きのこのみ

Calm  
down,  
Mantaro.

She  
left  
me!  
She  
left  
meeee!

**She  
broke  
it.**

When I was in kindergarten, I had a nice childhood friend.

...I  
think.

**We had a  
promise  
to get  
married  
someday,  
but...**

**Uaa-  
aaah!  
She  
left  
meeee!**

**D...  
Did  
she  
dump  
me  
...?**

I think...  
She ran  
away...  
Yes...

No, maybe  
she died...  
Wait, that  
can't be  
right...

...It's  
not that  
important  
but my  
younger  
sister was  
born 10  
months  
later.

**Yes**  
You  
wouldn't ...  
be so  
lonely...  
If you  
had a  
sister.

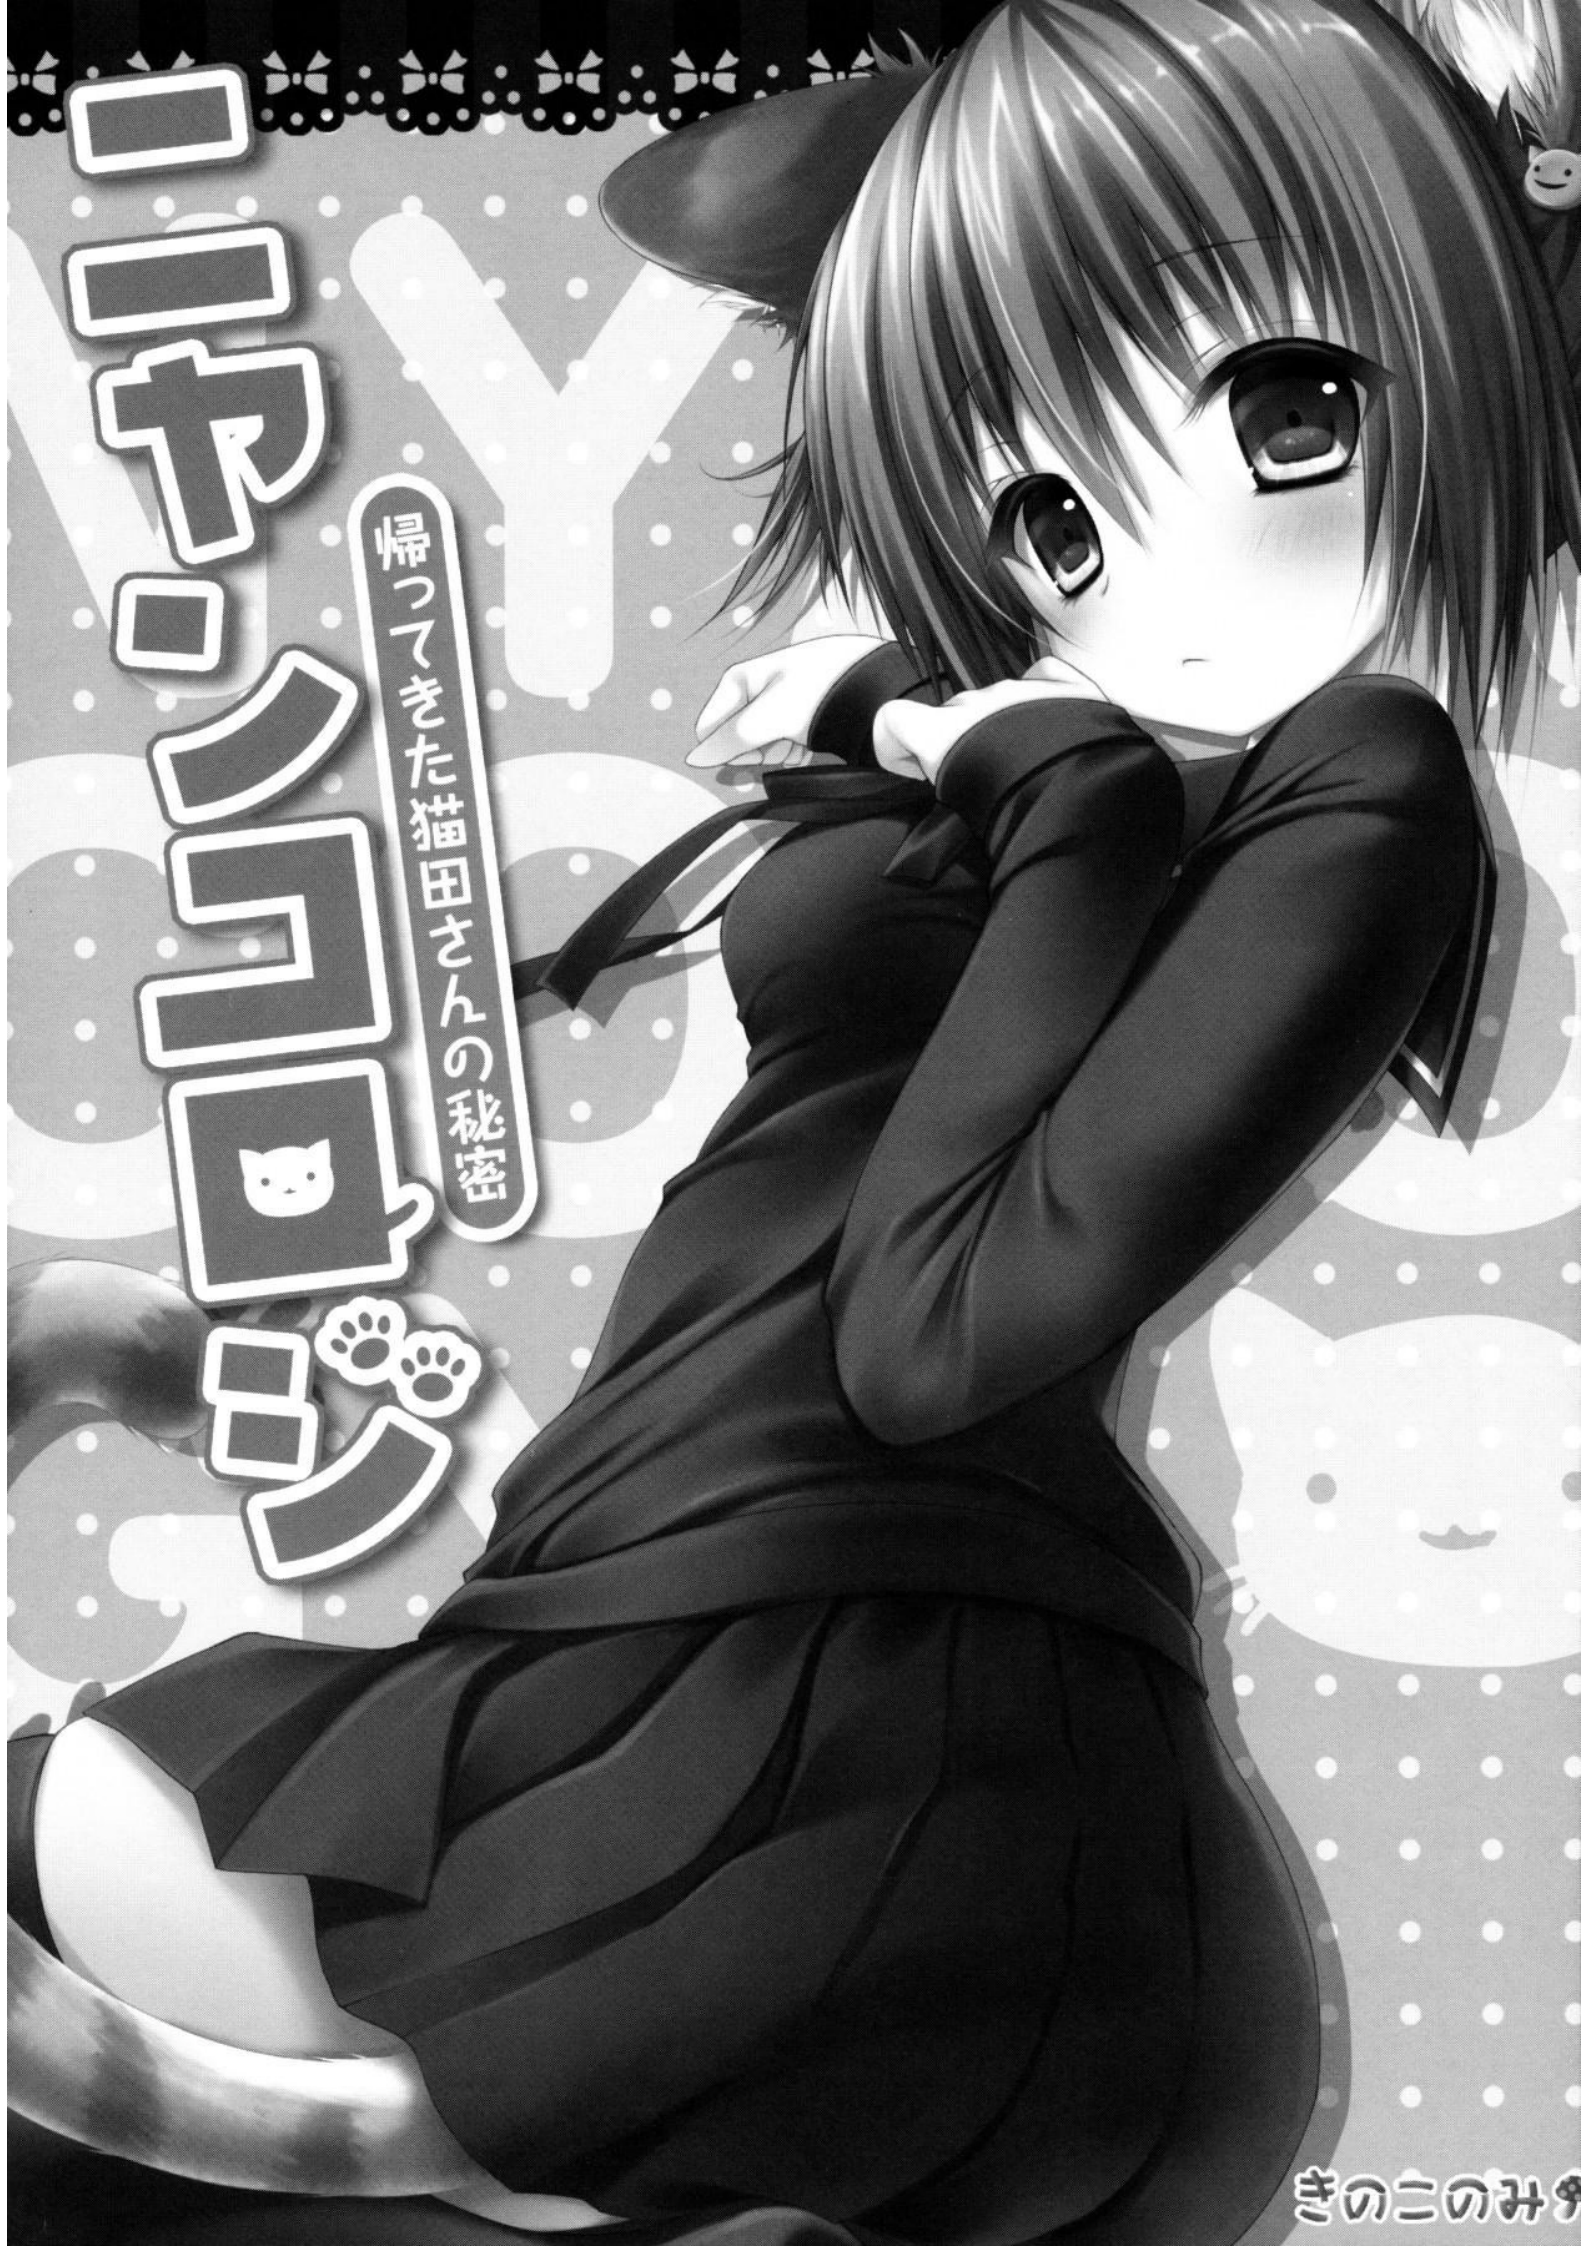

My first  
love ran  
away  
together  
with her  
family  
...

Don't  
worry,  
Mantaro.  
\*\*\*-chan  
will come  
back  
someday  
...

She  
left  
mee!

帰ってきた猫田さんの秘密

Onii-  
chan,  
it's  
morning!

I've been having  
nightmares for a while...  
(It's been 10 months... I think)  
Why do I keep dreaming  
about that breakup even  
though I never had a  
childhood friend?

Did you  
