不憫上司と不倫情事

Foreword

Hello, it's Shuninta here.
This time I drew working adult yuri.
I hope you enjoy it.

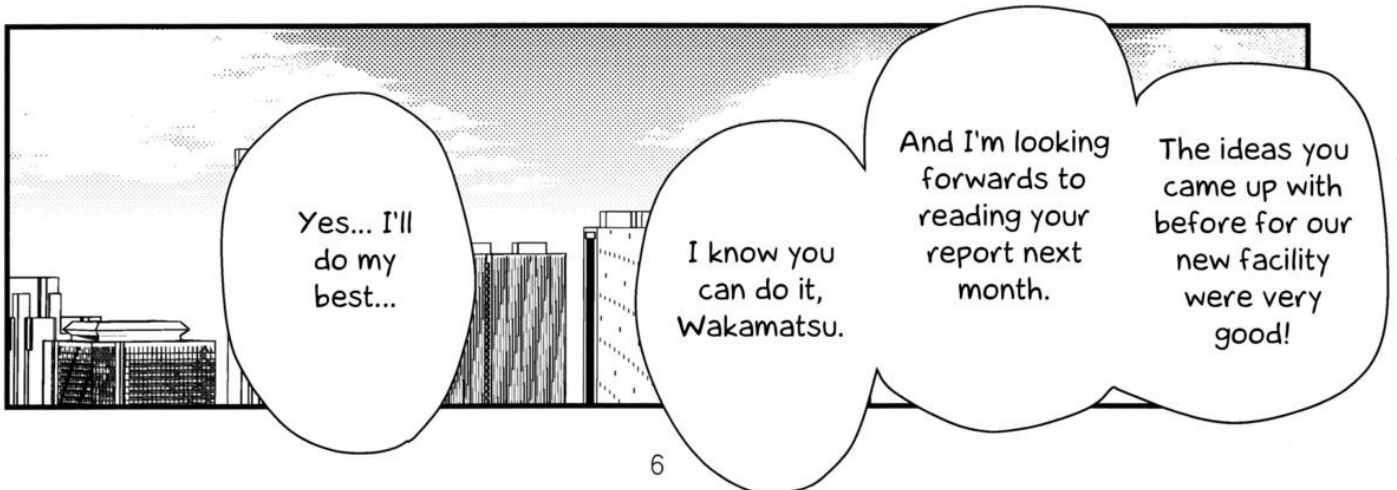

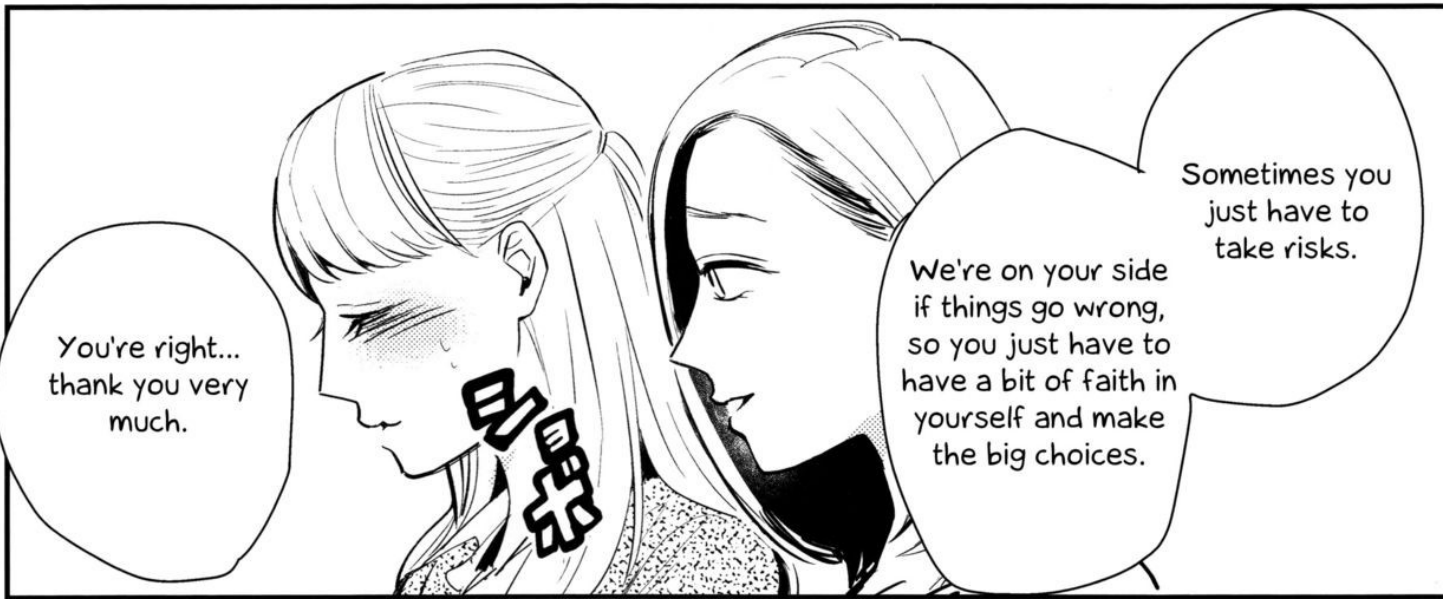

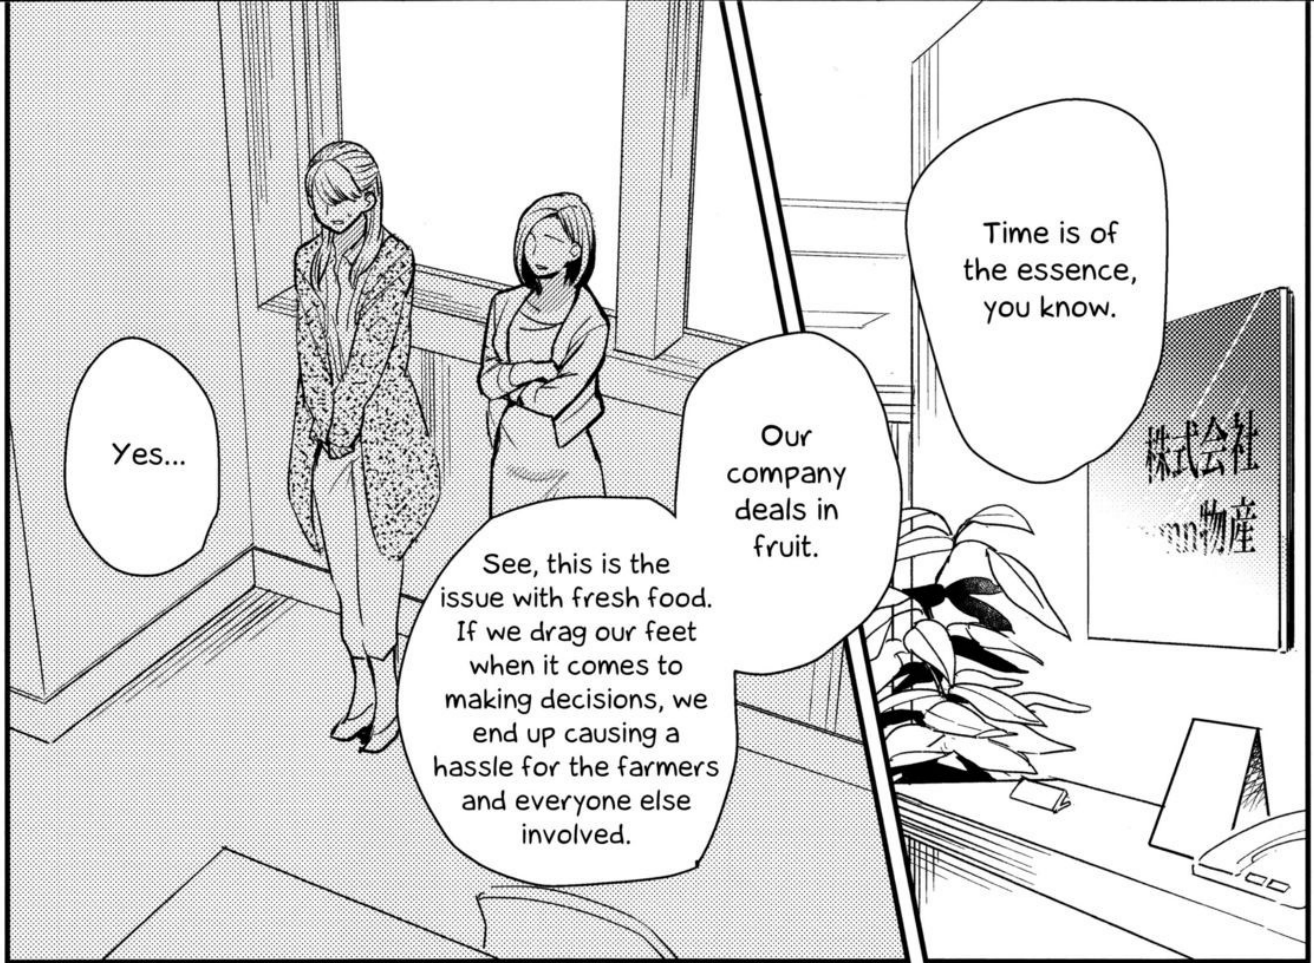

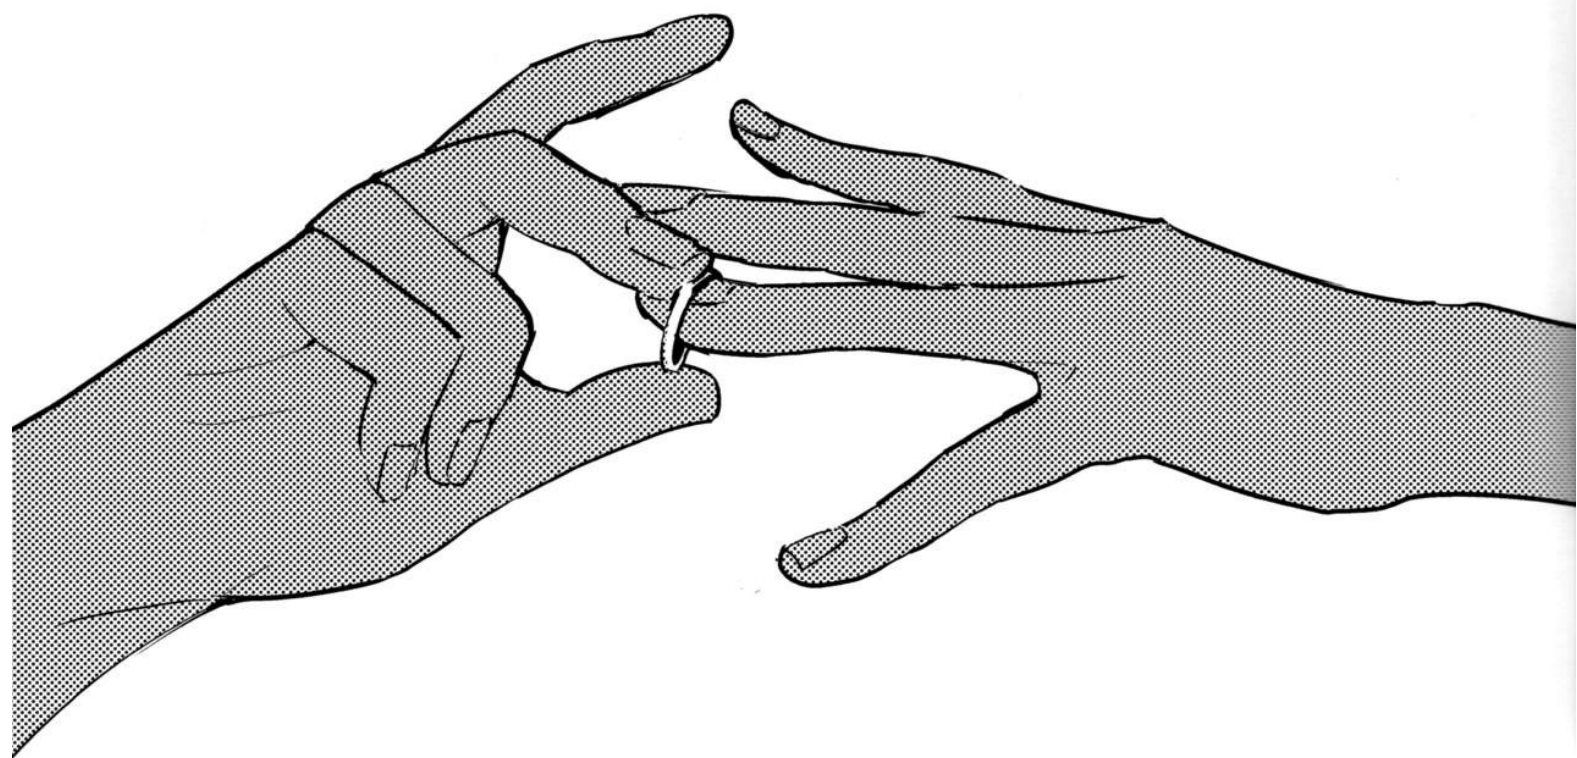

You always
take so long
to make
decisions,
Wakamatsu.

There's
something to
be said for
being careful,
but...

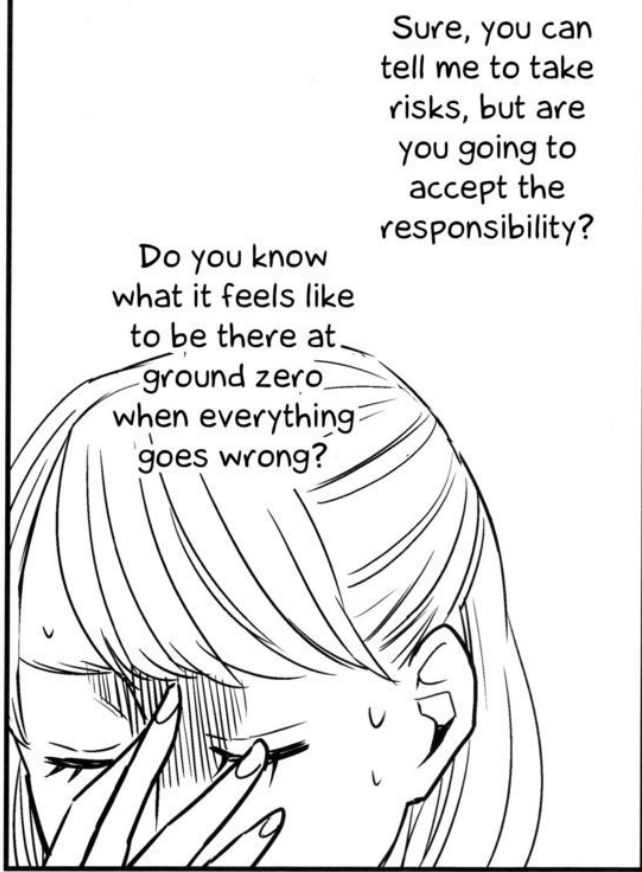

Aah... I'm
sorry...

A PITIABLE BOSS AND
A PATHETIC LIASON

Do you know what it feels like to be there at ground zero when everything goes wrong?

