Can't get my
heart into it.

Starting to feel
like those
suddenly
added jobs
...

The
supervising
job has to
continue
after dinner
even though I
said that

I'm
exhausted

Huh? You're just a
craftsman and you
expect me, Priestess
Meiphies to sleep on
the floor

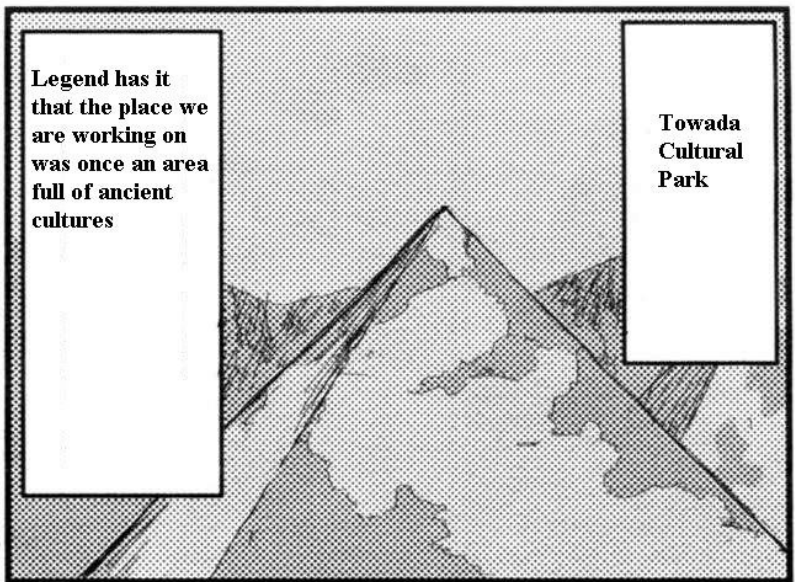

Don't build
temples on
the building
material!

HEY!

Nobody would care if the unearthed items were simply some pottery etc

The group of mountains surrounding the area were worshiped due to their pyramid like shape.

Legend has it that the place we are working on was once an area full of ancient cultures

Towada Cultural Park

Most of them were only zombie like mummies. But some of them were perfectly preserved and retained their memories.

Events caused by these immortal monsters that were transported and buried in the ruins surrounding the area

But the item in question is this [4th Preserved Corpse] Basically a [Living Mummy]

Meaning

You're blocking the way

At the same time. You have to replan your transport and to report your findings to the government etc

Affected sites are covered in chaos. They are like celebrations for those activists and collectors. The media had a field trip

Mummy Freedom?

Work from dawn to dusk.
They still have unfinished work after nightfall

It's cruel compared to the building of pyramids

Speak no more ...

Heh No worries

I feel kind of sad for her...

木而旦左証
I wonder about the [Reason] why she was turned into a living mummy. Her looks are quite youthful

「那歲數」

Mmm... You'll be a mummy craftsman

I see... the technology advances of metallurgy is quite high

That's not the most important. Humans

I'll turn you into a beautiful mummy if you work to death

I can go get
it myself if
you so

Shit! She has such a bad temper but her body is so sexy

Totally unlimited child bearing hips

Let's see your cunt

A scent that goes well with wine...

Itadaki masu

She's totally gushing just from a little fondling and kissing.

Ohhh... un mummy like trembling little cunt

Shit! Her
face is all
sleeping
and calm.
So
different
from her

Hoho...
You're
working
pretty fast!

In my days, we
have to spend
at least half a
year even with
the whole of
egypt working
on it...!

Are you
having

something I
can do while
sleeping.

Ok

Thanks alot
then.
