Wha-!?

Yup.
It's hard to believe it's the same kid that last year hid crying behind his backpack.

Ahaha!
Keep at it!

Uwooh~
I've changed already!

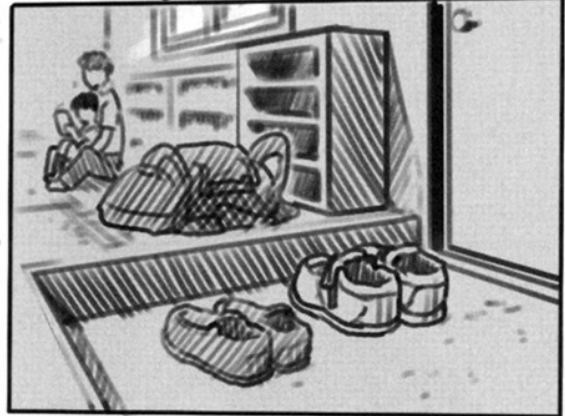

Sensei, don't cause trouble outside, okay?

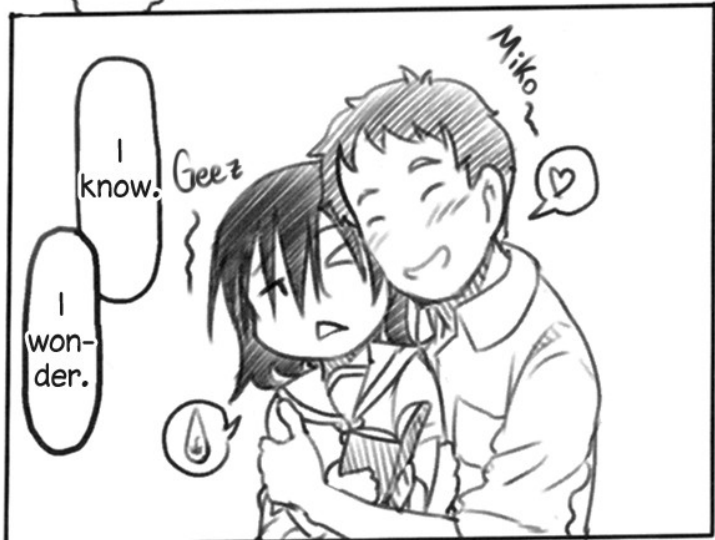

Eeh~ So he said that, huh.

You're so cute I can't control myself.

I know. I wonder.

Miko~
Geez

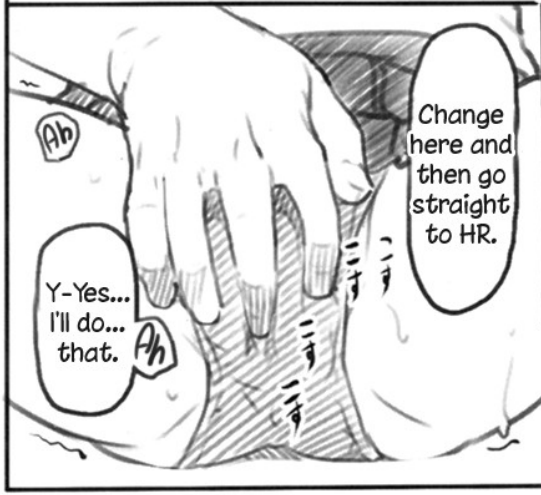

I have PE today, so maybe we'll have to stop early.

Ah! Hey... sensei.

Try to endure it...

No... Don't

Y-Yes... I'll do... that. Ah

Change here and then go straight to HR.

