How about ...

What a lovely day!

You need this nice gentle summer breezes

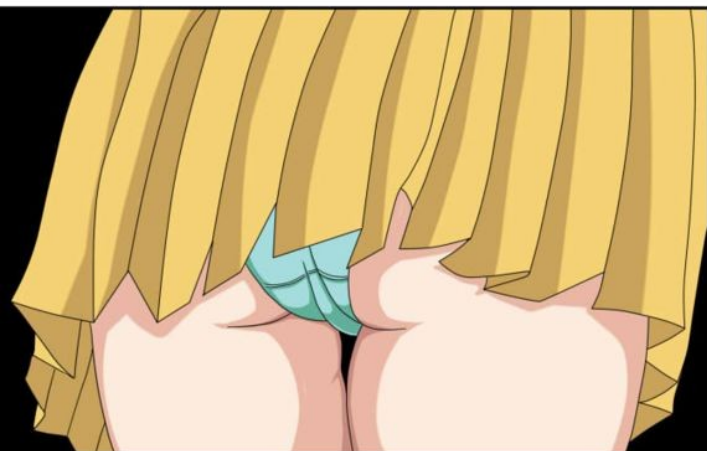

It's pretty hot inside...

with some weird odors...

As soon as I entered high school, I refused to go to school

So she is stopping by my place, trying to get me out of here

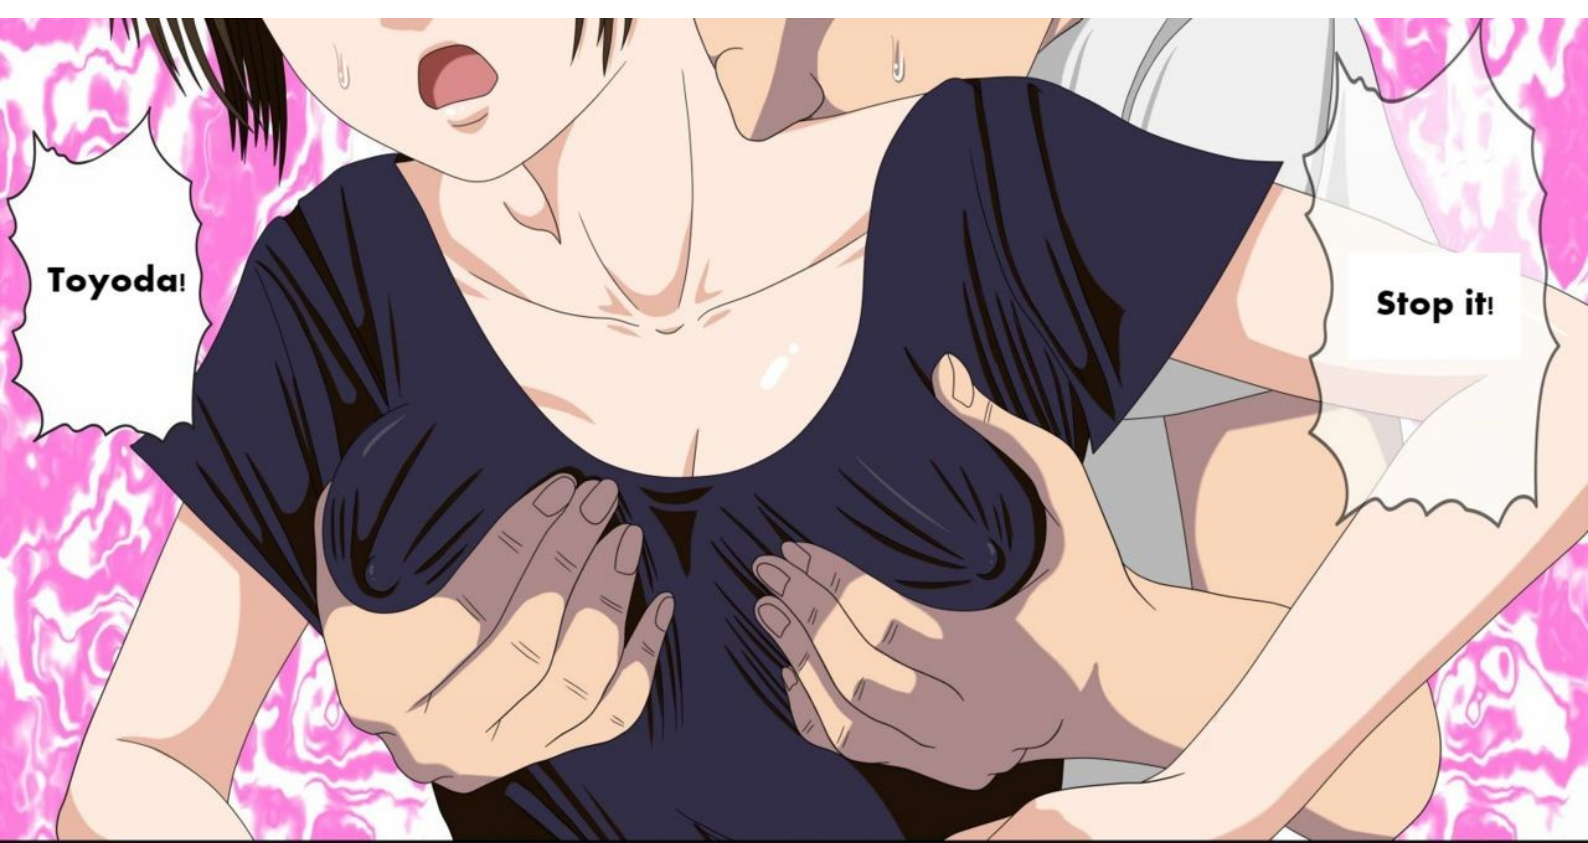

I can't hold it anymore

It's already vacation season! It starts tomorrow

I brought you some homeworks today

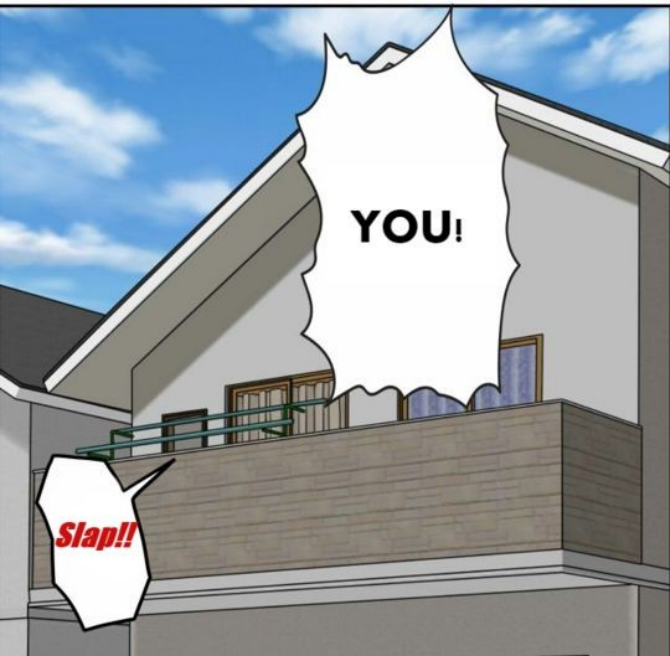

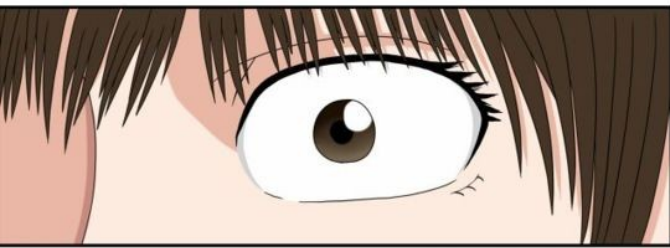

Toyoda!

Stop it!

いぢめる

YOU!

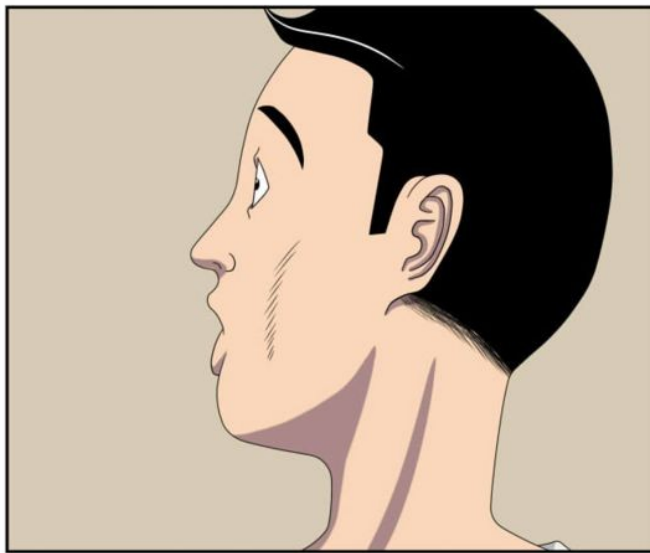

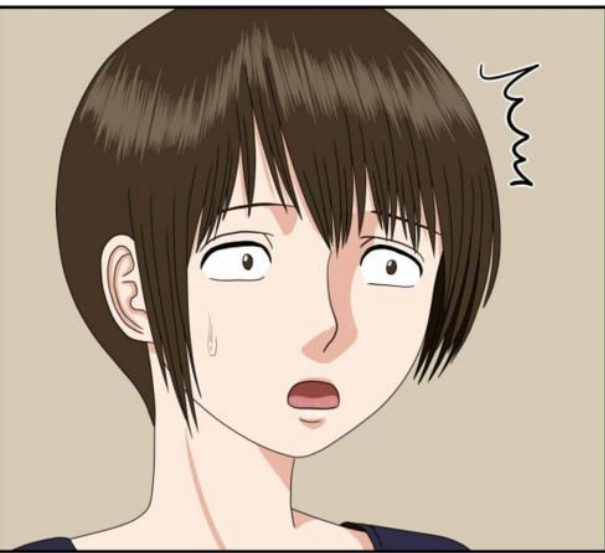

Slap!!

You were seducing me, right? Lewd outfits, lewd attitude

No! I...

You made me like this

I was
beaten up
all the time

I was
bullied
at school.

In fact...

Things were
like that
since
I was in
the middle
school

So long, dude. How've you been?

I knew it!

Then I met those same guys who bullied me again

Toyoda, is that you?

Hey!

I thought I finally managed to escape from them as I became a high schooler.

Ok, dude. Lend me some your money. I need that now

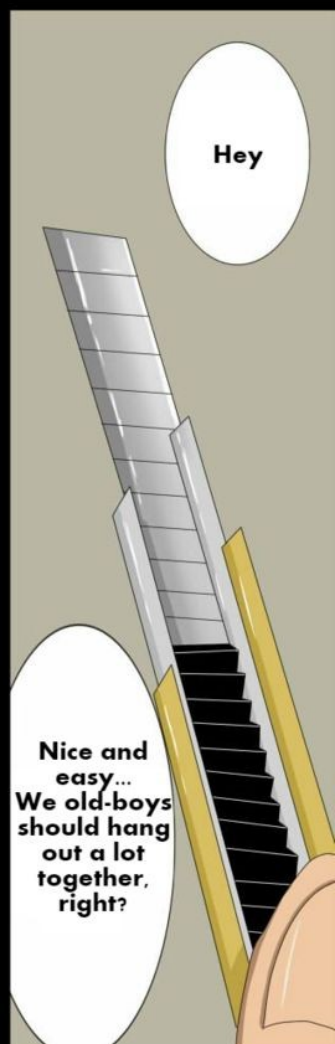

Ahaha.. well...pretty nice...?

T, that's because...

Why didn't you tell others and seek any help?

Are you okay?

They are gonna find me. I know they will

Calm down! I swear I won't tell anyone

Now there's no place I can stay safe

I'm a fucking moron! What was I thinking?

I'm so fucked! I can't live another same pathetic three years!

What? Why?

Ma'am, please forget everything I just told you.

They are gonna kill me when they know about this!

Why??

Calm down!

What do I do now!?!?

You should've told me about this!

Teacher...

