Preface

This is a book about Ketsune-san, who ended feeling more and more pleasure
with the old guys in in a suspicious high-class club while investigating
a dangerous aphrodisiac that started circulating there.

As this and the next book are planned to be a set,
this one is intended to be fully enjoyable as a stand-alone work,
so I'll be glad if you can use this.

けつねさん

きつねさん姉妹二人組の妹の方。

今作もおっさん相手にひどい目にあうぞ！
おっぱいも大きいけど、おしりばもっと大きい。

Ketsune-san

The younger of the two fox sisters.
In this work she also gets into some
bad experiences with some old men!
Her breasts are big, but her ass is even bigger.

Kitsune-san's Sex Book II

According to the Association's request, there's a suspicious drug circulating in this high-class club, so I infiltrated it.

This should be the responsibility of the police, but it seems like this could be the work of some apparition, so I came instead.

It's my first time in a place like this, but I have to get used to this work, so now I'm going to look for all kinds of information.

But
in any
case...

These
clothes are
way too
revealing...

These pasties
have such a
lewd shape,
and I even
have one on
my crotch...

Ugh...
So
embarrassing...

I want to
finish this
quickly and
go home...

But...

So I guess
this is that
kind of
establishment...

There are
so many gaps
where they
can grope
my body...

To this
kind of
thing...

Even if
it's work,
I can't
get used...

And to
these
gazes...

She's quite resilient..

But I enjoyed that first reaction she had.

♥

I'm definitely going to fuck her hard

♥

Since then, I've been probing the customers while I've been serving them, but no results so far..

In any case..

Was that old man's thing really the only hint I got..?

I didn't think that drug was very strong, but there's definitely something wrong with me...

There's this pleasant feeling that won't go away, it's making my body feel hotter and hotter...

It soaked through the pasties and won't come out at all...

I ran away so quickly just now that I hadn't realized, but there's some juice leaking from my bikini bottom...

Oh,
sorry.

..Hey!
I told you
to stop..!

But with
an ass
like that,
wobbling
around so
much..

It's
making me
feel greedy
again
♥

Hmmm..
♥
This soft ass
really is
the best
♥

Whenever
I thought
I would
calm down
a little...

The
throbbing
kept getting
stronger
after that...

Some
guests
would
call me...

And then
the sexual
harrassment
continued...

And
before
I knew
it...

T-this is bad.

After that, the drug relentlessly coursed through my whole body...

Although it's still a bit faint, the thingling in my womb is getting more intense...

N-no...
If I don't masturbate to calm this down...
I won't even be able to walk straight!

A-again,
on its
own...

M-my
womb...!
N-no...!

Hng.

Ah.

zzzz!!

Next I
have to
go to a
VIP room.

That means
they're an
important
person,
right?

I might
be able to
find some
info in
that case.

T-this
is bad.

Again..!

At this
rate,
my mind.

Is going
to go
crazy..

Yeah..

I'm going to
masturbate
after I
finish this..

How is it?
You should be
at your limit now,
right?

We haven't
seen each other
for a short while,
but you are
already making
such a
nice face

Hehehe
♥
We meet
again
♥

I'll
explain it
to you,
so...

Show me
your
pussy...
And point
your back
towards
me.

What
was that,
after all?

Oh right,
after having
so much of it
used on you...

You got
curious,
right?
♥

In that
case...

In any case,
you'll have to
obey me while
we're here,
anyway
♥

But you
seem like
you're still
suffering,
so I wanted to
lend a hand
♥

I'm not
planning on
doing
anything
bad

Haha
♥

I don't
want to!

Why
should I
do that!?

Huff

Huff

Huff

Go on,
show me
♥

Ugh...

It'll all go
to waste
if he gets
suspicious
if I refuse...

For the
mission...

This is all
for the
mission...

Okay.
This should be enough

30 minutes later...

Hihihi, my bad

You came already, but feel like you didn't

Must be painful, right?

CLENCH

CLENCH

But with this, your womb is all ripe and wet.

