Every single guy around was walking hunched over!

For all those horny monkeys in our class

who keep jerking off to you, Princess Armanen...

I'm going to take their place...!

Nnh!♡

No...
ah!♡

I've been horny the whole time!

Being forced to keep filming that lewd cheer dance of yours...

Shut up! I'm the one who...

Today, I'm going to make you understand thoroughly...

You...

!!!

Ehhh? Ren, I have no idea what you're talking about~♡

Besides, the whole reason you made me be the cameraman...

Was so you could seduce me with a live cheer dance and milk me dry, wasn't it?!

We might actually make it pretty far this summer♪

Man, today was a total blowout victory.

カキヤッ

Phew... just made it in time.

Whoops!

Ah, crap! It's gonna leak...!

!!!

Speaking of which, did you see that? The cheer club's support.

Oh, I saw, I saw!

Nngh...

Ren... don't make a sound, okay?

Crap... are those guys from my baseball team...?

!!!

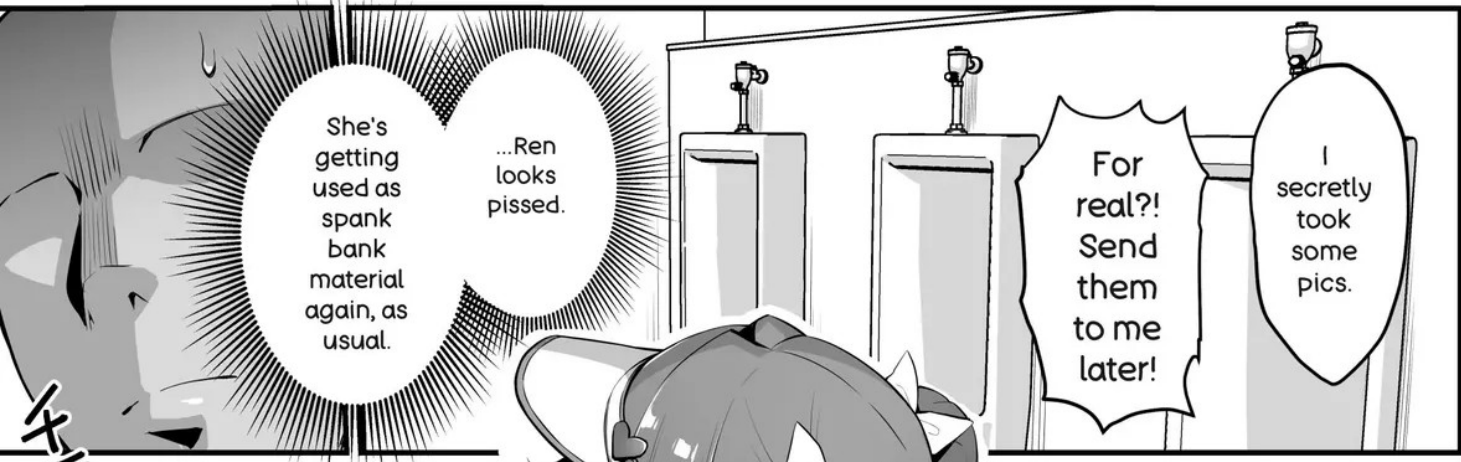

Her boobs were bouncing like crazy, I couldn't stop staring.

Seriously, she's just way too hot.♡

She was super cute, right?♡

That's Himemiyu-chan from the first years, right?

She's getting used as spunk bank material again, as usual.

...Ren looks pissed.

For real?! Send them to me later!

I secretly took some pics.

Ah~... Damn it.

I wanna grope those giant knockers and bang her brains out~.

I mean, having bigger tits than a gravure idol while still in high school is just unfair, lol.

She's petite and baby-faced, but she's got a great figure and is super curvy.

Maybe.

It's like her whole look was designed just to appeal to guys, you know?

No way the guys around her are gonna leave a girl that cute and incredibly sexy alone.

Right?

No... I said I'm gonna cum!

It'll be over soon, so stay still...!

It feels so good to ravage the real thing right in front of them! <3

While listening to other guys talk dirty about love...

Do you think Himemiya-chan has a boyfriend?

Nah, surely she has one.

He probably makes her do crazy, kinky, erotic cosplay,

and uses her like a sex toy, fucking her brains out, right? <3

He definitely drags her to his room every day,

Her boyfriend is so lucky...

I'm so jealous he gets to do whatever he wants with a busty beauty like that. <3

I'm gonna cum inside you, Ren...!