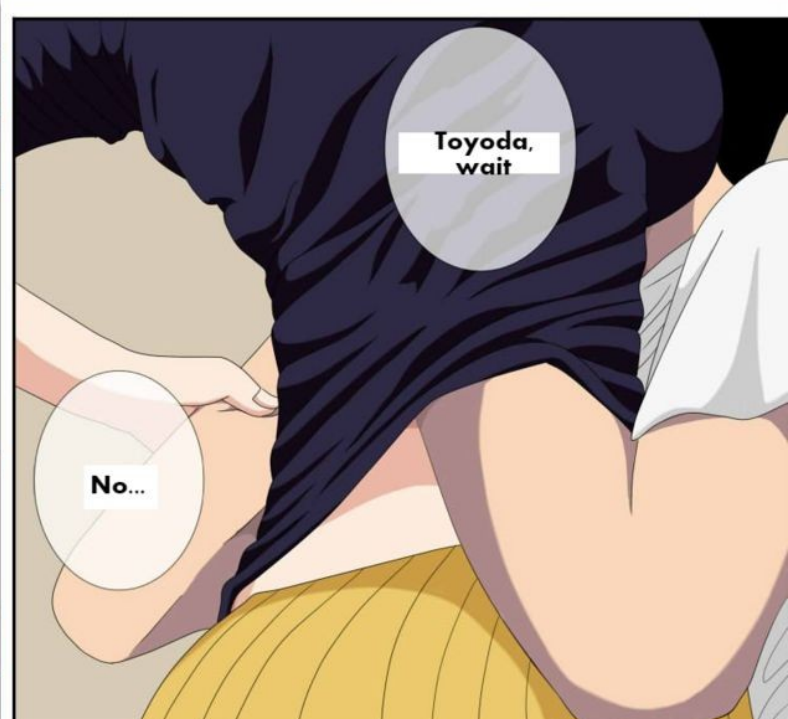

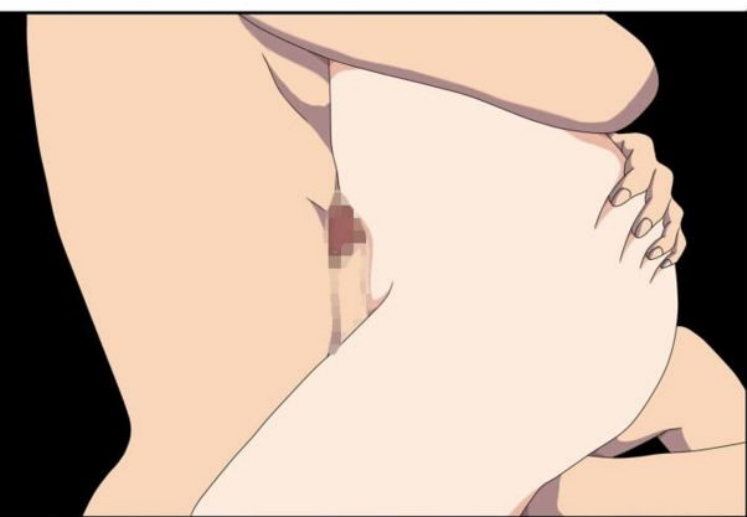

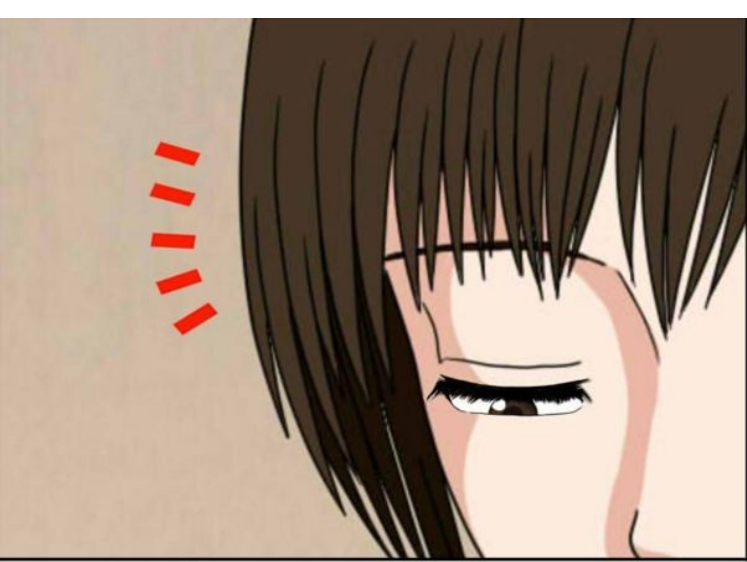

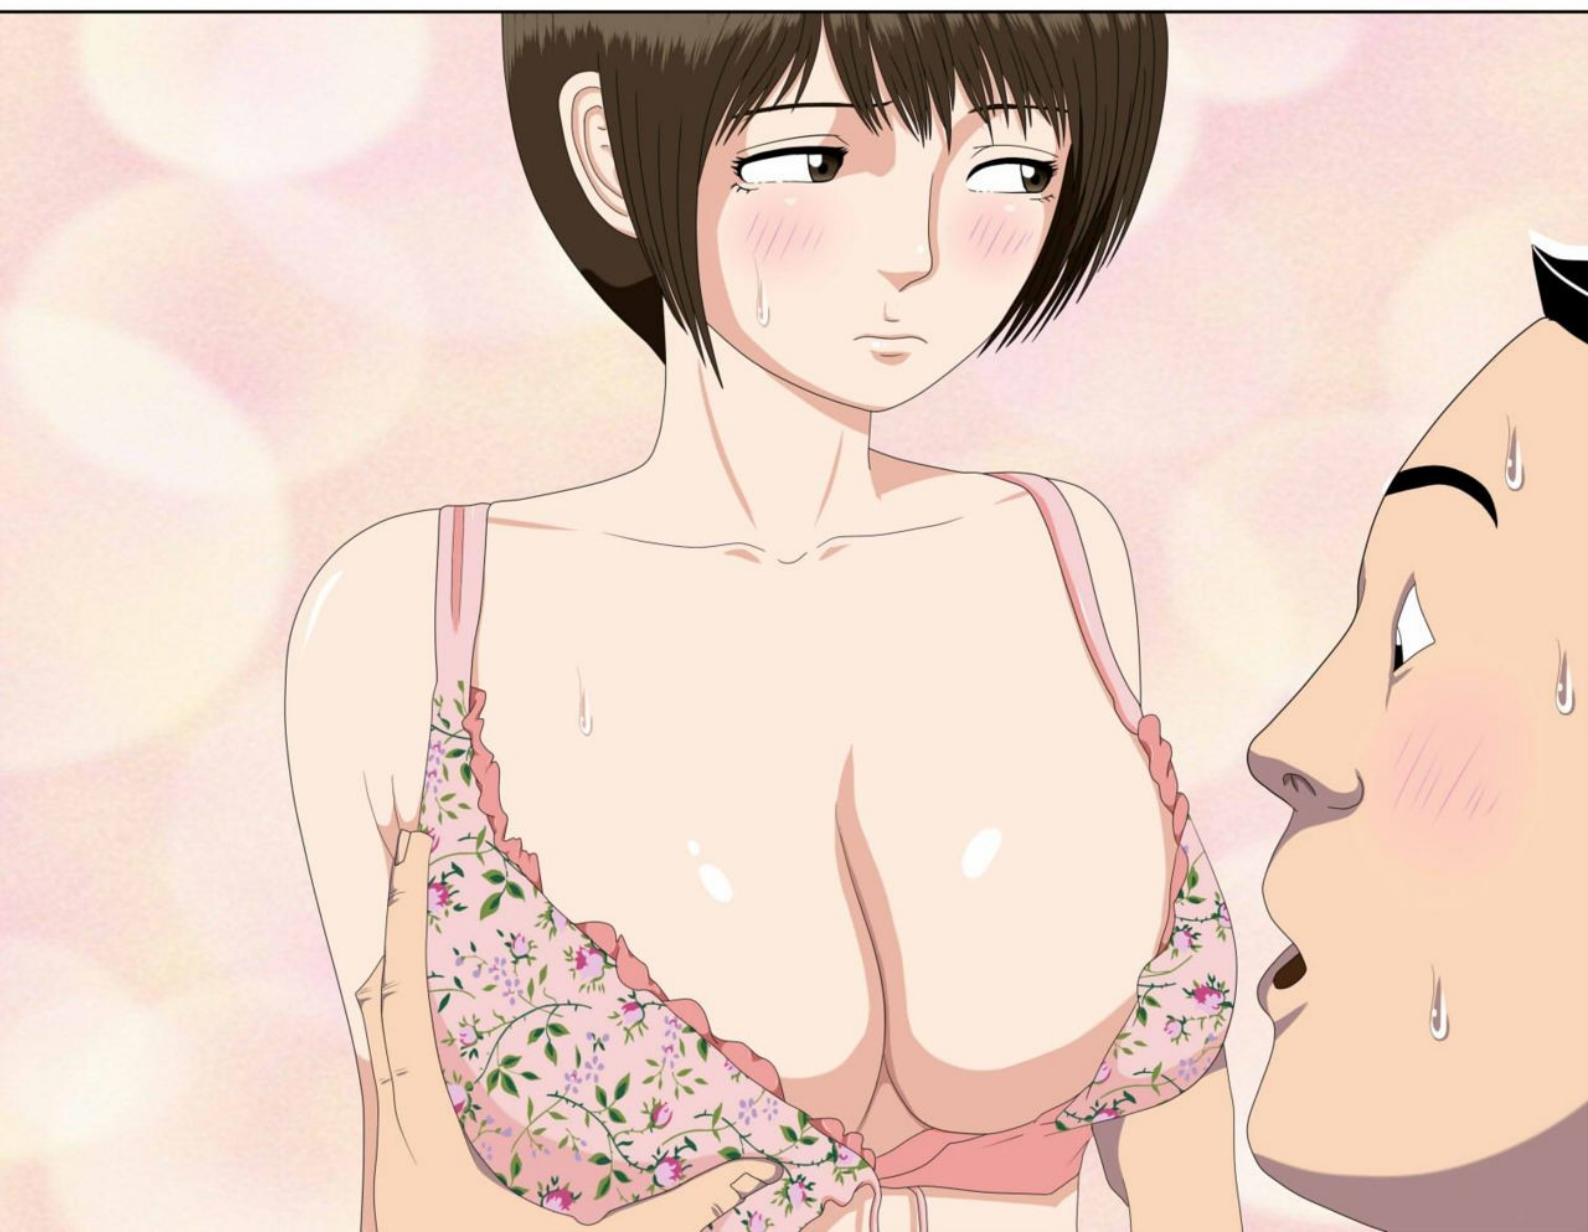

I'm so sorry... How could I not know about this?

Don't worry anymore

I'm going to protect you

I see...she actually wanted me to do this to her at the first place

Ahhh...no... This is really bad

I can't stop anymore

Is it here?

Lower...

I'll put it in

Ahh!

