Why did I pick this up?

A spell that can bring you any wish?

Haha

Anything can come true...?

OMG, the spells are true! I can't move...

Your wish
is coming
true

Where did
my clothes
go!?

Let's
get
started

But
first...

We need to
take these
off...

Excuse me
while I get
started

Oh, suckling
like a baby!
Your heart is
beating faster,
and your dick
likes it too

Oh, such a good boy

Don't hold it in, just let go

I'll enjoy eating it with my tail

Aw, what a cute little dick!

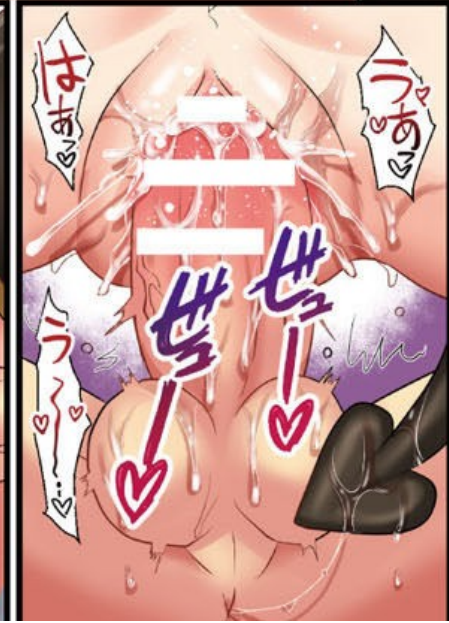

Mmm... you're very good

Oh, such a cute boy ♡
Such a sexy young essence! ♡

Thanks
for the
treat!

Our night
isn't over!

It
means...

You haven't
recharged enough
magic for me
to go back yet

But what
does
that...

Hmm
