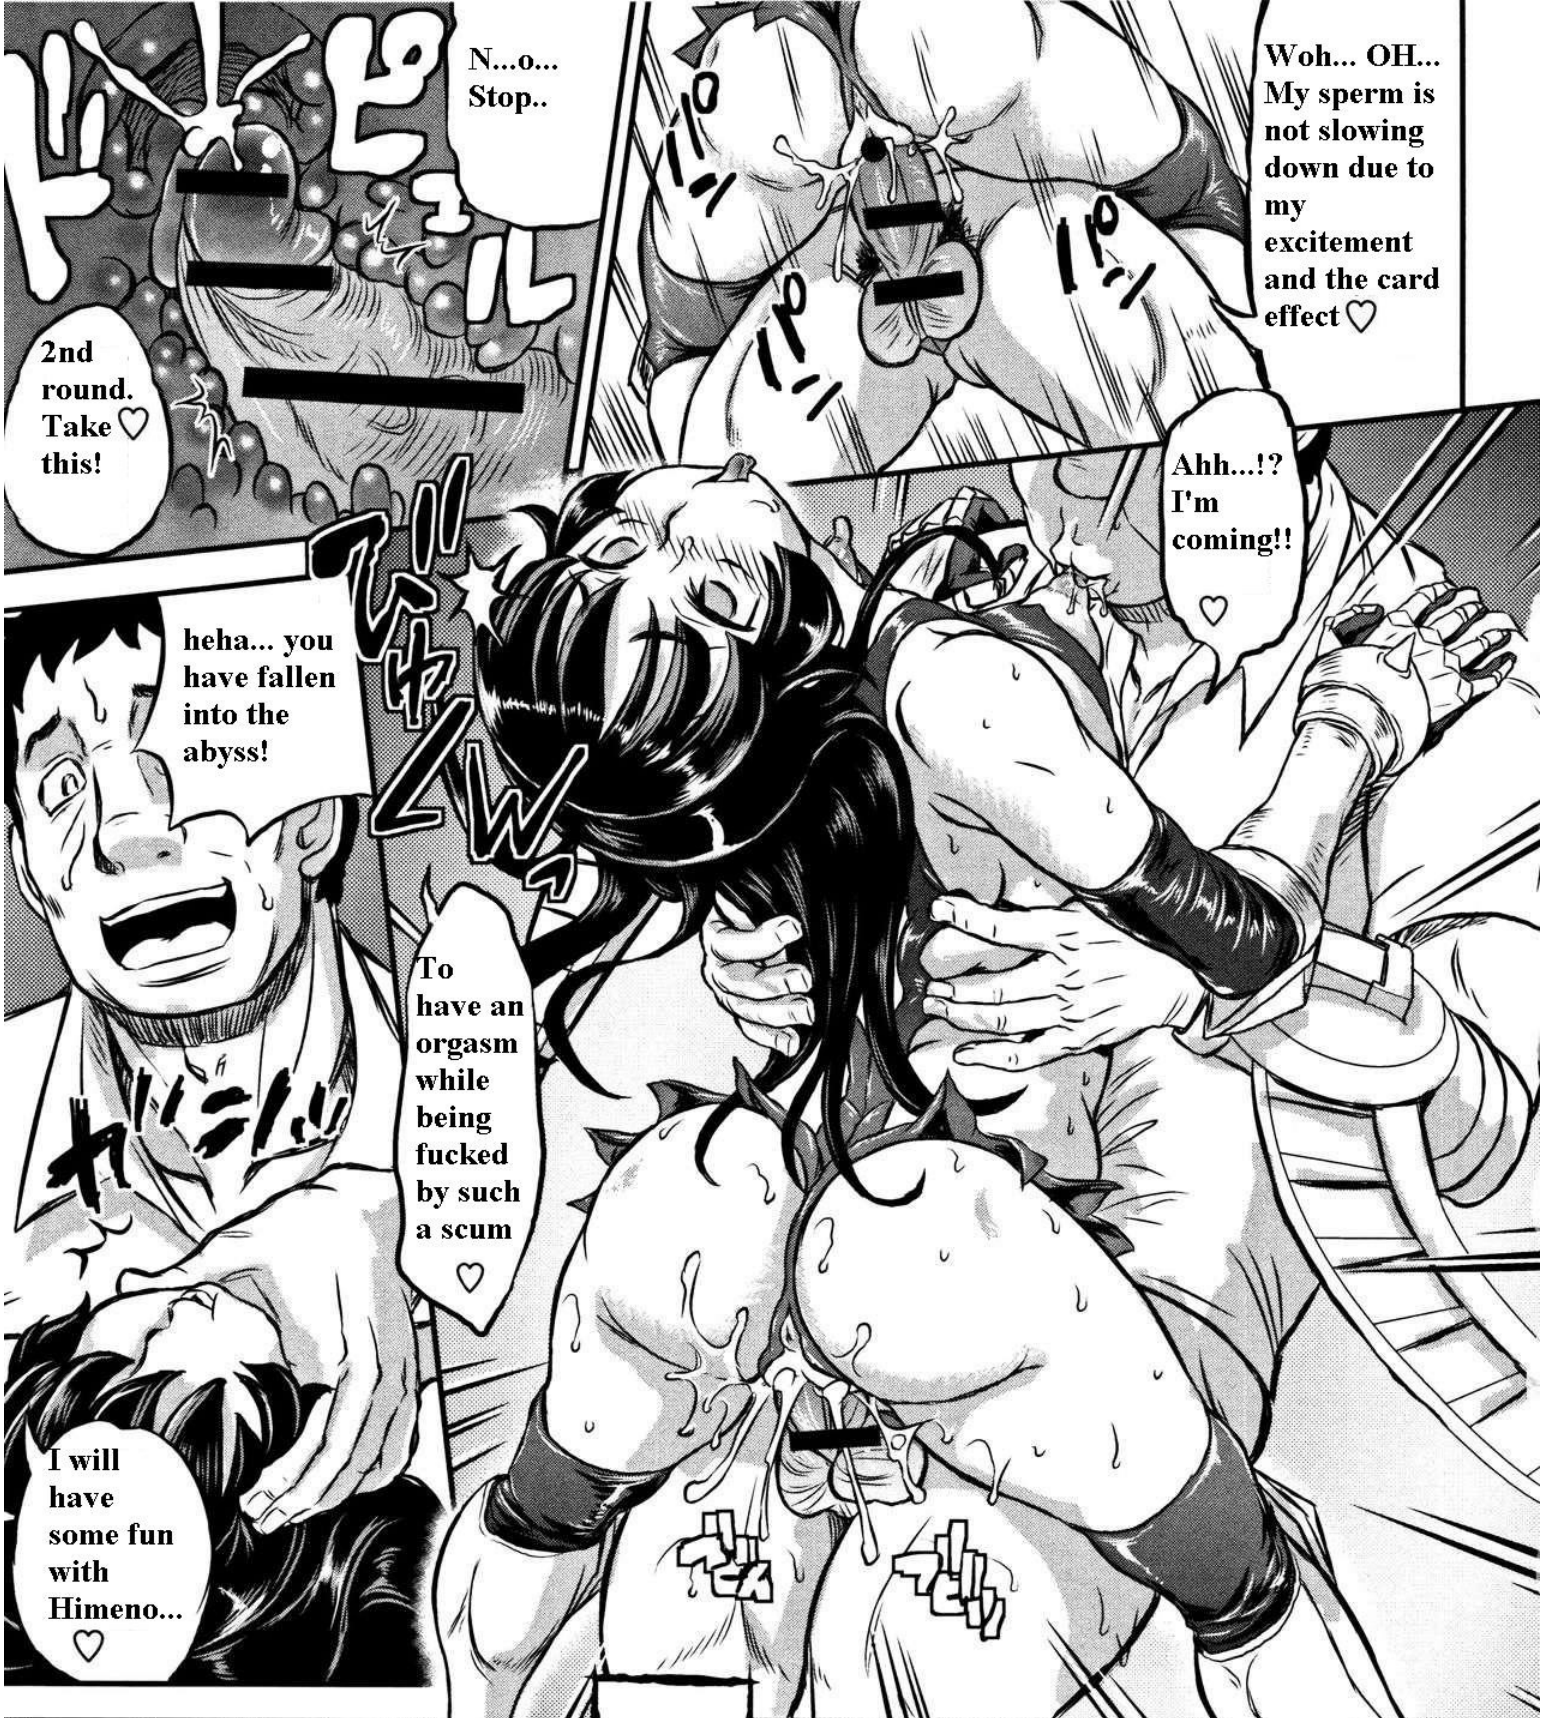

Cause of Flower of Lust effect You can die simply with a french kiss

嗯呼...! 嗯別♡

Hehe... the mighty Himeno is at my mercy...!

