おいしん坊キャラのあの娘の制服の下とか体温とか色々。

MY FAMILY RUNS A BUTCHER'S SHOP, AND WE'RE PRETTY WELL KNOWN AROUND THESE PARTS.

FOR EXAMPLE, WE GET PEOPLE LINING UP TO BUY OUR MINCED CUTLETS EVERY DAY.

THE ONES THAT COME OUT LOOKING A LITTLE OFF IN SOME WAY...

USUALLY END UP IN MY NEXT LUNCH BOX.

Behind the school building...

...Okay?

...THIS GIRL'S RYUUGASAKI ERIKA. WE'RE CLASSMATES.

AND WE'VE GOT A...

Hey... Kashima...

CERTAIN SECRET "DEAL" GOING ON.

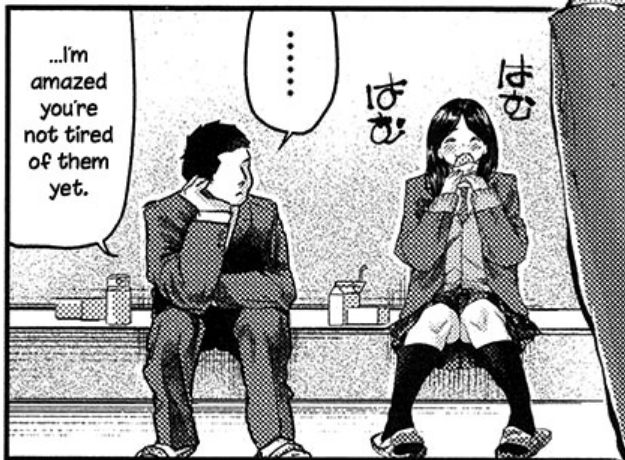

よく食べる 龍崎さん

You really think so?

I swear, K-Meat's minced cutlets are the best in the world!

Yeah! I'm totally addicted.

...I'm amazed you're not tired of them yet.

.....

おつ おつ

Hwaa aahh~

It's SOOO good~!

Well, I wouldn't!

Which is exactly why I've gotten tired of meat.

I'm so jealous of you, though... You get to eat K-Meat's meat every day!

You're kidding!

'Cause to be honest, I think I've already had enough of meat for a lifetime.

So the few times I actually get to go there...

All the good stuff's already sold out.