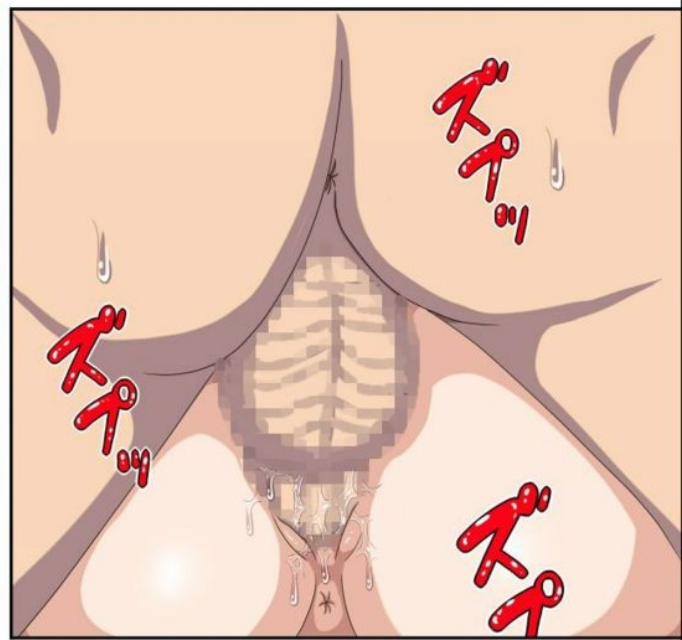

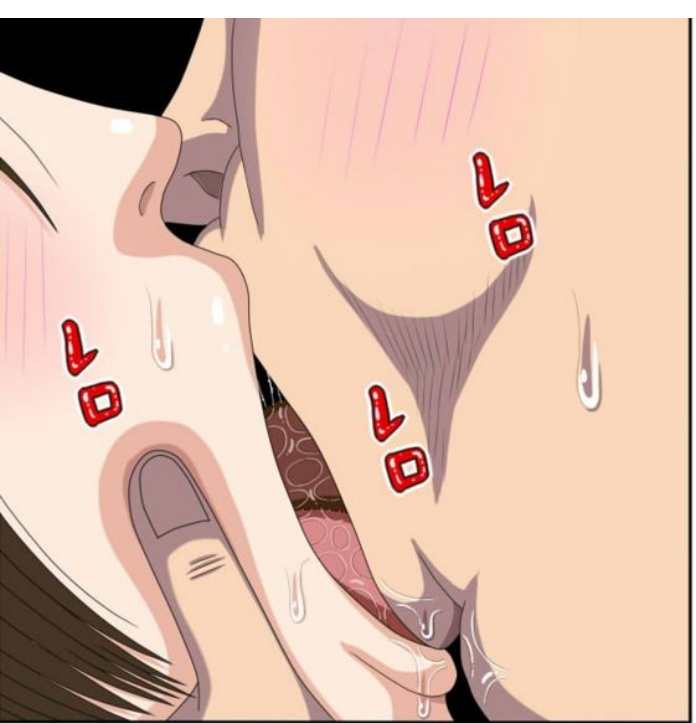

Ahn

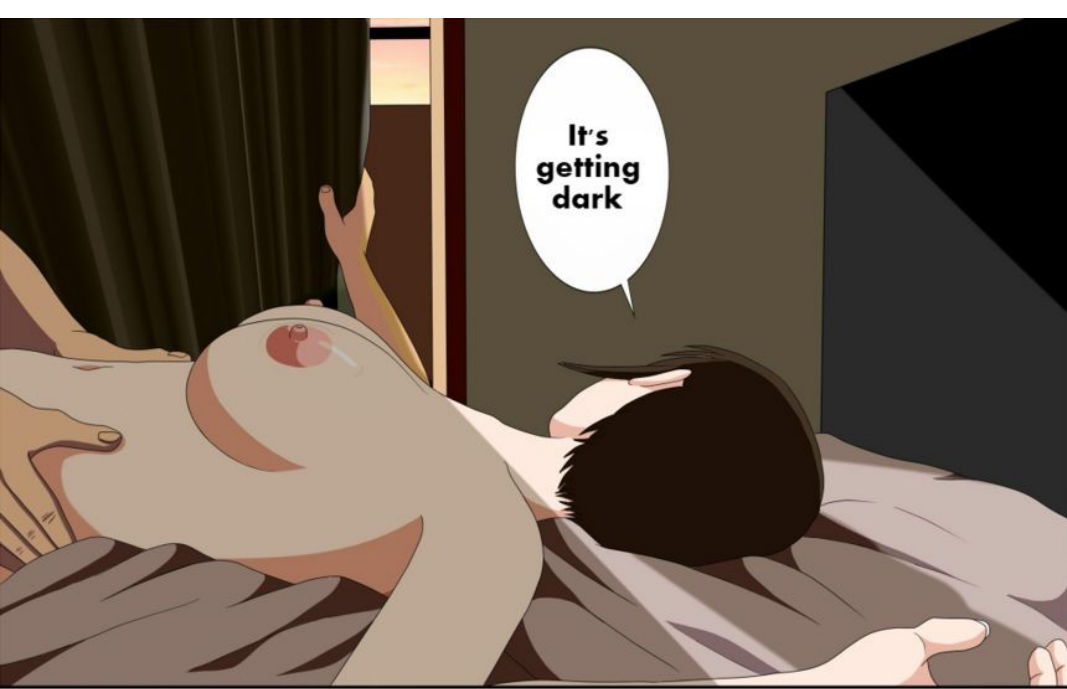

Ah

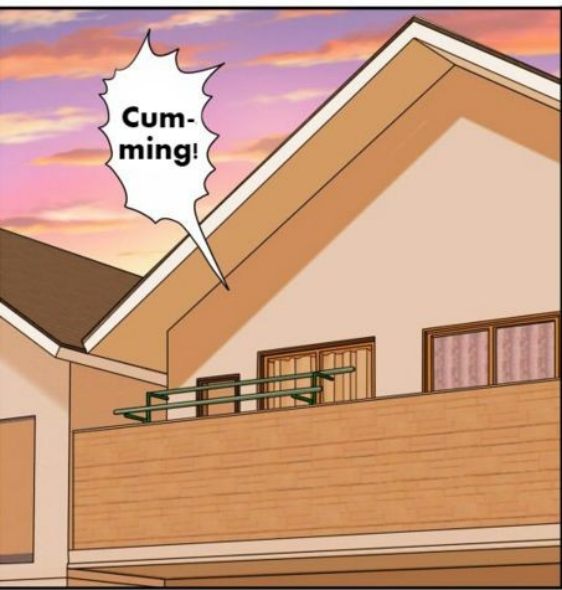

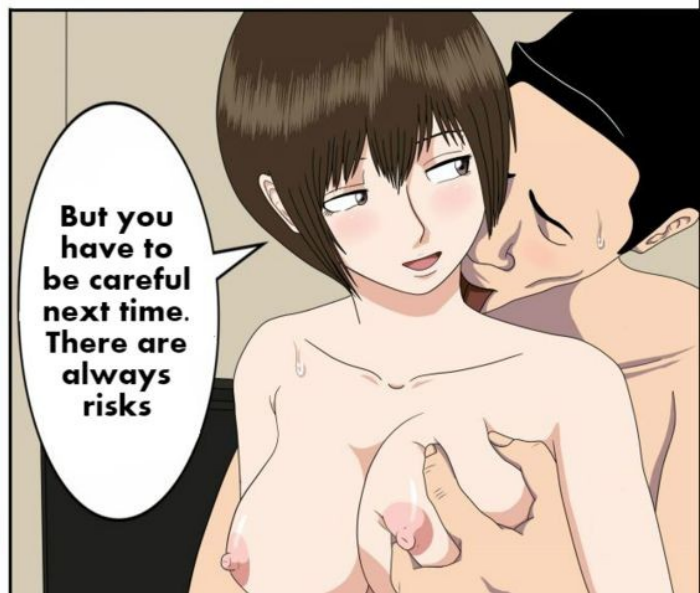

She's unbelievable

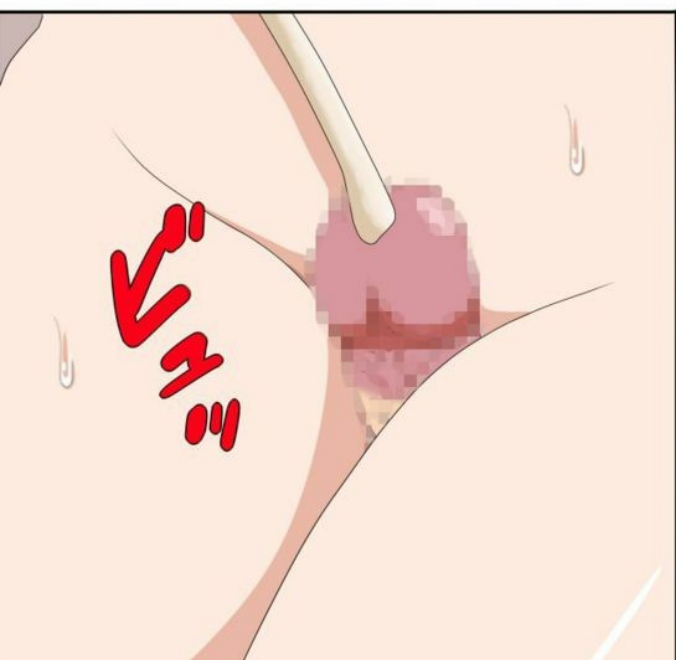

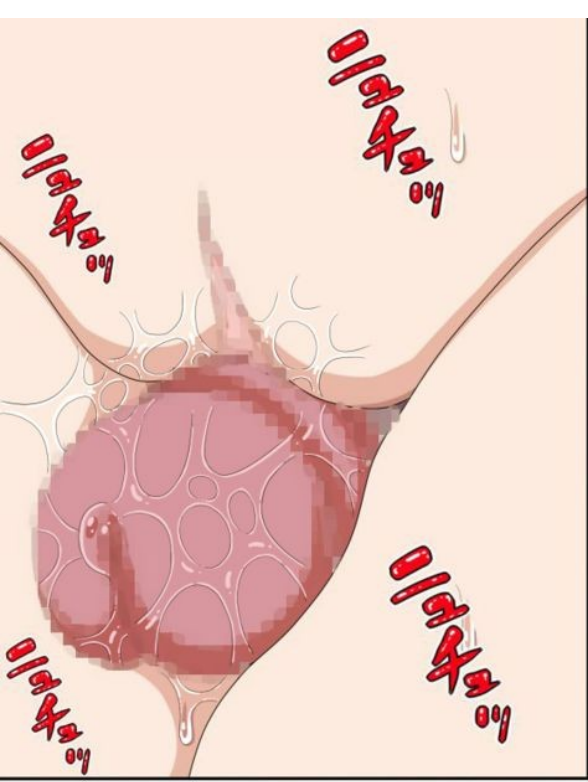

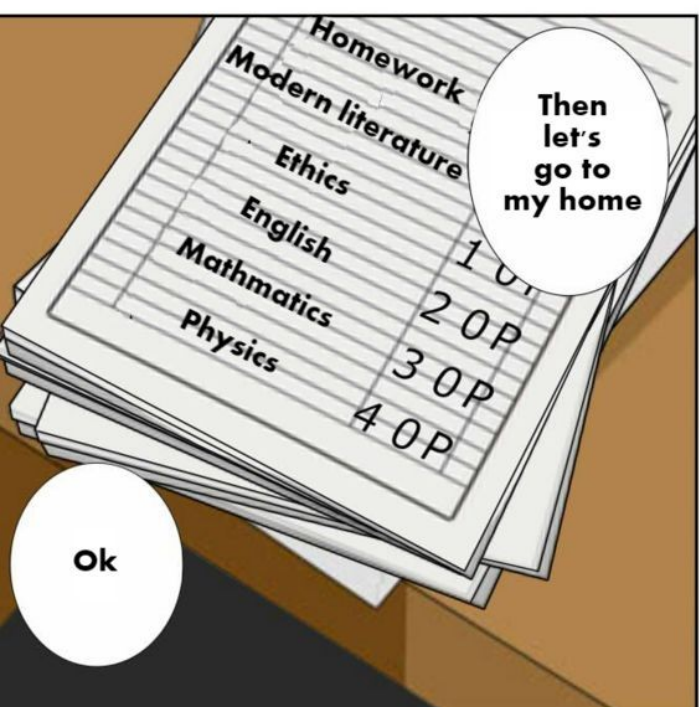

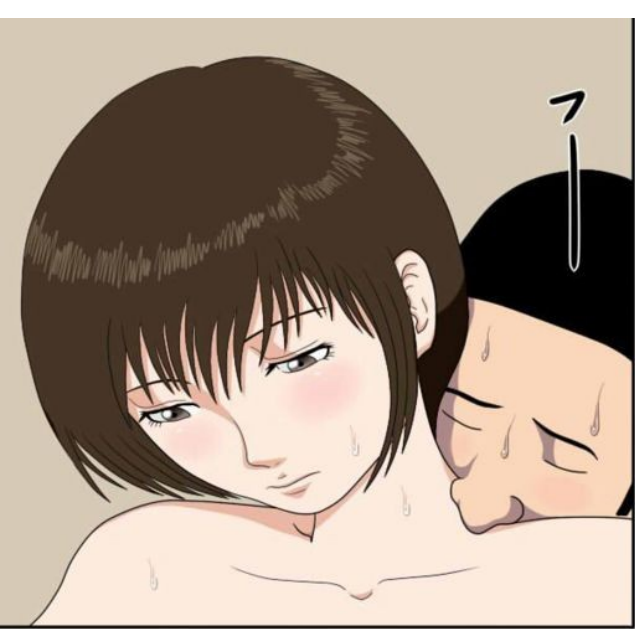

Yes it is

No! W...why do you think like that?

I feel responsible for your absence

You can do whatever you want with me

Now now...

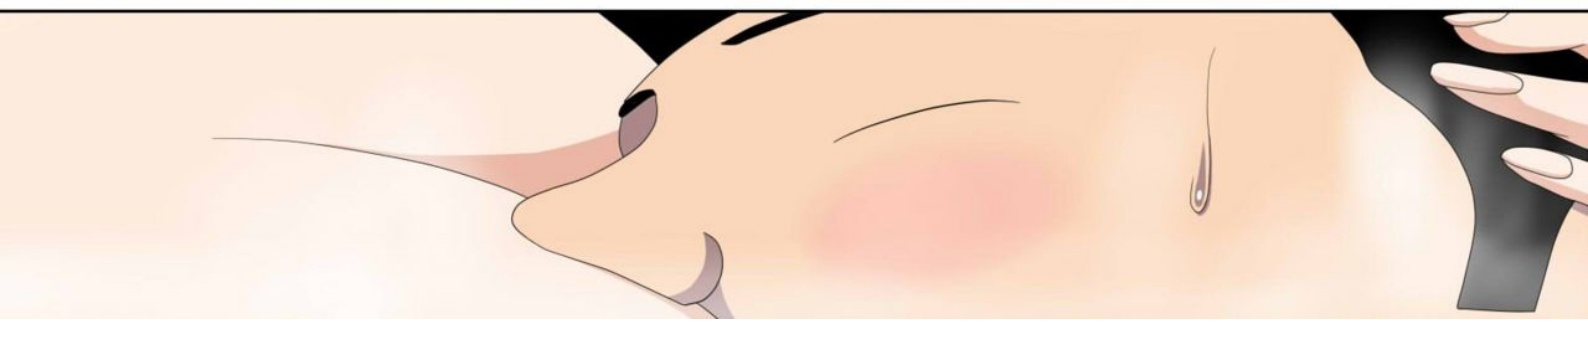

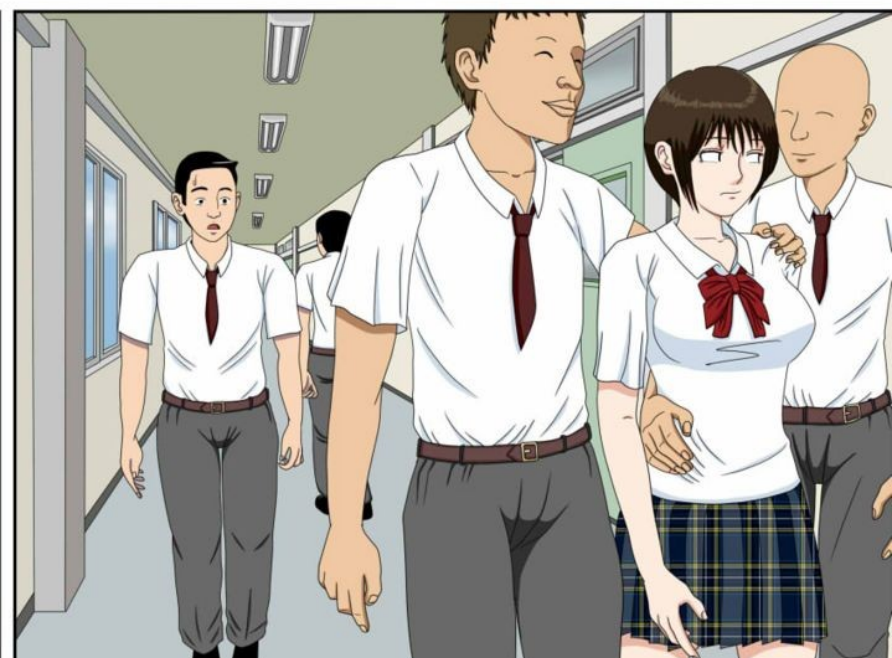

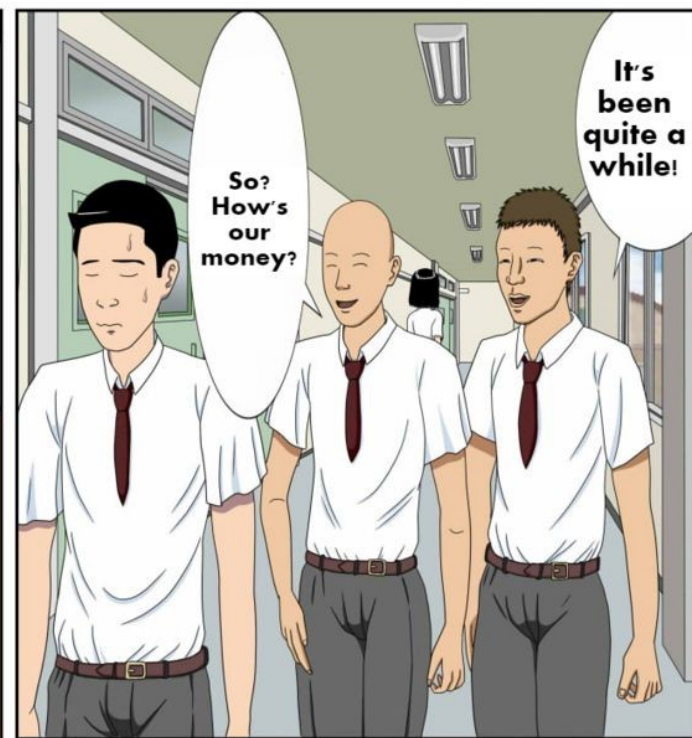

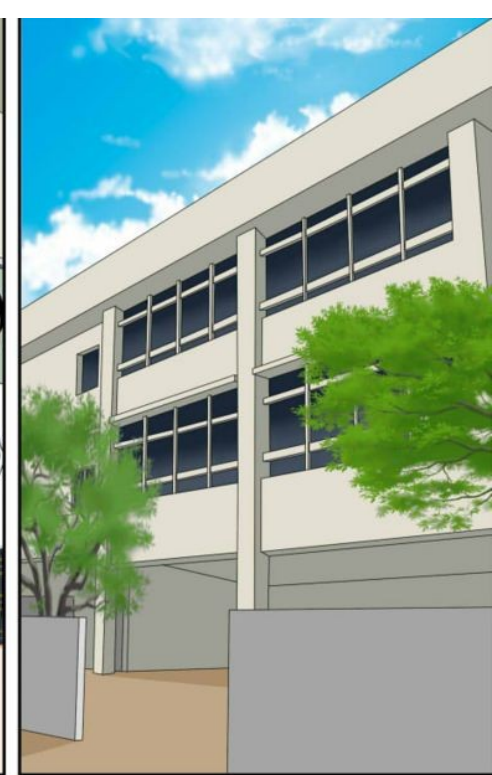

If...if only I realized it earlier, your life would've been so much better

So it is my responsibility to make it up to you.

I can't help I feel bad about such fact...

I'm really sorry...I... have nothing.
Will you happy with my body? It's all I've got

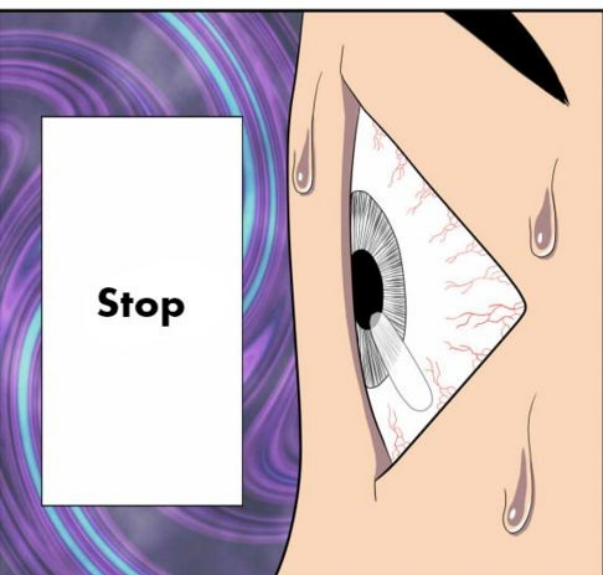

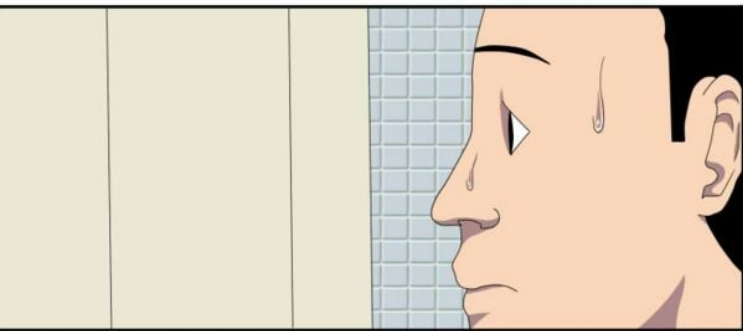

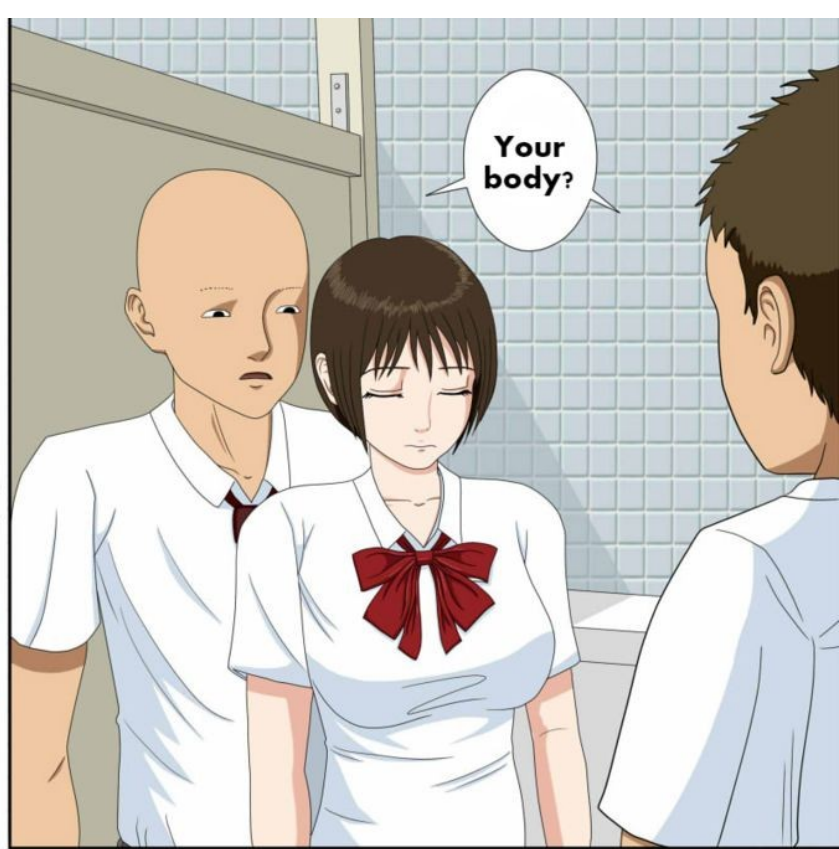

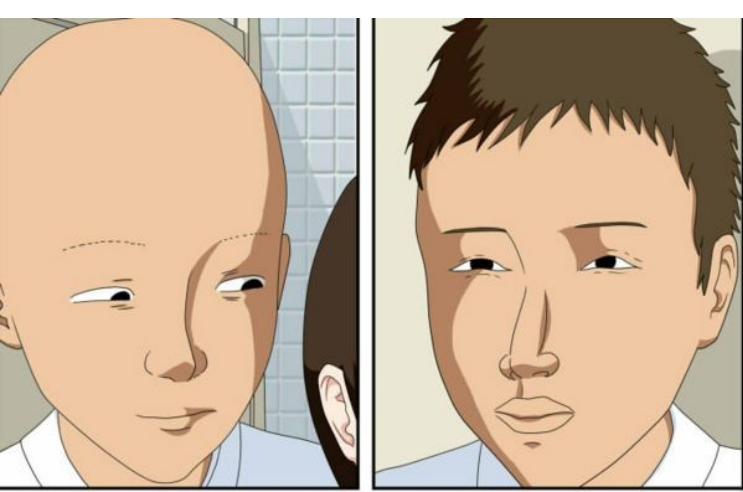

It happens. Our school days' just started anyway, right?