I keep wishing I could have raw sex with her~♡

Man, just once, I'd love to try it with Himemiya-chan.

Just the tip.

If I could just creampie that crazy-hot body of hers as much as I wanted...

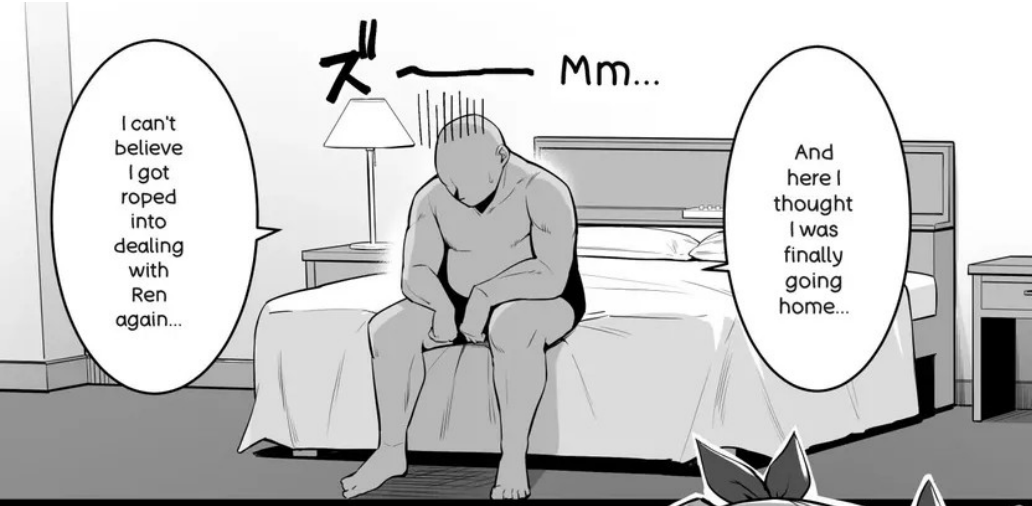

I bet it would feel freakin' amazing!

Sound effects and motion lines in the bottom-left panel.

Better hurry, or Senpai's gonna get pissed right away~

...Oh shit! We better head back!

I can't believe I got roped into dealing with Ren again...

And here I thought I was finally going home...

Sigh...

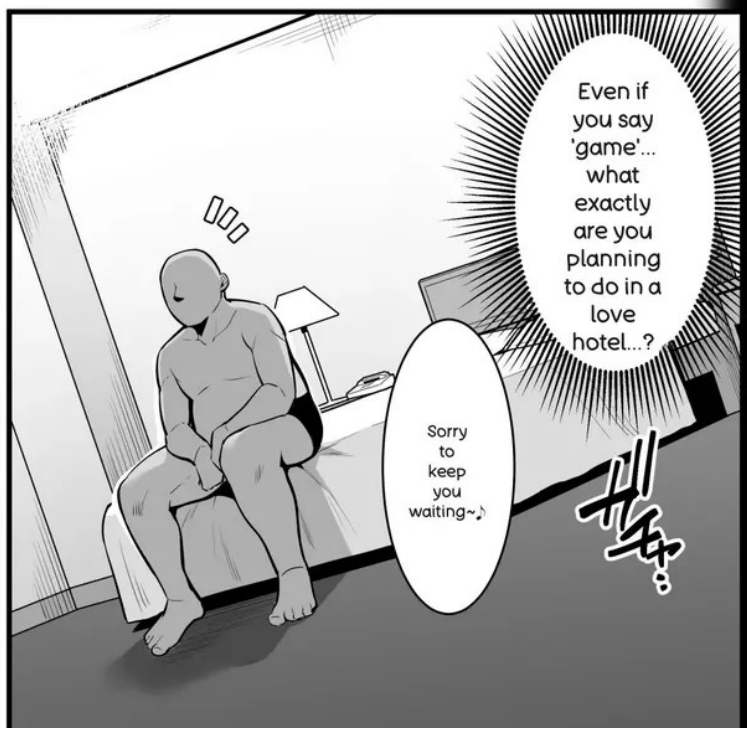

I really will call the police, you know?

You pervert! You rapist!

Well... this time it really is entirely my own fault...

