PREFACE

Nice to meet you or hello~ Ameto Yuki here!

This time's book features a whole new original character named 『Ekuryu』 simply said it is a full-color book about a bunny-eared big sister ♪

There are a lot of licensed big sister characters that I love however this time I wanted to challenge myself by making an original one!

Ekuryu is Blanc-chan's big sister however, the stories aren't particularly connected so if you could read it like it'd be respective eroge routes that would make me happy~!

Well now, please enjoy this book (*´ω`*)

POSTSCRIPT

Thank you very much for reading the entirety of this book
I've been earnestly chasing to draw a cute big sister such as Ecuさん。
And did my best to get her right however what do you think about it? How was it?
Having to draw an original character time and time again got my heart pounding ><

Just doing the full-color of the skin took about 2 hours however it was tons of fun~♪
Since it is a big sister, more than ever before
I did my best to get it to strike as 「soft skin」 (*´▽`*)

There will be an event called PIXIVMARKET in June
as well as an event called サンク'リ or Sankuri.
If possible I would love to be able to go to both but I don't know if I can yet.
I will work very hard and do my best so I can go to both!
Well, well I'll be happy if I can meet you all. <3 (*´ `*)

TL Notes

Without any real note

Hello.
Froggy here.
I may or may not be a frog.
I appreciate all types of boobs.
But honestly thighs and ZR are superior.
Today, I installed photoshop.
So I decided to TL porn because I can.
For my debut and magnum opus I decided to pick whatever looked soft and cute to me.
This onee-san full-color book seemed perfect for it.
I used frog dictionary to TL this text.
If it is laughable, I'm glad. Everyone learns from mistakes.
Great wisdom comes from porn.
I am extremely lazy and only come out of hibernation
once every few weeks if lucky, if not months.
That is all. I love you all and hope you laughed and enjoyed this book
just as much as I did when I got into this.
Thank you for your time and see you next time. (' ▽ ')//

TL Note: Please draw more cute & soft お姉さん. I will love you.