have that  
breakup  
dream  
again?

Mm  
...

Was  
that a  
dream  
...?

Please  
wake up!  
You were  
talking in  
your sleep  
again!

O  
W  
W  
W  
!

W...  
Why  
!!?

Hey,  
Hiyuu-kun!  
Don't do  
anything  
weird to  
Nekoda-  
san!

She  
ignored  
me?

I can  
show you  
around.

Where's  
the staff  
room...?

After  
that  
...

You  
dropped  
your  
eraser.

She's  
been  
ignor-  
ing  
me  
...

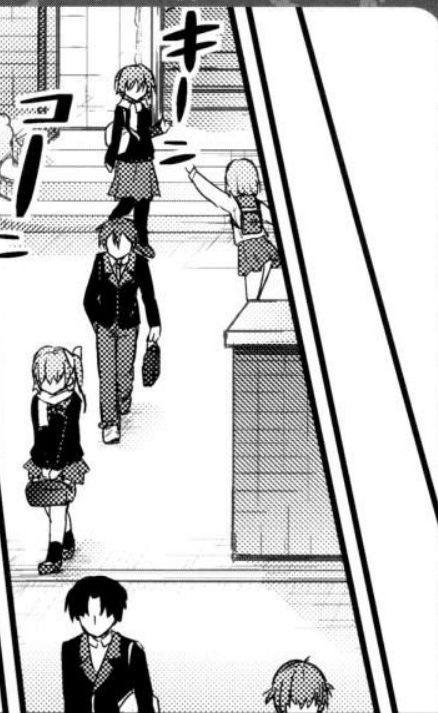

H...  
Hey...  
Did you  
forget  
your  
lunch?

