NEMU Presents

Shouta-kun, you make such good food...

I mean, just look at this belly!

That I've gained [REDACTED] kilograms since our wedding!

...But it's rare to see Suzu-chan this fired up about something...

As her husband, I have to cheer her on, don't I...?

Good. Then don't get in my way.

I don't want that either...!

Alright! Now let's keep breathing out and stay in this position for 20 seconds!

I really don't want her to lose weight...

I just thought I'd help you with your diet...  
Eh?

No no, that's not it!

If you plan on tempting me with snacks, I'll have you know I won't lose...!

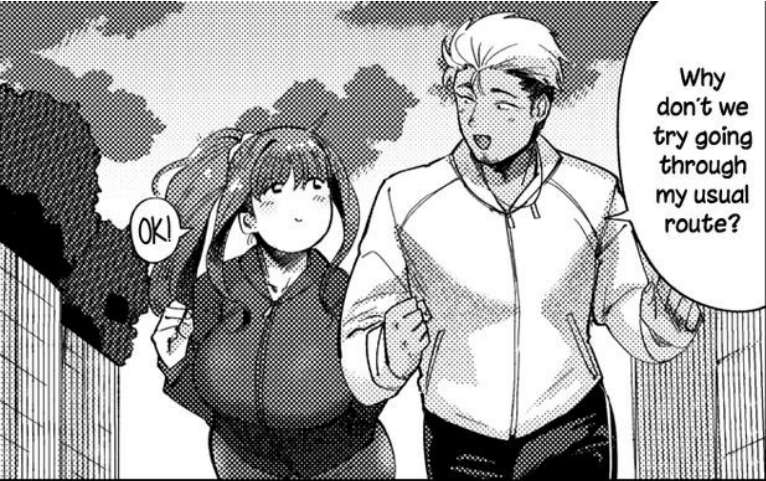

Suzu-chan.

Let's give it our best shot, together!

I'll help you with whatever I can!

Shouta-kun...!

Why don't we try going through my usual route?

OK!

Okay~

Jogging is something we can easily do together, huh-?

If it gets too rough, tell me right away, okay?

Let's go jogging together every day!

From now on...

Hah

Haah

I'm fine!

You okay there?

Ready to go, Suzu-chan?

Mhmm!

Alright then, we'll finish it off with this!

A-All right!

It feels like I've already burnt away some fat!

It's... pretty rough, but...

Ehehe~  
Come on,  
there's  
no one  
around-

Aahh...  
When we  
get home,  
I'm going  
to get the  
bath ready  
and just  
sink right  
in-!

...

Aah..

Haa

Suzu-  
chan,  
are you  
sure you  
should be  
undressing  
here...?

You'll  
come in  
with me,  
right,  
Shouta-  
kun~?  
♡

Wah?!  
What,  
what,  
what?

Sh-  
Shouta-  
kun?

"No  
one's  
around",  
you  
say...

But  
I'm still  
here,  
though.

Why? You smell really good, Suzu-chan.

That can't be true~

D-Don't sniff me too much, okay...?

I must- Ah- stink of sweat, so...

Uh-U-Um...

Shouta-kun...

Come now, Suzu-chan... With armpits as naughty as these, you need to take good care of them...

Uuu...

かあ...

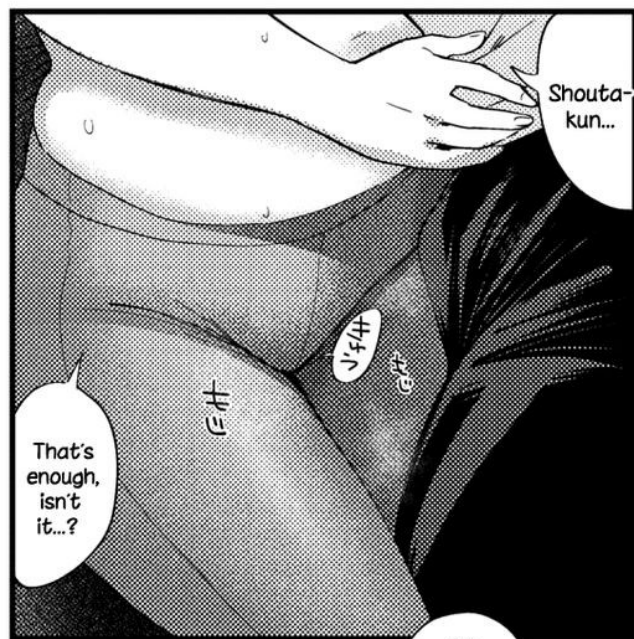

Oh but it is.

