

It was a perfectly great chance.

I... I'll have to try this thing out.

Yet, it wasn't enough...
This is already the fifth time...

I chose to stay at home under the pretense that I wanted to study.
On the day my family went out on a small trip,

It feels so good...

It's swelling again...

No... way!!!
It can actually vibrate this fast...!?

Even though I only touched it a little...

A chance for "effective utilization" of this...

It can pinpoint wherever I want...

Haa
Ah!
Haa
Ah!
Mm

I'm gonna cum...
Poke
It's overwhelmingly itchy...

Ah
I've orgasmed so many times
that it's gotten sensitive...
Mm

Twitch
Oh, brush...

This is... too amazing...
It's been a long time since I last experienced such a great orgasm...

I'm peeing and squirting at the same time...

As I thought, what comes after masturbation in my mind is-

Dicks...
Haa~

The deepest part of my pussy is squeezing...

Your pussy gets tighter every time I move a little.

Uhh, I'm cumming!

It's really amazing...

to the most sensitive part of my pussy...

If I spin my pussy around the dick and move it

I'm cumming...

Aah... My pussy is being... filled with hot cum...

I'm gonna take all of your cum without wasting a single bit.

I'm gonna take all of your cum without wasting a single bit.

I'm going to have sex non-stop

and let him cum inside me countless times.

And after that,

Please thrust it all the way into my pussy.

The cum is dripping out.

I have no idea how much cum has been ejaculated into my pussy.

I'm cumming...!!

Harder!

I just can't help it.

is coming out again...

Ah... the warm cum...

And that's why,

I can only do things like this today, after all.

From the looks of it, it can still make it!

Leave it to me!

If I lick it like this...

I still want to do more lewd stuff...

I did it so much in just one night, and yet,

It's gonna be alright.

Ah, Ayaka-chan!

I don't think I can do it anymore...

Alright, I'm gonna dig in.

In the end, we did it another four times after that.
