

VACATION MILES

Art by: N. O. Chechamaru Story by: Guy Gin

DESTIN,
FLORIDA, USA

Oh
wow, this place
is magical! I knew
vacationing in the
states would
be fun!

Nice of
our husbands
to take the kids
to the amusement
park while we grab
a drink, huh,
Noriko?

I am
going to
drink until I
can't
understand this
bitch's yammering
anymore. Thank
Buddha she came
with us, though. If
I had to spend
the entire time
with that
husband of
mine...

Whaaat?!

So
c-c-cold!

For
fuck's
sake, Asuka.
They only
volunteered to
look like the good
guys and so we
wouldn't be around
to catch them
eye-fucking
every skinny
Caucasian on
the beach.

Well... uh...
I'm sure that's not
true, Noriko.

What a
harpy. Maybe
she'll chill out
with some
alcohol in her.

Great. The
Americans with
Asian fetishes
have found us.

Sure.
Whatever you say,
Asuka.

You two
sexy mammas
here on vacation?
You know this is
"Party Cove,"
right?

Two
thousand
yen says she
catches her man
jacking off in
the shower
tonight.

Pah-tee...
koh-vuu?

Apologies. She
doesn't speak
English. Excuse us,
please.

Yo, bro! I think they're Japanese!

Oh, what the fuck...?

Oh no. What's happening, Noriko? Did we do something wrong? Is this American racism?

Lighten up, Asuka. We're just getting hit on.

Hit on? Really?! But... we're so much older than them. And we're MOMS.

Mondai Nai! I took Nihonjin as an undergrad at State. Hajimemashite!

How about you ladies get your swimsuits on and come party with us on our private beach? We'll show you American hospitality.

Wow. I guess I've still got it if young men like these want my attention. I'm so flattered!

These kids want us to come drink with them on a private beach. I'll try to get rid of them-

Oh! We should go with them!

Are you crazy?!

Ikimasu.

Hey, let's do that V for victory thing you girls do all the time in photos!

When are we going to get a chance like this again? It'll make you feel young and bold, again!

Alright, Pine. Just for a little bit.

This will be good payback for the way Kenichi has perverted over these beach bunnies the whole trip.

!!BANZAI!!

PRIVATE BEACH,
LATER...

PULL

They have kind of pervy looks on their faces. What are they saying?

Ladies, you showed up! Koniichiwa!

Wow, look at those sexy bikinis! I'm getting a hard on just looking at you!

They said we're giving them raging erections. See what I told you about Americans?

They said what?!

Let's get this party started!

Show us those Japanese titties and we'll give you some beer.

This is a nice place. These kids must have rich parents or something.

We have to flash them for drinks.

Hehehe... Okay, I think I've satisfied my sense of adventure. Let's head back and-

No, you know what? Fuck it. We're here; I want a beer.

PULL

Ooo-Kay! Amerikajin! You want show?!

Bounce

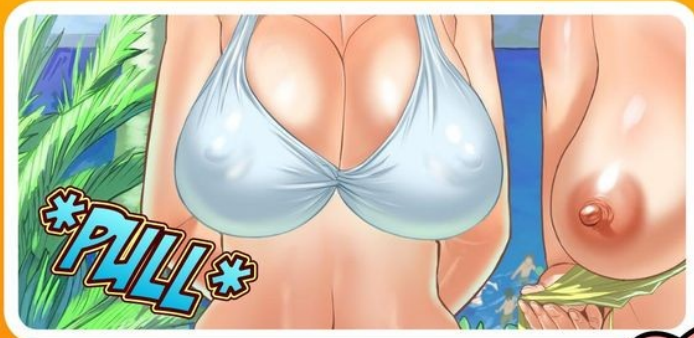

Bounce

Noriko!!!

KORE O MITE!

I will have a MUTTA-PUH-KINGU BUDWEISER! Arigato!

CONFIDENCE

Biru,
kudasai!

I am
not letting
Noriko show me up
in front of these
American boys!
I will not lose!

This bitch
and her perky-ass
tits...

Pfft...
I knew the
whore I used to
know in school
was just dying to
come back
out.

Okay, I'm
super
embarrassed now.
Can we get our
beers and go?

Ha! I win!

Okay! I think
this is enough?
Yes?

You both
have such great
tits! I think we
want to be able to
remember them,
though!

GRIP

What the Puck?!

I didn't know Japanese chicks grew 'em this big.

Chotto Matte! What are you doing?!

Jesus! I can barely get my hands around them!

Errgh!! Squeeze these Motherfuckers for all they're worth, Bro!

OOHH!! Noriko... Yah... what are... MMM... they saying?

EEY-AAH!!

SQUEEZE

Yaahh!! My tits!

Let's take these MILFS upstairs to the "Fuck Suite."

LET'S TAKE THEM UPSTAIRS

LET'S TAKE THEM UPSTAIRS

I'm not for certain what he said... ungh... but I think... hngh... they want to take us somewhere!

Tits mash

HIYAAH!!! MY NIPPLES!

