CUMMING!!

A black and white manga-style illustration depicting a sexual encounter in the rain. In the center, a young man with short, spiky hair is shown from the waist up, his body drenched in rain. He is being penetrated by a large, thick, girthy phallus that enters from the bottom left. His expression is one of intense pleasure or pain, with his mouth open and eyes squeezed shut. To his right, a woman with long dark hair is visible, her face partially obscured by the man's head. She has a look of anticipation or readiness. In the foreground, another woman with dark hair is shown from the chest up, her face also drenched in rain. She is looking down, and her hands are positioned near the base of the large phallus. The background is filled with heavy rain, indicated by numerous diagonal lines and sound effects. Large, stylized sound effects like "クッ" (Kuu) and "ド" (Do) are scattered throughout the scene, emphasizing the physical nature of the act. Dialogue bubbles are present: one from the woman in the background says "SEN-PAI... I'M AL-READY ...", and another from the woman in the foreground says "CUMMING!!". There are also smaller sound effects like "はあ" (Aa) and "はっ" (Hatsu) scattered around the characters.