おつ

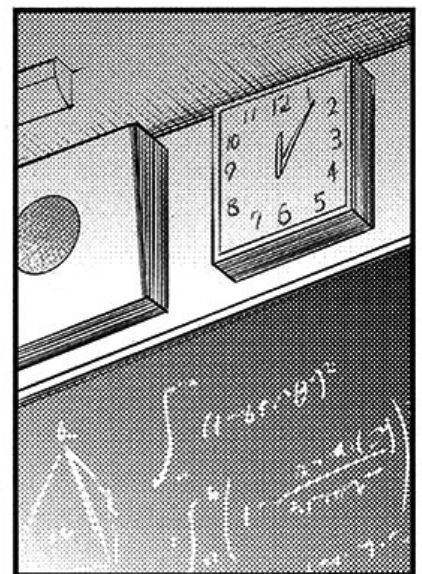

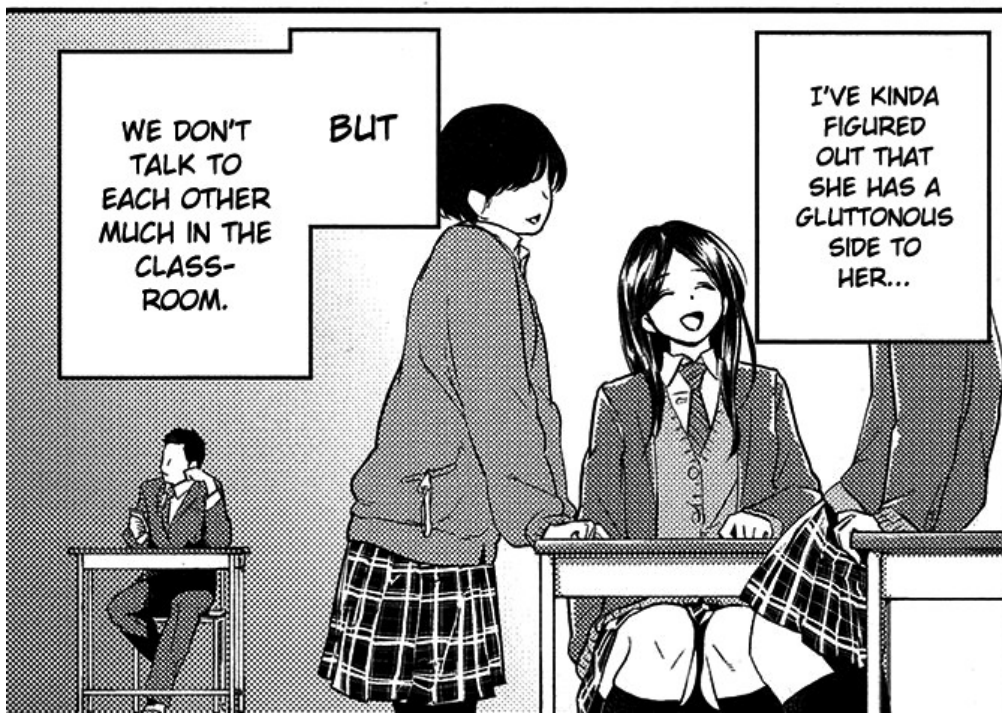

I live pretty much on the other side of town from K-Meat, you know.