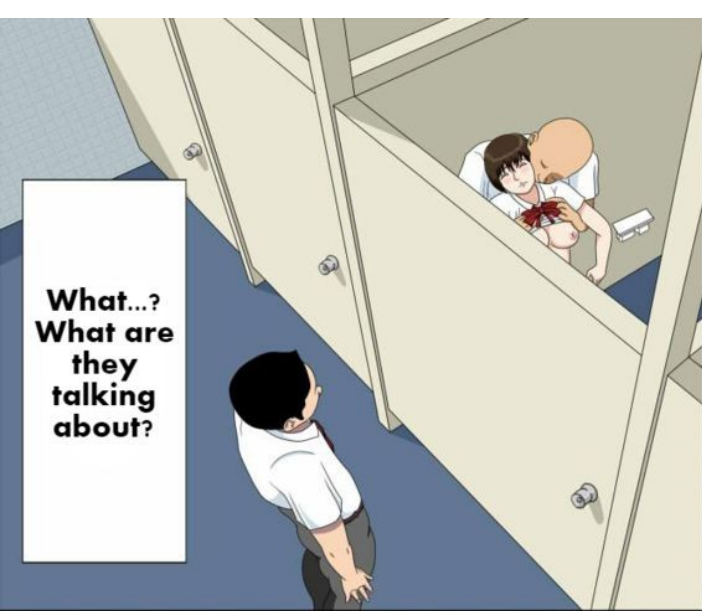

Look at this crappy rubbish. It's empty

We had a deal! You promised!

Just when?

I...I'll make it sure full next time

What...?
What are they talking about?

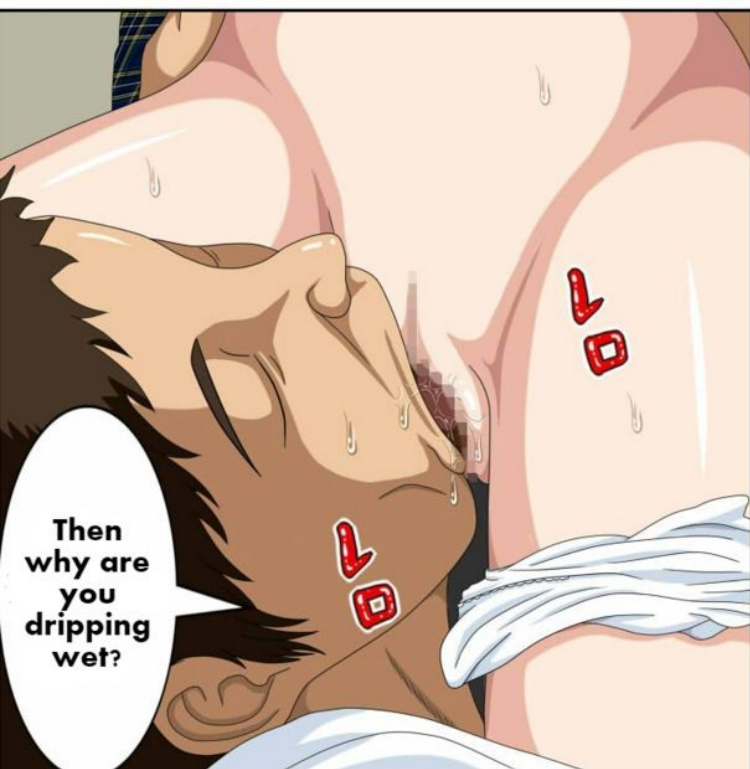

Answer me

Why didn't you come to school?

We missed you so bad Toyoda...

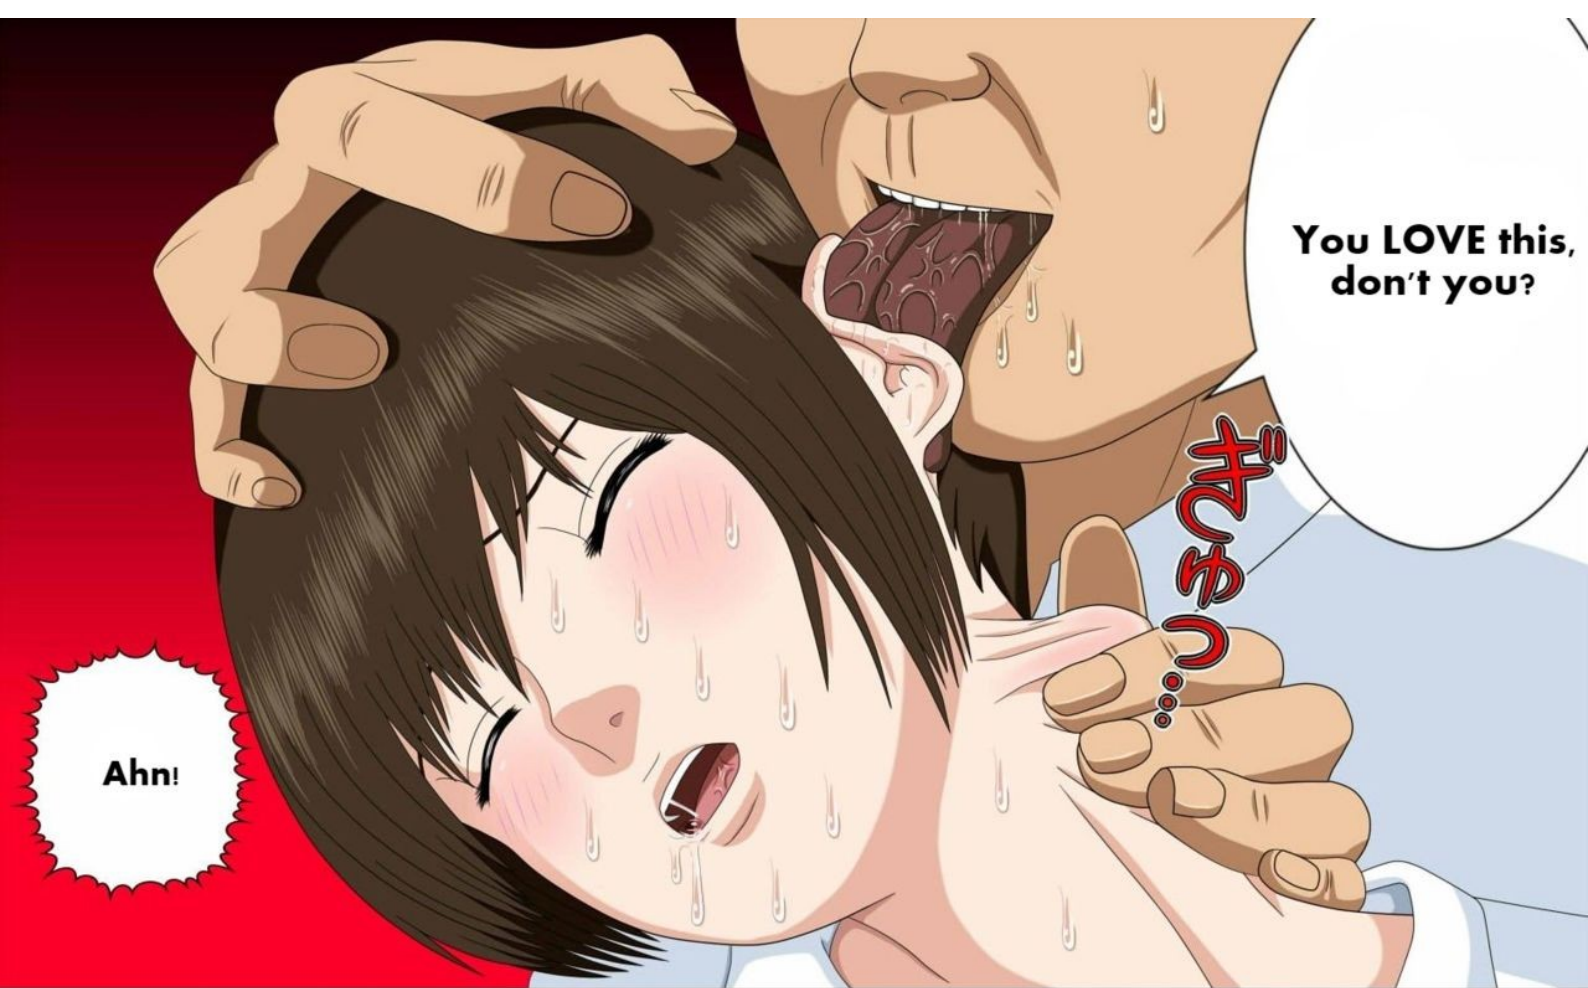

Then why are you dripping wet?

I had no choice!

You...you guys bullied me!

You LOVE this, don't you?

アハハハ...

Ahn!

Say it

No...

Be honest

It feels good, right?

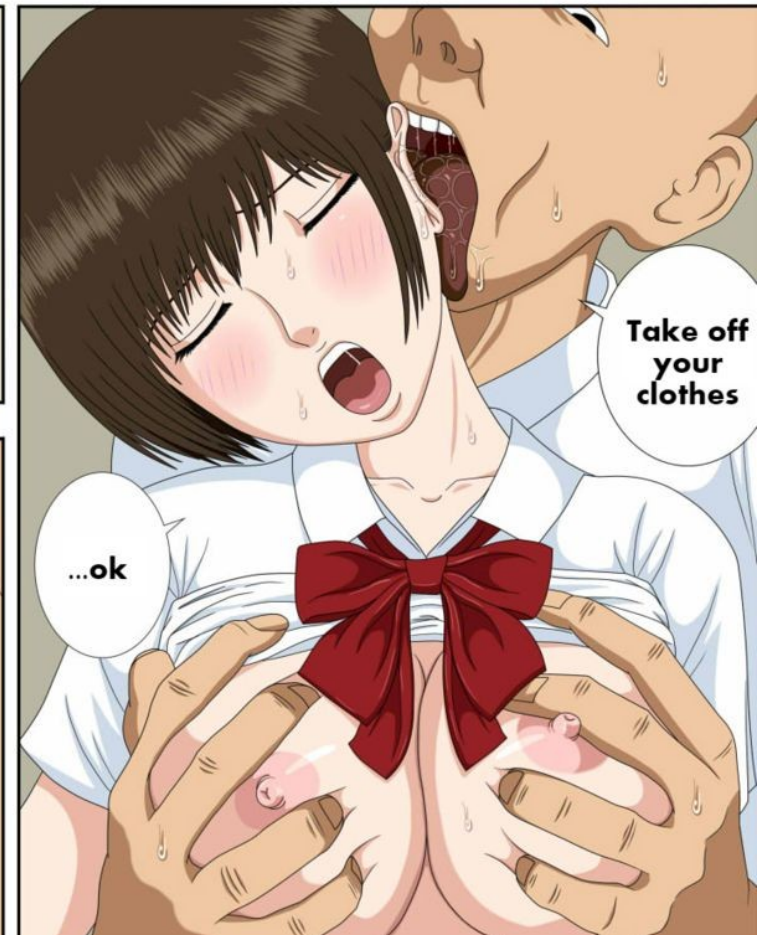

No...no!
It can't
be true...
I...

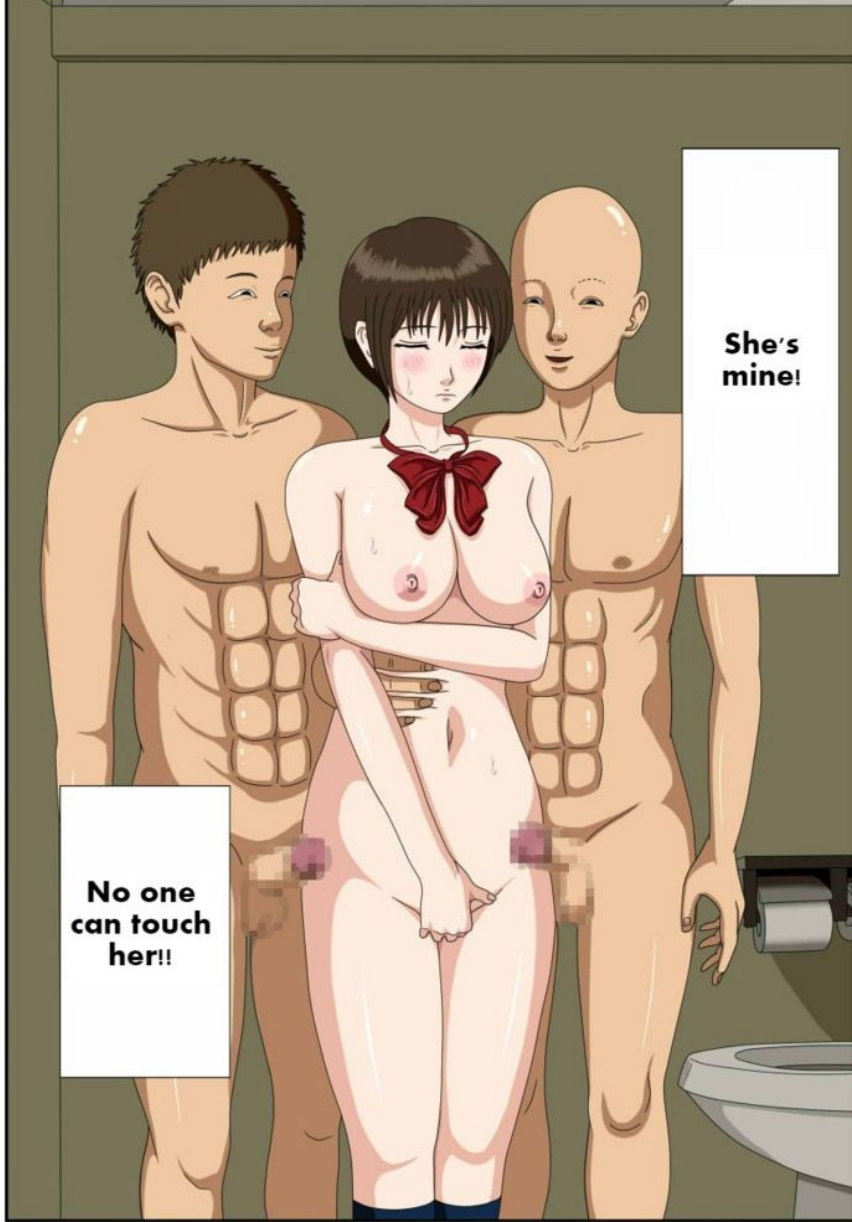

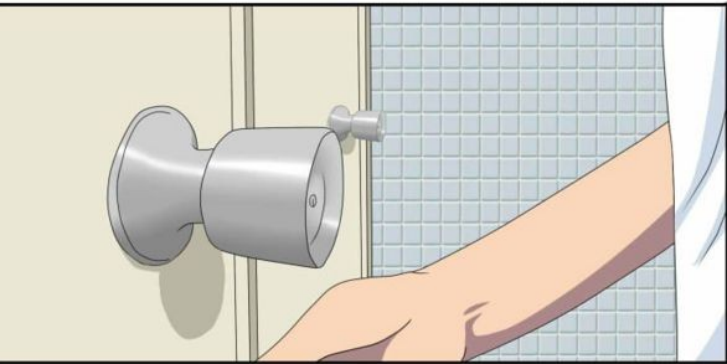

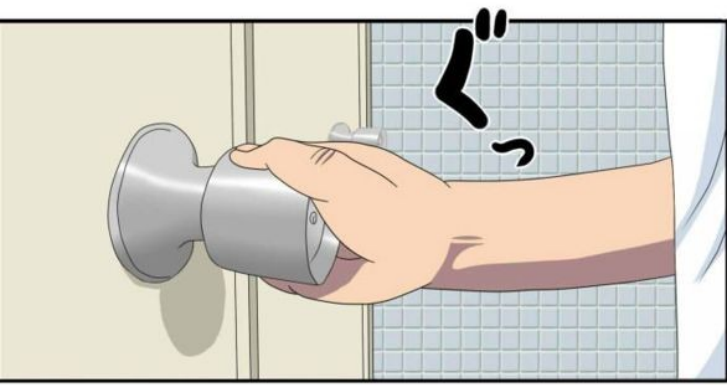

Please,
bully me
more...
Say it,
Toyoda

I love
getting
bullied...

Take off
your
clothes

...ok

She's mine!

No one can touch her!!