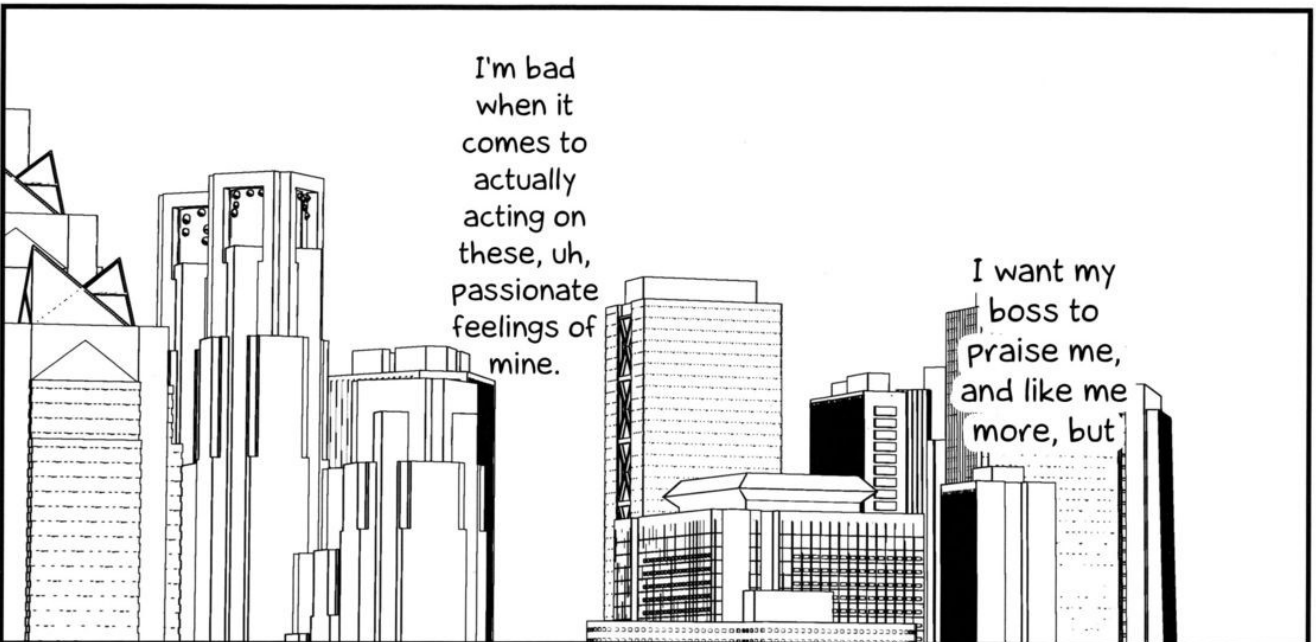

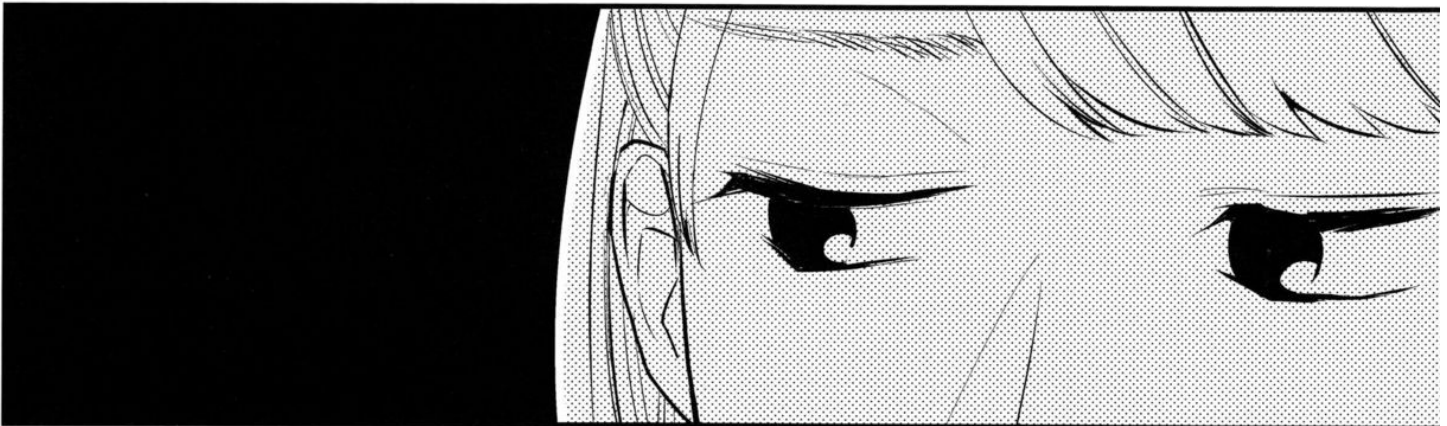

Sure, you can tell me to take risks, but are you going to accept the responsibility?

I SUCK AT THAT...

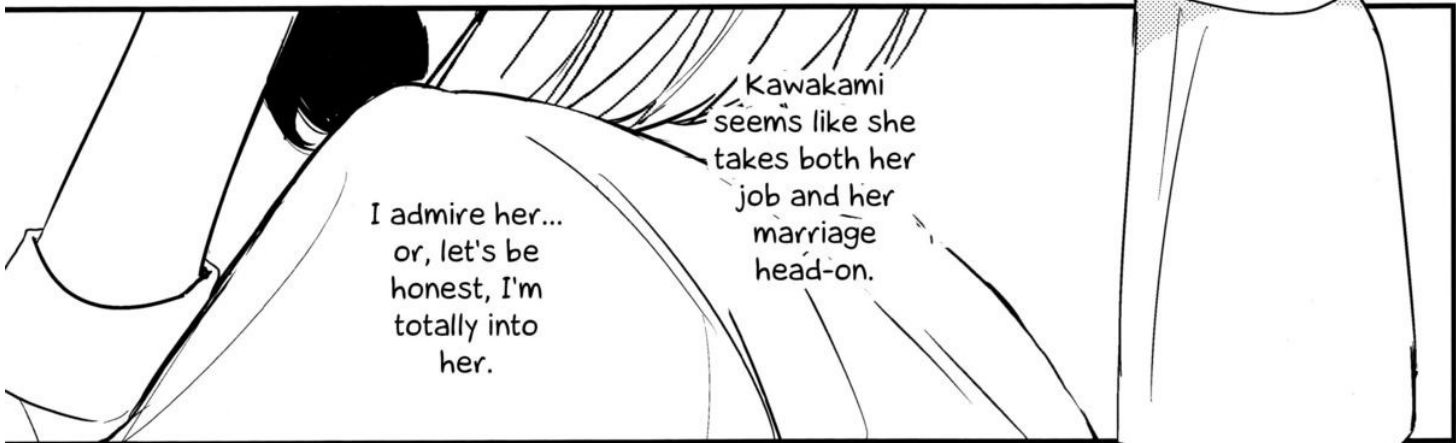

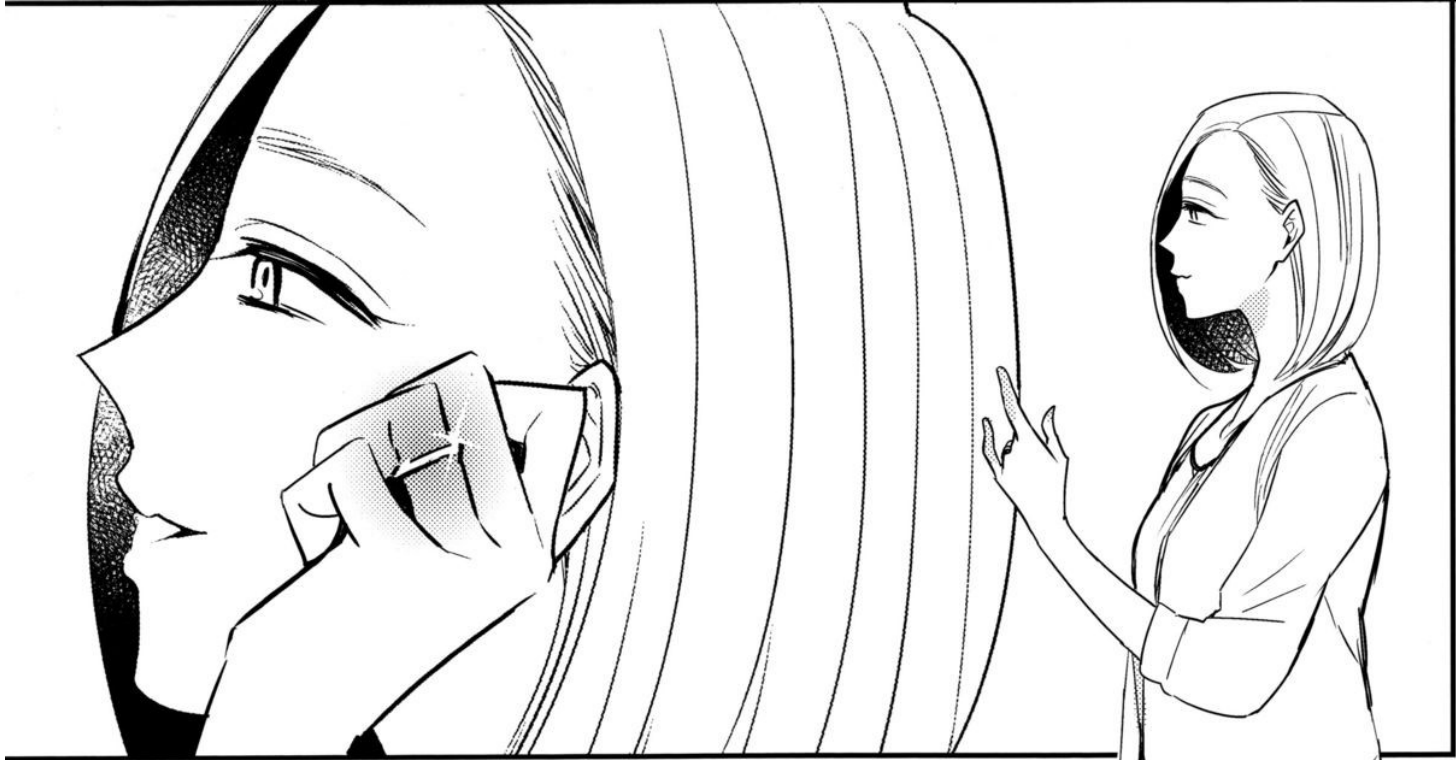

Having to make decisions ...

NN

I'm bad when it comes to actually acting on these, uh, passionate feelings of mine.

I want my boss to praise me, and like me more, but

I admire her...
or, let's be
honest, I'm
totally into
her.

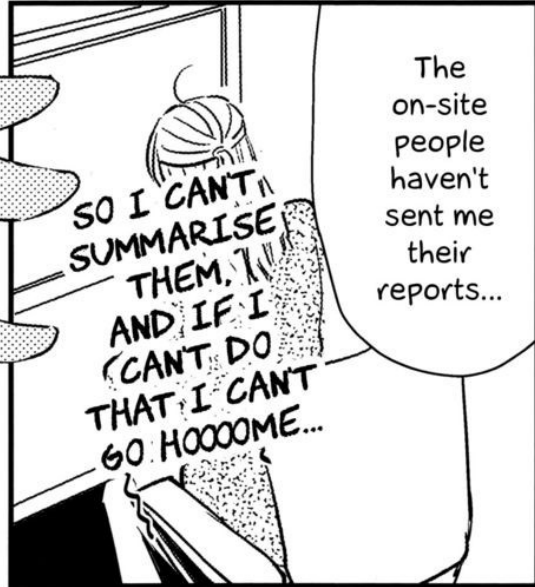

Kawakami
seems like she
takes both her
job and her
marriage
head-on.

Her husband must have been a
downright ascetic in his last life to get
reborn into this world... one where he
gets to do whatever he wants to her
under those tights... over and over...
ah... I'm so jealous... maybe I should
start working towards my next life,
too... It's Yamasaki's (co-worker) kid's
birthday today... maybe I should offer
to do overtime in his place...

Why aren't I done yet...?

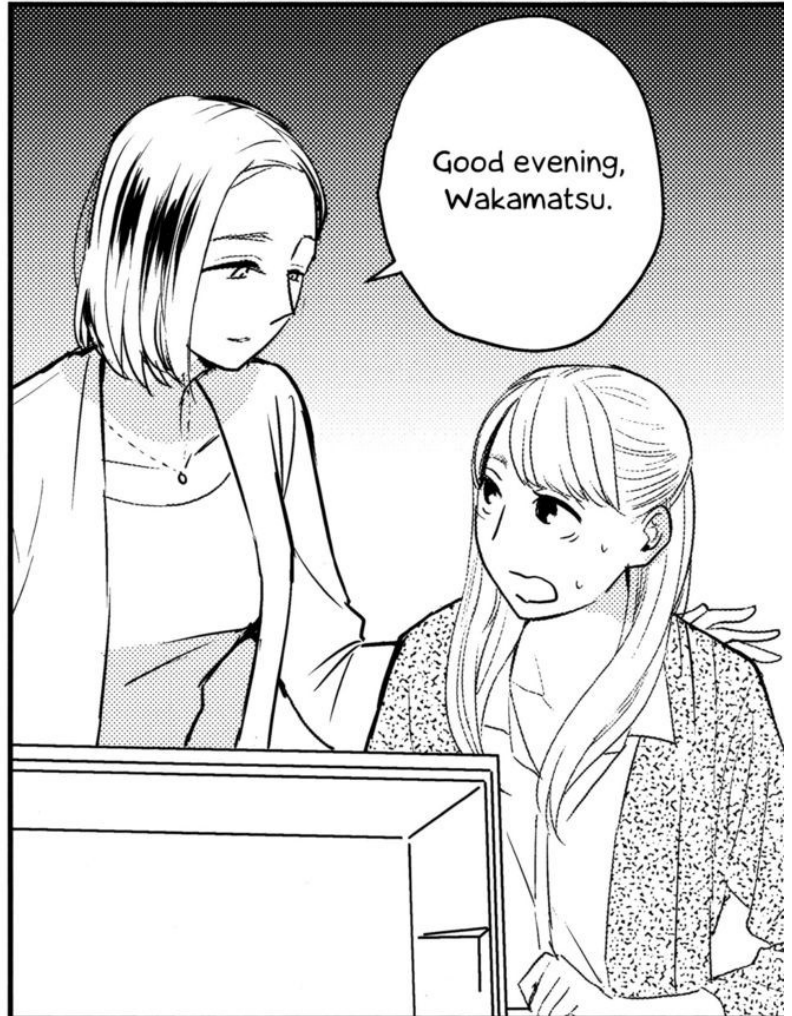

SO I CANT SUMMARISE THEM, AND IF I CANT DO THAT I CANT GO HOOOME...

The on-site people haven't sent me their reports...

I heard you offered to do Yamasaki's work for him. Thanks a lot.

Good evening, Wakamatsu.

Kawakami... Why are you here this late?

It's nothing important,

just something with my husband...

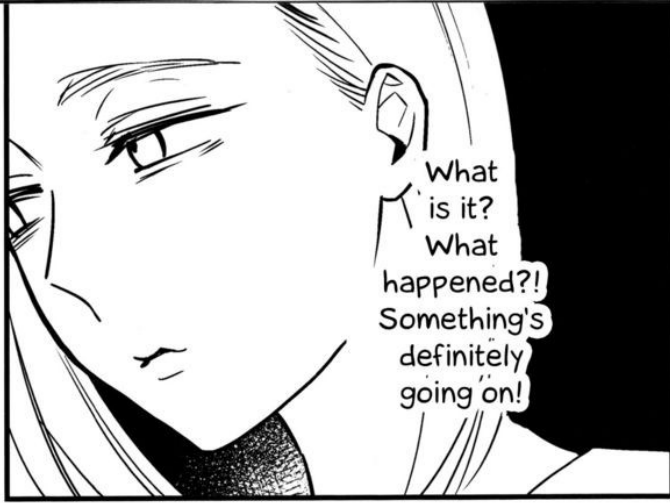

I went home, but...

I ended up coming back here.

AH.

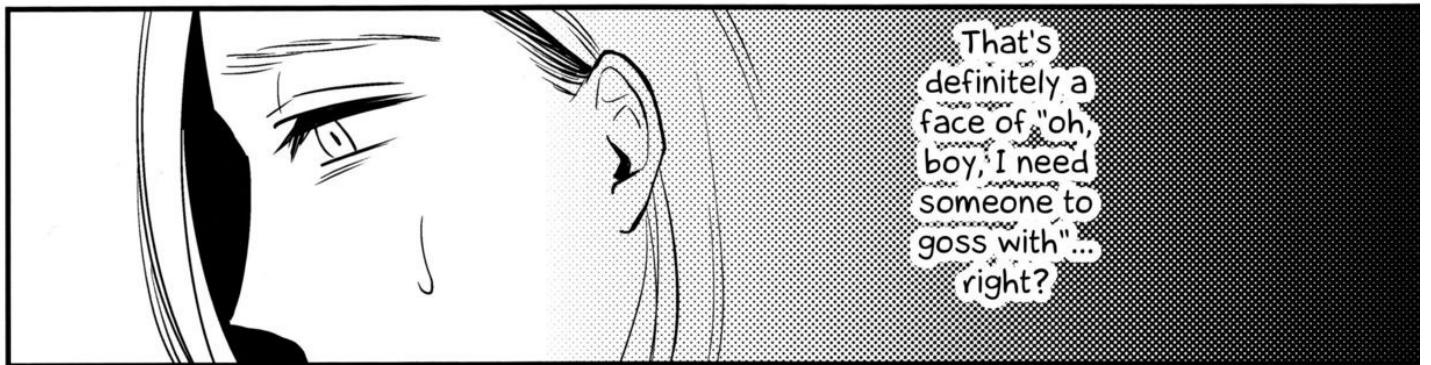

SOME-THING'S GOING ON HERE...

