Take the plates and pot to the table.

Yeah, yeah.

Careful you don't spill any.

Okay, then please take this.

Yes.

Did you wipe the table down?

Just a normal day...

In our peaceful, happy lives...

That day...

There was some part of me

That actually felt a bit relieved.

It was so tempting, almost like a drug.

But I've already crossed the line of "playing with fire."

I could find no way to resist back then...

And completely betrayed my family.

By any chance, Sayako?