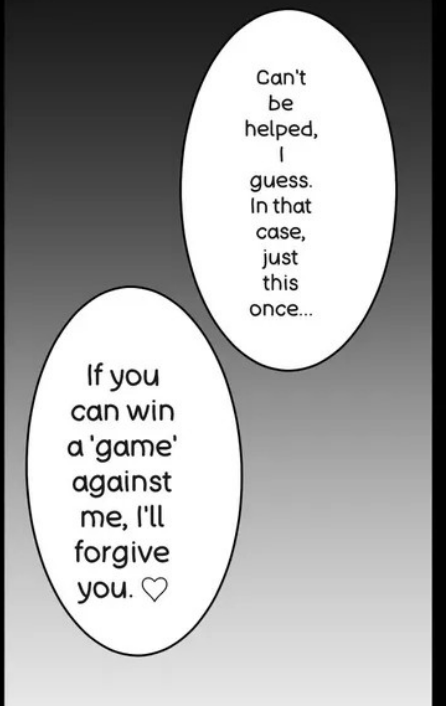

Ugh... I'm sorry...

Jeez... going full ape mode in a situation like that...

Sorry to keep you waiting~♪

Even if you say 'game'... what exactly are you planning to do in a love hotel...?

Can't be helped, I guess. In that case, just this once...

If you can win a 'game' against me, I'll forgive you. ♡

Wait... that outfit...

Natsu...

Ta-da!♡

I borrowed a cosplay outfit from the hotel!♡

DON'T TOUCH ME♡

DON'T TOUCH ME♡

DON'T TOUCH ME♡

DON'T TOUCH ME♡

Look...

It's a sexy sailor-cheerleader-idol outfit!

Guh...

You're an otaku, Big Bro, so you love this kinda stuff, right?♡

If you can hold back from cumming and not go ape-shit within the time limit, you win, Big Bro.♪

So try to hold it in and not go ape-shit like you did earlier, okay?♪

I'm gonna perform a cheer dance in front of you now, Big Bro.♪

Let's call it the "Cheer for Your Cum-Control Game"♡

Oh my, oh my~?

There's no way I can withstand seeing her exposed in such a lewd lost-prostitute getup...
Even her usual cheer outfit is erotic enough..

See? Simple, right?

Could it be you lack confidence?

N'T UCH ♡

DON'T TOUCH ME ♡

Guess you'll just have to rot in your cage forever (lol)

DON'T TOUCH ME ♡

If you can't even hold back this much, I guess you really are just a creepy-crawly lolicon sex offender, Big Bro.

N'T TOUCH ME

Just start already! I'll hold out, you'll see!

Shit... this cock is getting me so damn irritated-!!