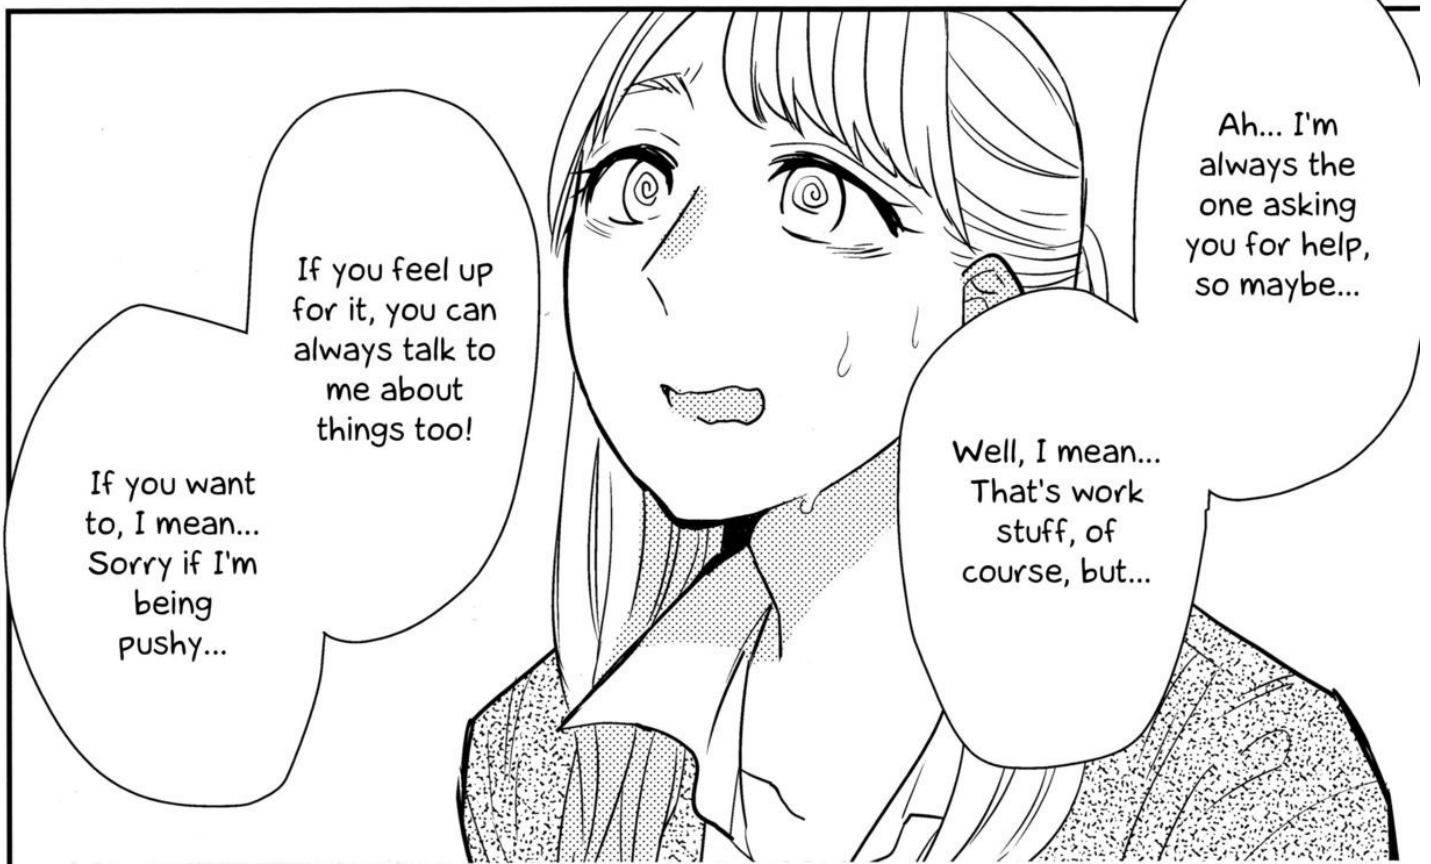

What is it?
What happened?!
Something's definitely going on!

Should I try to push for more details...?

That's definitely a face of "oh, boy, I need someone to goss with"... right?

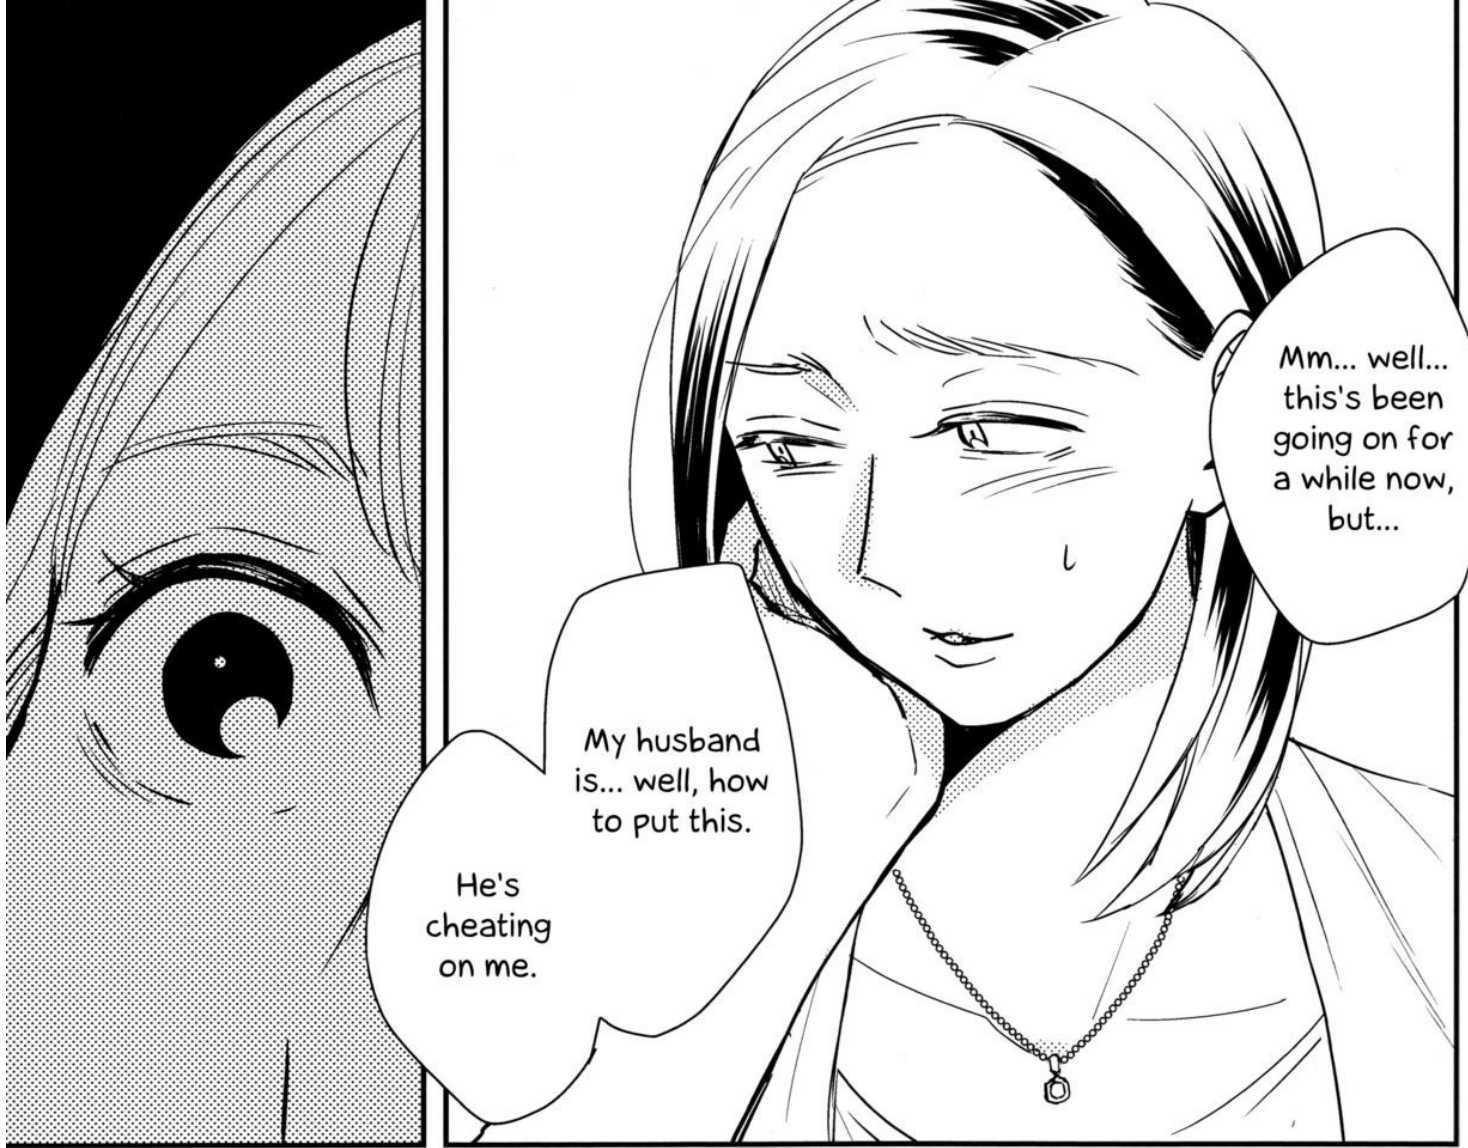

If you feel up for it, you can always talk to me about things too!

If you want to, I mean...
Sorry if I'm being pushy...

Ah... I'm always the one asking you for help, so maybe...

Well, I mean...
That's work stuff, of course, but...

My husband is... well, how to put this.

He's cheating on me.

Mm... well... this's been going on for a while now, but...

I'm sorry to bring this up to you.

It's fine...

30... ..

I wonder if perhaps we should get a divorce...

Haha.

フ
フ
フ

No, hold on.
Wait a
second.

I have
to be
careful...

If I go into this
being all horny
and make a big
old mess, I might
end up out of a
job...

フ
フ
フ

Is
this
the...?

oppor-
tunity
I've
been
waiting
for?

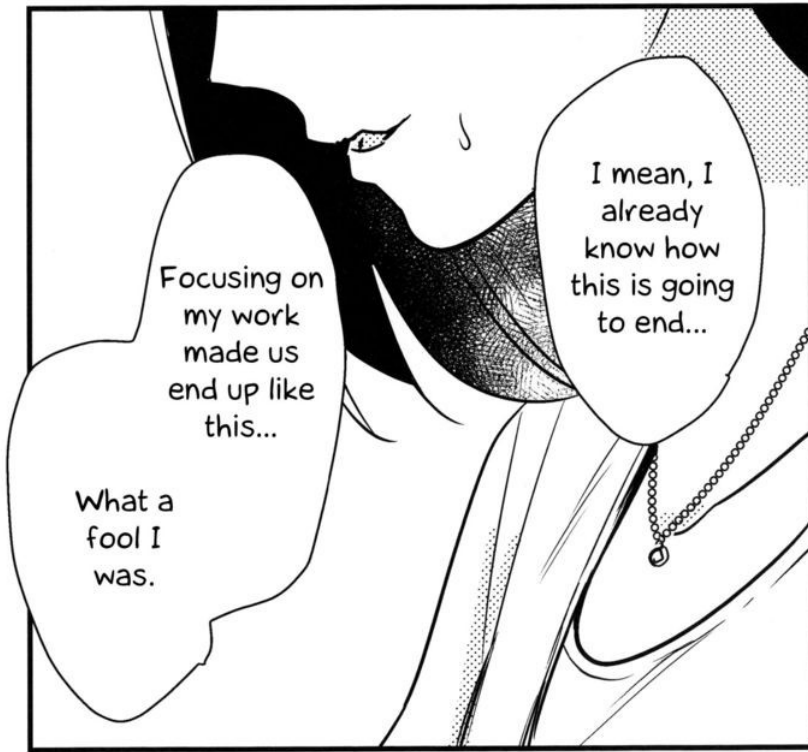

フ
フ
フ
フ
フ

I just can't
make myself
do anything
about it...

But it's all
such a
hassle...

And now
I even have
undeniable
proof he's
cheating.

My husband
has this
younger
woman he's
seeing on
the side.

Focusing on my work made us end up like this...

I mean, I already know how this is going to end...

What a fool I was.

Even when we're at home together, I feel like I'm all alone.

What do I do?
What CAN I do?

Do I just sit here and do nothing...?

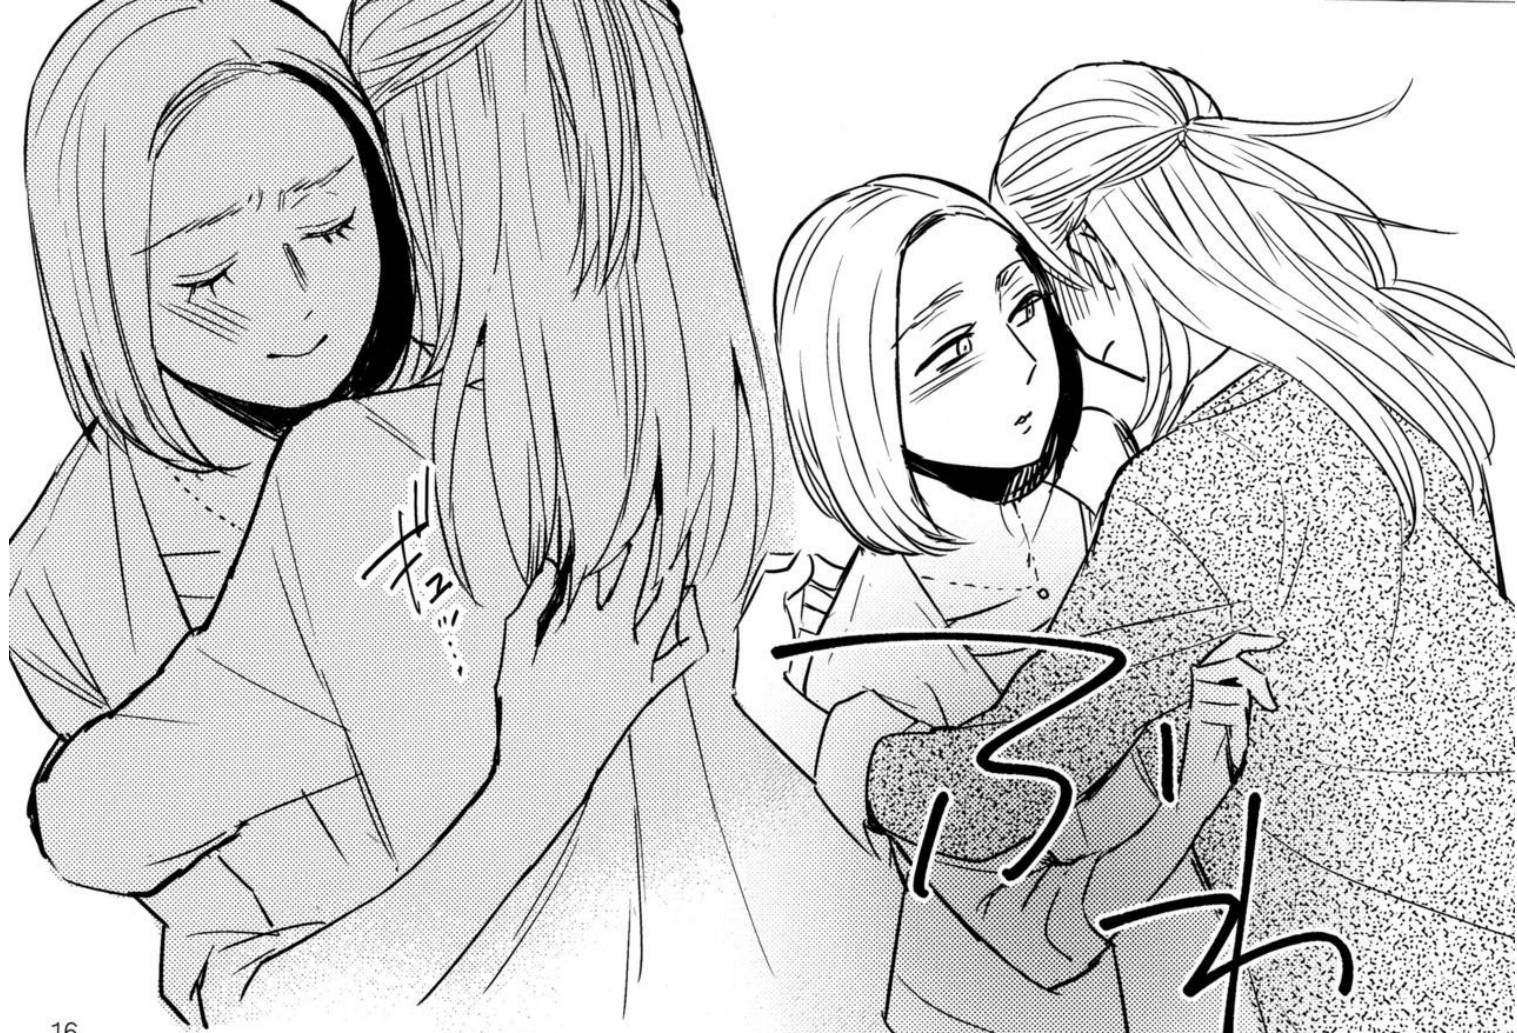

AS IF!

What do I do here...

Handwritten scribbles and symbols, including a large 'X' and some illegible marks.