I'm also ready, so...

Ah.

This
guy..

Will
deliver
the final
blow

No..

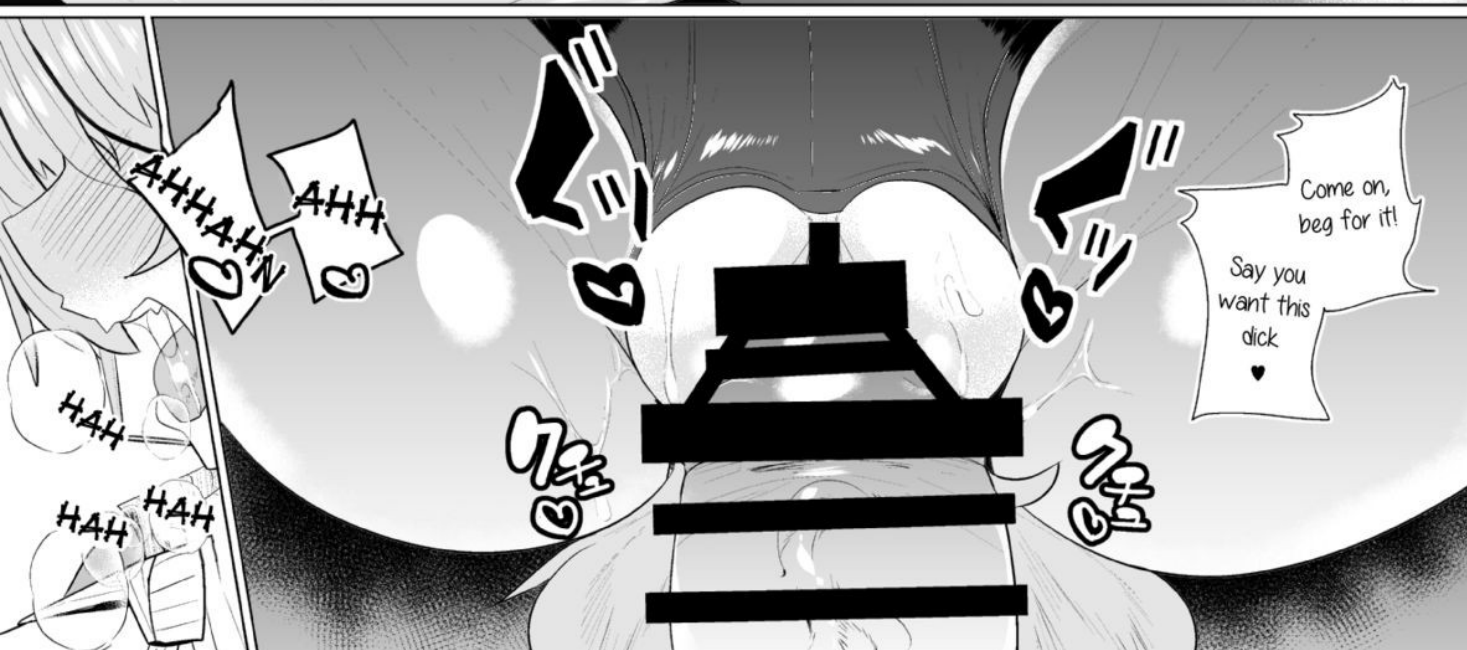

Ah.

All of
those
sensations
gathered
in your
womb..

I'll
release
them all
in one go

If you
ask for it,
I can
smash you
with this..

Hihi
What a
greedy
face

Come on,
beg for it!

Say you
want this
dick

I can feel
your ass
tightening and
your womb
trembling
each time I
thrust

This
perverted
female fox
has lost
all of her
composure

Such
a girl
deserves...

How
about
here?

To be
disciplined

Or
maybe
here?

Nooo
No, don't!

I'm going to cum in your ass so hard, it'll leave a mark on your womb

Here we go

You say that, but your hips won't stop shaking

I'll make your entire body remember the taste of my dick juice in your ass

Take this
Here we go

Cumming!