Goood dick~ ♡

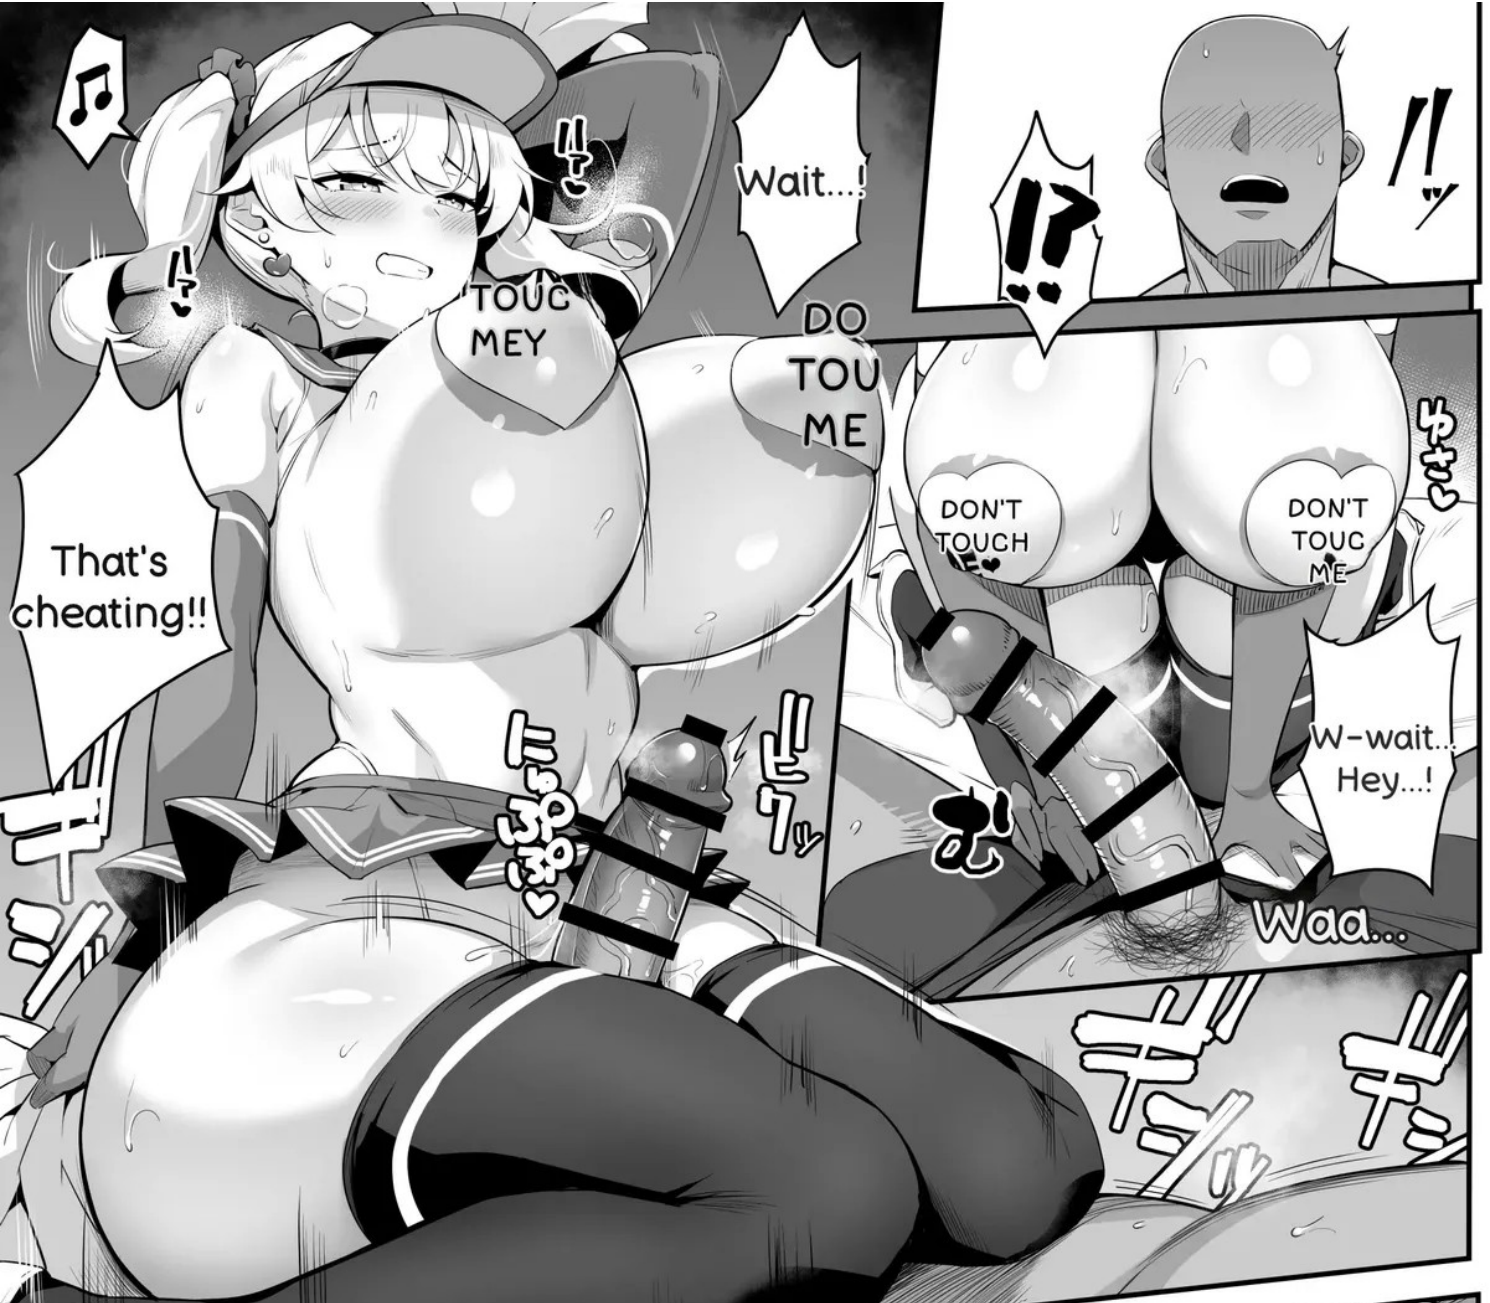

Please use me as spank material and jerk your dick lots and lots, okay? ♡

Shaking my butt~♡ Fight-o, dick! ♡

But... I have to hold back, I have to endure it too...!!

