Chemistry is not your forte, huh, Yurie?

Yeah... That's pretty bad.

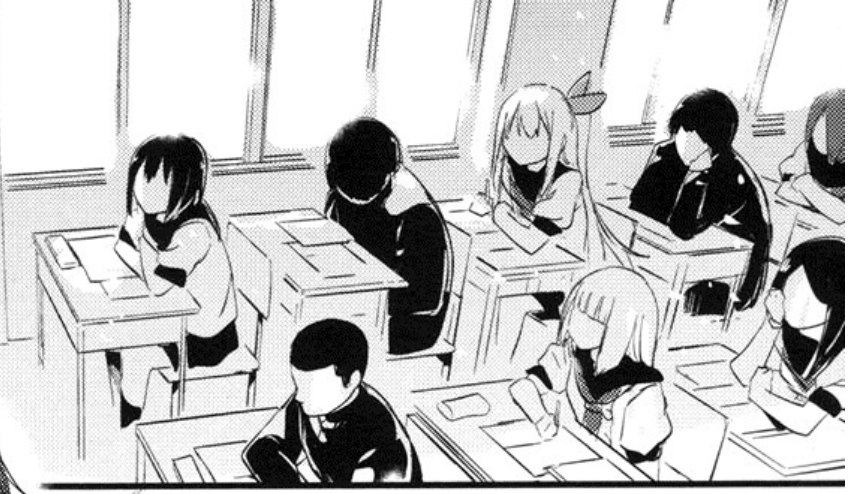

...To be honest, I'm not really looking forward to it, either...
We've got chemistry next, by the way.

And on top of that, the chemistry teacher, Sakurai-sensei, is pretty scary-looking, isn't he?

Ah...

好き。好き。先生が好き。

Ey

Ey

I can't keep up at all either...!

Plus, the home-work was crazy hard...

...Riiight, it's the usual, once again.

...From which we can...

...there. Now.

...As such...

If my grades don't go up quick, my allowance is goooone!

What do I dooo?!

Awww maan!

I GOT NONE OF THAT, SIR!

THERE'S JUST... SOMETHING ABOUT HIM THAT DOESN'T SIT WELL WITH ME...

SAKURAI-SENSEI... HE'S PRETTY YOUNG, AND WHILE I DO THINK THAT HE'S KINDA GOOD-LOOKING...

But since it's the teacher that I'm not good with, I don't think my grades can get any better...

HMM... I WONDER WHAT IT IS...

Haah~

lida-san.

...Still, my grades won't be going up with Sakurai-sensei...

Cram school would probably help, but... It's cram school...

My classes are hard to follow, aren't they.

...
Is something still wrong?

Hahaha

I'm glad you're such an honest girl, Iida-san.

...Not untrue, shall we say...

...

Tha-
That's not...

HE TOTALLY HEARD EVERYTHING!

Heah...

If you don't mind, I can lend you an ear!

Soo, umm...
Are you maybe... troubled over something, Sensei?

Dha ha ha...

...

Could this get any more awkward? ...

Because of that, I must have caused quite a bit of unnecessary headache for you and the rest of my students.

...I'm truly sorry about that.

Anyway, that's why, in class, all I can concern myself with is proceeding with the lecture.

I suppose you could call it stage fright...

...To tell you the truth... Up until the year before the last, I had only focused on my research, and so I am quite unaccustomed to speaking on stage, like I do in class.

...I'm sorry, please forget about what I said.

...Some teacher I am, complaining to a student like this...

SAKURAI-SENSEI SEEMS KINDA DIFFERENT FROM USUAL...

HUH? WHAT'S THIS...?

Sensei! I knew I noticed something different about you!

I knew it!

Wha-

AAH

You look really handsome when you smile!

I think...
I prefer this to the usual Sensei!

Ahem

I... I see...
That's not good, is it.

Thank you for bringing this to my attention, Iida-san.

I- I do?

Yes, you do!
You're always staring at things with a really scary look on face!

Th-
The usual...?

?
Yeah, you always have this really scary face in class.

If you just try to smile a little more, I think you'll be fine!

Sensei, you're good-looking, so...