My nipples against Asuka's... This is so embarrassing.

But this is even more embarrassing!

Wuuuaahh!!
What the fuck is happening?!

Ughn...
These boys are so rough. What have I gotten us into?

Ah, shit. Hang on, Asuka.

Are they doing anything with Noriko, or am I the one they-

-Oh, gross!

What the fuck??!!

Oh my gosh! They want me to suck both penises at the same time? This IS a porno!

LICK

Yeah, just cram both of your dick's right into my face, assholes! What do they think I am?

LICK

I've never done anything like this, Noriko!

SUCK

LICK

What, like I have, Asuka?! Just try to get them to cum as fast as you can!

Maybe if I pull them both into my mouth like this...

Oh shit!

Son of a whore! Is she sucking dick better than me? But I can fit these ones in my mouth.

Picture time, ladies! You know what to do!

!!BANZAI!!

HAHHH!!!
HAHHH!!!
HAHHH!!!

SWEET
BUDDHA HOLY
FUCKING
SHIIT!!!

Yo, Bro! What's
mine saying?

I can't make it
out, Bro. Let's make
'em scream it
LOUDER!

YOU MOTHER
FUCKER!

Your cock is
too big to go so
hard! What's wrong
with you?!

OOOHHH!!!

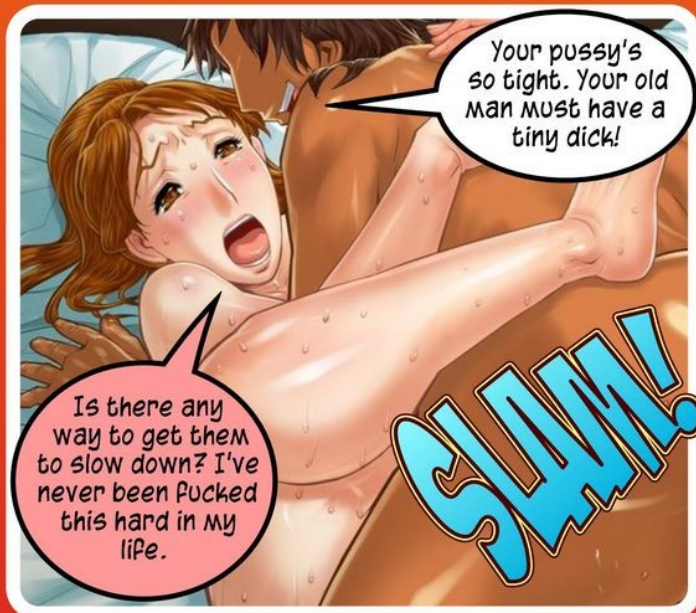

This
position...
too...
DEEP!

POUND!

SLAM!

SLAM!

POUND!

Your pussy's
so tight. Your old
man must have a
tiny dick!

Is there any
way to get them
to slow down? I've
never been fucked
this hard in my
life.

SLAM!

That's
actually a
persistent
myth, Bro. A
vagina's elasticity
has nothing to do
with how large or
how many dicks
she takes.

I don't
know. He's
slamming his cock
so far inside me
that I'm forgetting
English!
OOOOH!

I think I'm
about to blow,
though, Bro!

POUND!

Hold the loads, Bros. Lemme get the right angle, first!

SLAM!

Does he have a camera? What is he getting in position for?

Oh, what the fuck do you think it's for, Asuka! Can't you tell... they're speeding up?!

Oh shit! Buddha be Merciful!

HOOHH!!!

Nnngh... yeah!

He's cumming inside me! There's so MUCH!

SPLOOGE!

Hiiyaah!!!

Amerikajin! No CUM! No CUM!

SHOIE

Hnngh!! Whud she say?

Haha, sorry, Asuka. We're in this together!

OoophP! So much **CUM!**

SPLOOGE!

PLUNGE

Almost worth it to see her stupid face while she's getting filled with

OONE

Fuuuck... I gotta tag out before I blow again.

SLAMSLAMSLAM

Ohh! Ohh! Ohh!

Huuh... I guess... he couldn't... handle me... any longer.

GRIP

No kidding. These chicks are so bangable! I'm about to lose it, too!

SLAMSLAMSLAM

Ohh! Ohh!

SLAMSLAMSLAM **SLAMSLAMSLAM**

Oh **FUCK!!!!**

Yeah, there's four of them, dipshit! Did you forget?

I like to grab them by the waist, Bro, and bury my cock in them!

Ahahaha! "Let's go with them. We'll feel young again."

THRASH!

YEE-VVVNGH!!!

Yeah, that's the best, Bro!

Bro! My milP is into it! I'mma go **HARDER!**

LOL

Okay, Amerikajin. You're going to cum faster for Asuka, yes?

They can't understand you, dipshit.

Speaking Japanese to them will make them explode, Noriko. It's exotic!

My tits are better for Paizuri, Asuka. We'll see who makes them explode first!

WUSH

SQUEEZE

Holy FUCK!

Not even the Alpha Chis do this kind of shit!

This whore is going down!

I won't lose!