I'll  
give you  
my egg  
sandwich  
...

The girl  
I saw in  
my dreams  
...  
Looks just  
like her  
...

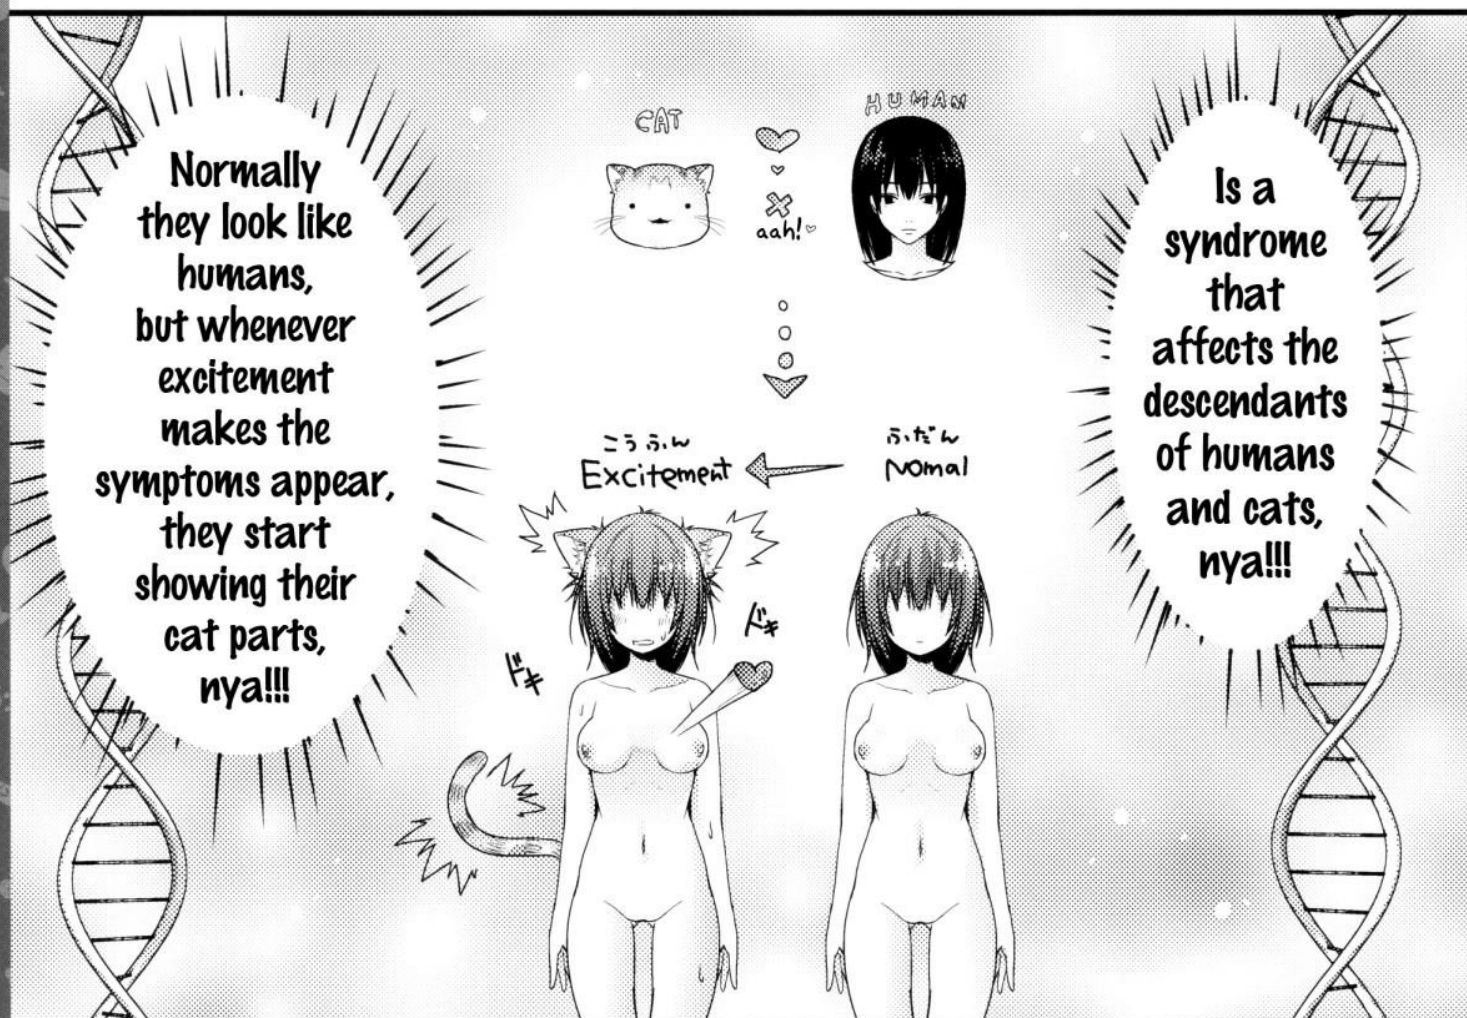

Mantaro-  
chan,  
I love you!