H-H-Hood ooooohh!

Where do you think you're sticking your face?!

Hmm, you've slacked off a bit over here~

Someone's really going to come, you know?

Relax, no one's gonna come.

...Really?

Yeah, really.

...I hope.

Geez~

Then we'll stop right then and there, got it?!

Uuu... If someone does come here...

Got it~ ♡

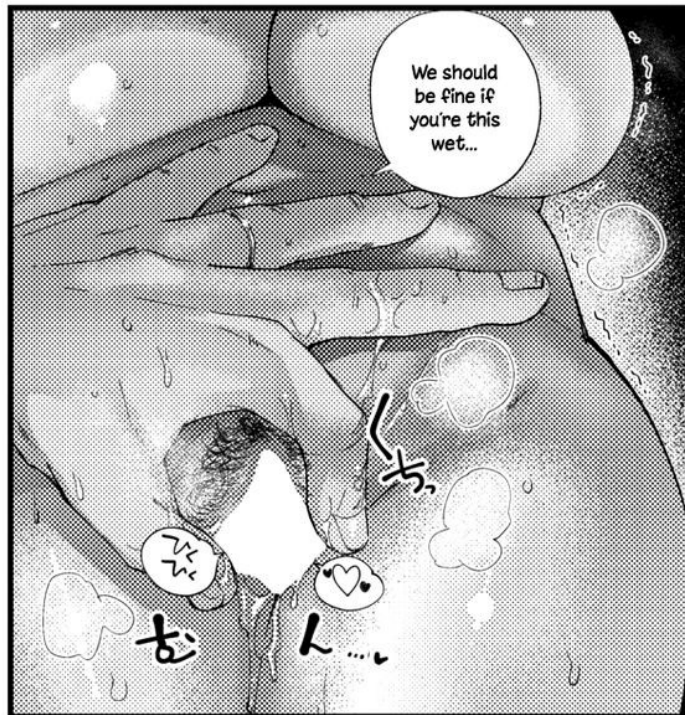

But to think that my lovely Suzumeat is going to start disappearing...

It's enough to make a man cry... and want to have sex...

Geeez~ Stop saying dumb things while rubbing my boobies~!

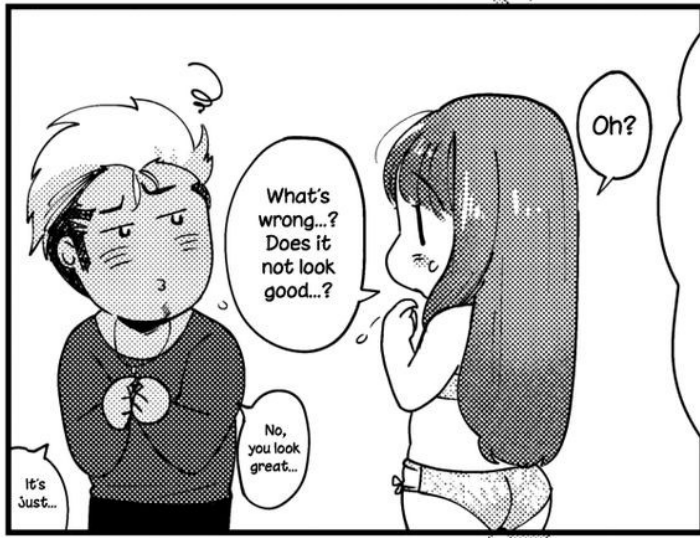

Thanks to your help, I successfully lost weight! Look, look-! ♡

Ehhh...

If you want to wear it outside, wear a hoodie or something on top of it...

**Whaat?!** But I went on a diet just for this!

You look absolutely adorable, but please... Don't let other people see you wearing that...
