

Shouhei,
I'm
bored~

Hah...

Bored~

So
bored~

...

Don't
wanna.
It's cool
here,
and at
home it
isn't.

If you're
that bored,
then why
don't you
just go
home?

EEH
...?

Do
something
interesting
for me to
pass the
time.

Even if you
say that,
I'm working
on my
manuscript
for the next
event right
now...

If you
get it then,
hurry up and
entertain me!

SCREW
THAT!

Once Okaeri-
senpai gets
like this,
it lasts
a while...

want
to
work
though

Like I
said,

ENTER-
TAIN ME
DAMMIT!

I'm saying
that kind
of attitude
is exactly
what's dis-
respectful!

that comes from
the difference
between our
heights.

That
sarcasm
of yours

Right
there!

I can try using that!

That's it!

How can I quickly get through this and back to my work...?

Will I be able to make do by trying to kiss up to her?

That'd take time though ...

I'm okay with a contest, but what'd it be about?

Well...

Alright
Okaeri-senpai, do you want to have a contest?

Don't call me "Okaeri-senpai"...

You tellin' me to go home?

IF I win, you don't bother me until I finish my work.
Now, take a seat.

Okay.

Hoh...
What a daring proposal.
Alright. Let's do it.

What do you get if you win?

It'd be hypnosis.
You'd be trying to resist my technique.

IF you win, I'll do anything you want for the entirety of summer break.

Now please...

You're okay with me having such an advantage?

Oh, right. How do we decide when I've won or lost?

If I can make you realize you've fallen under the hypnosis, it's my win.

Well,

I haven't told many people, but hypnosis is my forte.

If I can't hypnotize you, it's your win. Sound good?

Yep.

Ever since I saw it on TV when I was little, I tried copying it and quickly picked it up.

Stare intently at the coin.

I've practically never failed since then.

There's no way something like this'll work.

This stuff's totally fake.

From experience, I've noticed that even those who doubt it

...She tried to say that but,

She's already fallen under...

Your summer break's already mine.

starting... today...

Oka Eriko... You will not disobey Hatai Shouhei's orders...

It wasn't even a contest...

Alright, wake up!

are deeply taken by my hypnosis.

Let's keep going.

Lift !?

Lift your right hand.

HAH?

Did you do something? I don't feel a thing.

And make a cute pose!

Then, get up on the desk...

Stand straight and lift both arms!

BANZAI!

This is all of my own volition.

Aha ha ha...

Okaeri-senpai is the embodiment of the phrase "Never surrender", huh...

コッ コッ コッ コッ

Hah?

I'm just going along with your stupid joke is all.

Heh heh... How's that Senpai?

You're completely under my hypnosis.

Th... That's right.
I'm just giving a virgin like you... a little service...

Is this...
of your own volition too?

Hoh... Well thanks for that.

I will.

Of your own volition, that is.

Now why don't you...
Make the same pose as that one.

He can see everything...!

Doesn't she get it?

In that pose...

This is...

Everything's in Full view...!

Th- This is good, right?

It's my win... yeah?
GULP...

So... This is enough, right?
Are we done here?

H-HEY!
WHAT THE!?

Uwah... He's really taking a good look.

ooo

YOU... IDIOT!

!!

Senpai,
If you don't like it, then just run away.

This way,
it won't

for you.

genous

So,
senpai's
asshole

It's all because of your hypnosis ...

NO, I HATE IT!!

This must mean you're a pervert that's okay with anal sex.

If you don't like it, you can just run away, you know?

You're right about the hypnosis affecting your sensitivity, but...

When my suggestions are overwritten, the previous ones disappear.

But your suggestions are...

You can already move of your own free will.

Even right now.

So... take responsibility and see it through to the end.

You've... already gotten me like this...

Even so,
Senpai...
is really
tiny.

When she's this small...

It's like I'm doing it with a JS...

I feel so corrupted...

I CAN'T GET ENOUGH...

OF LOLI ANAL!

I CAN'T STOP!

I'M
CUMMING
INSIDE
OF
SENPAI'S
LOLI
ASS-
HOLE!