# HIHIHIHIHI!?

I can't believe... That my first time will be like this ...

E... Even if you say that... (I'm a virgin...)

Her body goes into heat whenever it shows the symptoms of Nyancology, nya. Sex is the best way to satisfy her sexual desire and return her body to normal, nya.

Sex is the best way to relax, nya.

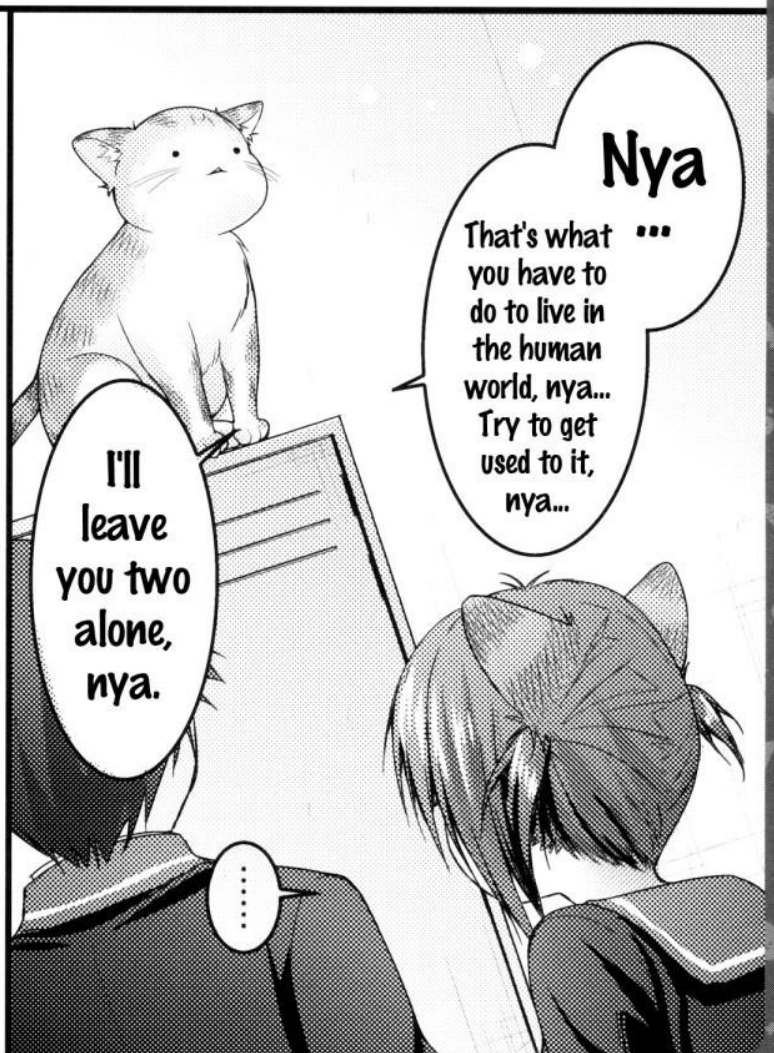

Fine...

Wait a second, cat!

Mantaro ... Take care of her, nya ...