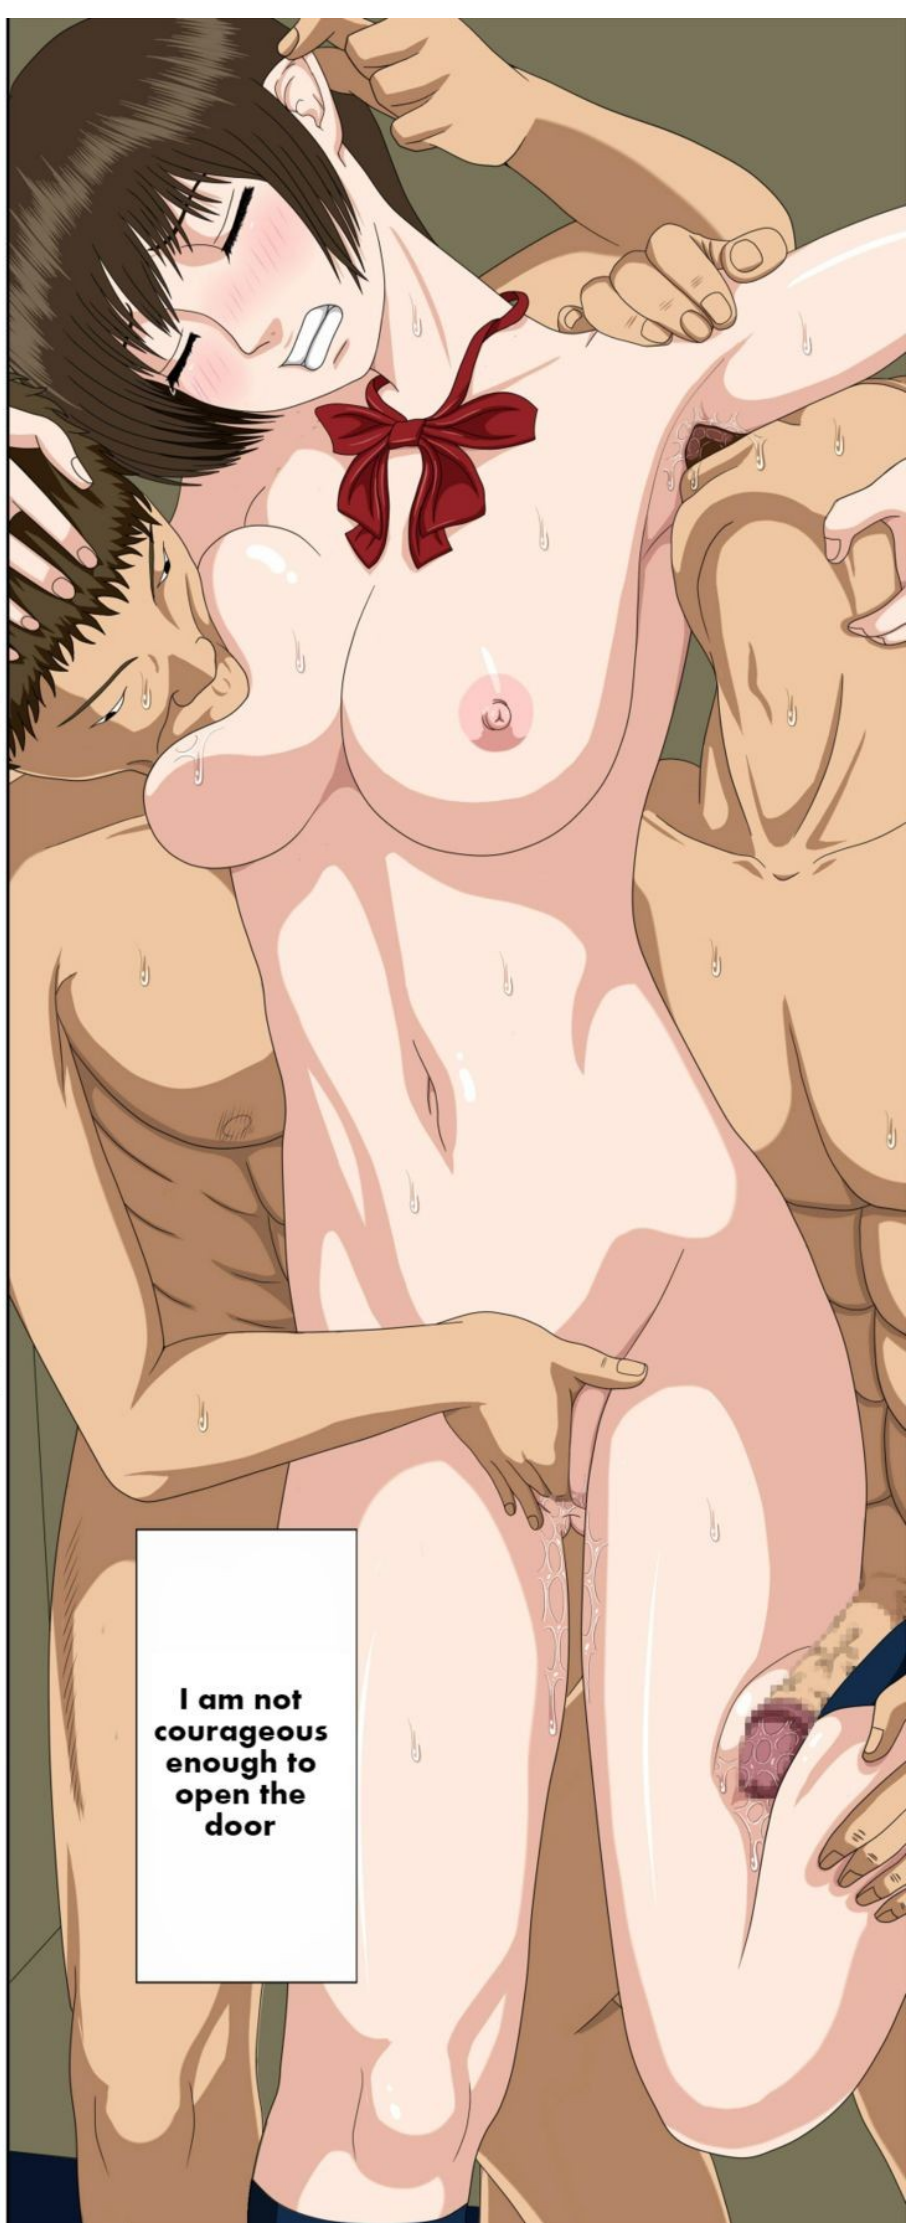

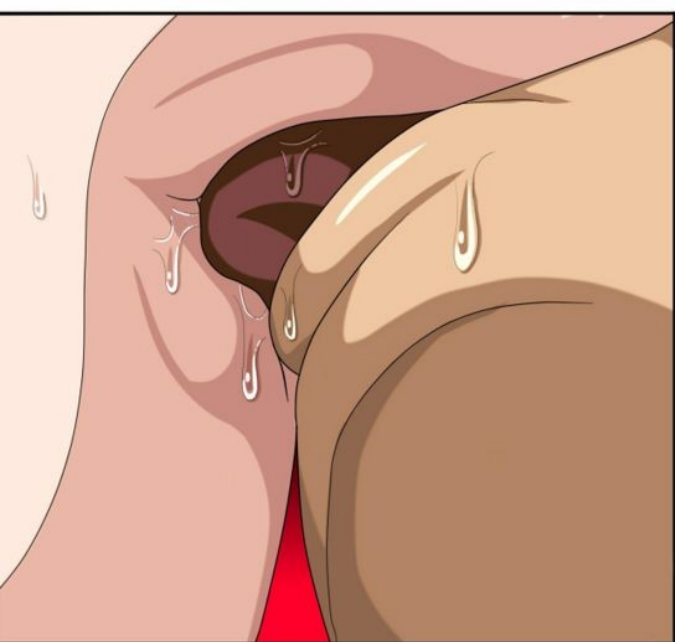

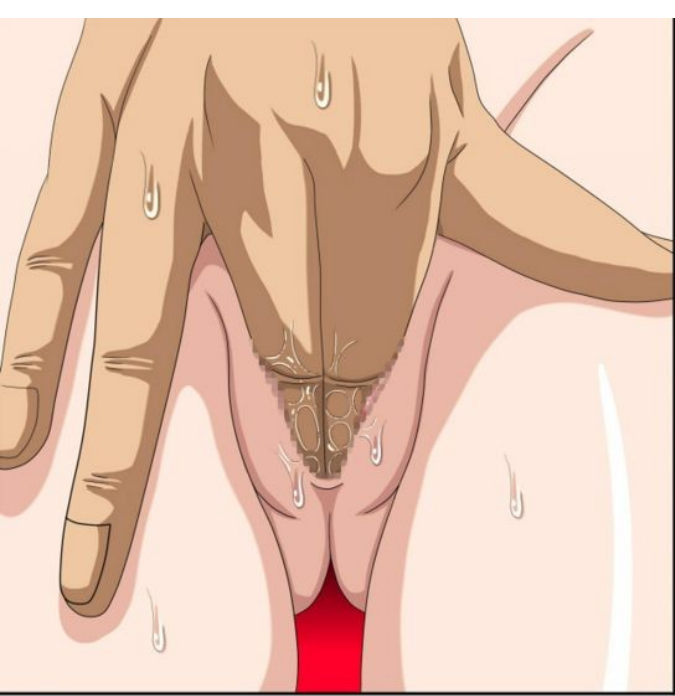

Stop!

Let me go!

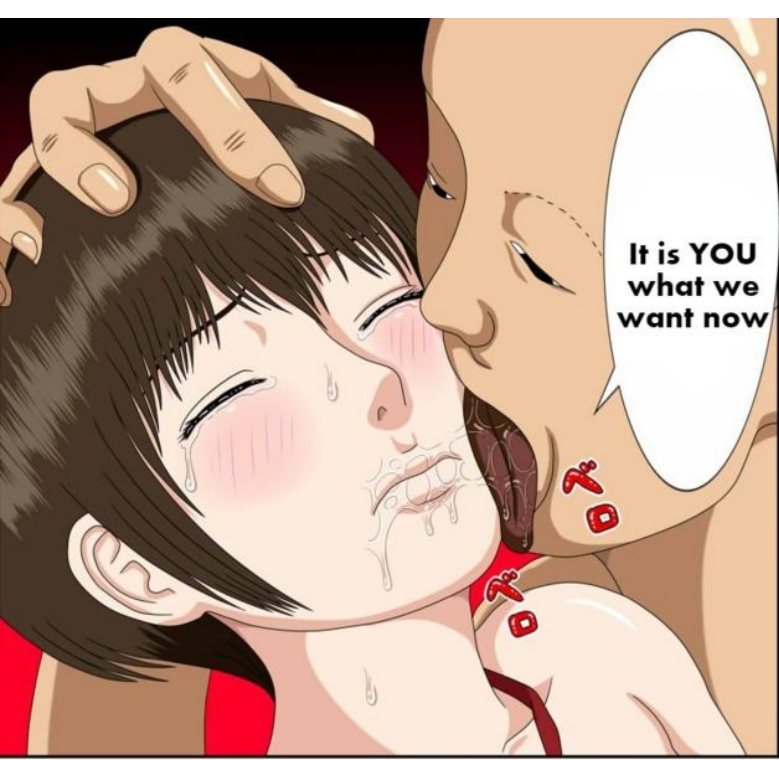

...I shouted silently

Nooo!

I am not
courageous
enough to
open the
door

It is YOU what we want now

I promise.. I'll bring everything I got...so please, stop...

You love this anyway, don't you? Stop lying yourself

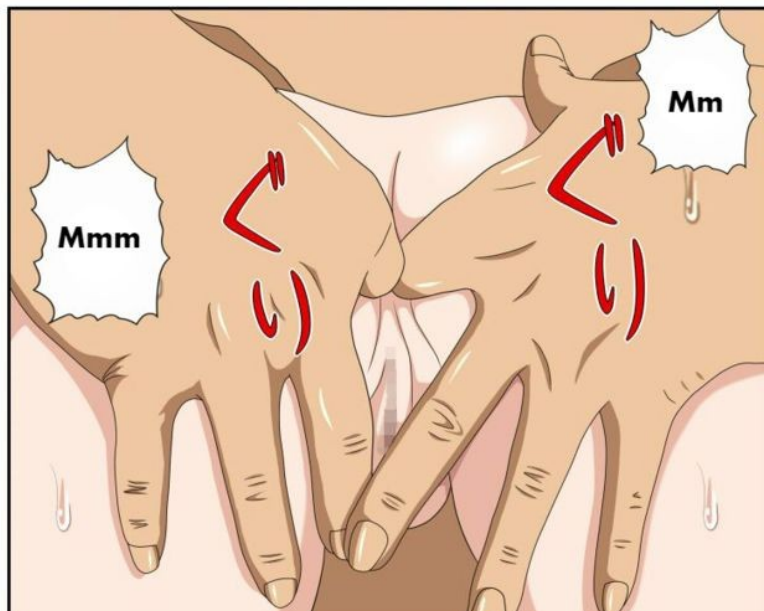

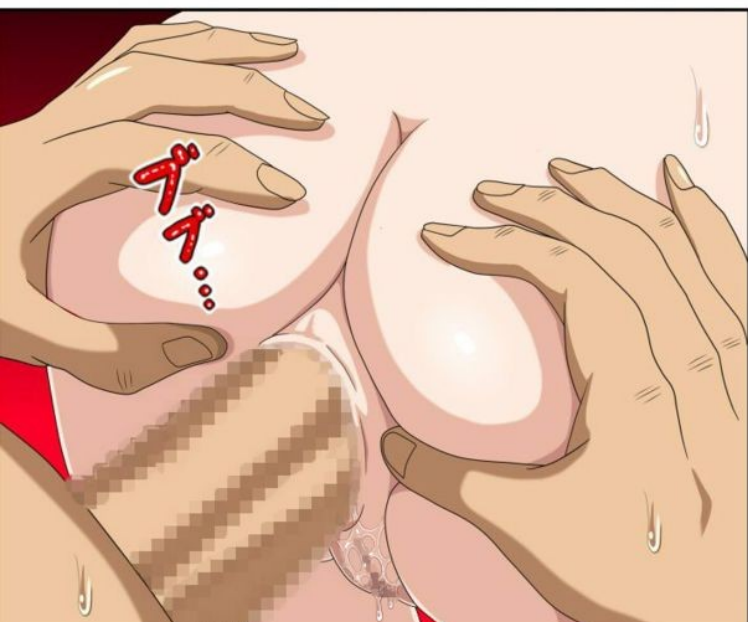

Uhn

Uuu

Get down

It Hurts!

Stop!

AAAHhh!

Aaahn

Toyoda

I...I'll stay
tonight

But you
have to
go back...

You said
you were
responsible
for me!

It's time
to go home.
You will
worry your
parents

I'm serious. Ahh, I will never let them make a pass at you, teacher

Who are you talking? I'm curious

So it began. A summer vacation

You mean a whole summer?