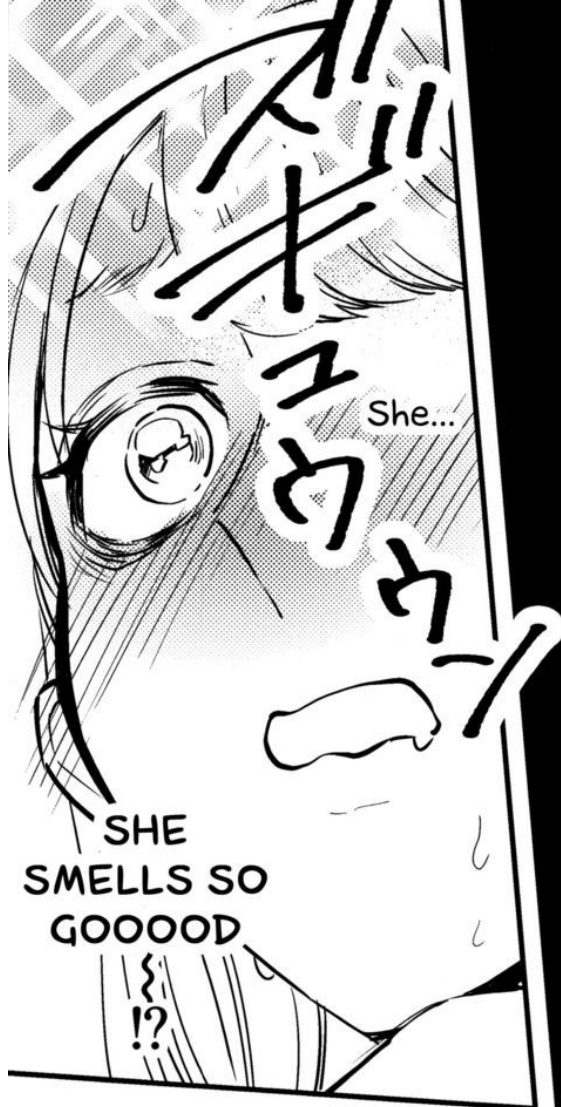

It feels so warm.

It's been so long since anyone hugged me like this.

...hehe.

She...

SHE
SMELLS SO
GOOOD

!?

Oh shit...
oh shiiiiit...

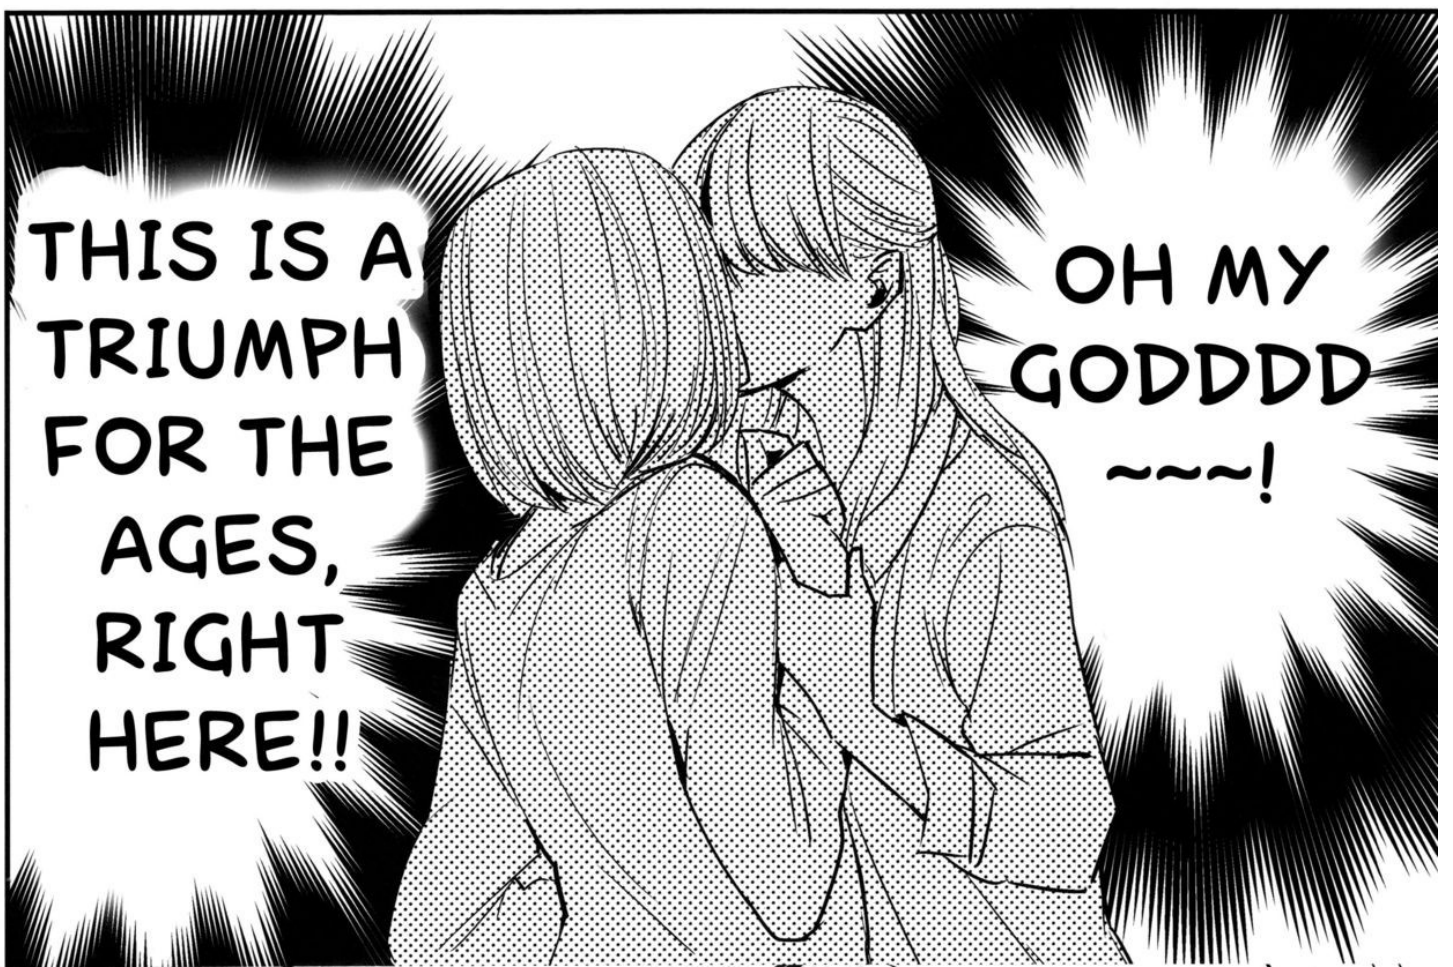

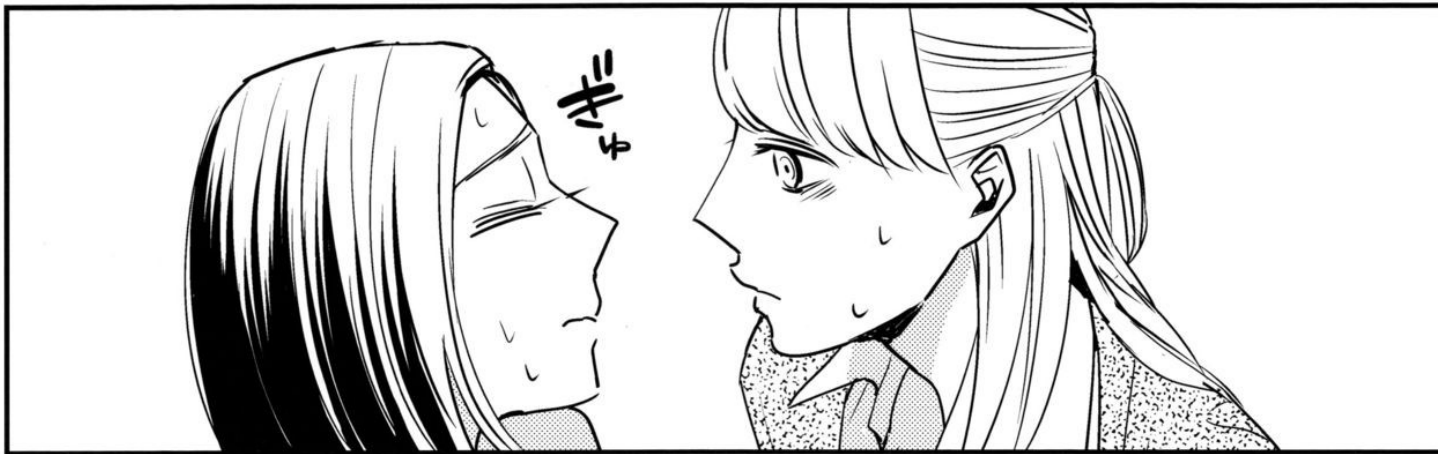

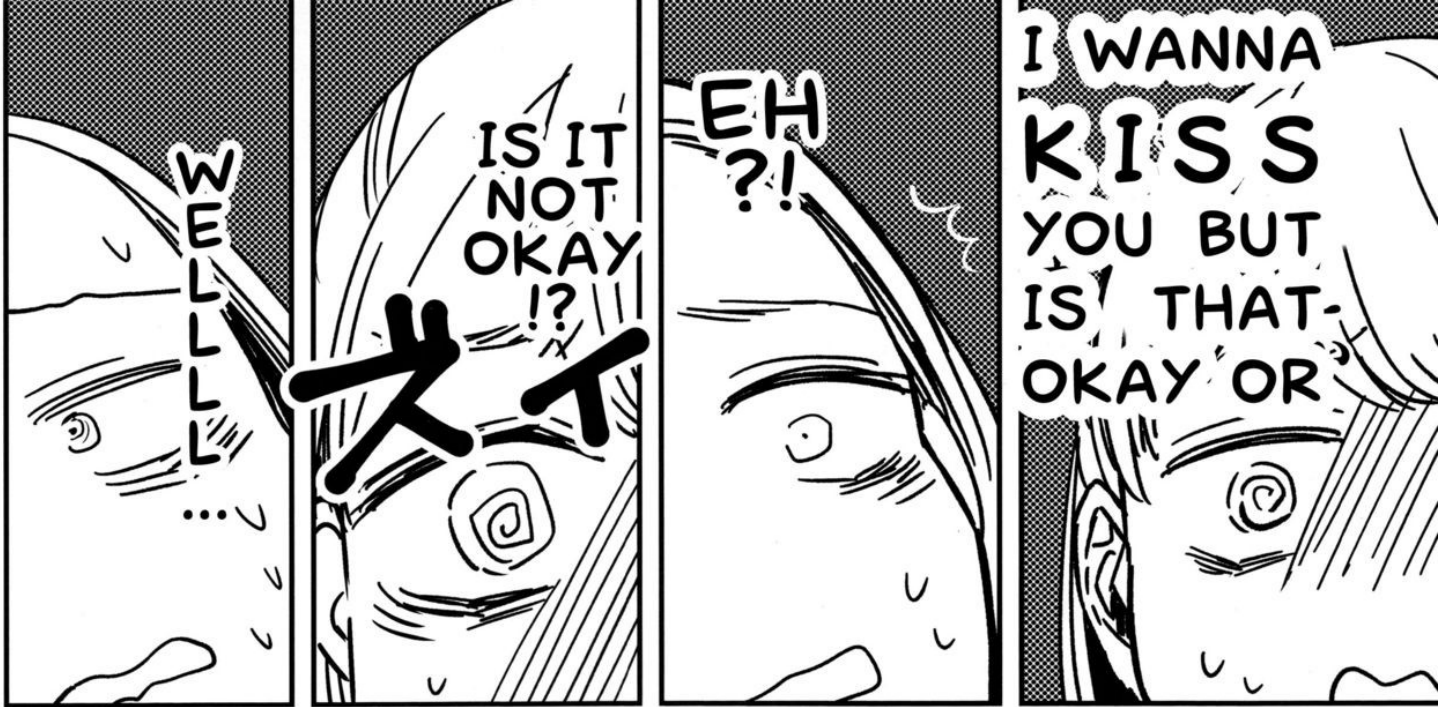

She's been
working all day,
and she still
smells like she's
just stepped out
of the shower!

And
make
a
decision
...

I'm gonna
finally have
some faith in
myself...

Shit, is this
when I finally
get decisive...

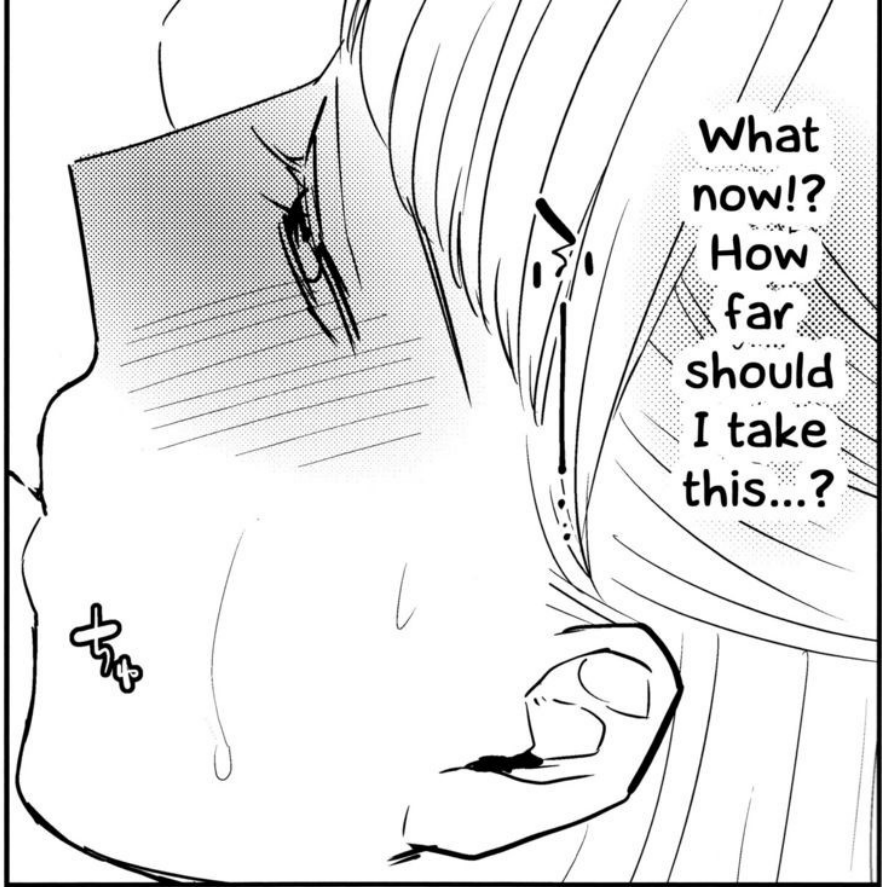

ㄉㄚ!

ㄉㄚ"

I mean, I can go a little further, right...

What now!? How far should I take this...?

ㄉㄚ

ㄉㄚ

ㄉㄚ

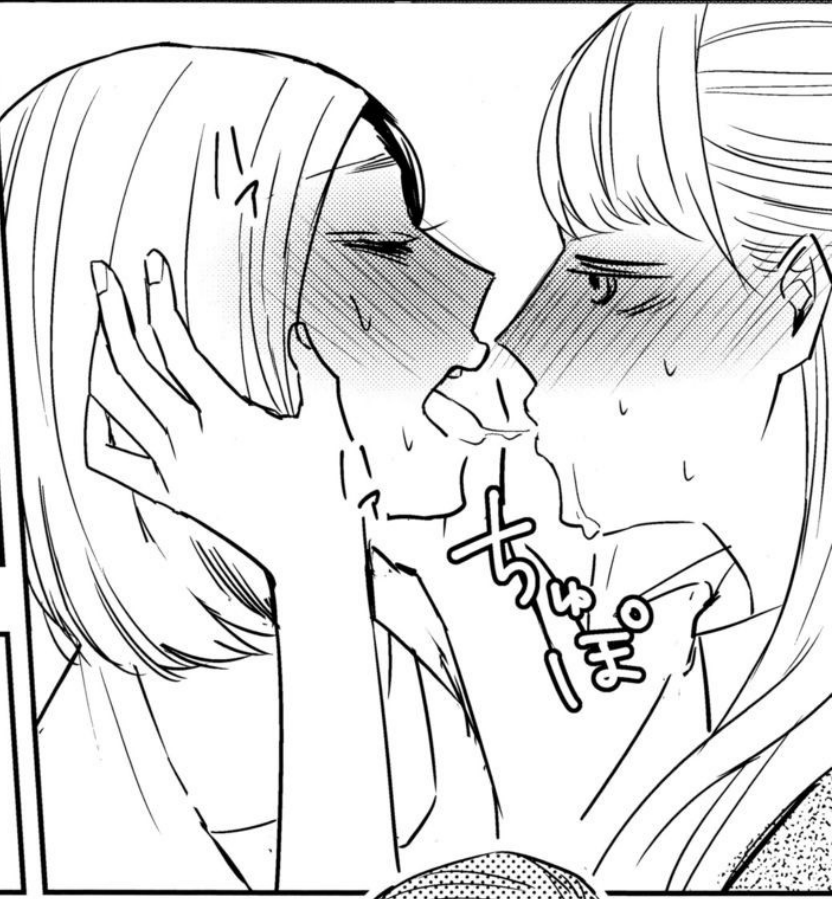

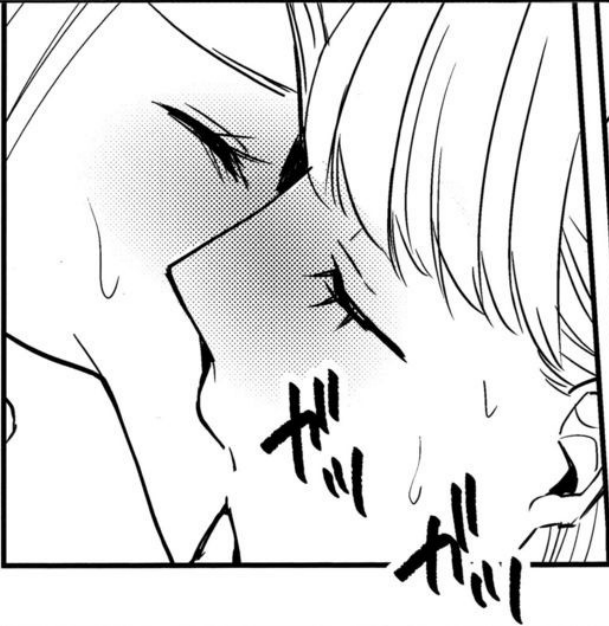

This is sooo good! Hey, Kawakami, aren't you getting a bit too naughty!? Are you!! drunk!?