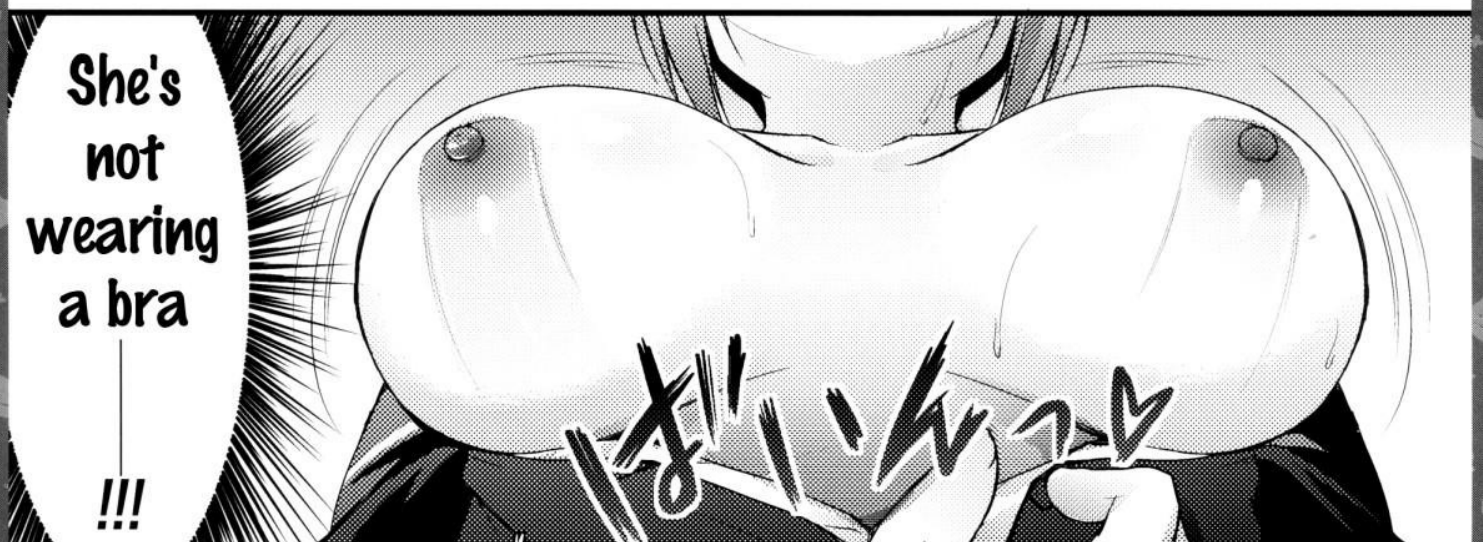

Nya ...

That's what you have to do to live in the human world, nya... Try to get used to it, nya...

I'll leave you two alone, nya.

Fourth date is probably too early for sex.

UAH!

It's wet ...

MYA!

Ah! Mantaro-kun... Aah!

You're all grown up ... I can't hold back ...

It's because you're so tender. Ha! Aah ...

My brain is melting!

Can I put it in ?

Aah, she's too cute !!!

It's too embarrassing. So... Please stop...

Don't worry ... I'll be gentle ...

Aah! No! No!

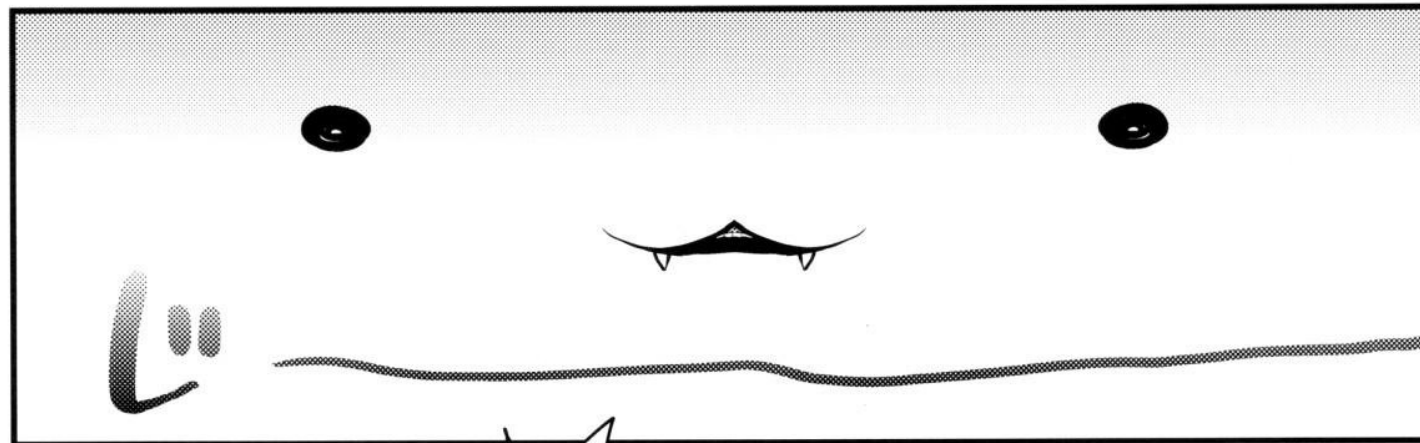

But it's dripping wet... It will be easy.