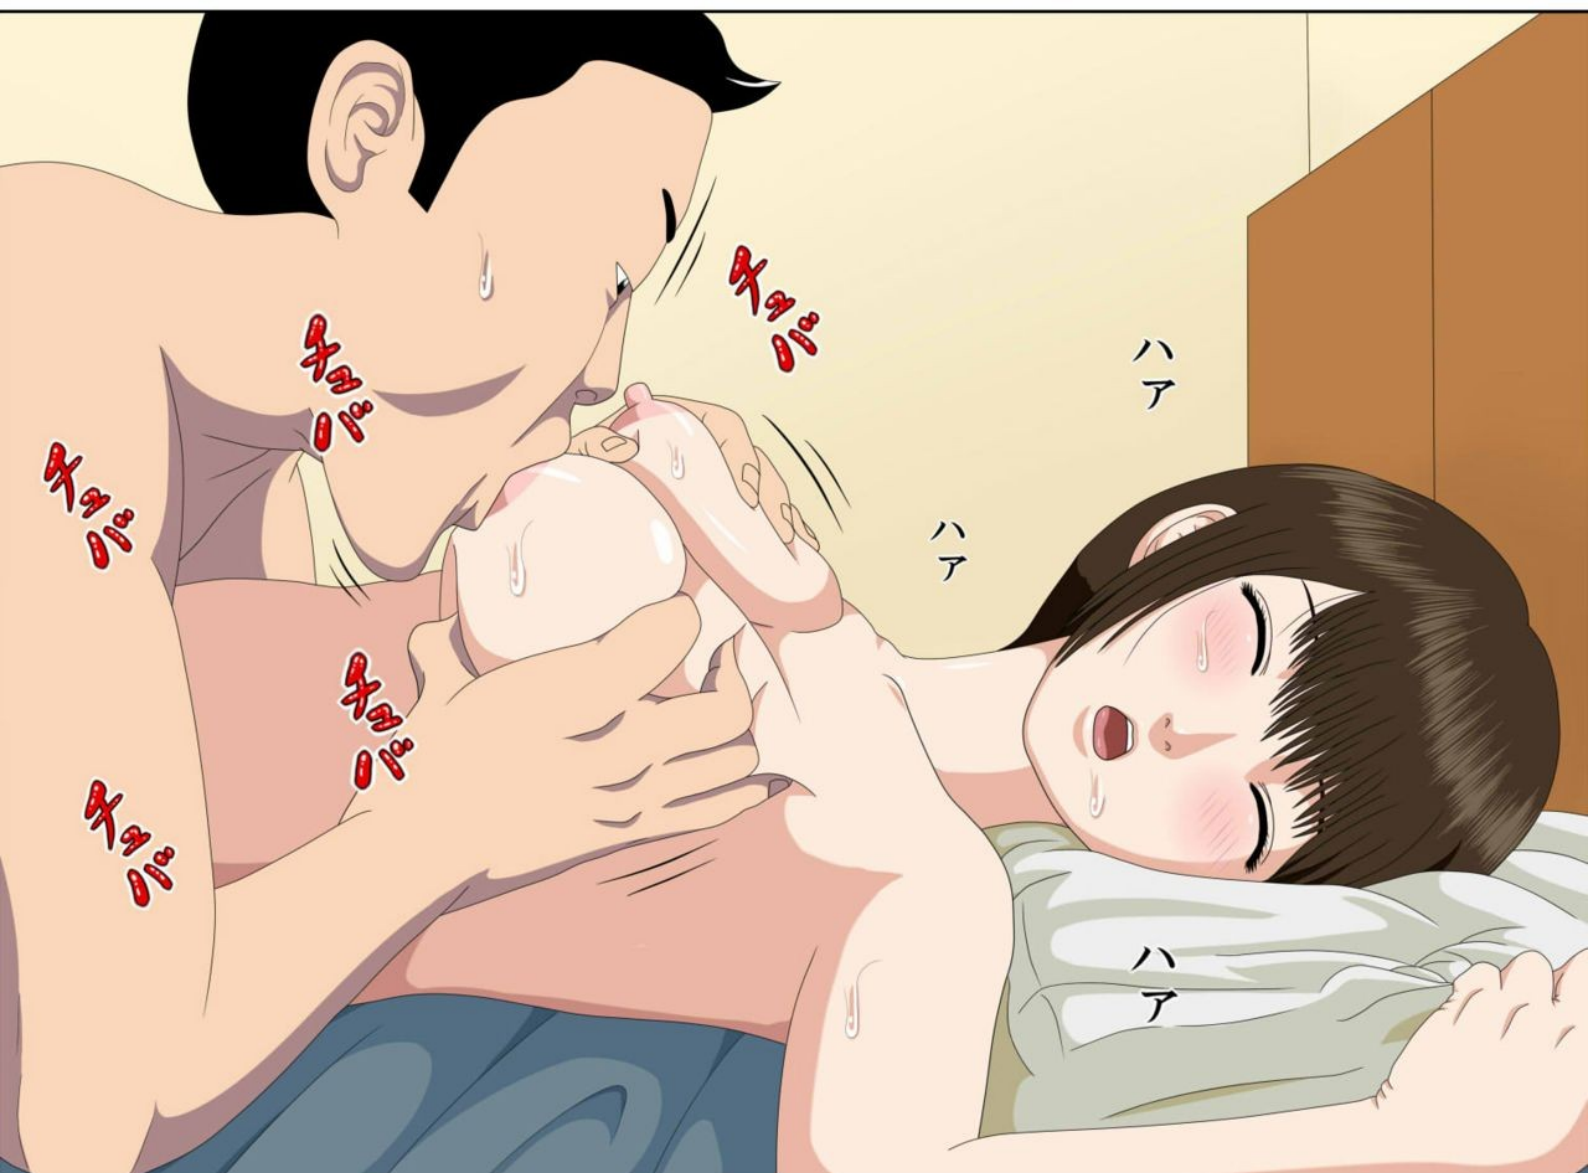

I texted home there's a summer supplementary camp. That will be done, right?

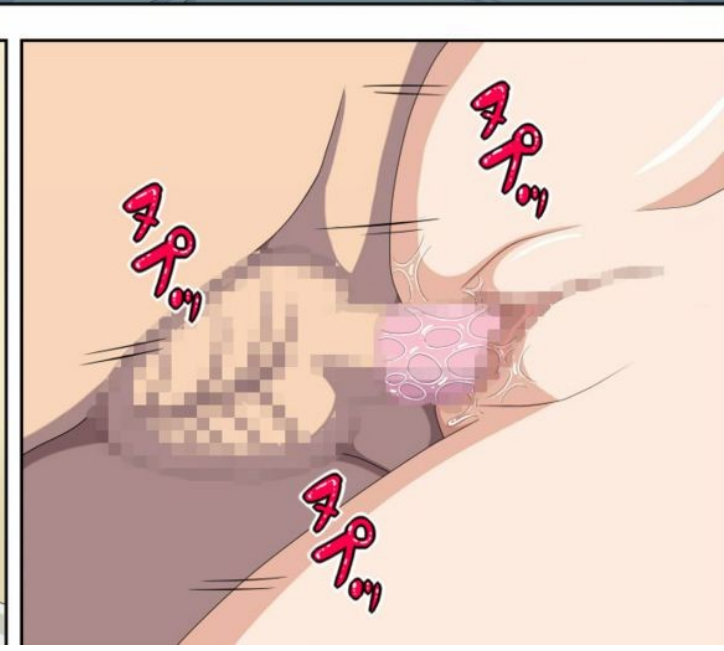

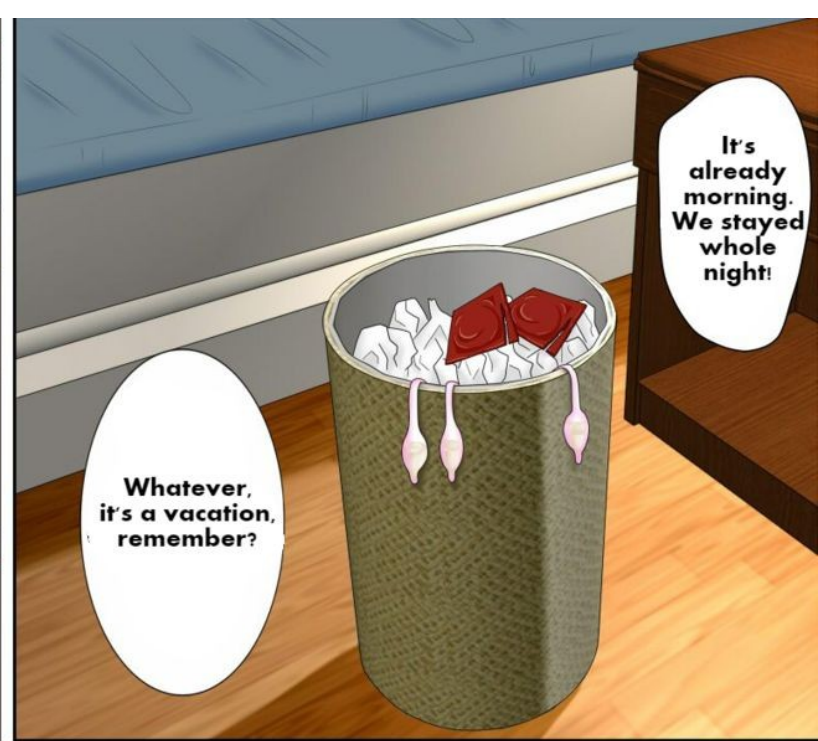

Yes!

Really?

I promise. I'll go school after this vacation

She and I
spend most
of vacation
on the bed

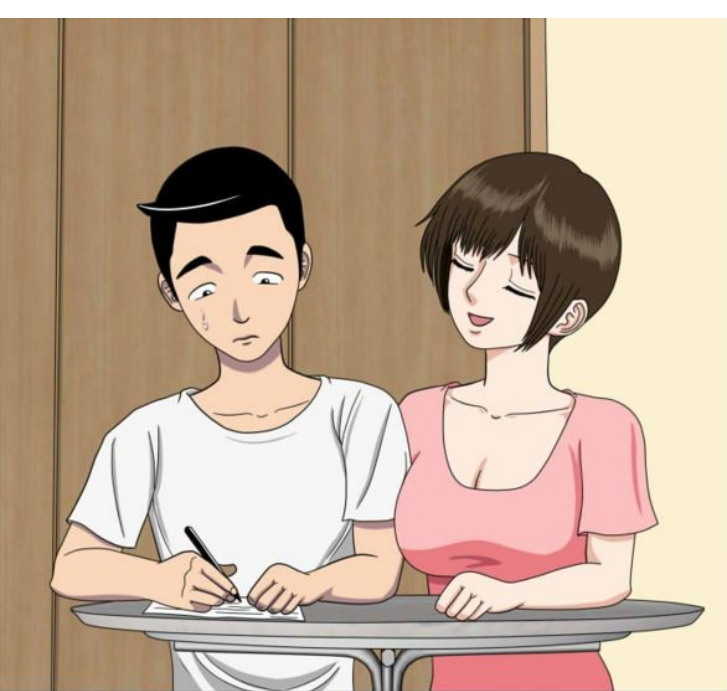

Mated
everyday,
like an
animal

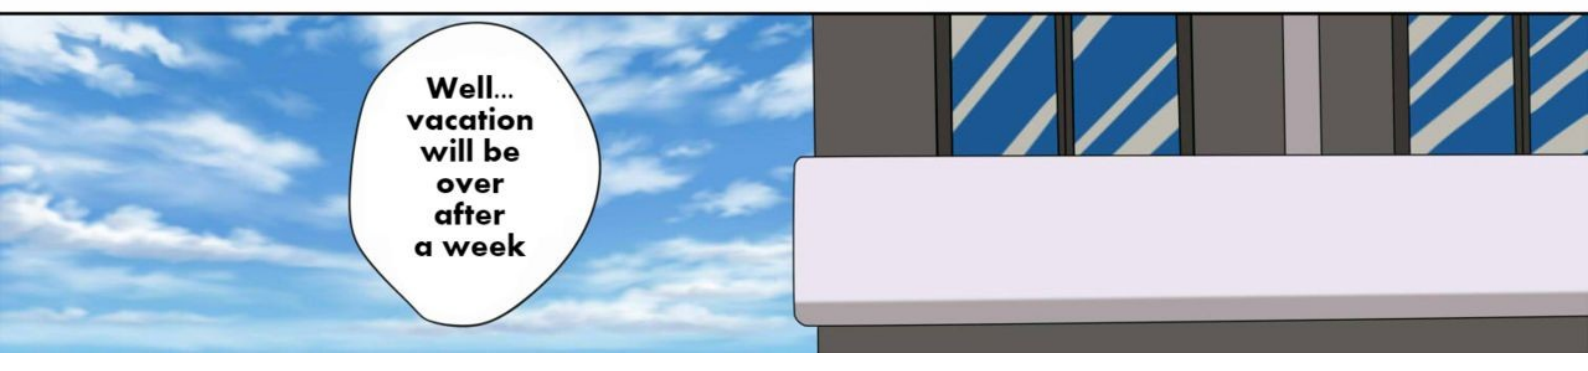

I kept
her off
from her
work

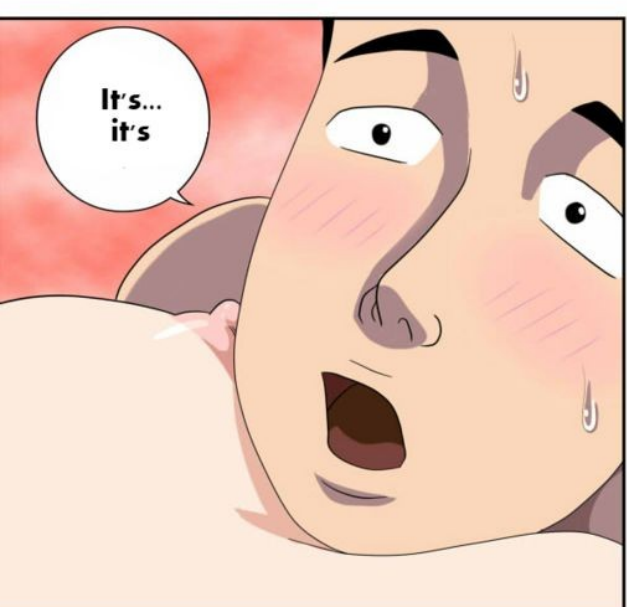

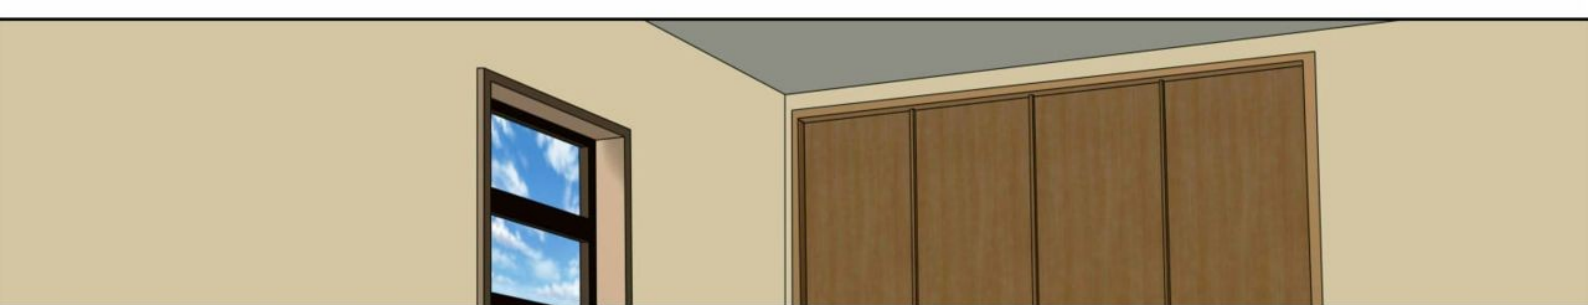

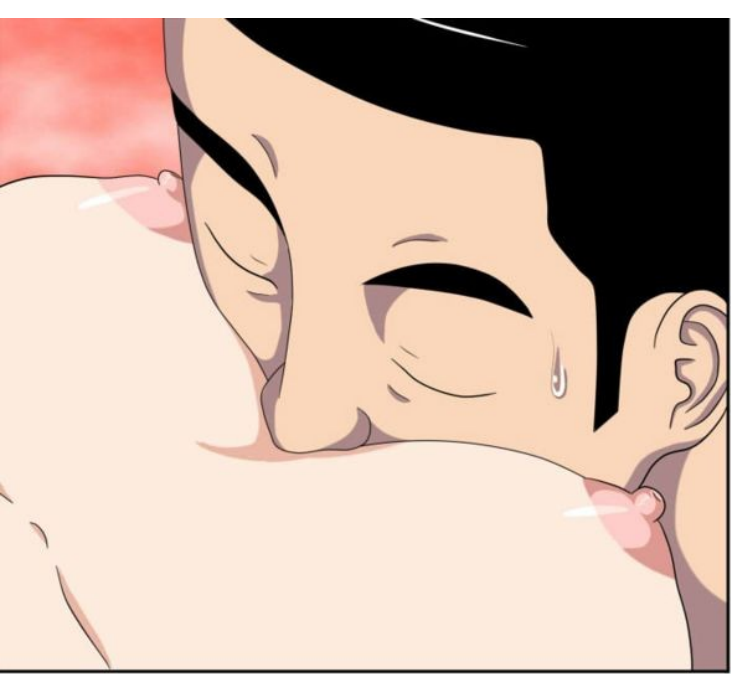

Time flew by as we indulged in lustful desires

Well... vacation will be over after a week

Can I...call you my mom...?

...Toyoda. You have a mother, right? I met her before

That's... Yes, I have

S, sorry! It was just a kidding

Silly me... Just forget it!

Aahn

Ah

No...