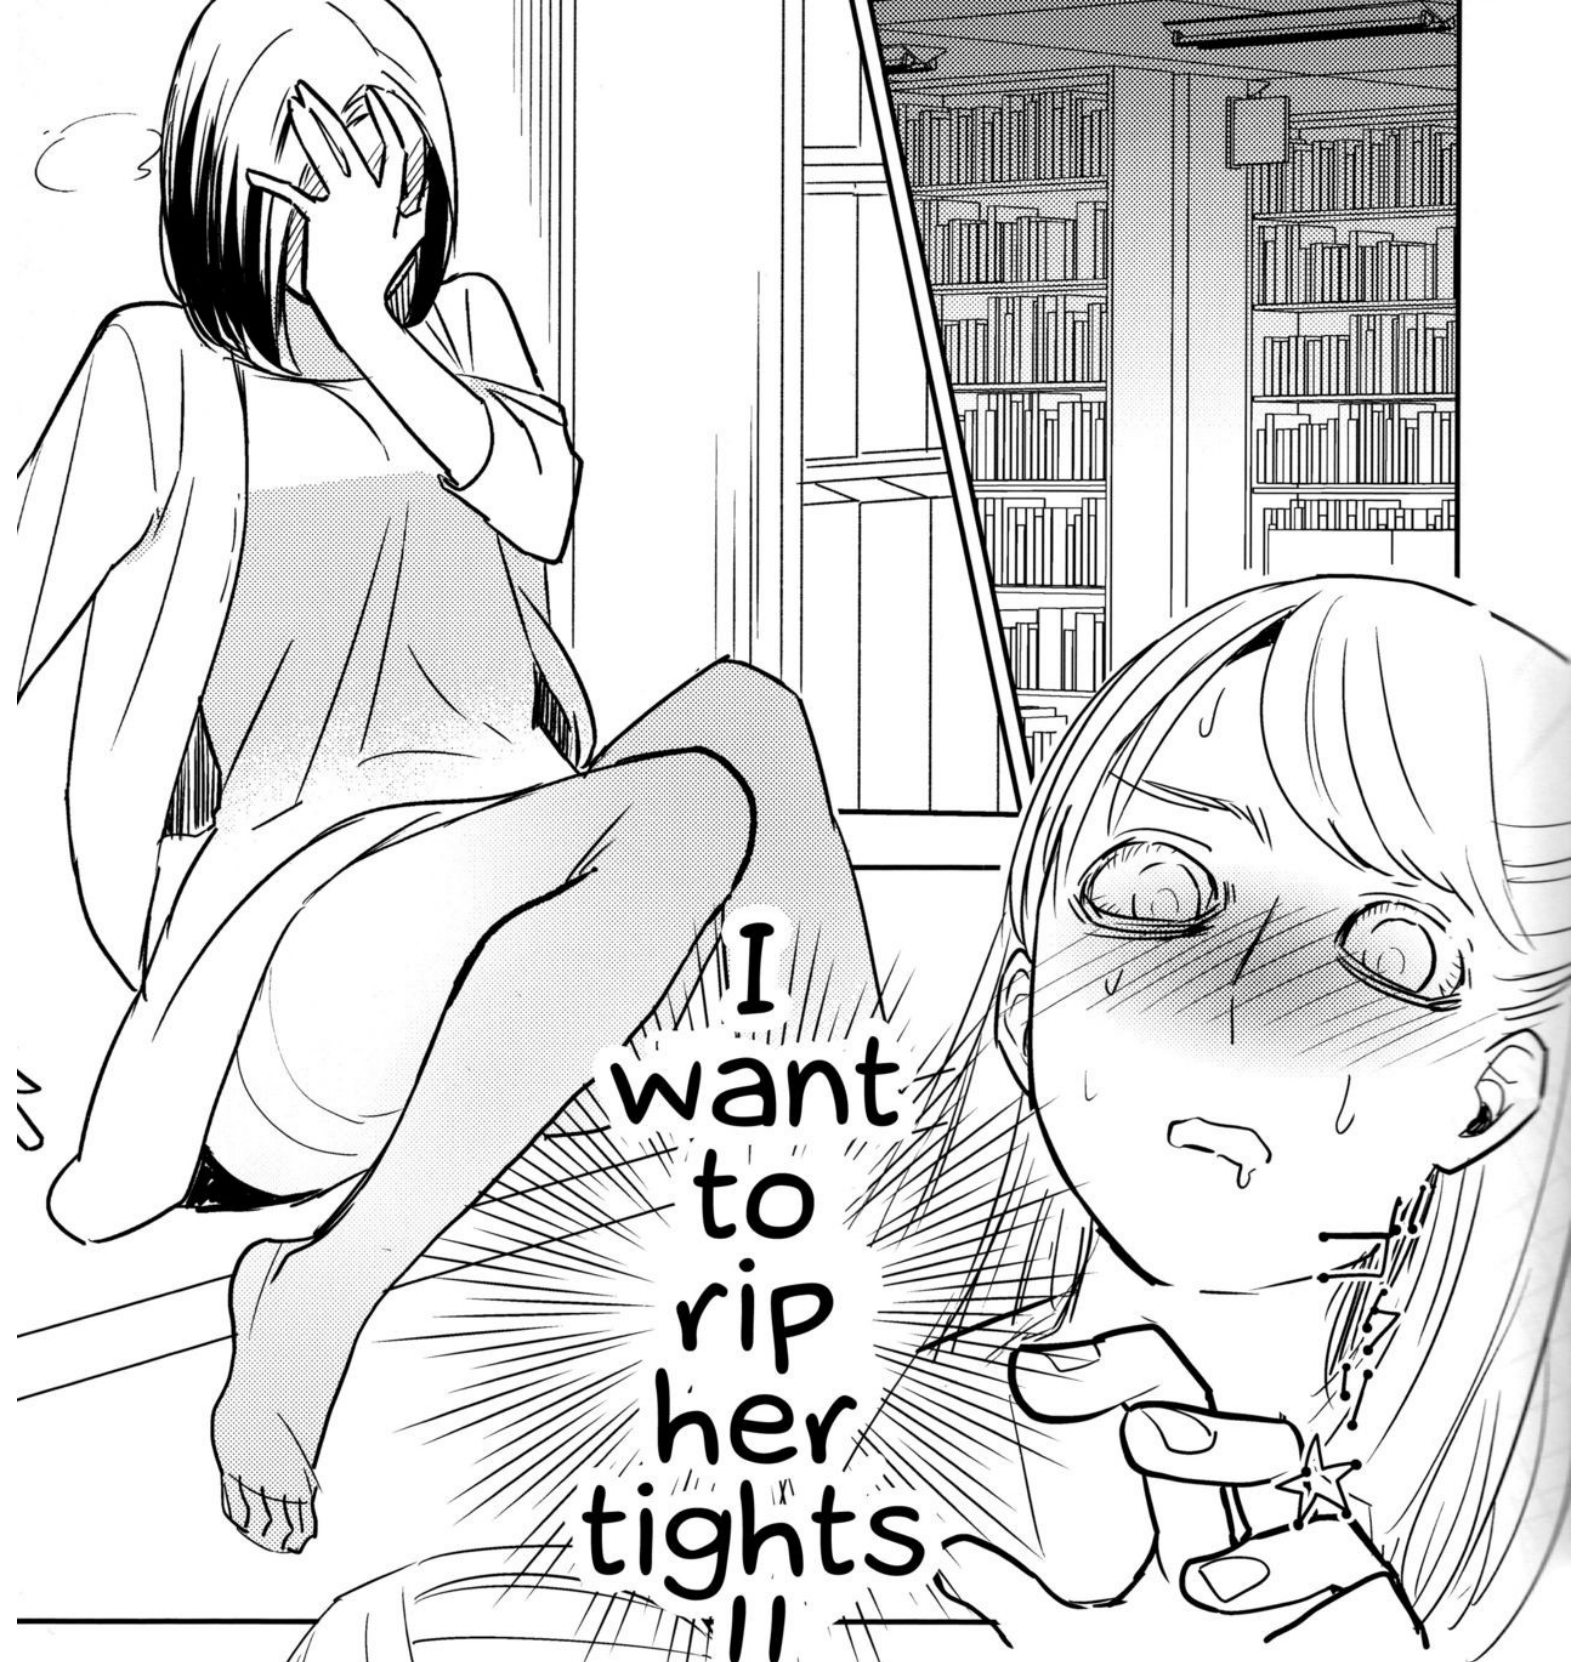

AH, SHIT

!!

ㄉㄚ

I want to rip her tights!!

But I'm good paying her back for them anyway, no matter how much they'll cost! It's totally worth it!

No, hold up! These aren't convenience store tights, these are the proper good ones from a department store~