...BUT I SEE HE JUST HAD THINGS WEIGHING ON HIS MIND.

UP UNTIL NOW, I'D ALWAYS THOUGHT SAKURAI-SENSEI WAS JUST SCARY-LOOKING BY NATURE...

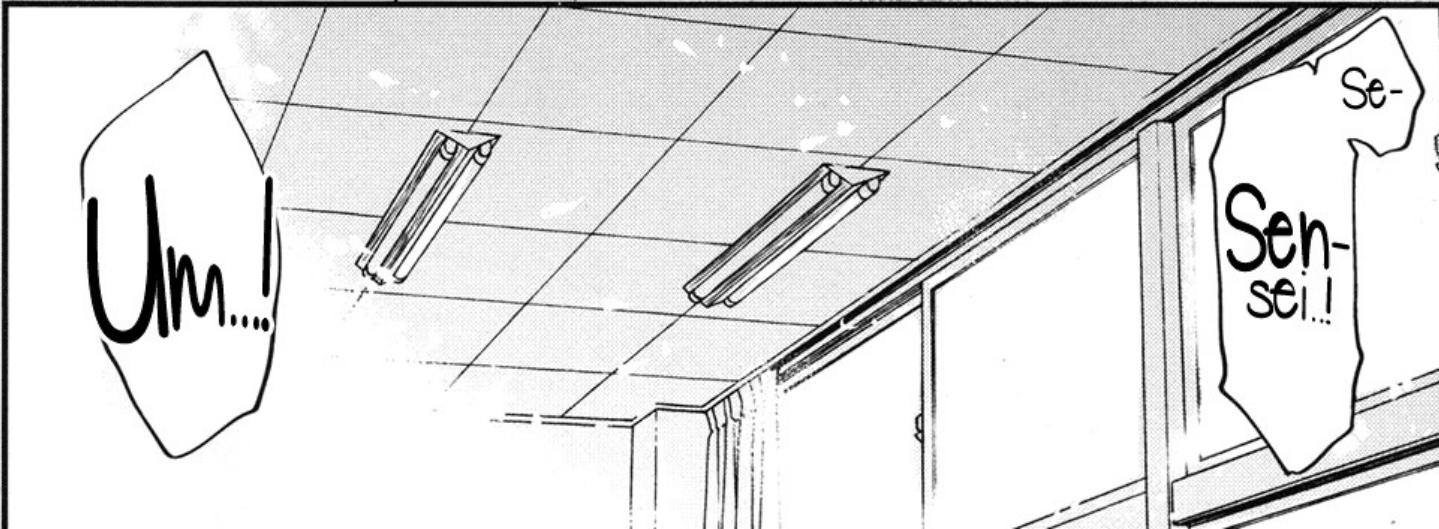

Thank you very much. I'll do my best.

.....

IN THAT CASE, I...

Um....

Se-
Sen-
sei..!

Next, about this concept...

O-Of course, yes...

Gimme a big ol' smile~

C'mon, smile~

Ah, yes...

Ah-

COME TO THINK OF IT, HE ALREADY LOOKED SOUR WHEN HE ENTERED THE CLASS-ROOM...!

...And then...

So, you see, that part...

...which is what you should pay close attention to...

THE REAL HIM...

THAT'S RIGHT!
THE SAKURAI-SENSEI I TALKED TO IN THE PARK THAT DAY WAS THE REAL SENSEI, WASN'T IT?

HE'S JUST A LITTLE CLUMSY AND A BIT AWKWARD, BUT...

...Sakurai-sensei's class felt pretty different today, huh?

Kyoko?

It's like he was being way more thorough than usual...

THAT'S THE KIND OF TEACHER HE IS, RIGHT?

AND AT THE SAME TIME, MAKE HIM MORE SIMILAR TO US.
THOSE THINGS MAKE HIM DIFFERENT FROM OTHER TEACHERS...

WORRIES ABOUT EVERYTHING AND ALWAYS TRIES HIS HARDEST...
BUT HE STILL FEELS UNSURE ABOUT HIMSELF.

I WAS ABLE...
TO HELP HIM OUT A LITTLE, RIGHT?