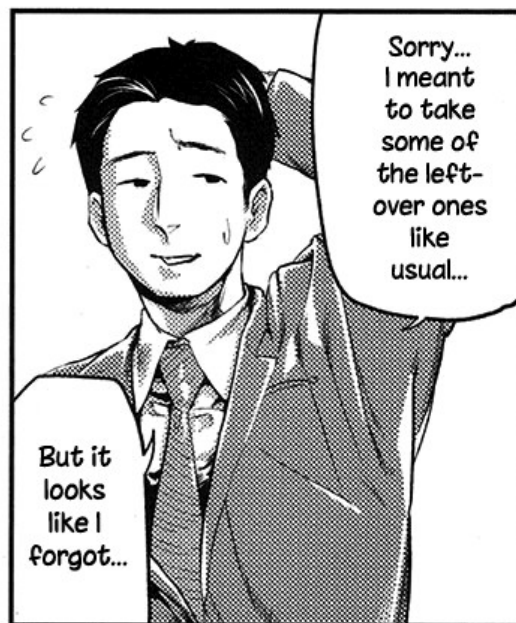

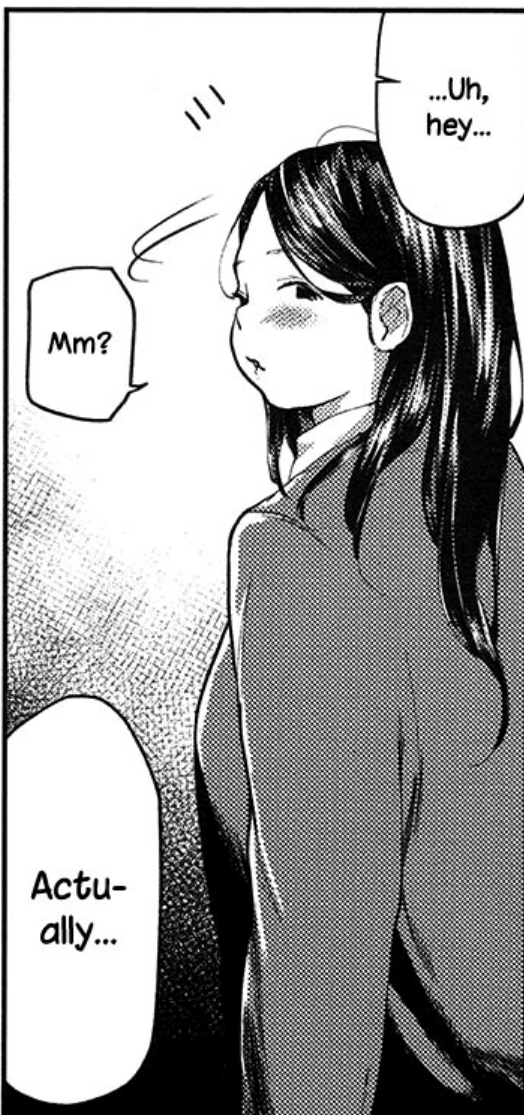

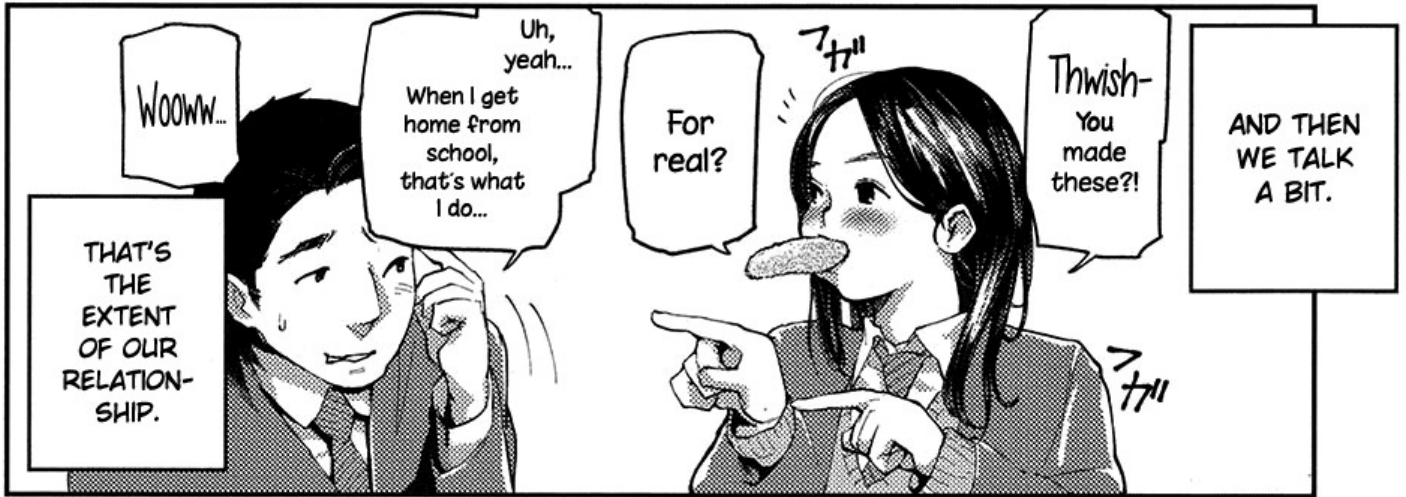

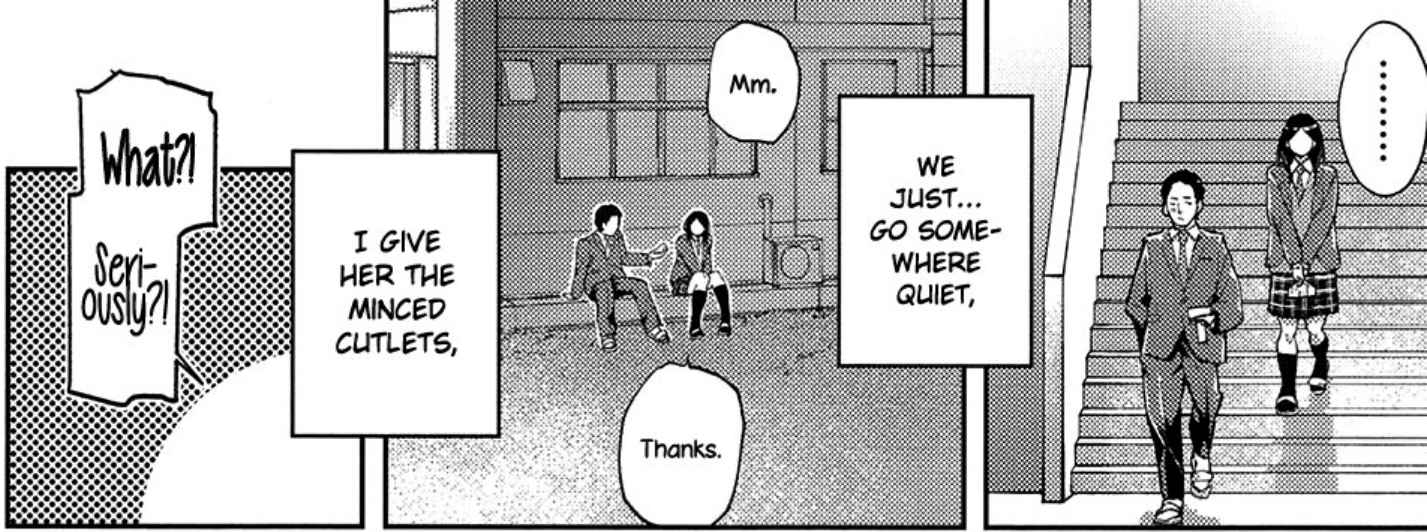

Well, yeah...

Alhwo...

You're even famous enough to be featured on TV, r'right?

That are fresh off the pan?

Would you like to try some...

If you're making some...

So, you know... If you want, you could come over and I could make you some...?

See, today... my parents are out, so the store's closed...

...I'll go.

Huh?!

Y-Yeah, right, never-mind! Haha... ha...

Then I'll go.

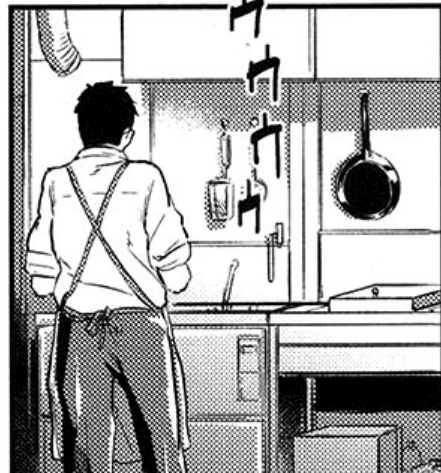

あ あ あ

.....

.....

Hwaah~

Here.
Some tea to go with it.

あー!

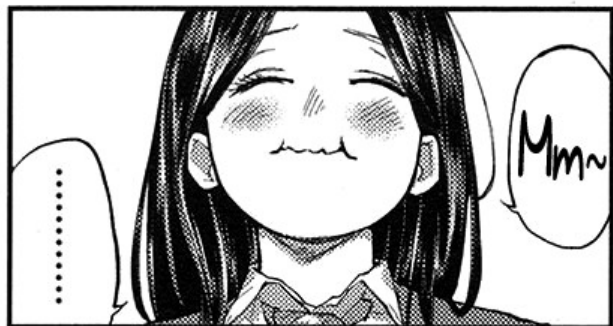

Hoah~

Hoh...

You know how to make these delicious cutlets and all...

...You're really amazing, Kashima-kun.

Mmm~

I-is that... so...

...Well, he's a better cook than me...

Have you never, uh... cooked for someone you like, for example...?

You think so? But you gotta know how to cook too, right?

I mean... You can do like, everything...

Mm?

Huh? Wh-Where'd that come from?

Maybe from all the cutlets, you know?

T-That reminds me, Ryuugasaki... Haven't you gained some weight?

ちほ...

You have to make it up to me...

.....

For making such tasty food...

It's all your fault...

Huh?

...your fault...

Hehe...

You're nice, Kashima-kun.

...But thanks.

Huh?

You know, we haven't really spoken looking straight at each other like this before, have we?

Oh, yeah...

I was just too embarrassed to look you straight in the eye at school, that's why...!

Yeah, me too.

...Hey.

Think you could...

...Lick it?