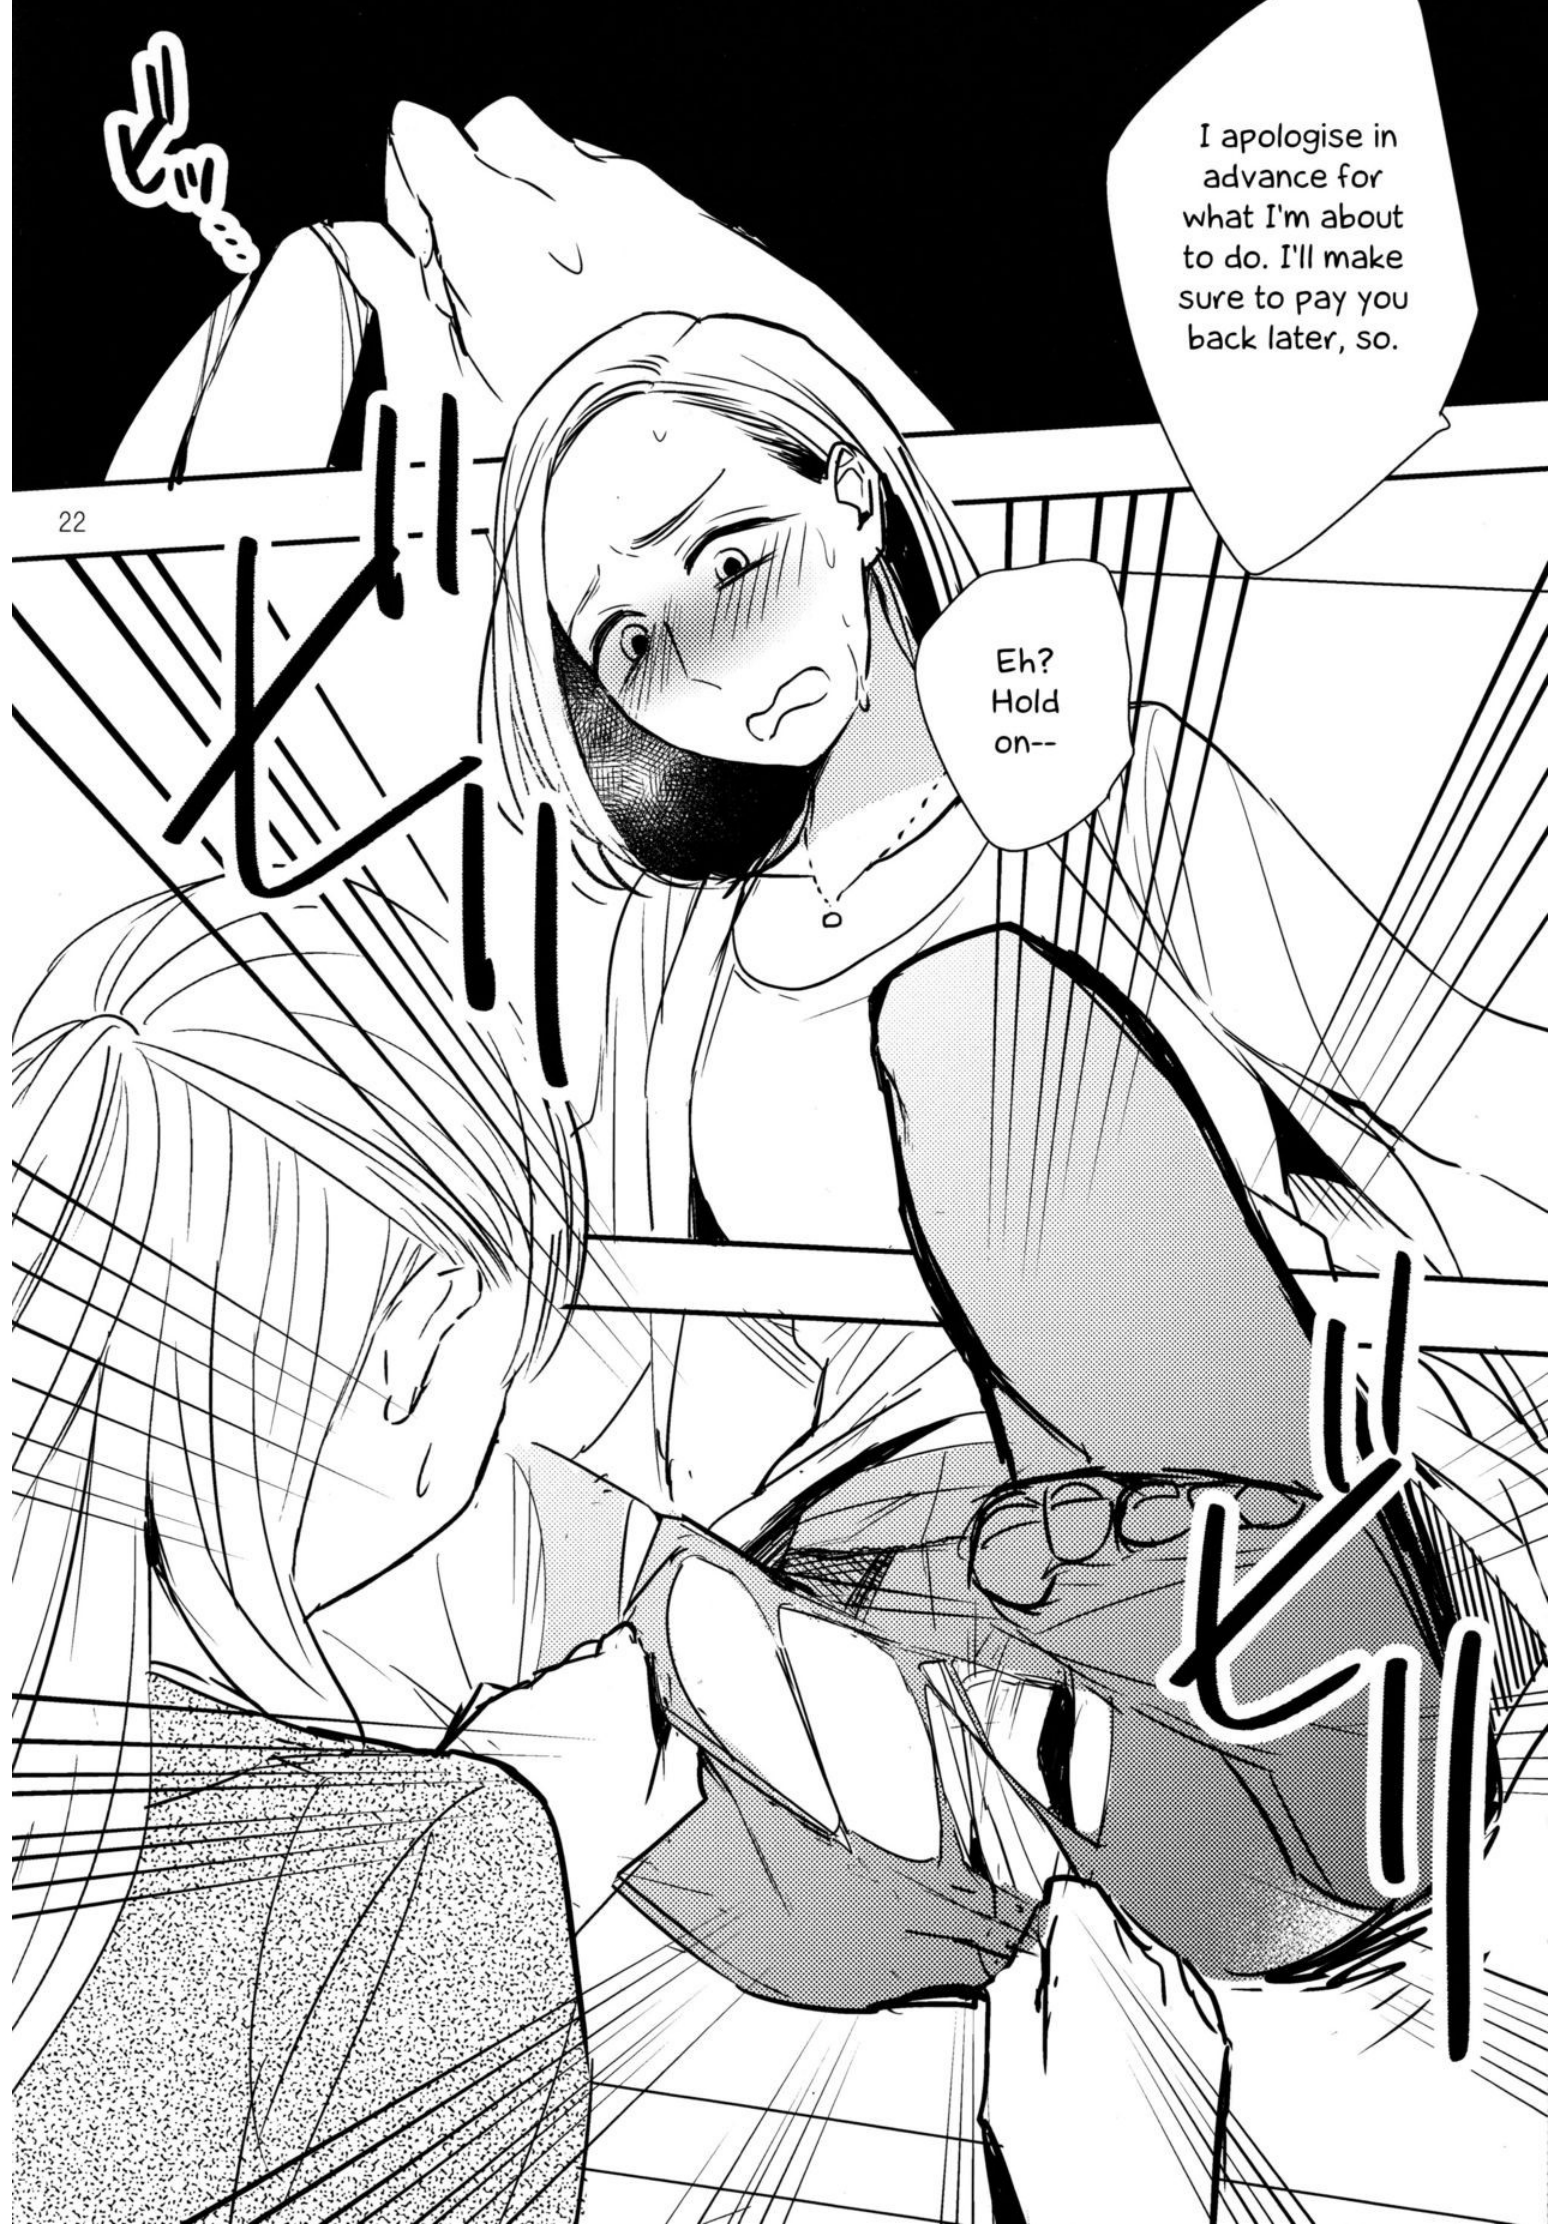

But I mean, they're like 500 yen at the 7/11, I'll happily buy her a pair as an apology!

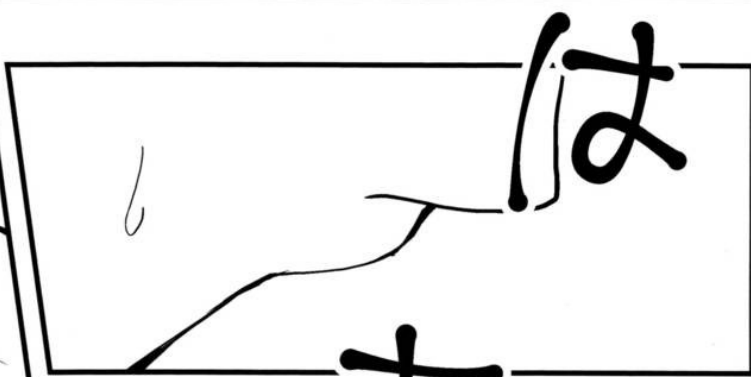

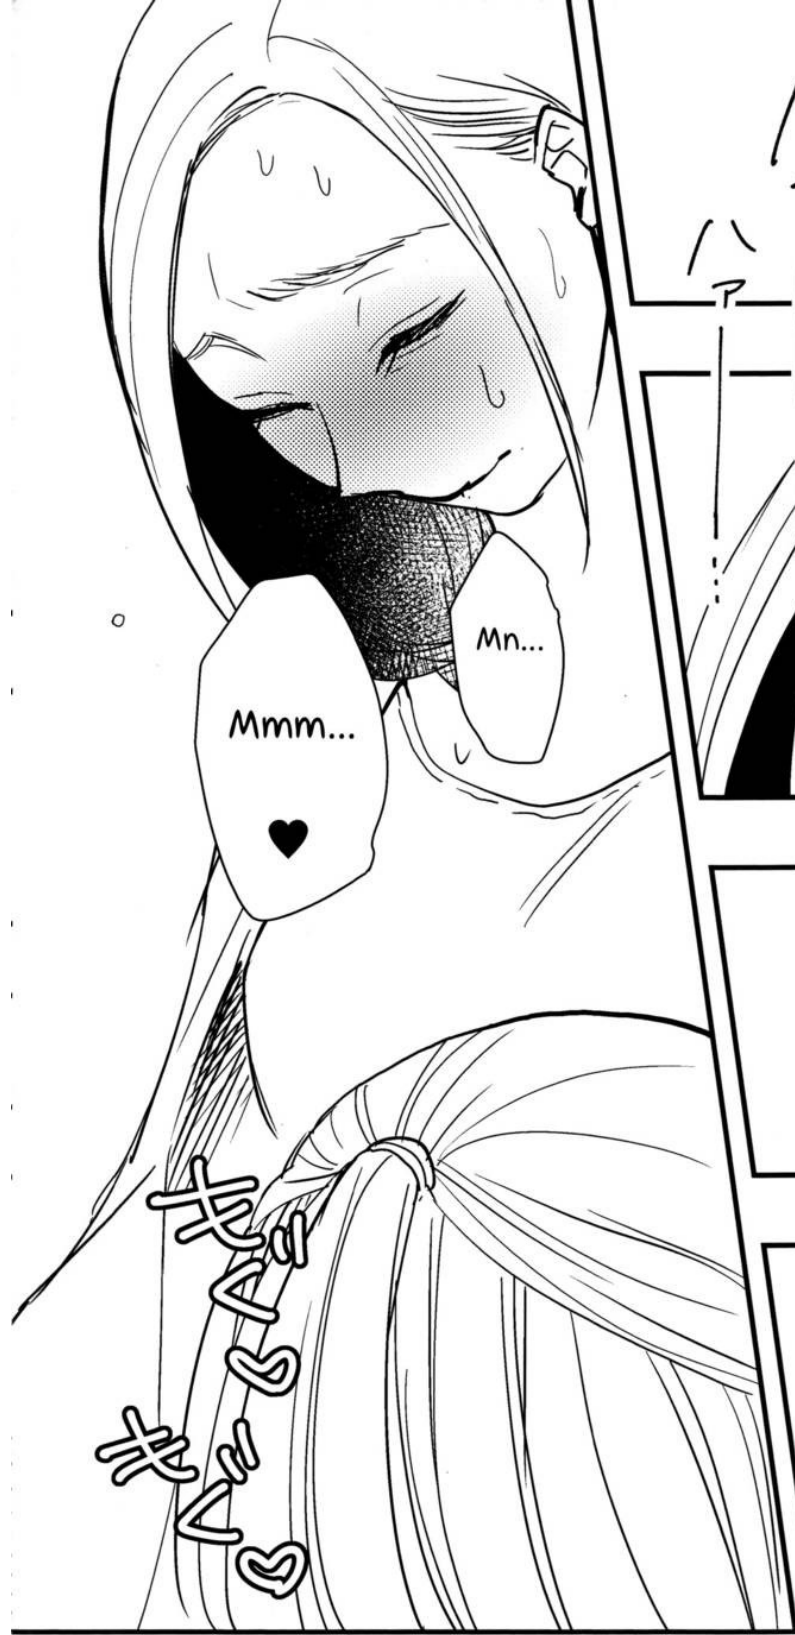

But will she get angry if I do that?

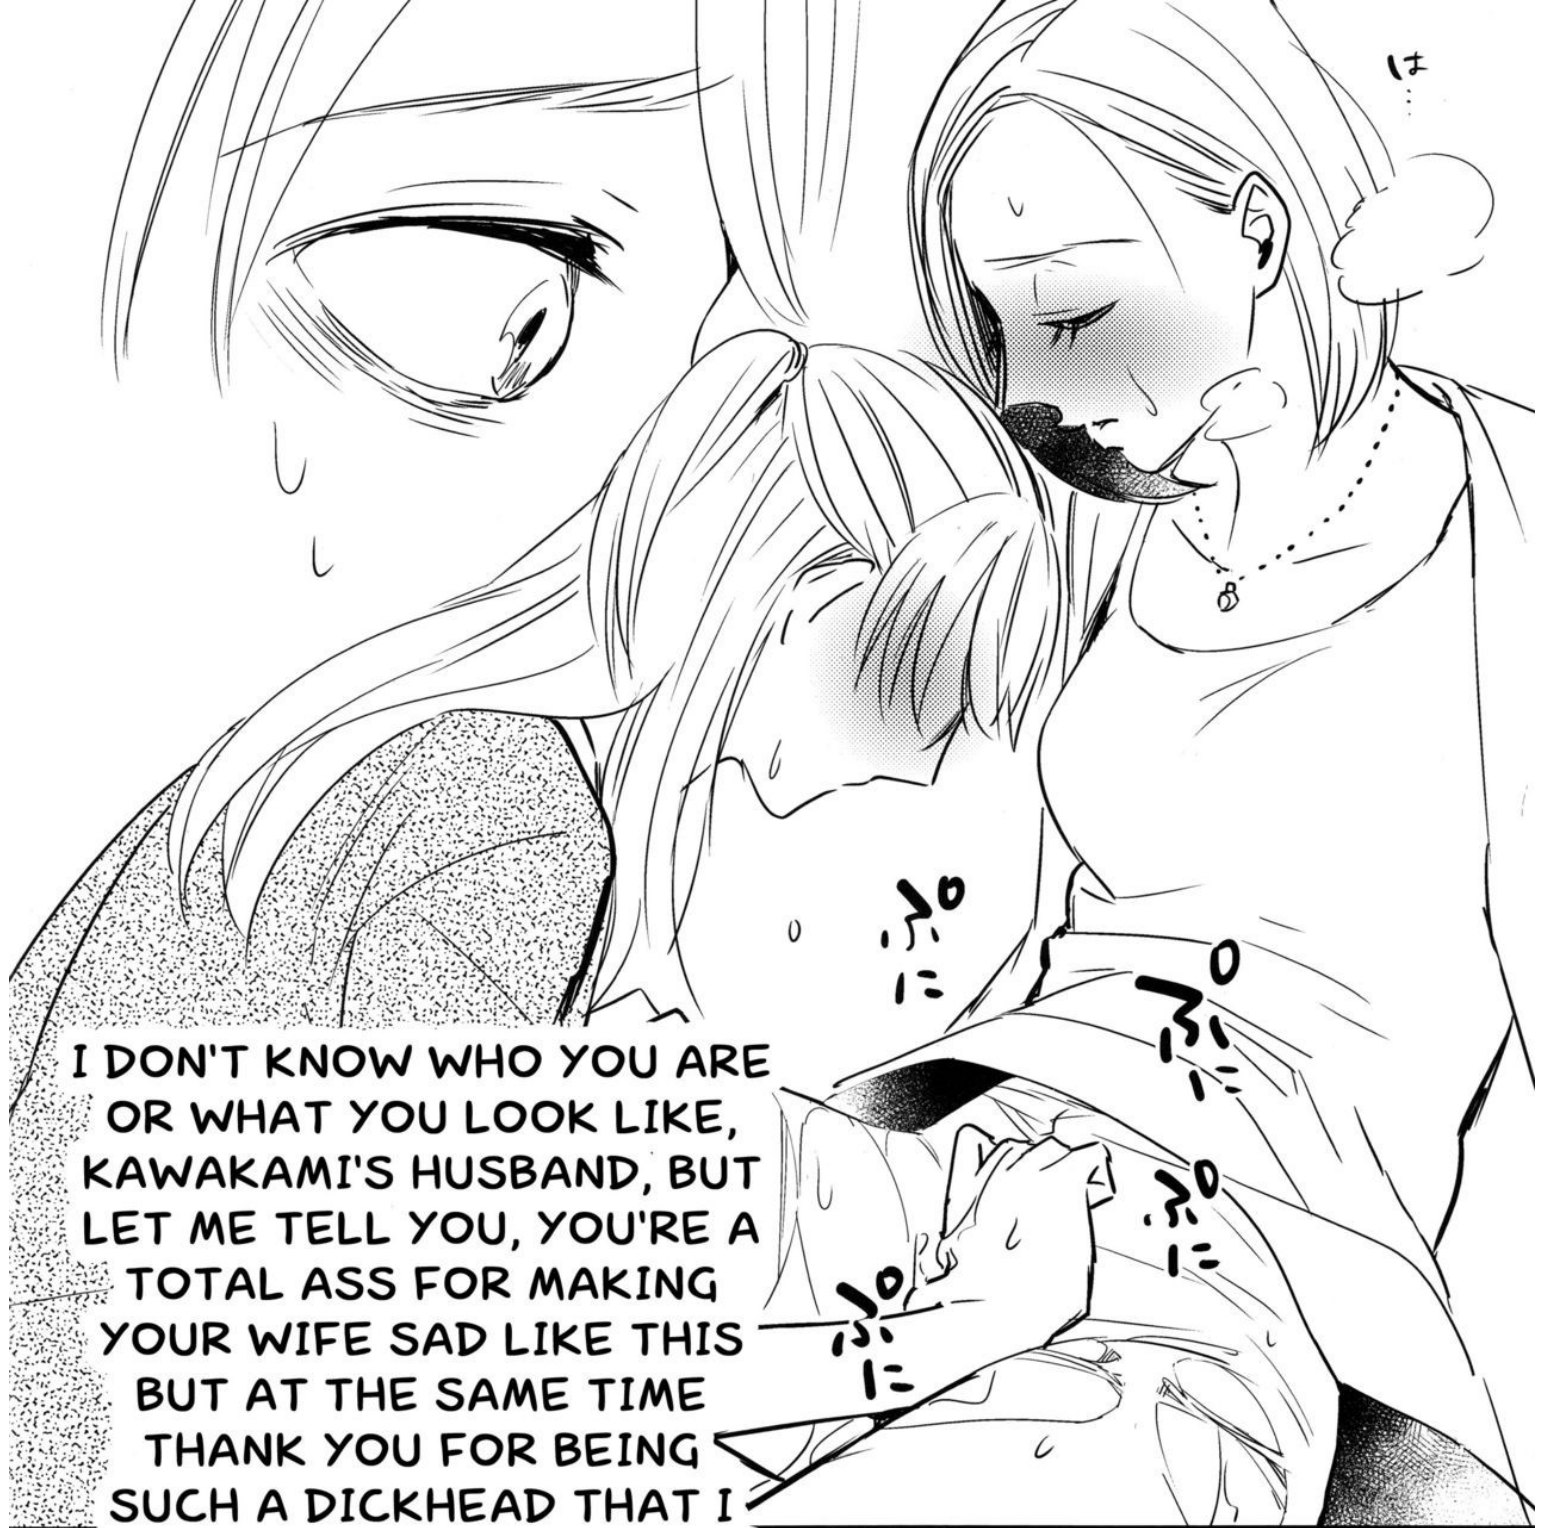

I apologise in advance for what I'm about to do. I'll make sure to pay you back later, so.