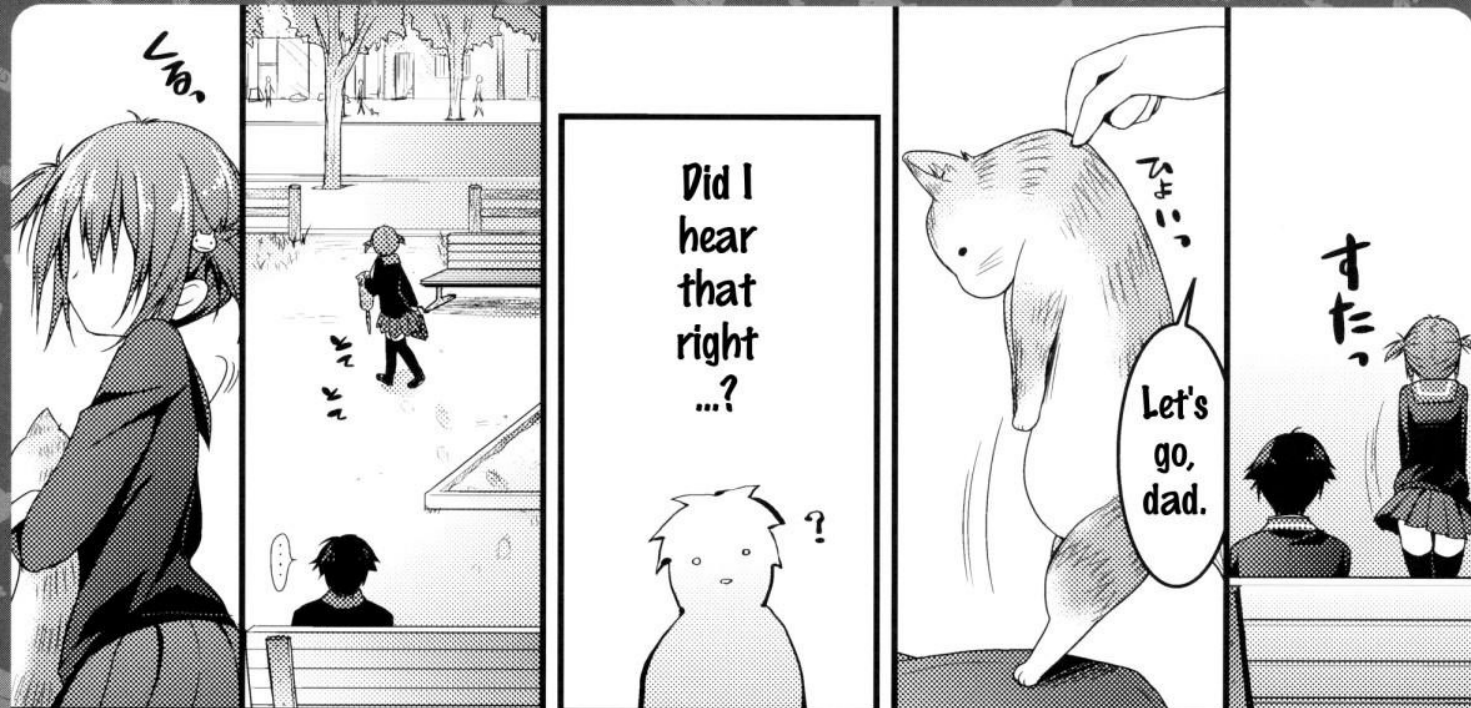

AAAAHHH!

The dream  
that's been  
haunting  
me for a  
long time  
...