I see...
I-

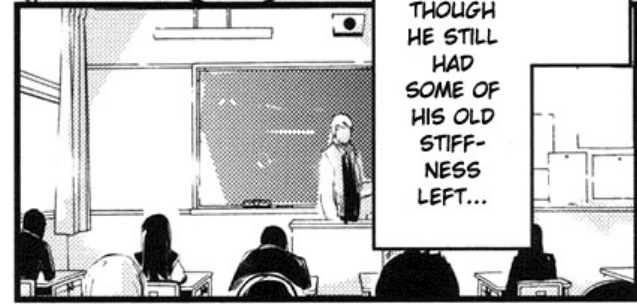

Sensei!
I think you should try harder to look people in the eye when talking to them.

AFTER THAT...
EVEN THOUGH HE STILL HAD SOME OF HIS OLD STIFFNESS LEFT...

LITTLE BY LITTLE, SENSEI STARTED SMILING MORE...
AND HIS CLASSES BECAME LESS AND LESS STRAINED.

Thank you for everything.

lida-san.

To the chemistry lab, then.

G-Can we continue this somewhere where people aren't watching?!

Se-sensei?!

I, um... I needed to raise my grades too, so...

I'm really glad I've gotten more help on the parts I didn't understand...

Ah, oh, right...

I truly appreciate you lending me a much-needed helping hand in class time after time, lida-san.

Let me say it again.

That just makes it sound like classes without me would be a disaster, doesn't it?

But when you're there to remind me what to do, I feel like I can manage.

Although it shames me to admit it, I still get nervous when speaking in front of a classroom full of people...

Here, a cup of black tea.

Thanks to you, I avoided a dreadful cut to my allowance!

Yay~

...HM?

.....

I'm trying my hardest to improve on that front...

Th-That... l...

Hehee

That's almost unbearable to watch, but... It also makes me feel like I can't keep my eyes off of you even for a second!

It's all right! Sensei, you have that slightly awkward part of you...

Ah, but I can't give you any exam answers, all right?

I WAS BASICALLY SAYING THAT I'M ALWAYS LOOKING AT HIM... RIGHT?

UHM, I THINK IT SOUNDED LIKE...

I... WHAT DID I JUST SAY?

ERR... HUH?

I was just thinking that I wanted to give you something to show my appreciation, so...

I-I'm sorry.

Ah-

IT'S LIKE I LIKE HIM...

THAT MEANS... SAKURAI-SENSEI'S ALWAYS ON MY MIND... SO...

IT'S LIKE...

...OR SOMETHING...