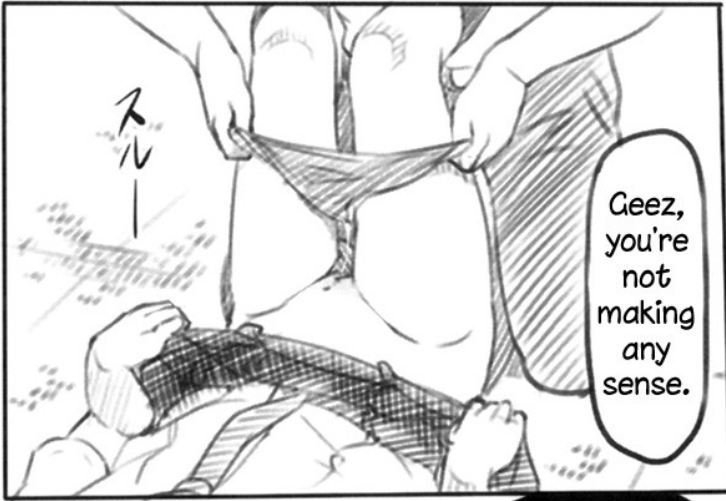

Our class has prettier girls...

Why did you choose to go out with a plain girl like me?

You what?

Sensei, why me?

ズル

Geez, you're not making any sense.

Well, because you are plain.

I... see.

To me, you're the cutest girl right now, Miko.

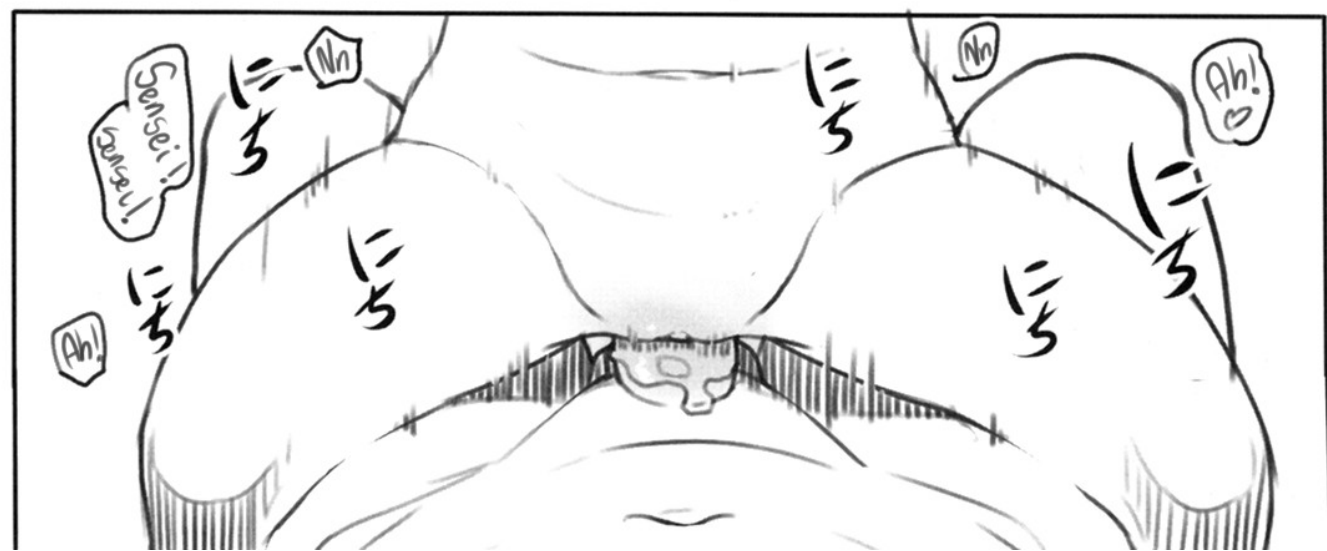

Ah!

Ah~

Hyah!

You'll find your most sensitive spot and teach me.

Uh...