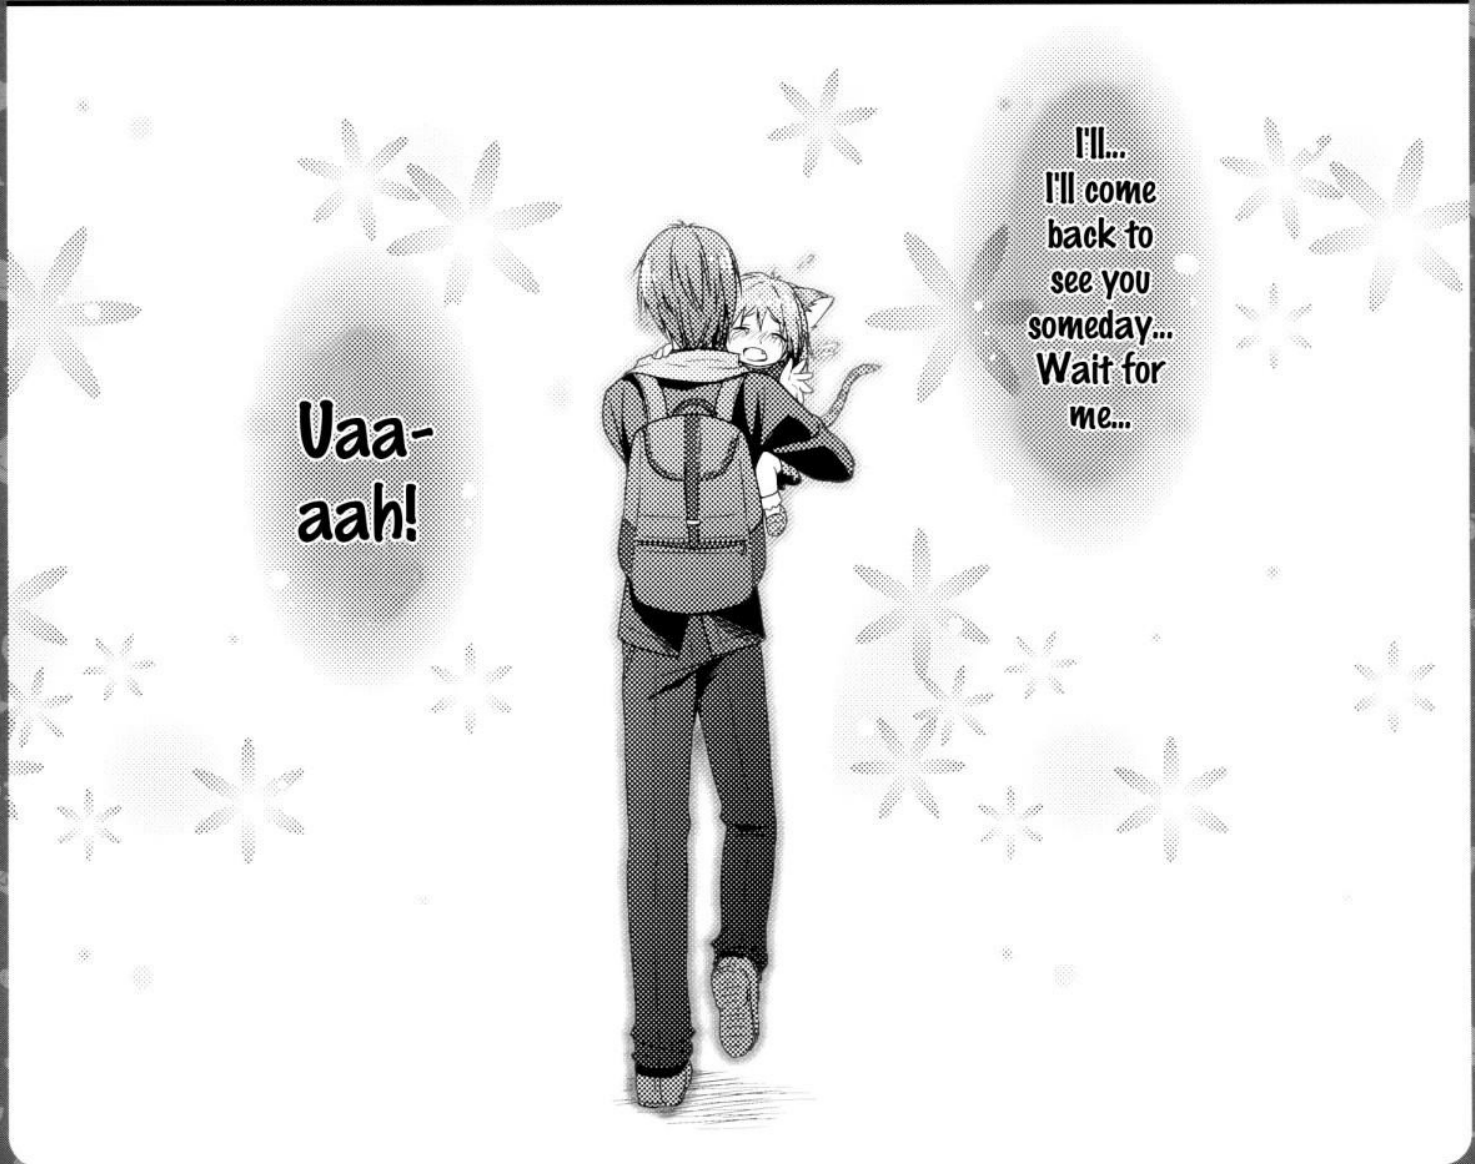

Y... Yes...  
See you  
tomorrow.

...  
Wasn't  
a dream  
at all.

Mantaro-  
chan!

Vaa-  
aah!

I'll...  
I'll come  
back to  
see you  
someday...  
Wait for  
me...

帰ってきた猫田さんの秘密

Greetings, I am konomi from KINOKONOMI.

This is my first original manga! I am happy, embarrassed and excited! Even though my friends were telling me that this setting is old, I like transformations, that's why I really wanted to draw it♪

Speaking of transformations, I loved "Tokimeki Tonight" and "Konna Panic"♪(I miss them so much...)♪

That's what I was thinking about while I was working on this manga♪

I drew more pages than I planned and it was really hard to finish the manga before my deadline.

If you love this story, I'd love to continue the Nyancology series! (I already have a few more characters in mind, hehe)  
I hope we meet again!

My next event is COMIC1 in April! In addition to some other stuff, I'm planning to release a Touhou book  
Thank you very much for reading this to the end