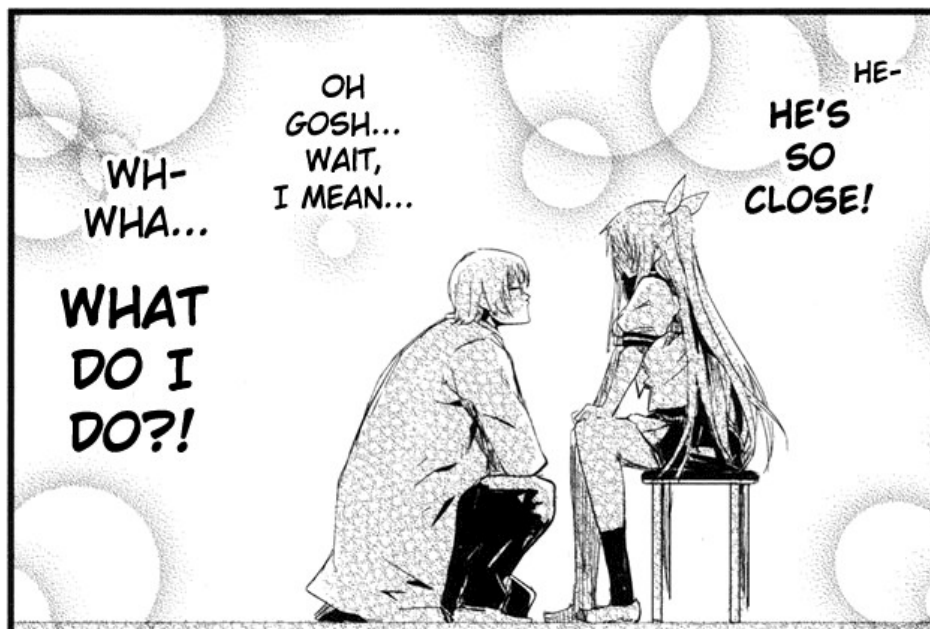

HUH? DID I ACTUALLY HAVE THAT KIND OF AN ULTERIOR MOTIVE ALL THIS TIME?
SURE, SAKURAI-SENSEI IS REALLY GOOD-LOOKING, BUT...
H-HOLD ON, WHY AM I BLUSHING THIS HARD?

UHH...
UHHM...

No way no way! Forget it!

WH-WHA...
WHAT DO I DO?!

OH GOSH... WAIT, I MEAN...

HE- HE'S SO CLOSE!

lida-san?

Can it be... anything?

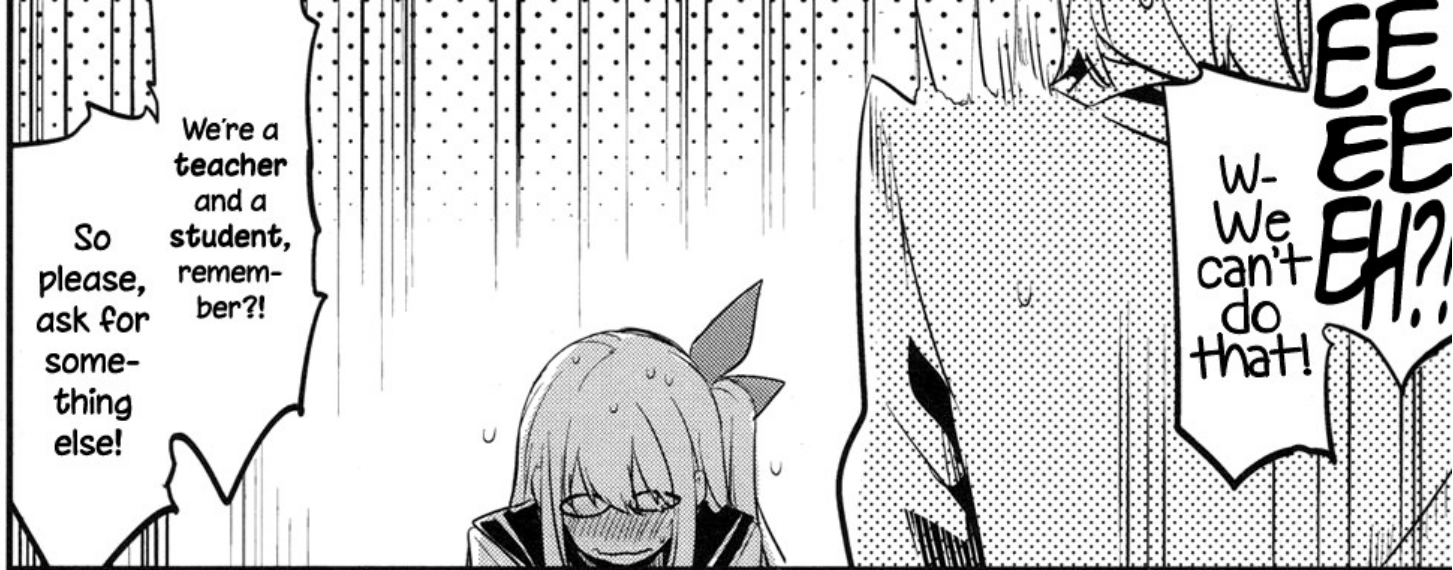

.....
You wanted to give me something as thanks, right?

If so, then...

I want a kiss...

...please.

So please, ask for something else!

We're a teacher and a student, remember?!

W-We can't do that!

EE
EE
EH?!

I need to do this to know for sure!

E-Ehh...?!

I thought it could be love, but it could also be something else!

It's just... that my heart goes wild when I think about you, Sensei!

