Suzukawa-Senpai!

Good morning!

Good morning, Mahiro-Kun! You came early again today! You're exemplary!

It's also my place of healing.

恋の病 A lovesick maiden. やまい

I've always wished I could work like you do, Senpai!

I, Senpai...

I'm nothing compared to you, Senpai...!

I'm just doing what I like to do.

Fufu, thank you. But it's not as big of a deal as you think it is, Mahiro-Kun.

ギョッ

It's not like I can say that I'm working here just to get closer to Senpai...

I'm on it!

I'll be counting on you again today!

I'll help out too!

In that case, can you take care of the floor over there?

Yeah...  
No  
pro-

Ah,  
Senpai,  
sorry but  
could you  
go and  
take their  
orders?

Sen-  
pai?

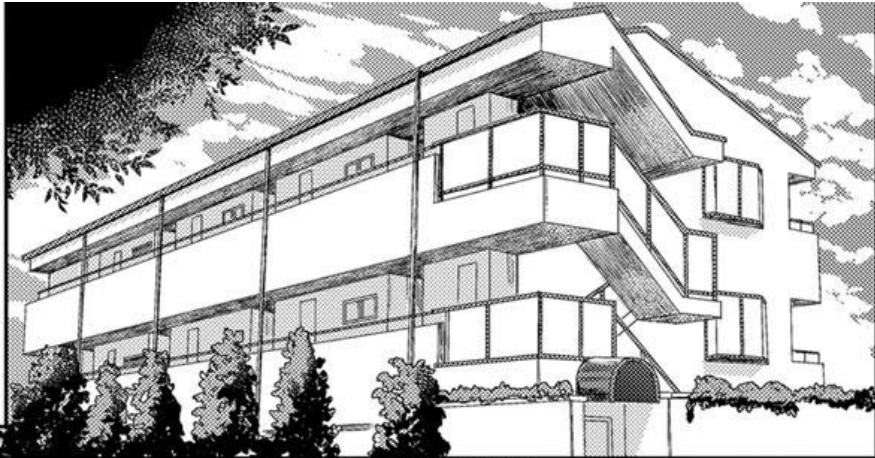

Are you  
alright!?

Suzu-  
kawa  
-Senpai!

Senpai  
...!

Eh,  
Mahiro-  
Kun?

...  
Ouch  
ouch

Eh?

Ah-  
Uhm,  
this is-  
uhmm...!

If we  
stay here,  
somebody will  
see. Come in.

This is...  
Senpai's  
room...

I panicked  
and walked  
in without  
thinking,  
but now  
I'm getting  
nervous...

O-  
Okay.

You  
can sit  
down  
wherever,  
wait just  
a bit.

Jeeze...  
If Chiho  
knew Mahiro  
-Kun was  
coming she  
should've told  
me...

Even  
though you  
came out  
of your way  
to visit me,  
sorry that  
I'm dressed  
like this.

D-Don't  
worry  
about  
it-

I like the way  
she usually  
dresses, but  
seeing her in  
her pajamas  
is refreshing  
and nice in  
its own way...

I'm glad  
I came...

Mahiro  
-Kun.

No-!?

What's the matter? You're spacing out.

Fufu-, you don't have to get all tense like that.

No, it's the first time I've been in your room, so I was just nervous...

She's.... Not wearing one!?

Uhm...! Is there anything I can do to help?

...in that case,

Senpai ...

...Even though I'm your Senpai, sorry for relying on you like this...

But to be perfectly honest, it's the first time I've collapsed from a fever, having you here puts me at ease, Mahiro-Kun...

Would  
you mind  
wiping my  
back?

I've been  
sweating.

Please?

Ah-  
Don't touch  
there...  
I haven't  
taken a  
bath...

Ah-  
♡

I can  
feel her  
heartbeat.  
Senpai is  
nervous  
too...

Nnu  
uu...  
♡♡

There  
isn't a  
place on  
Senpai's  
body  
that's  
dirty...

Good  
morning,  
Mahiro-  
Kun.

You slept  
well. Here's  
some warm  
tea.

Fine.

It  
looks  
like  
my  
fever  
went  
down.

Looks like  
this time it's  
my turn.

It's
