Hello,
it's Aria
Mikage.
Today after
a long time,
I'm going
to with be
alone with
Papa...!

For
today,
I will
roleplay
as a
soapland
girl in
the bath.

I always wanted to do something like this with my daughter. ♡

Aah...

Does it feel good? ♡

Haaa...
Me too! I always wanted to do this with you, papa... ♡

I had sex with them all night, you know?

Last Sunday, a lot of guys were saying "let's get married!" to me. ♡

Yes! ♡

Are you getting along well with... Kuga-kun and the others?

Aria...

But didn't you promise me that you're going to marry papa?

Aria will be papa's bride forever!

I did.

Ever since I was born, Aria was already married to papa, you know?
It just that when mama was still here, you weren't able to spoil me.

Right now, I'm only cheating a little bit!

We weren't able to make love with each other like this!
