THERE SEEMED TO BE A DISTURBANCE AROUND MY... CROTCH!?

THE NEXT THING I KNEW I WAS WAKING UP ON THE FLOOR...

THE LAST THING I REMEMBER... IS HEARING MY STUDENT SUZUNE CALLING OUT TO ME...

Loli-Succubus

- Greetings, this is Rico.
- Thanks for Reading.
- This time a large portion of the story came from
- Taca-san(lco-ba)'s character and scenario.
- (Although I did rewrite a few bits and pieces.)
- Thanks a lot Taca-san!
- Next time, I'm thinking about drawing a story around the
- idea of [Loli-Succubus vs "Mating-Press" Oji-san,
- Who will succumb to pleasure first!?!]
- Well, obviously the tiny Succubus ought to give in first.
- I want to draw something brimming with eroticness.
- I want to draw something that uses the full-force of my
- fantasizing. I think I can still improve with drawing
- various fluids. I'll continue to practice.
- Anyways, Please look forward to my next work as well.
- As for this time, Thanks so much!!