I want to slam my dick into that bratty pussy and pound it demon-style right now.

Lookie, lookie~ You can stare at my perky Loli pussy all you want~♡

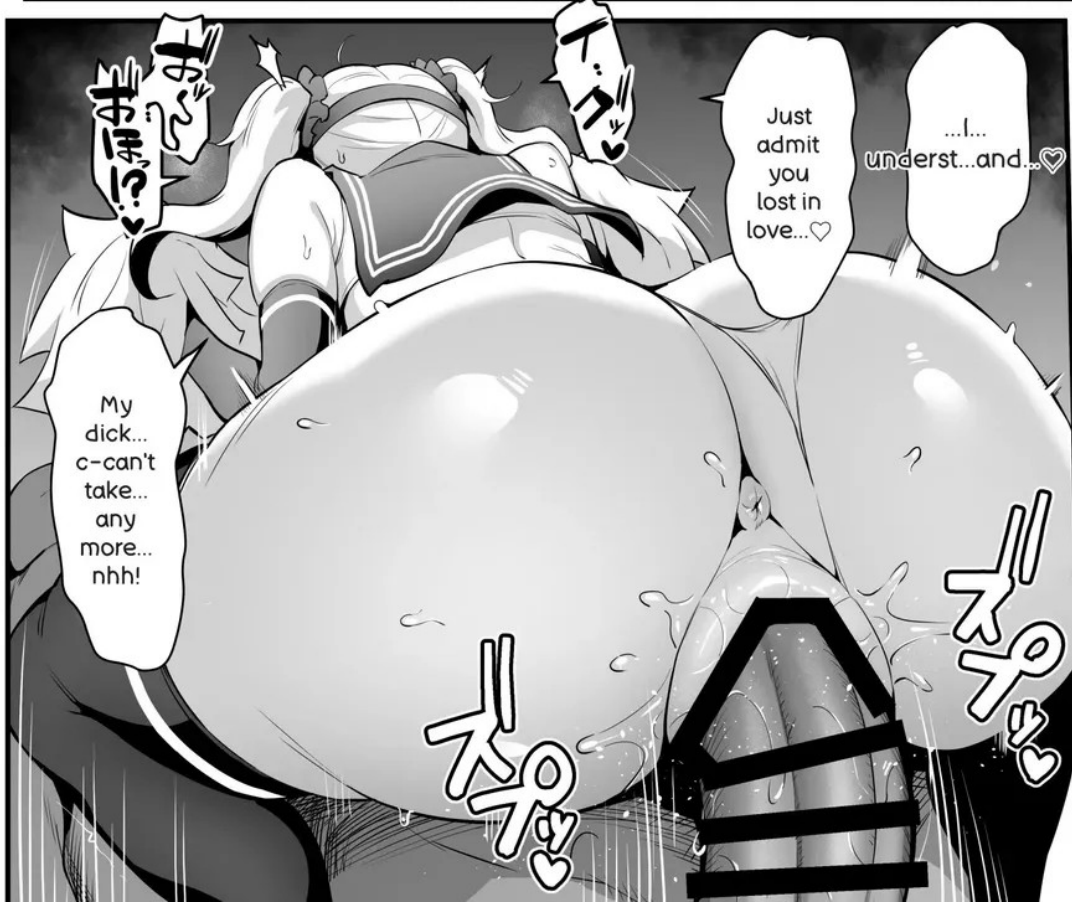

If you've got no fight in you, I'll just win by default, okay!?

Hey! What's wrong?!

I can't hear you at all!

N-No... w-wait... stop...♡

You... hurry up and admit defeat!

My dick... c-can't take... any more... nhh!

Just admit you lost in love...♡

You... hurry up and admit defeat!

Trying to milk my sperm with those cheap tricks, huh?!

Finally giving up, are you?!

You bratty little slut, good for nothing but sucking dick...

Thwack

I'm going to slam you full of correction semen!

Straight into that cheeky cheerleader womb,

Ugh... I'm gonna cum soon...!

There's no way you can beat a serious male cock!

Splut

This contest is void!

You haven't stopped being a horny little monkey at all!

You ended up creampieing me five whole times!

...Geez!

Ugh... You're the one who cheated in the first place! Guh... Gh!♥

Ehhh? But I never said just for one day~♥

Natsu... I didn't agree to tomorrow too.

Well, you're taking photos of me in my cheer outfit tomorrow anyway,

So we'll continue after that♥