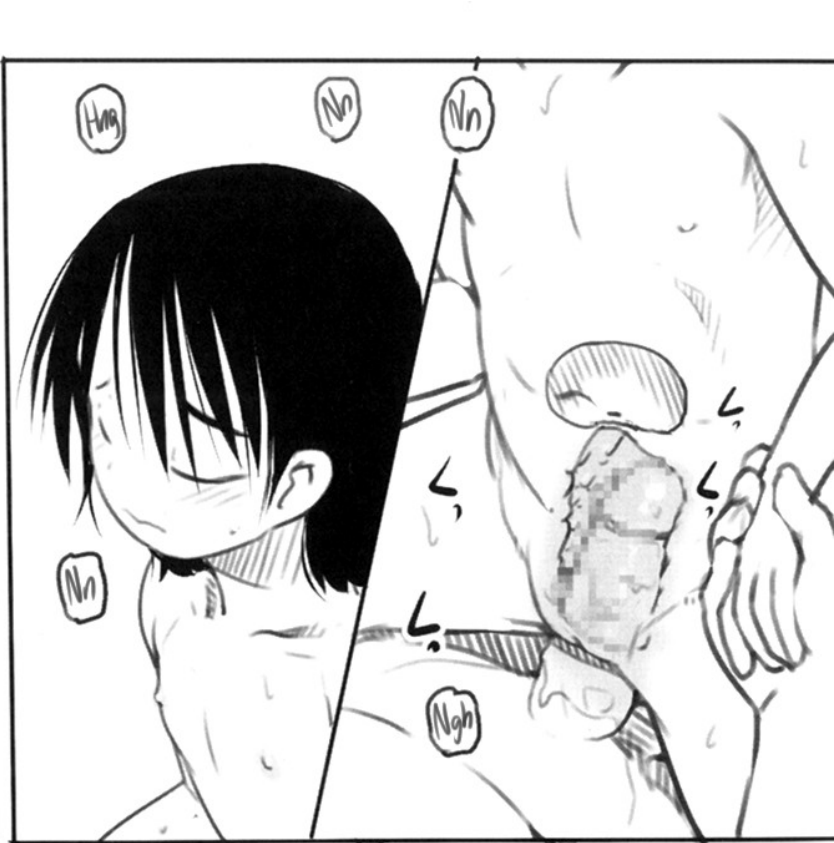

Eh?

Now you'll move, Miko.

Umm... please hold me properly.

Of course!

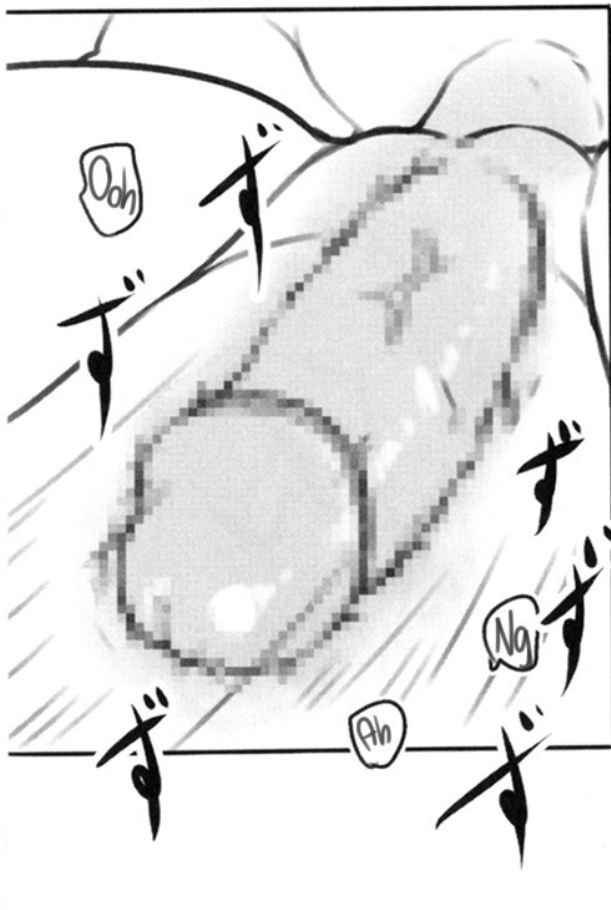

You're too lewd, Miko!

Sensei, not that place!

Are you cumming?
It makes me shiver.

You'll go to class with your belly full of cum!

It's okay, I'm about to cum too!

Y-Yes!

Sensei!
Cum!
Cum!
Shoot
it!

Ah~
I'm
cum
ming!
Take
it,
Miko!

Ooh

Ugh

Sorry...

Move!

Sensei,
it's hot.

Afterword

I tried drawing a plain, petite childhood friend NTR.

I'm always looking for an easier way of doing backgrounds,
lines and things like that.
