THE SUBCONTRACTOR WOULD DECLARE BANKRUPTCY IF MY COMPANY DID SO

ANYWAY, I CAN ASSUME YOUR DEBTS INSTEAD OF YOU

AND, I ALSO LOVE YOUR MANLY SENSE OF HONOR. BUT...

I ALSO DON'T MAKE MUCH MONEY BUT I HAVE SOME SAVINGS

insight about the story

To understand the story well, in Japan most of gay video actors are straight men because mostly customers prefer straight men fucking such as Yasuo does. Furthermore, video studios' scale is generally small as same as its market is. Then, you can notice that various videos use same room, location, and studio due to saving costs. The story is set in a typical and small gay video studios for which a manager, Mitsuya, and an employee, Yoshinao, work.

**EDITED BY:  
KAZUYUKI13**

Actually this isn't my first time in typesetting/editing a piece but my 3rd one to begin with all the previous once i've done before well their kinda bit crappy due me being stubborn, it's just that I didn't gave enough thought in fixing the wrong typos that my translator(s) provided me but if you'll think about i'm the one whose responsible for all the visuals to show up correct right? ~hope you all enjoy this one
