Apparently she's been making the top broadcasting ranks even though she's a grade below me!

As a fifth grader, I can't just sit back and lose!

The fact that Plum-chan is ten years old...

Plum-chan is in fourth grade, huh?

I'm getting hard.

I still got my rank beaten by Rinarin... I'm a bit annoyed...

Rinarin, I... I love you...

Me too. ♡

Come on, Plum-chan, use that tiny fourth-grader mouth of yours to suck my dick.

I can do that, but... You're treating me so differently from Rinarin...  
See? You kiss her and stuff...

Eehh~  
It's because Rinarin's an angel.

Rinarin, you lick...  
りなりんも舐

Let me lick someone too! ♡

Does my dick taste good?

Wow... I've never seen anyone shaking like that...

It's... It's that good...?!

A fourth-grader's mouth-pussy is dangerous... It's about to fall off...

Amazing... You're only in fourth grade, aren't you?

Oh

I've done it before~

Ohh, lesbian sex, huh?  
This is my first time.

Two girls on top of each other is so hot.

Rinarin-chan's pussy might be a bit too tight. ♥

I'm cumming too, okay? I'm gonna cum inside.

E- Everyone's too energetic today...

My dick is next, Rinarin.

An elementary schooler's two-handed handjob is... the best.

Let it out! Let out your cum!

I'm letting it out too, Rinarin!

I... I'm about to cum too...

My pussy feels so good. ♡

I'm cumming again. ♡

I'm cumming too. ♡

Nothing's coming out anymore.

I think it's the first time I've been creampie'd so much.

It looks like there's not that much semen coming out anymore.  
Did it all go inside our wombs?

For today, everyone's already burned out and can't move.

Oh yeah, I didn't count the number of ejaculations...

Our stomachs are all flabby and it looks like we got fat.  
If we get pregnant, I want to have sex with you all. ♡

Do it with me!  
俺とも!

Make sure you tune in again!  
See you next time!

You can see the whites of her eyes, LOL.