Eh? Hold on--

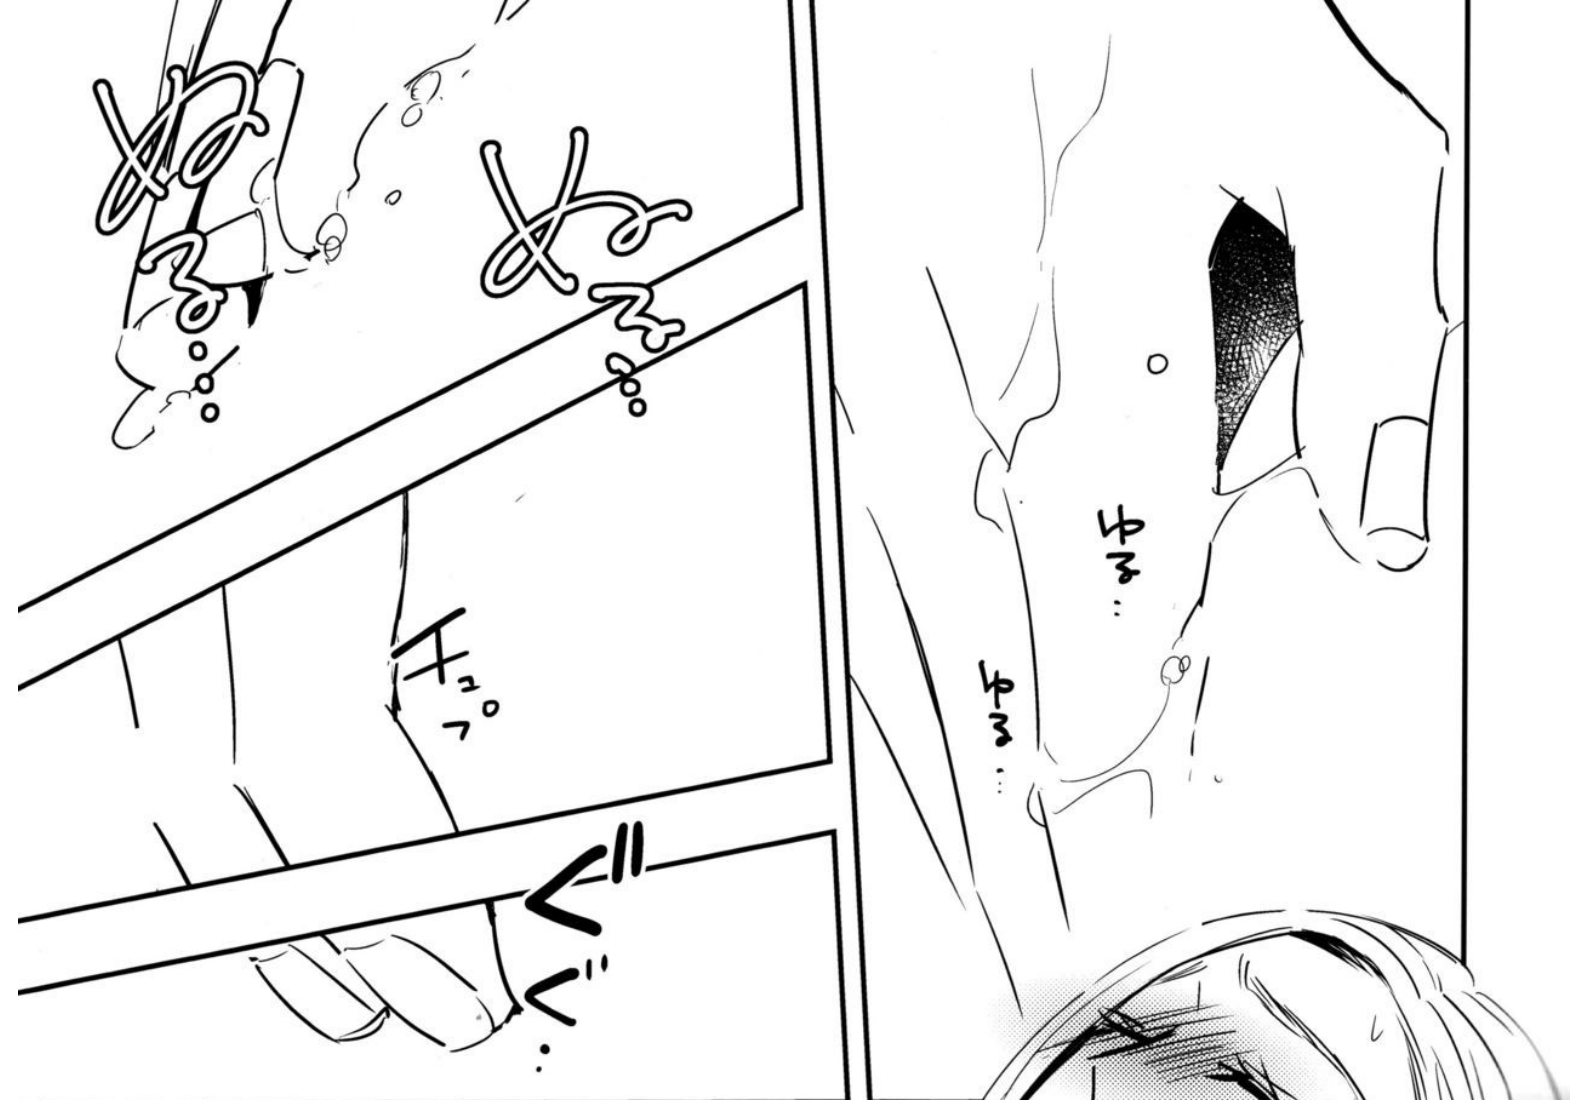

I DON'T KNOW WHO YOU ARE
OR WHAT YOU LOOK LIKE,
KAWAKAMI'S HUSBAND, BUT
LET ME TELL YOU, YOU'RE A
TOTAL ASS FOR MAKING
YOUR WIFE SAD LIKE THIS
BUT AT THE SAME TIME
THANK YOU FOR BEING
SUCH A DICKHEAD THAT I

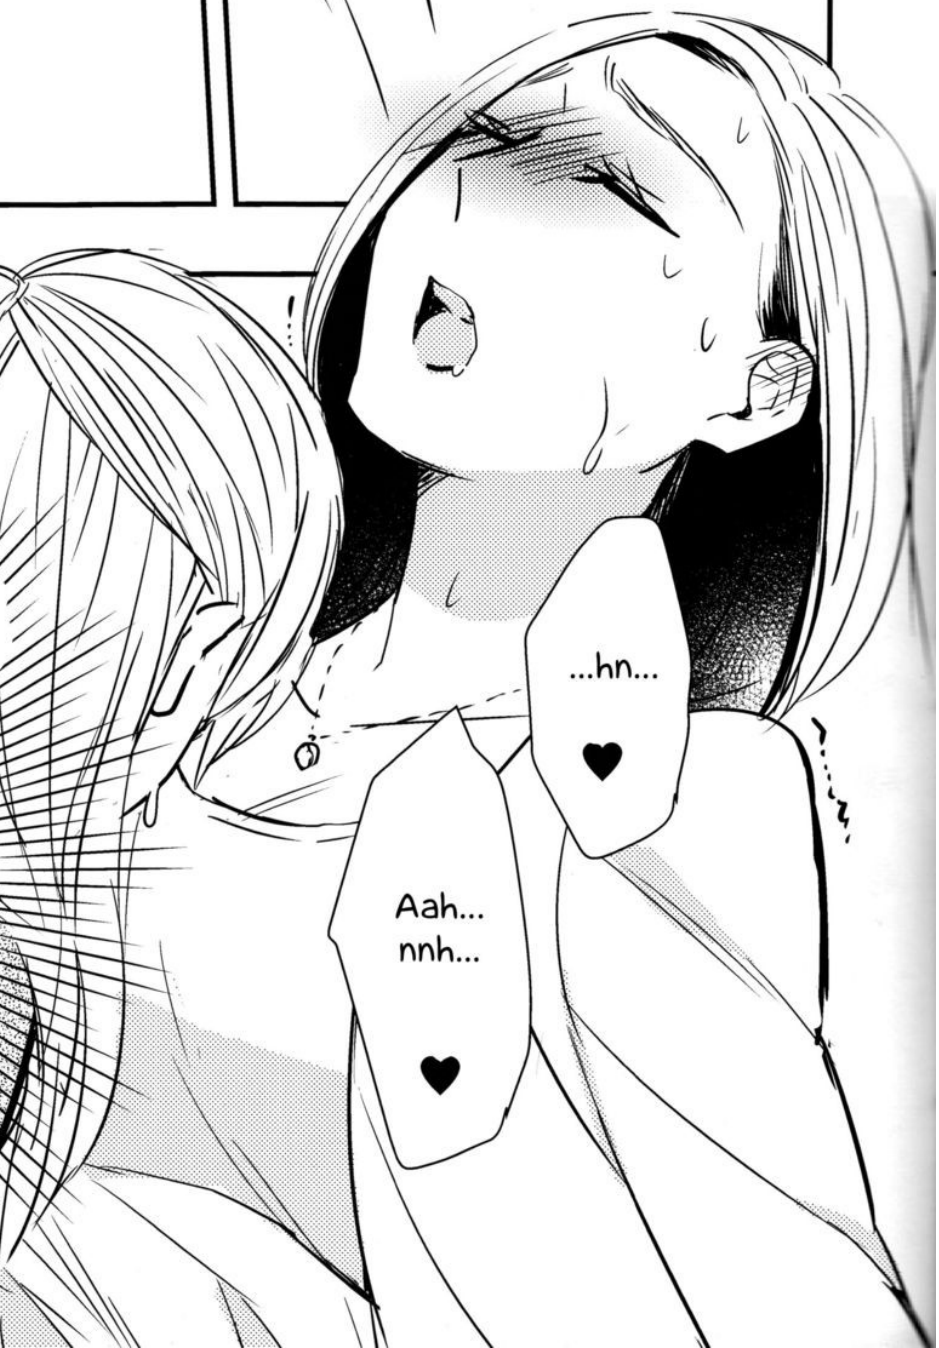

24

GOT THE CHANCE TO MAKE
YOUR WIFE THIS WET AND
INTO ME AND I AM HAVING
THE TIME OF MY LIFE RIGHT
NOW!

**APOLOGIES
FOR HOW
I'M ABOUT
TO SCREW
YOUR
WIFE!!**

Ah...

You're
so
rough...

I'm
honoured.

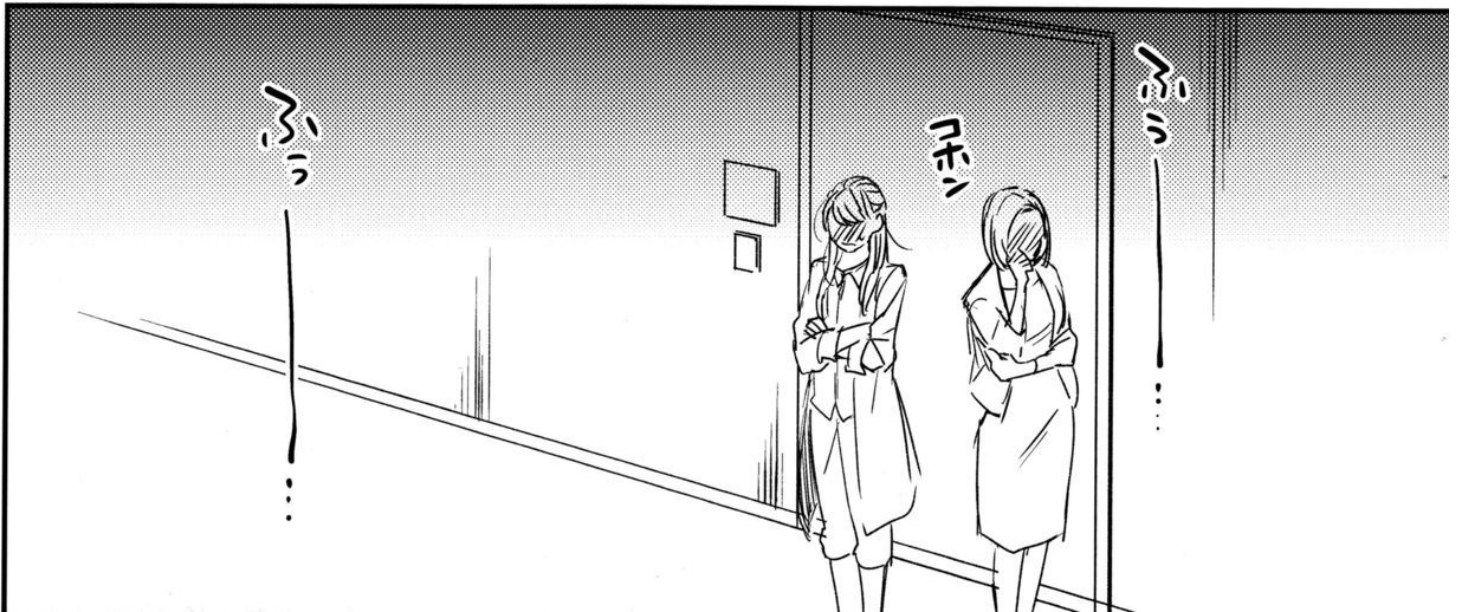

ah...
kiss...

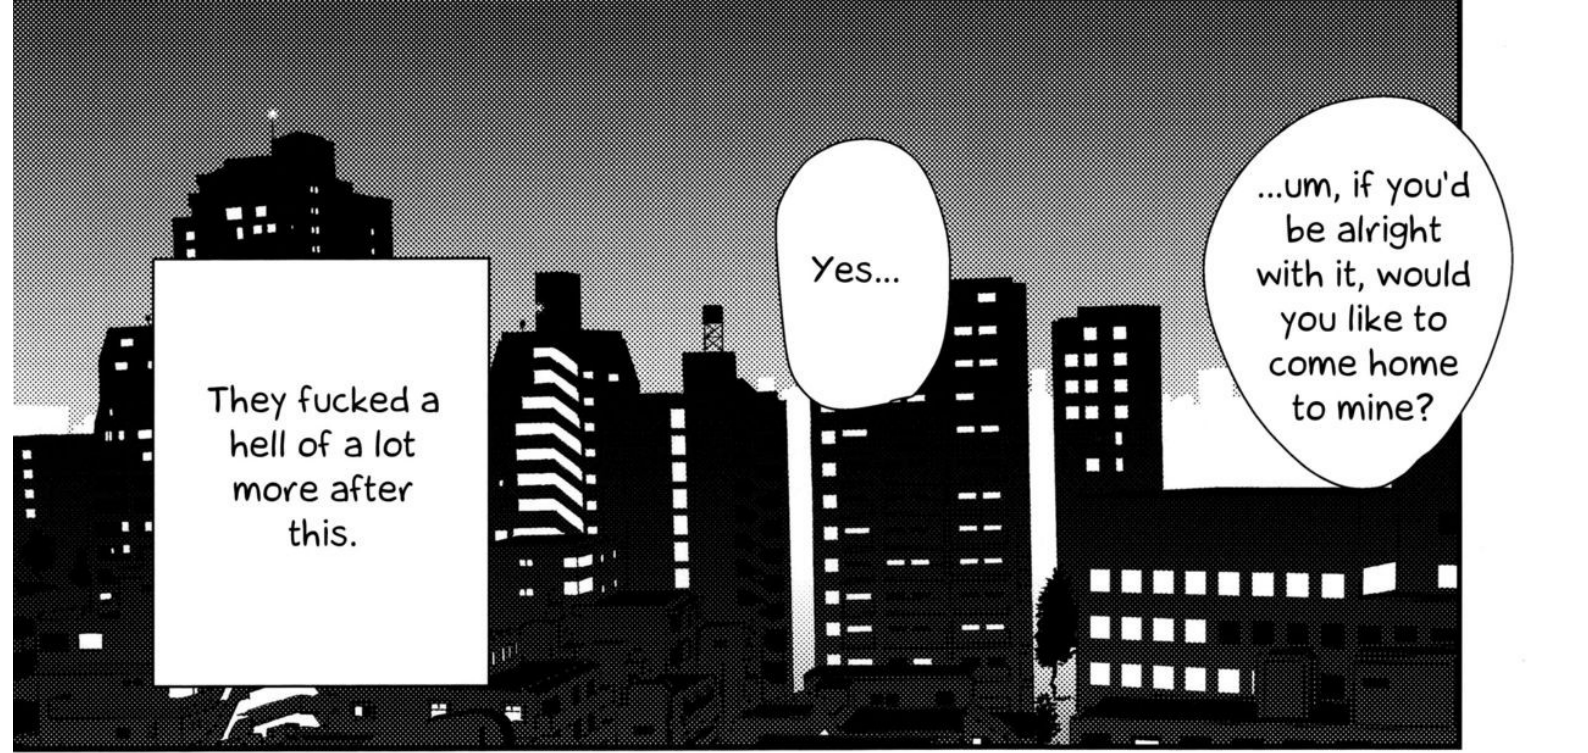

Wakamatsu...
You're very
talented... you
know that...?