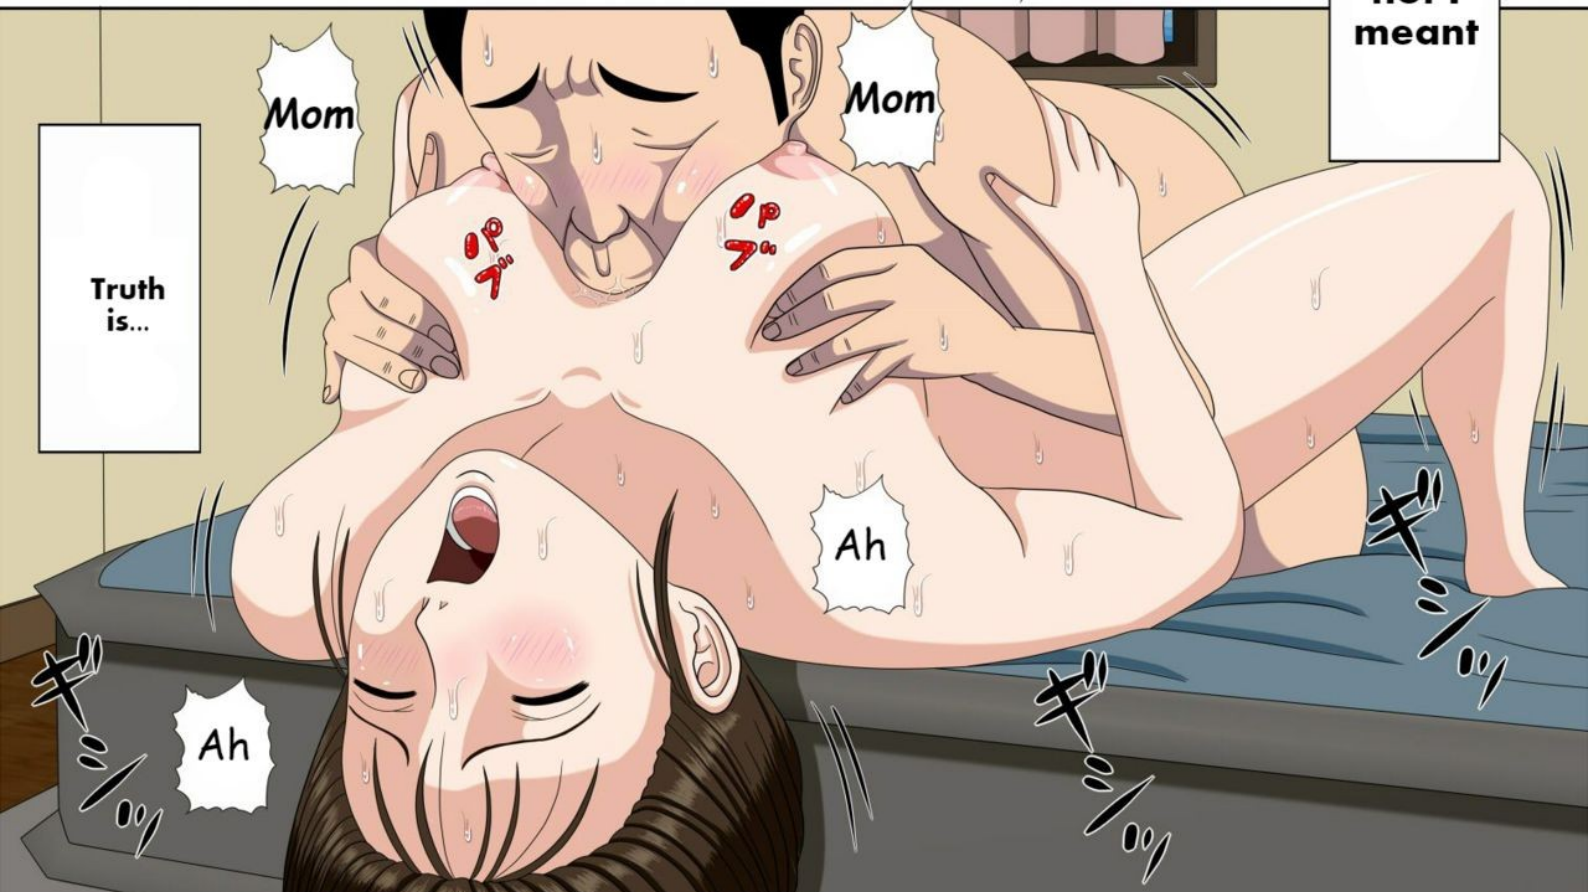

...NO

AH

Ang

I'm afraid if you will refuse me.

You are a lovable charming student... Toyoda

Do it!
Do whatever you want!

If we were in dream?

Could I tell her the truth?

Do you have a boyfriend?

No, what's with that?

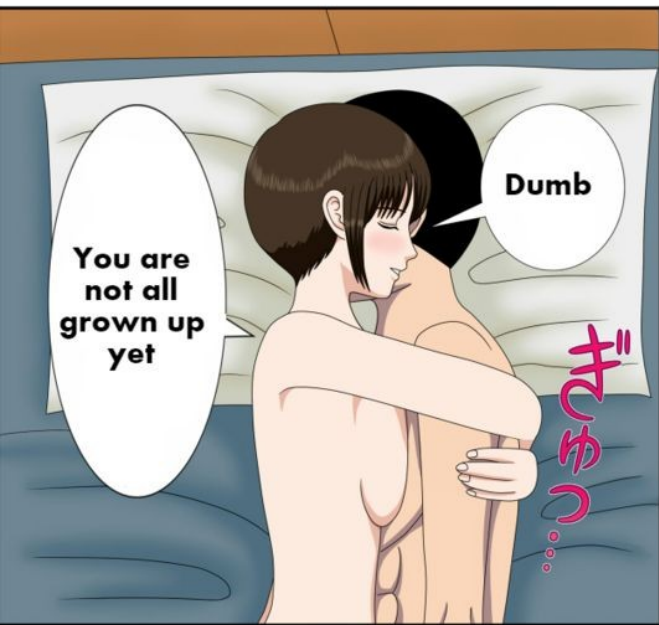

Oh, really?

I...I love you, teacher. I mean it!

Are you awake?

Yes

Dumb

You are not all grown up yet

校長室

Please come to the principal's office immediately

Teacher Mochizuki

Morning, next day

So...is there any problem, sir?

It's not your fault. Sorry for calling you all of a sudden.

Sorry for the outfits, I was in the middle of pool cleaning

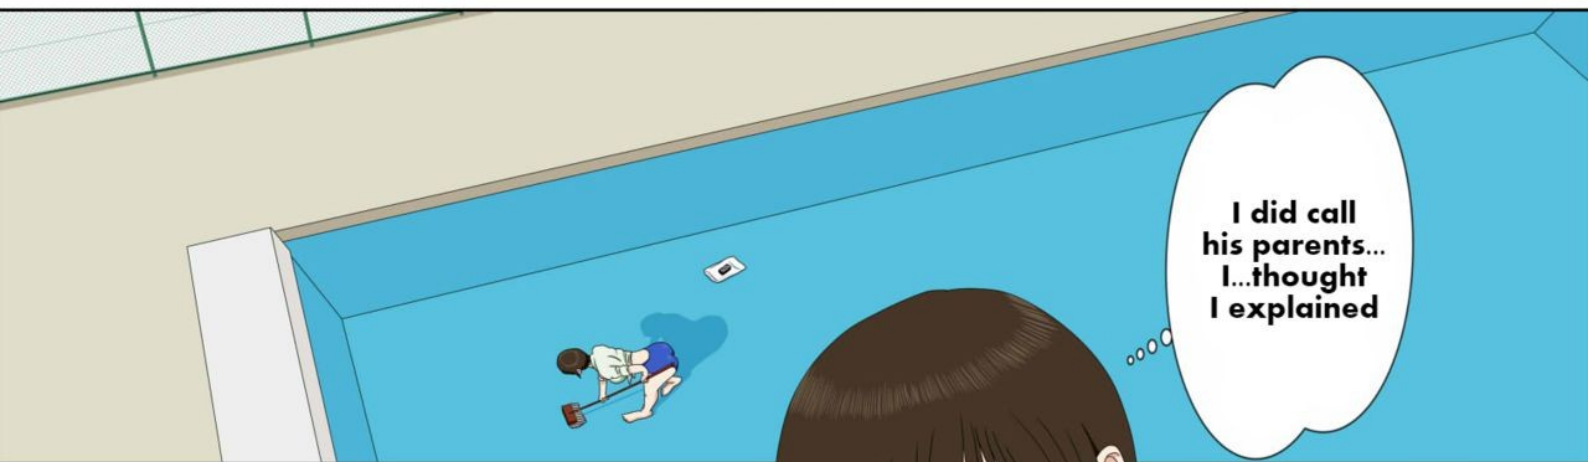

They said Toyoda ran away and had this summer camp out of the blue. They seemed so worried

I just got a call from Toyoda's parents, your class student

Principal Jiro Otono

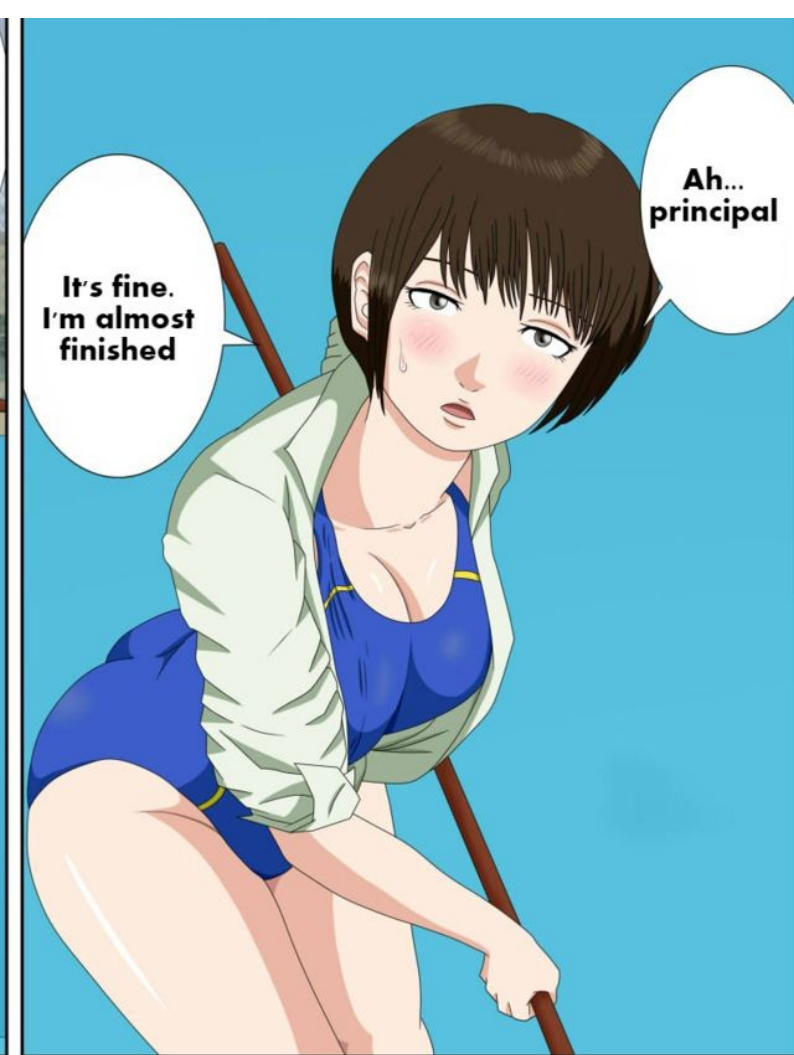

Well, you must feel unfair cleaning alone while others are doing simple office tasks in the air conditioned room!

Just let me help you

I took vacations after vacations... I felt sorry for them

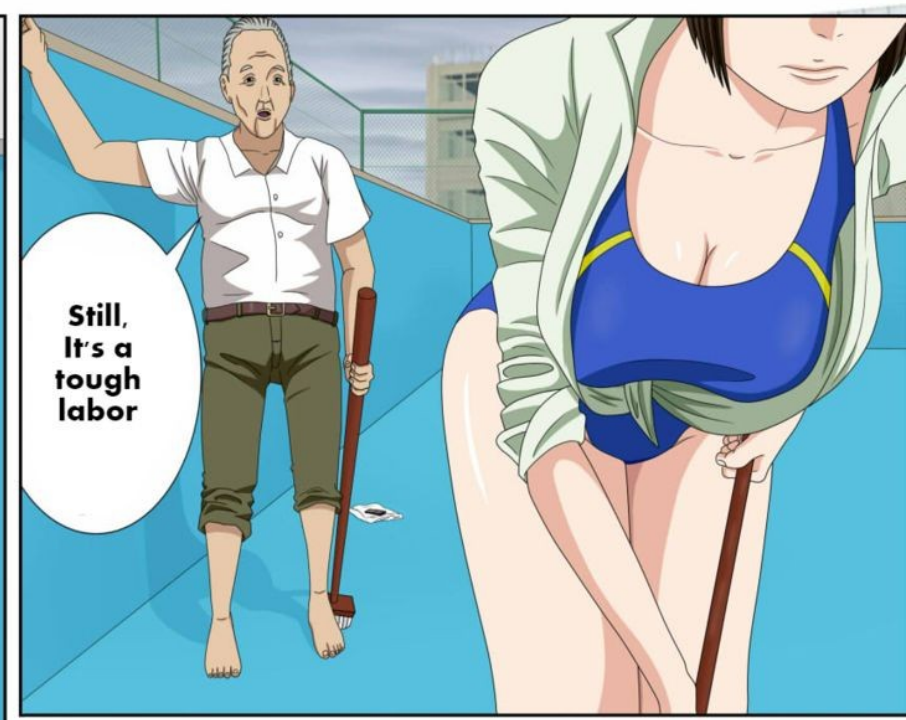

It's fine. I'm almost finished

Ah... principal

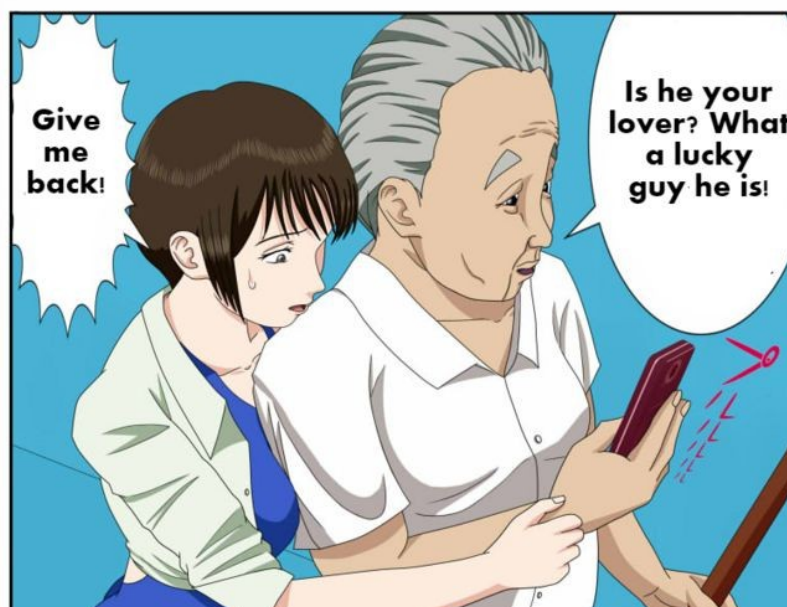

You praise me too much.

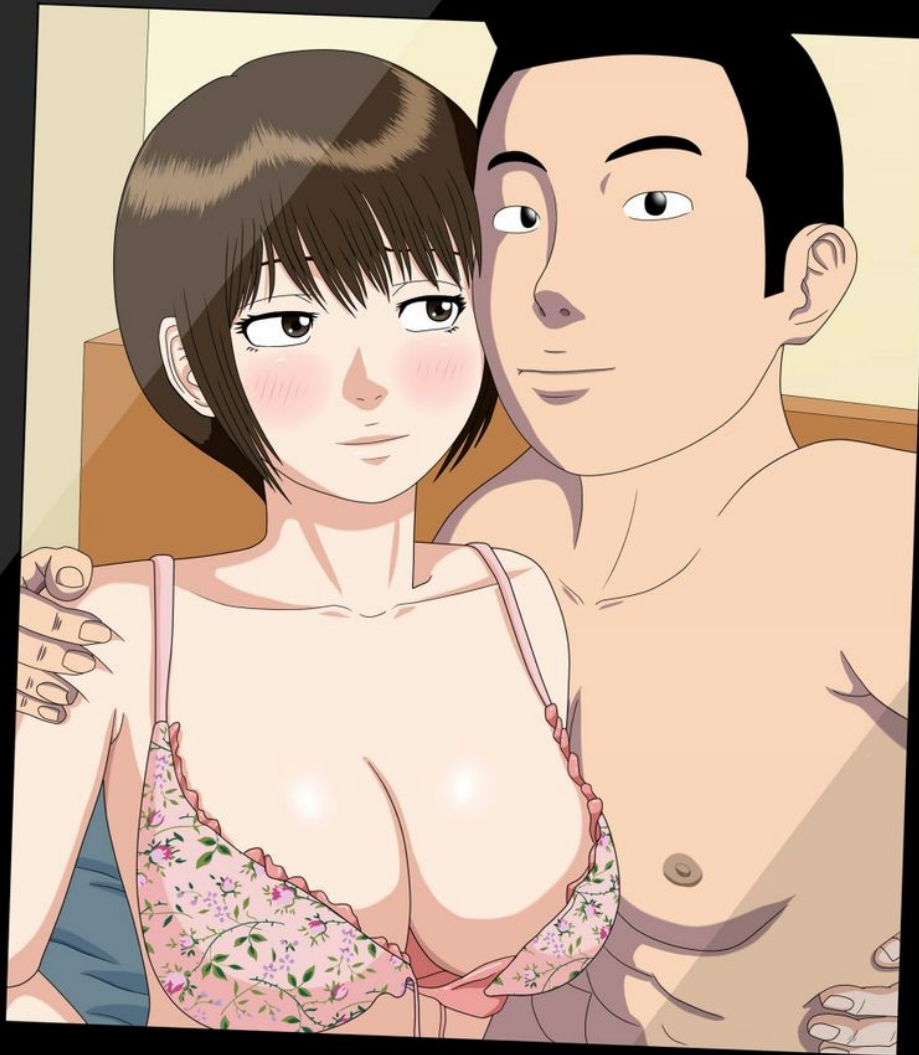

Still, It's a tough labor

Especially for a lady as beautiful as you Mrs. Mochizuki...