I can't hold on, Bro! I'm gonna **CUM!**

WOMFI!

OHMYFI!

Fucking kill me! He shot it right into the back of my throat like a bullet! I shouldn't have gone Super Saiyan on him like that.

Noriko beat me by a second, even though I blew my cheeks out with this guy's load. Ughn...

GULCH

GUSH

Ringtone

Nyah!
Moshi moshi!

Asuka?!
Where are you?
It's late.

Danbei!
Hah...!
You're back at the
hotel already?!

...Oh!
FUCK

FUCK

FUCK
CRIP

Of
course we're
back! What's wrong
with you? You sound
like you're
exercising.

It's a
personal
massage.
It's-HYAAH- so
DEEP!

Oh Gah!
My fucking
breasts!

Your
breasts?!
What kind of
massage are you
getting?!
Asuka?!

SQUEEZ!

Yeah... that's
part of it, I
guess.

Oh shit! Honey,
I need to let you
go. I think I might
be finished.

Bleeh!

SPLOOGE!

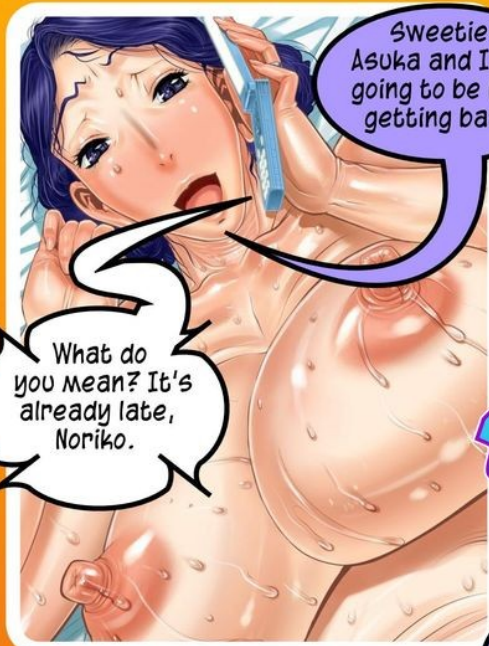

SPLOOGE!

SPLOOGE!

SPLOOGE!

Asuka?
You didn't hang
up.

Asuka,
what is that
gushing noise?!
Who's doing all
that moaning?!
Asuka!!

Sweetie? Asuka and I are going to be late getting back.

What do you mean? It's already late, Noriko.

Uugh!!!

What the fuck was that sound, Noriko? Why are you making rude noises? Are you drunk?

SPLAT!

Haha, it's nothing!

SUCK

GRIP

Just getting my motherfucking tits fucked off, honey!

Oh fuck...

Really? A fucking bukkake?!

Bukkake?! Noriko, I want an explanation this minute!

Oh fucking do it!

SPLOOGE!

SPLOOGE!

SPLOOGE!

SPLOOGE!

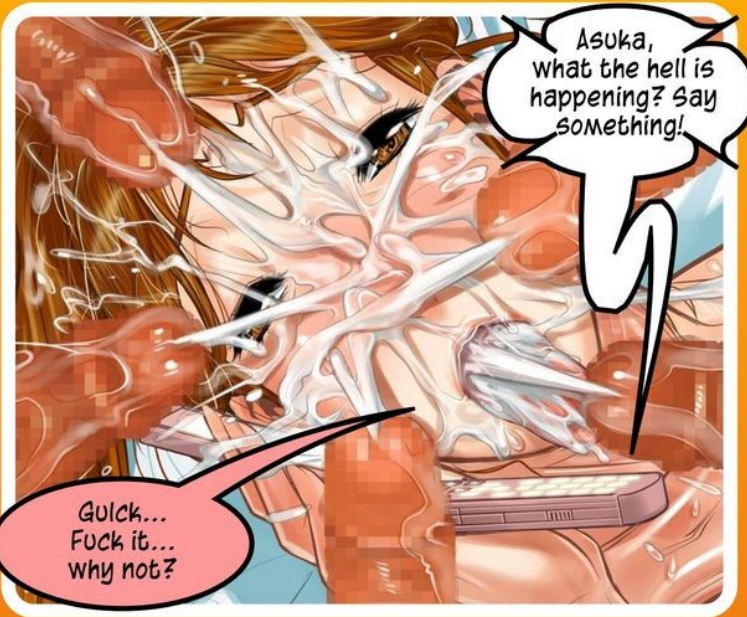

Nooo! Stop cumming on my wife! Noriko!!!

Blough... Well, there went my marriage.

You up for one last challenge?

You fucking whore! <disconnect>

Asuka, what the hell is happening? Say something!

Gulck... Fuck it... why not?

SLAM!

Oh, murder my fucking pussy!

ROUND!

Break me in half, boy!

ROUND!

SLAM!

NYAAH!

Hrrngh!!

CUM-SPLOSION!

Smile for the camera, ladies!

Don't forget to do the V thing!

Can I get a damn beer, now?

I can't feel my lower body...

"BANZAI!!!"

The End...