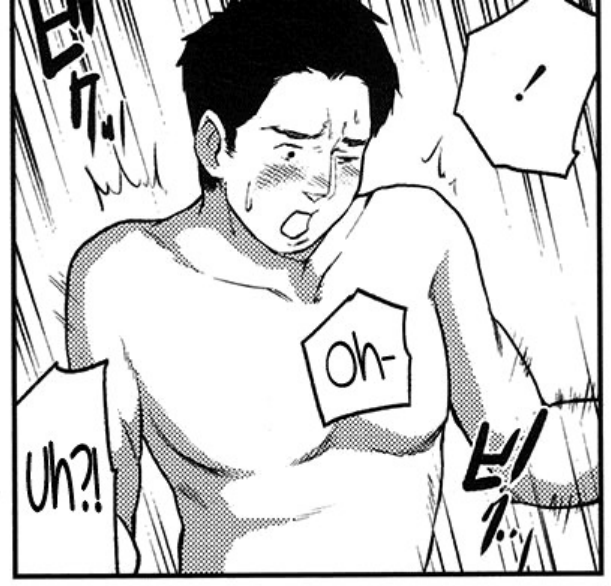

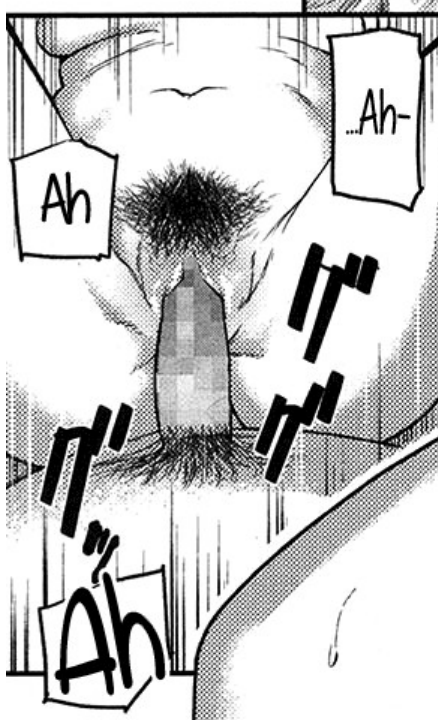

Hh

Ah

We're connected, huh...?

Yeah...

I can feel all of you too, Ryuuga-saki...

I can feel you... throbbing inside me...
...It's really amazing...

Uah!

Nn

...Aha~
Sorry, Kashima-kun...

Looks like I ate it after all...

D-Don't just start moving all of a sudden...

The way we're connected...

So... Right now...!

I always felt...
Un-easy...

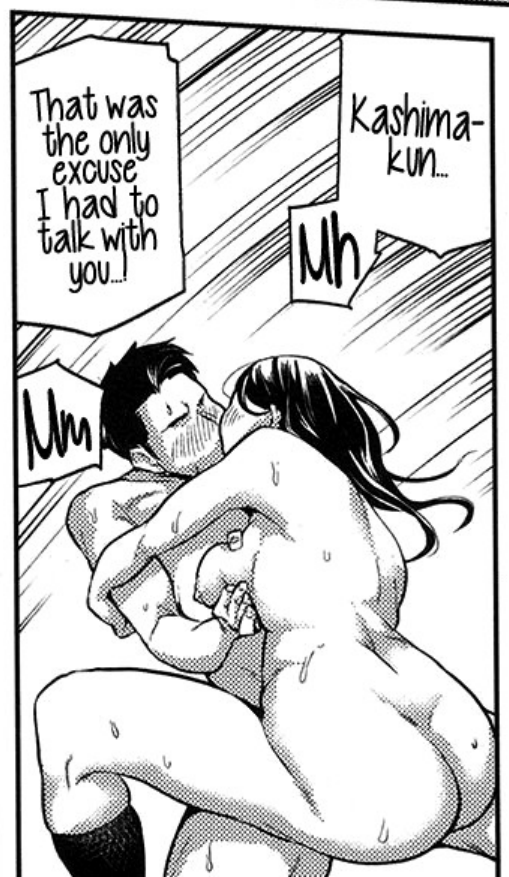

Really happy too...!

And I didn't...
Want that... to go away...

So now...

Now I'm...

That was the only excuse I had to talk with you...!