Crap,

it feels
so
good...

They fucked a hell of a lot more after this.

Yes...

...um, if you'd be alright with it, would you like to come home to mine?

I'll have to take a trip home, I think.

If I borrowed your clothes today we'd probably get found out.

Morning~

AH~
I SLEPT REALLY WELL~

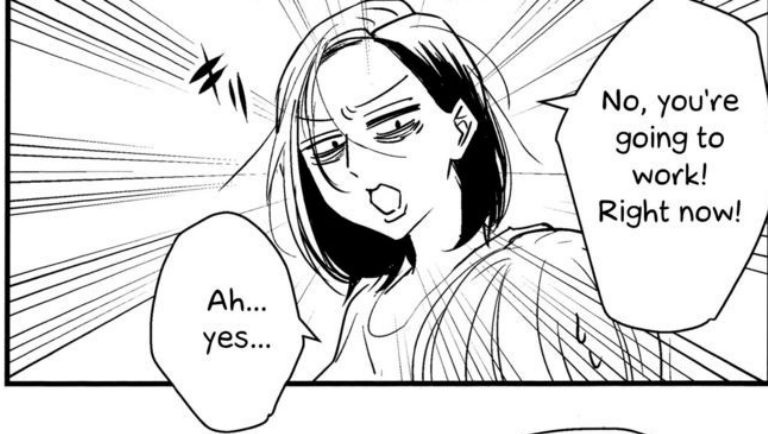

Good morning ...

she looks so good in my old T-shirt, too~

waking up next to kawakami~

We're going to be late for work.

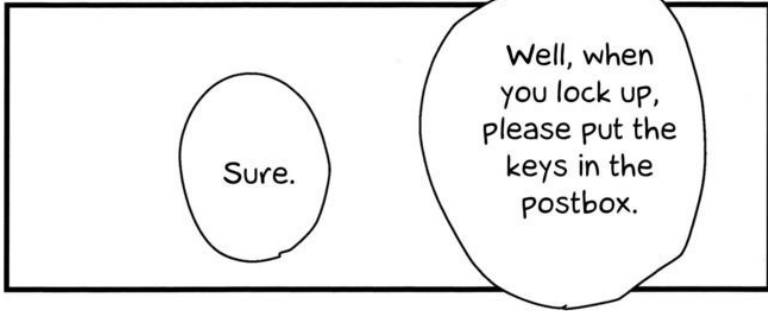

Ah...
yes...

No, you're
going to
work!
Right now!

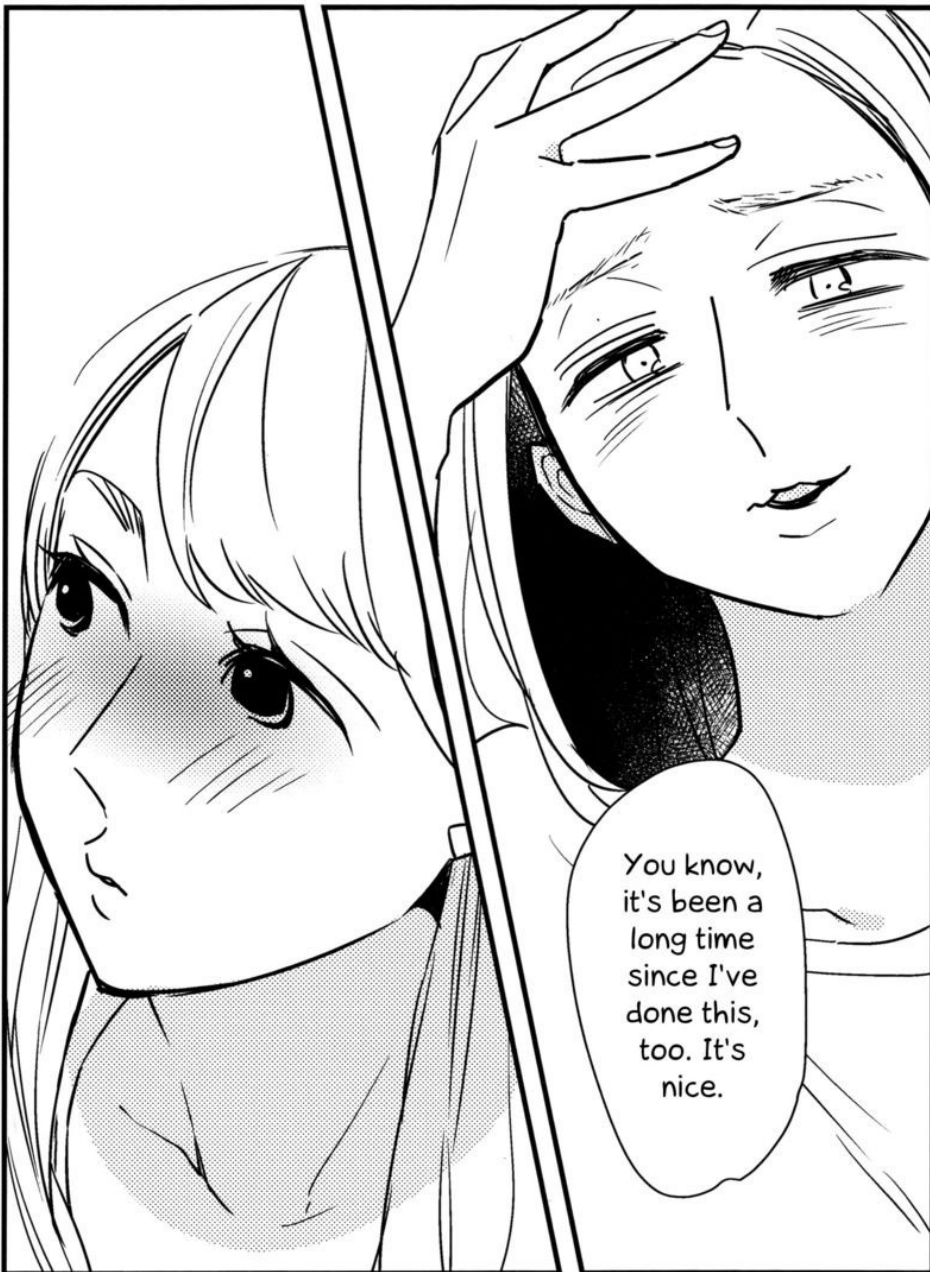

Ah,
then I'll
do that
too!

I'm taking a
half day
today. No
meetings,
either.

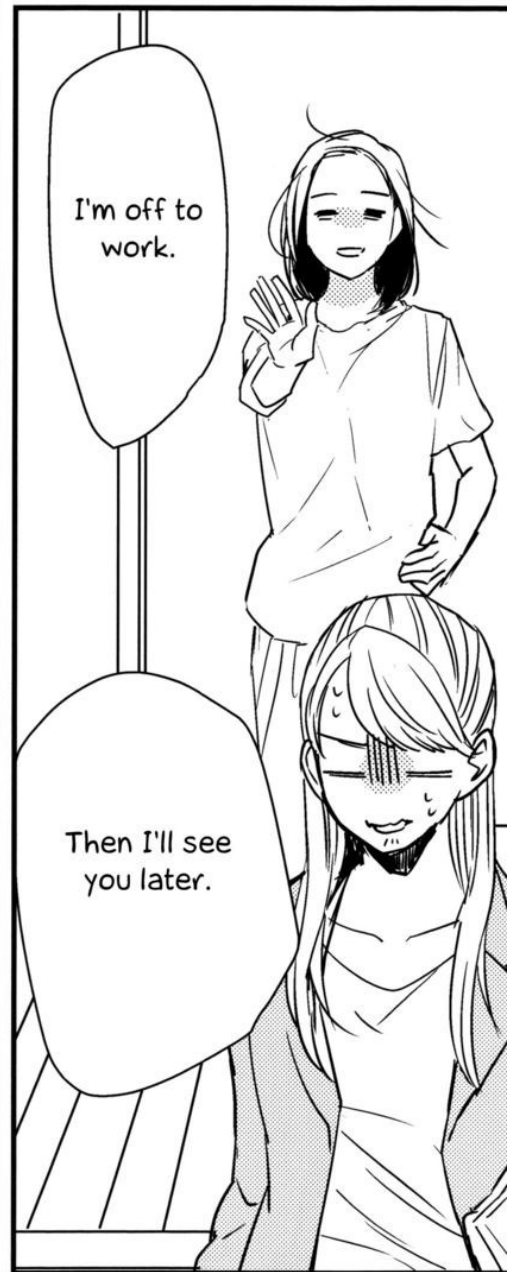

Sure.

Well, when
you lock up,
please put the
keys in the
postbox.

You know,
it's been a
long time
since I've
done this,
too. It's
nice.

I'm off to
work.

Then I'll see
you later.

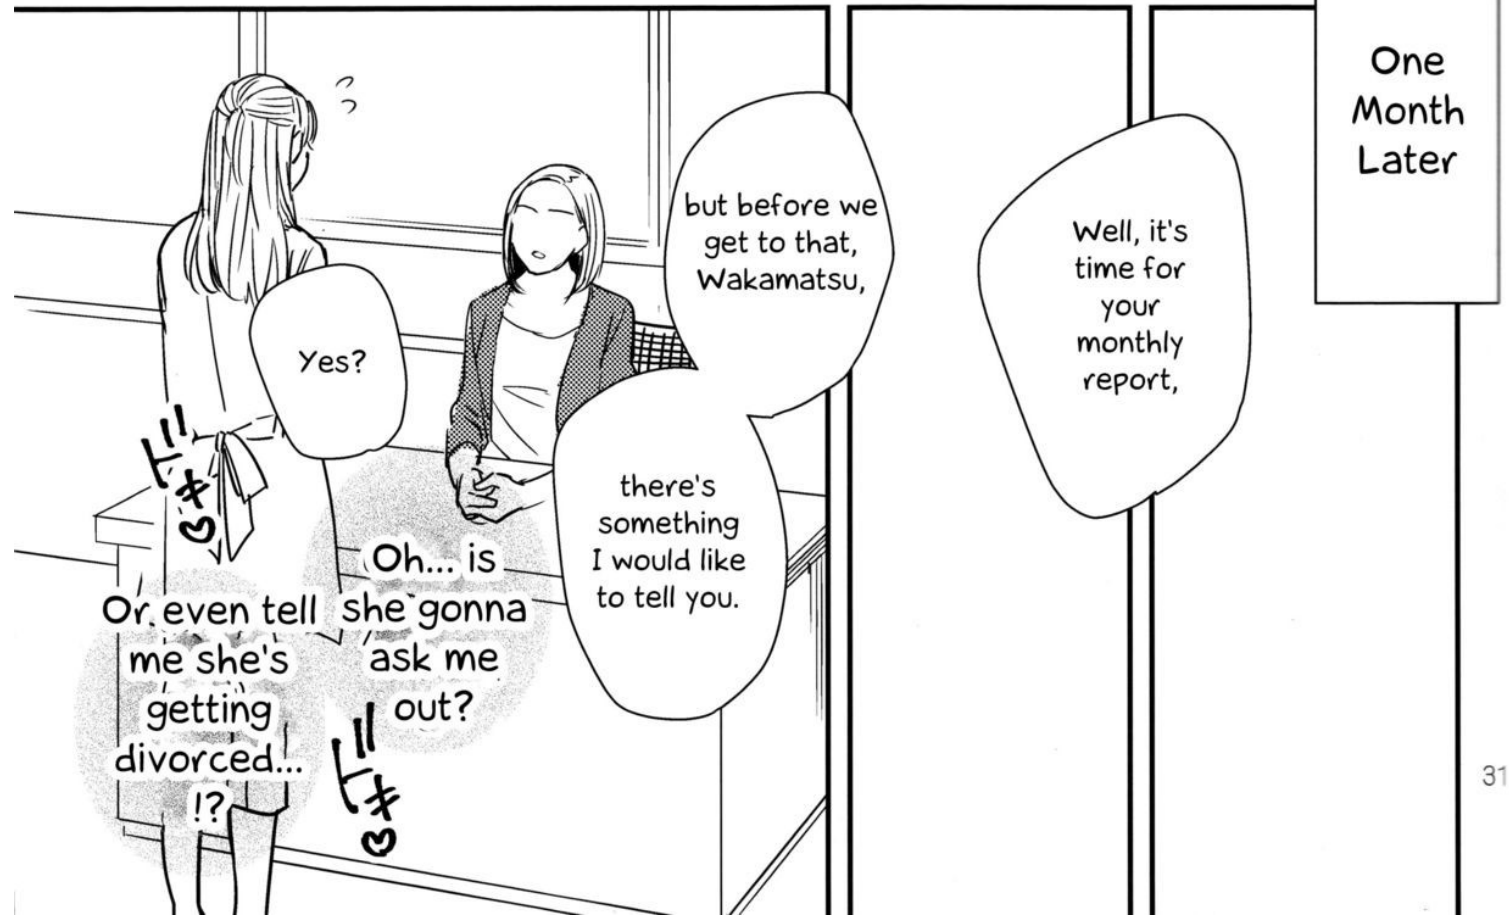

I'll handle this carefully.

But we've only just had sex once, and I should consider how she feels...
I mean, it's a pretty nice thing to consider,

...I mean, is it alright if she breaks up with her husband and starts dating me instead?

One Month Later

Yes?

but before we get to that, Wakamatsu,

Well, it's time for your monthly report,

there's something I would like to tell you.

Oh... is she gonna ask me out?

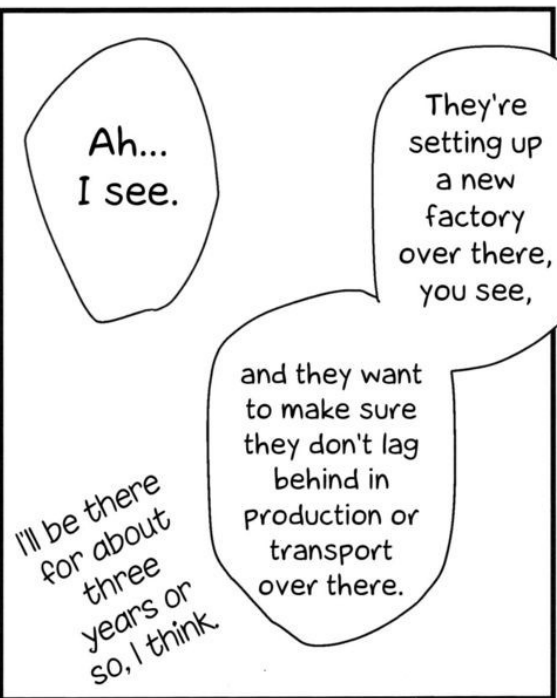

Or, even tell me she's getting divorced...
!?

I'm getting transferred to the Phillipines branch.

Mm.
It's a very rewarding prospect.

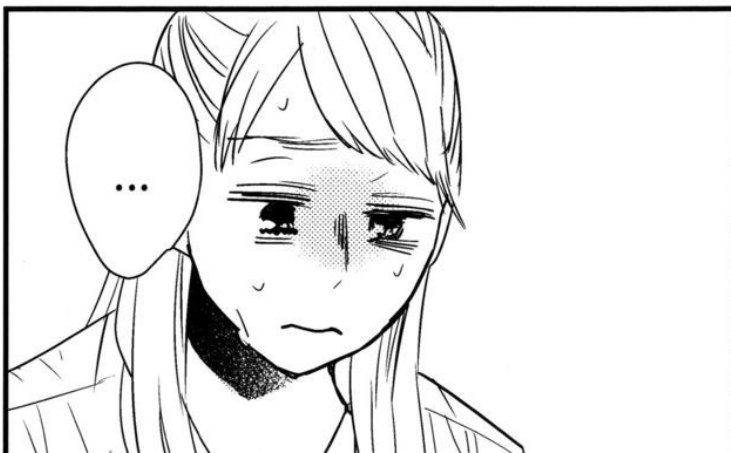

Ah... I see.

They're setting up a new factory over there, you see,

and they want to make sure they don't lag behind in production or transport over there.

I'll be there for about three years or so, I think.

...

Wakamatsu,
would you be
interested

in
nominating
yourself to
join me?

It's all up
to you.

You should
have told
me that
to start
with
!!!

Uwaaah...!?

Thanks
to a
little nudge
from you~

I'm starting
the divorce
procedures
soon~

Oh, also,

And
so...

How should you
pack for starting
a new life
abroad?

Well, put in
whatever you
want. I'm not
going to criticise
you, not matter
how stupid your
choices are.

It's your
decision.

C'mon...