So you're saying you left your student somewhere, unattended?

I ran by myself

What happened to camp?

I heard you were taking off due to health problem

Only you and your student, having a class one on one... I wonder how lecture went

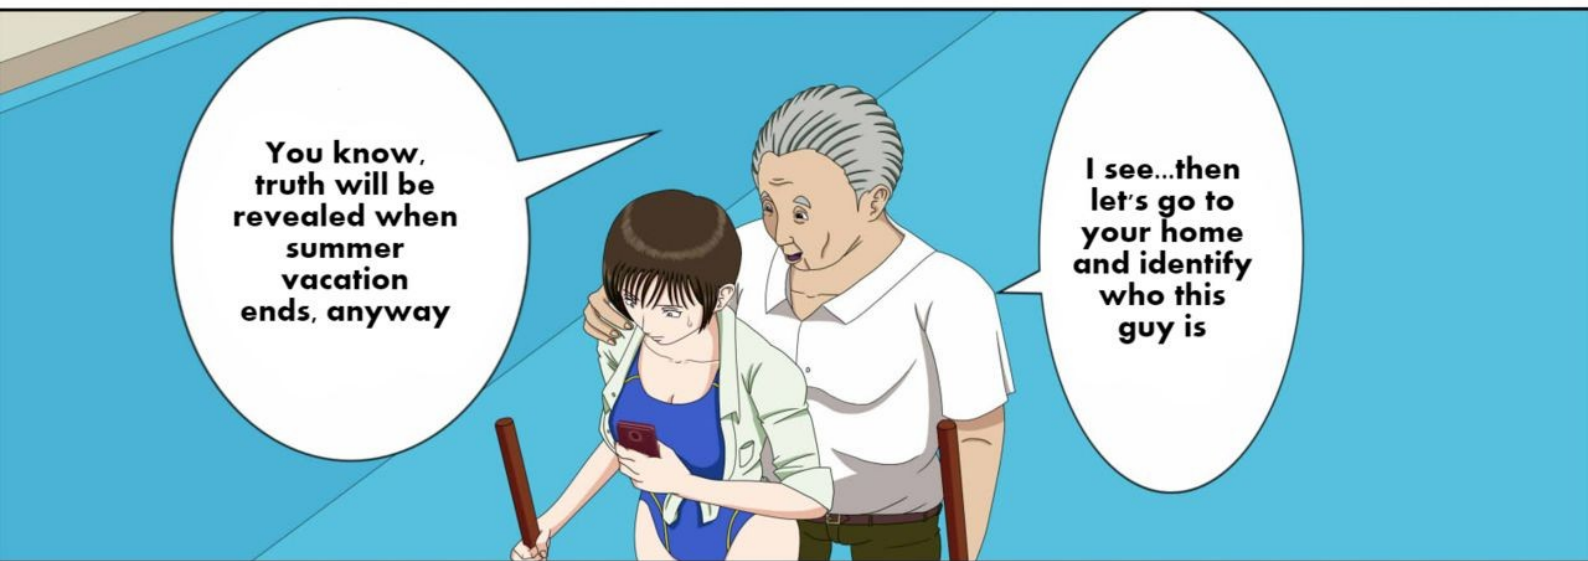

...my house

Where is he now?

Don't get me into your made up stories

No!

I was so onely...I was alone all the time

You see... My wife has passed 10 years ago...

What are you doing!

I can keep your secrets. It depends on your behavior

You would get your 'Toyoda' in trouble! Wouldn't it too unfair for him?

.....

Sorry about last night...

It was so sudden, wasn't it?

But I'm all yours and I promise it.

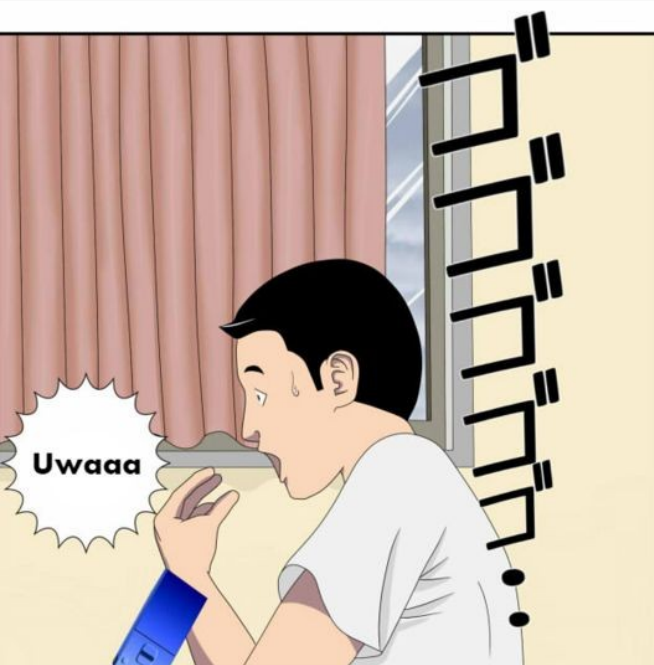

I miss you so much! Come hurry!

Good...

TO Kaori Mochizuki
SUB Sorry for the fuss!

I just equivocated her.

Did she bring her umbrella?

Mrs.Mochizuki

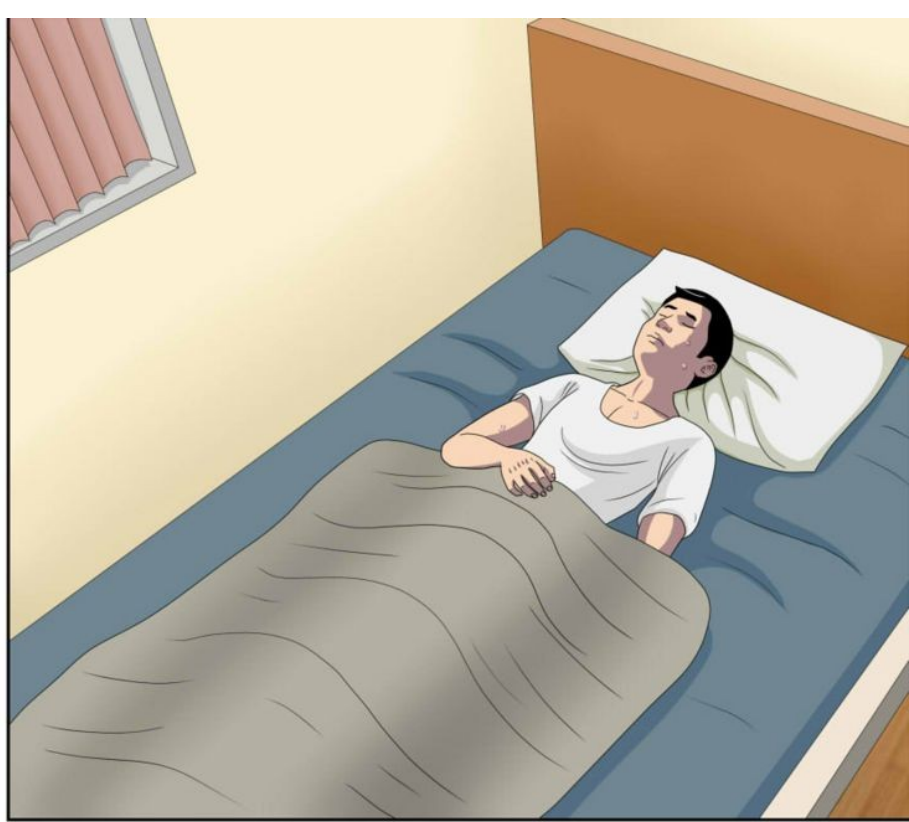

This is for

Do you

You are
forbidden
to meet that
student until
vacation's
over

You should
stay at my
house from
now on

Aang

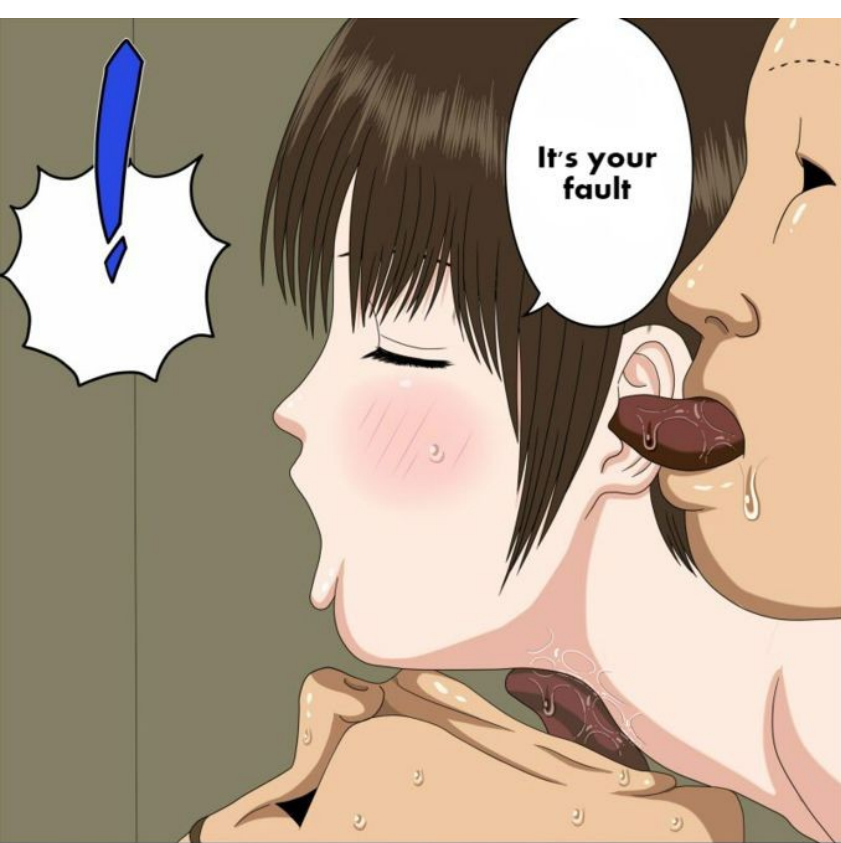

Nnng

Are they better than me?

Uff

fuu

It's your fault

You are supposed to be my side...

They are the ones bullied me!

Sure... you are just pathetic

Why don't you shut yourself back home like before?

You didn't fight back.

I can't. That's impossible

**Liar.
You'd
never
come back**

**Why did
you sud-
denly
change
your
mind?
Why
are you
acting
like
this?**

**I told
you I'm
gonna
go to
school
after the
vacation!**

**That's not
true! You
promised
that you
are going
to protect
me in
school!**

**You were
deceiving
me.
All you wanted
was just having
a sex with me.**

Protect?

You are just a big baby who doesn't give a shit about other person

You are same. Act only as you want. Never consider about results

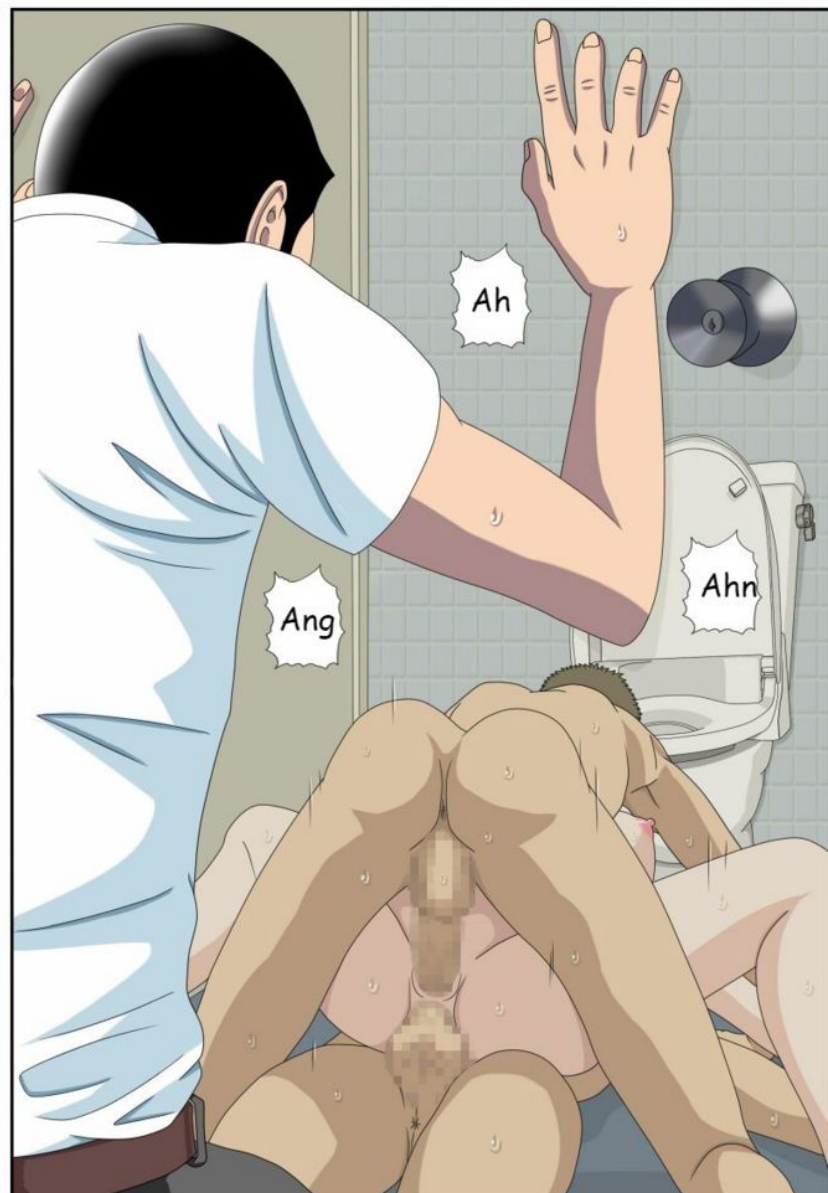

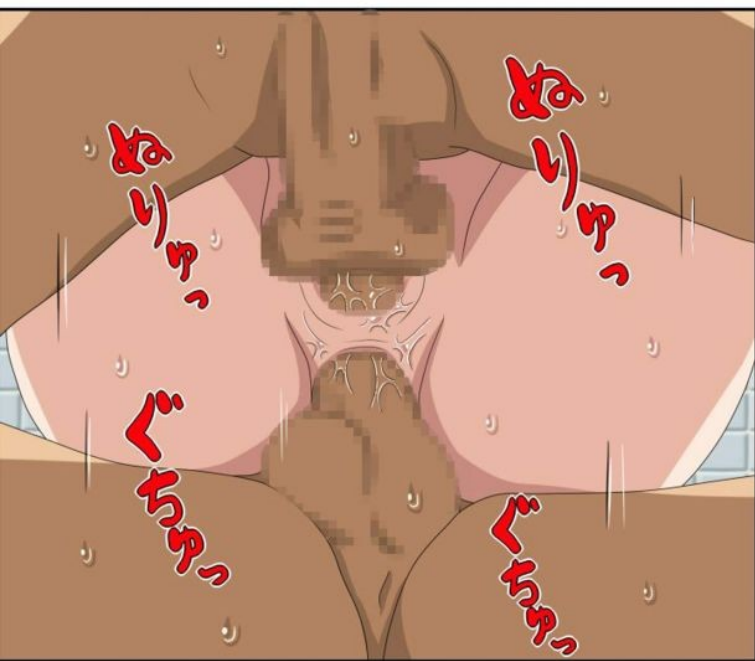

So naive... Did they bully you in public? There's no way I could protect you

Ahn

Ah

I'm...just like them?

She didn't ignore me. And she guided me so kindly

She's beautiful both in and out

I love Mochizuki

I can't give up on her... I'll show you what I got...!