N...o... Stop..

Woh... OH... My sperm is not slowing down due to my excitement and the card effect ♡

2nd round. Take ♡ this!

Ahh...!? I'm coming!! ♡

heha... you have fallen into the abyss!

To have an orgasm while being fucked by such a scum ♡

I will have some fun with Himeno... ♡

He failed to notice that Himeno is drawing a card

And let his guard down once he succeeded.

In the mean time

嘿嘿 成功了!  
Hehe I did it

He wanted to enslave her cause of his love-hate relation with Himeno

... draw

Eh?

meaning that she won't be locked by orgasms

Size up means that he cannot fuck her and she can escape

Effect is body size increase by 3 times and increase defence for 1 turn

Correct... She can still use magic cards even if she is unable to attack

Activate [Defend Giant]

Do... you think I will let you activate it!

This was traded to her by Ashita before she was confined

Why... is there a card not in the investigation!?

Yikes!?

Then stop hindering me from putting the card.

S... Shut up! Just come already!

Hold it... you broke the rules! You lost!

No... no! It wasn't on purpose! I was trying to make you come!

Master

HUMPH

You...

Please get the card and put it in here!

He can't stop her from using the card even if she came now.

He's in a no win situation.

But...

Oh... ok.

At this moment, master used a smart move. Sealing her fate.

あははははは

While Himeno wasn't looking, He picked up and put the BUG card

into her card slot

Using a magnetic strip to damage the card is a popular move

...I'm the judge

Hey... Stop

He gave him a [reassuring] look and sabotaged the card

Meaning the activated card will have weird effects.

EH! EH... WHY?

Why is this happening?

嗯呀呀呀  
呀呀呀呀!?

I have no idea. I just did what you said.

キッ

Master! Why is this happening?

Oh... I want to stop such a weird contest... Ah...

What a shitty reason.

Co...?

哇!?

But Himeno don't have time to think hard about this

Her breasts turn into D-cup for no reason

She got her 3rd Creampie while being puzzled

And forced to orgasm

CO MING

しゅぽ

YOU WANTED UNENDING ORGASMS

You really love under ground Saint Tide... No

啊嘿...

嗯咕...

How is it? Bout time you admit to it

Noo...

You'll come even if I didn't sperm you?

So stubborn Your body is not saying the same.

哼嘿嘿♡

Even though she said this due to her undefeatable anger

... you lame ass game cheating scum

まじか

Hoho? ... Coming?

Why aren't he attacking me when I'm so venerable?

ひんが

But, these words... made her [realise]!

Damn bitch... so smug!

I still have plenty of Flower of Lust in my deck...

Meaning he just wanted to use the special effect underground cards to make me surrender!

Does this mean... that he's out of attack cards!?

I'm going to use a bunch of them to break your will!

I can win!

I still have a chance!

Meaning if I do not surrender

Even if he kept on sucking and fondling my breasts

I won't lose

嗯咕...♡

嗯哈!

Never

while he's spurting into my womb

while french kissing

お はあ♡

Coming with my breasts!

♡♡♡ COMING! ♡♡♡

Good ♡

I love big dicks... ♡

I will never

Never surrender

I love coming!!

謝... 謝謝你

小姬

你... 你沒事太好了...

Remember to come again tomorrow? We have to continue the battle.

If you think about it

The guys will finish drawing all his cards and lost if they continueto battle

But fundamentally this is actually flawed

They never want to end the battle at all.

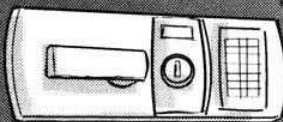

That's all for today. You guys can go home.

Right... they were ready to keep on continuing the battle for the rest of their lives

No matter how they go about their lives... until the day they die

So. Himeno and Akemi will not get another chance to have their turn...