Y-You don't understand!

...So!

...I'm sorry, Sensei.

.....

.....

...My heart's...

Still going wild.

...No.

It's actually beating even faster than before.

En?!

HA
AA
AH

S-
So...

I'll... call that an accident... And forget all about it...

...I like you...

I guess... My heart's telling me that I really...

...Sensei.

So as long as we're in agreement, I'll take full responsibility for you!

Truth be told, I've found my heart skipping a beat or two when I'm with you, lida-san...

All right, I get it!

Waa ahn!

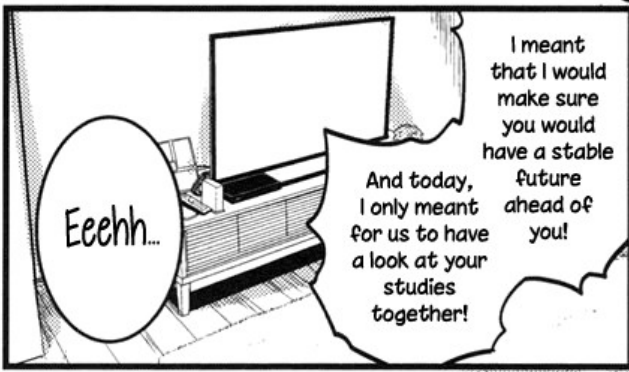

Fye ee ee ee ch

Didn't you say you'd "take responsibility", Sensei?

Ehe~

...Hold on a second! What do you think you're doing, rolling around on my bed looking like that?!

Eeehh...

I meant that I would make sure you would have a stable future ahead of you! And today, I only meant for us to have a look at your studies together!

No!

Does that mean that there's a permanent workplace for me here at your house, Sensei...?

Nh

...Not good enough?

Unless... I'm...

S-Still...
...Wait, no. I suppose there is, in a way...

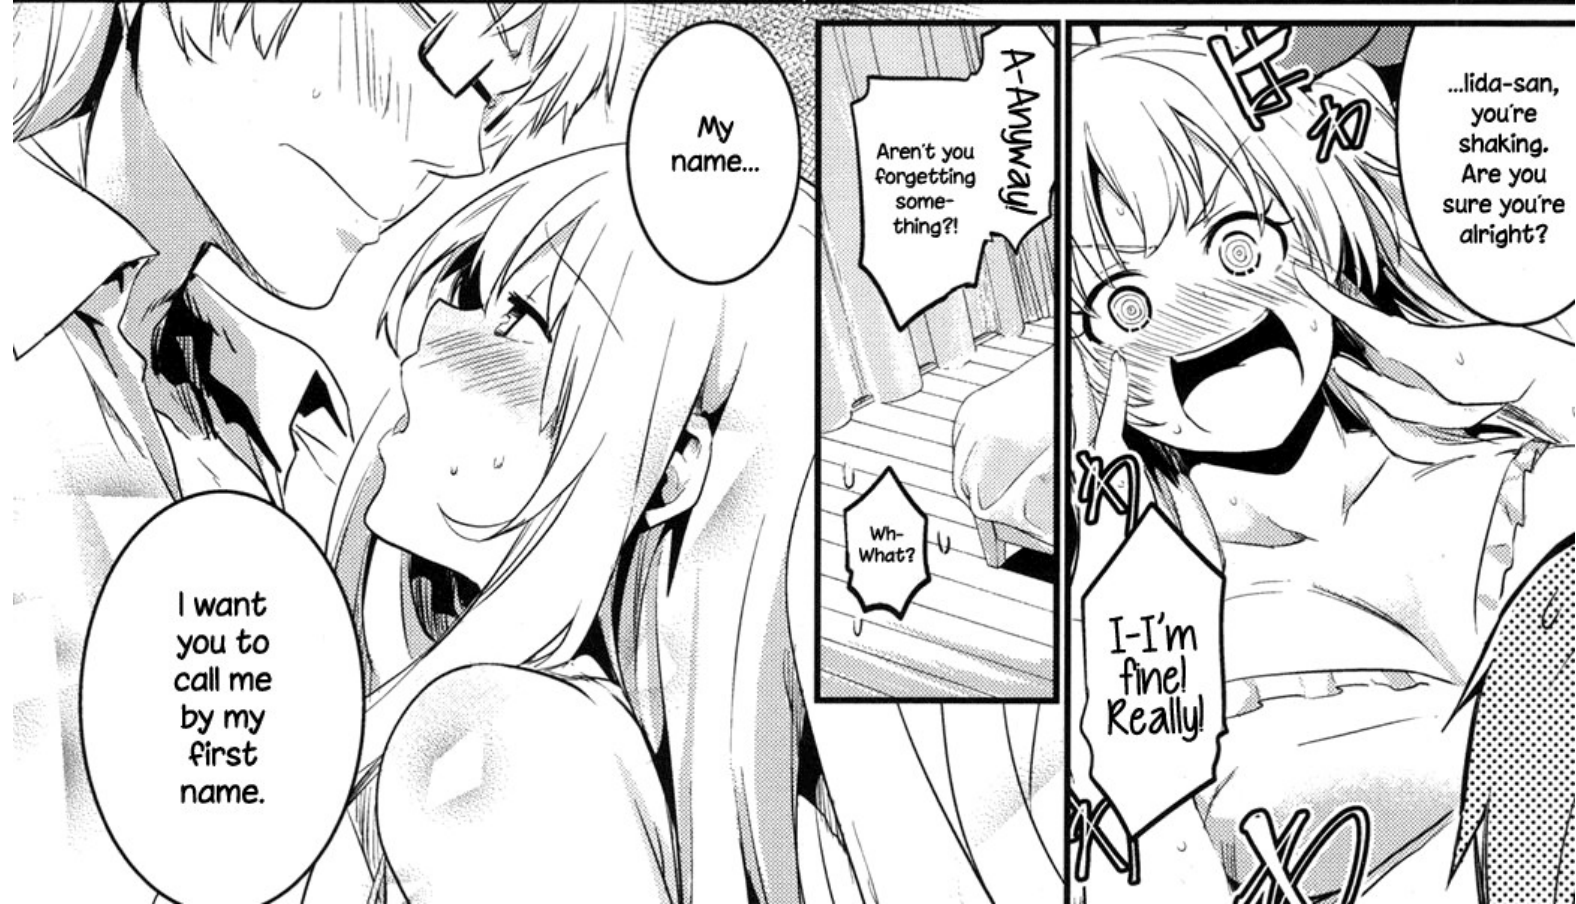

Well, in that case...
There's no problem, is there?!

Not at all, I assure you!
Th-That's not the case!

.....
...It seems I really am no match for you, Iida-san.

Thank you, Sensei.
I'm so happy to hear that!

He hehe~

My name...

I want you to call me by my first name.

Aren't you forgetting something?!

A-Anyways!

Wh-What?

I-I'm fine! Really!

...lida-san, you're shaking. Are you sure you're alright?

I managed to bring a smile to your face.

...Thank goodness.

Sen-sei!

Still, I'm happy that you finally called me by my first name!

Yurie...

Yu...

...san.

...This is quite embarrassing, isn't it?

You sure did!

Hehe~

Ehe-he~

Uh

Really wet down here...

Yurie-san, you're...

That's because... ever since we got here...

I've been thinking we would start doing... that kind of stuff...

If you entered the room of the one you love?

But Sensei, wouldn't you think the same thing...

~~~~~

Hh...

Sensei...

I'm all ready now...

Yurie-san...  
Does it hurt?

N-No...  
I'm...  
Fine...

AH...  
HE'S  
GOING...  
ALL  
THE WAY  
IN...

Sensei...  
I want

Feel  
more  
of  
you...

Are you feeling good...?

Yes...

Yurie-san...

Noo... That's so embarrassing...

It's so very warm inside of you...

And it feels incredibly good...!

I'm not forcing myself to do anything.

Sensei.

Y-Yurie-san!  
You don't need to force yourself to do that for me!

Hey... Let's continue where we left off, okay? Sensei~

Ehehe~  
Sensei, I think your dick just got even harder than before~
