What a plague this journalist! I almost strangled him on the spot!

This little fucker! I will have his skin! He pissed me off with his shit questions!

?!?

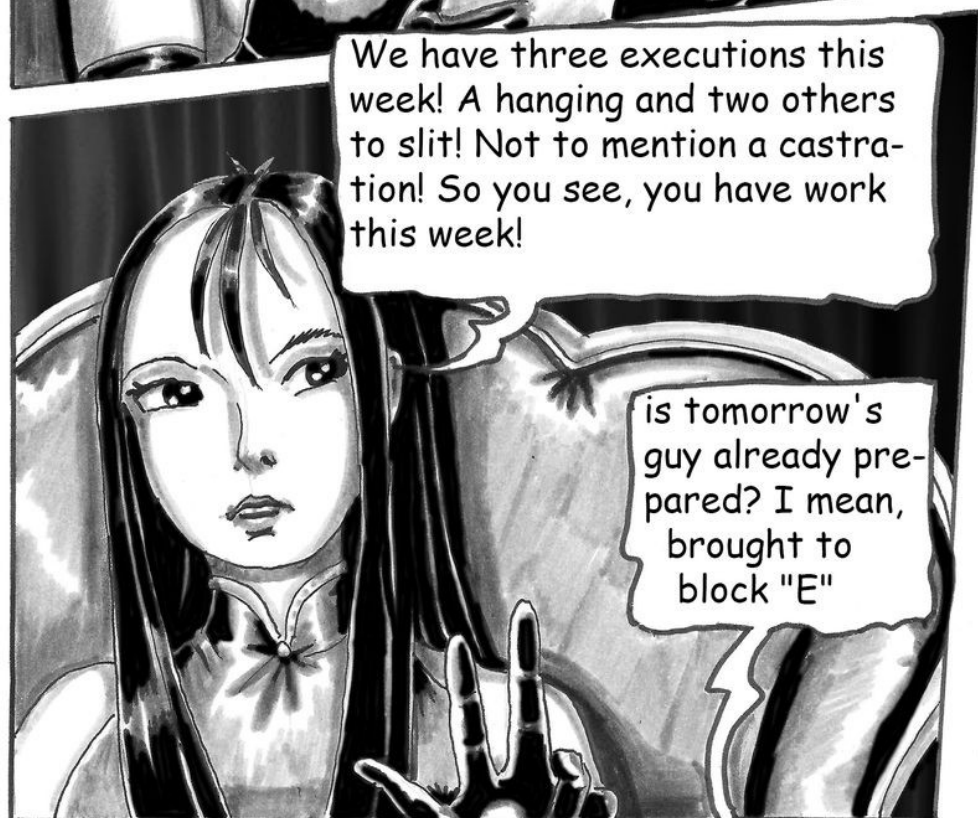

And there, I really need to let off steam!

Hana! My sweetheart! Be kind enough to bring me one of the maids, please, you'll be a love!

Mmmh ... A performance tomorrow night!

We have three executions this week! A hanging and two others to slit! Not to mention a castration! So you see, you have work this week!

You know, they never know about their executions! We'll have to find him with the sisters Lee, you have his registration number! Mark it during the selection tomorrow morning, you make him work and you will look for it after

I'll send him to clean in the corridors of the prison, so it will be easier to find him! I will take care of his case tomorrow afternoon ...

Supreme Madam, You asked me?

Yes darling! Go under my desk, I want to have a little fun! If you know what I mean!

So same routine, we'll get him, prepare him at the block E by Akiko, then run! Should I whip him before the sentence?

!?!

And this one, will I have to deal with him too? He looks very excited! Maybe a good hanging would help him to ejaculate for good! What do you think Yo?

He just took lifetime jail! I give him to my sister Mimi! In the meantime, he is the bitch for all of us! And this shit loves it!

GET AT YOUR PLACE !!!

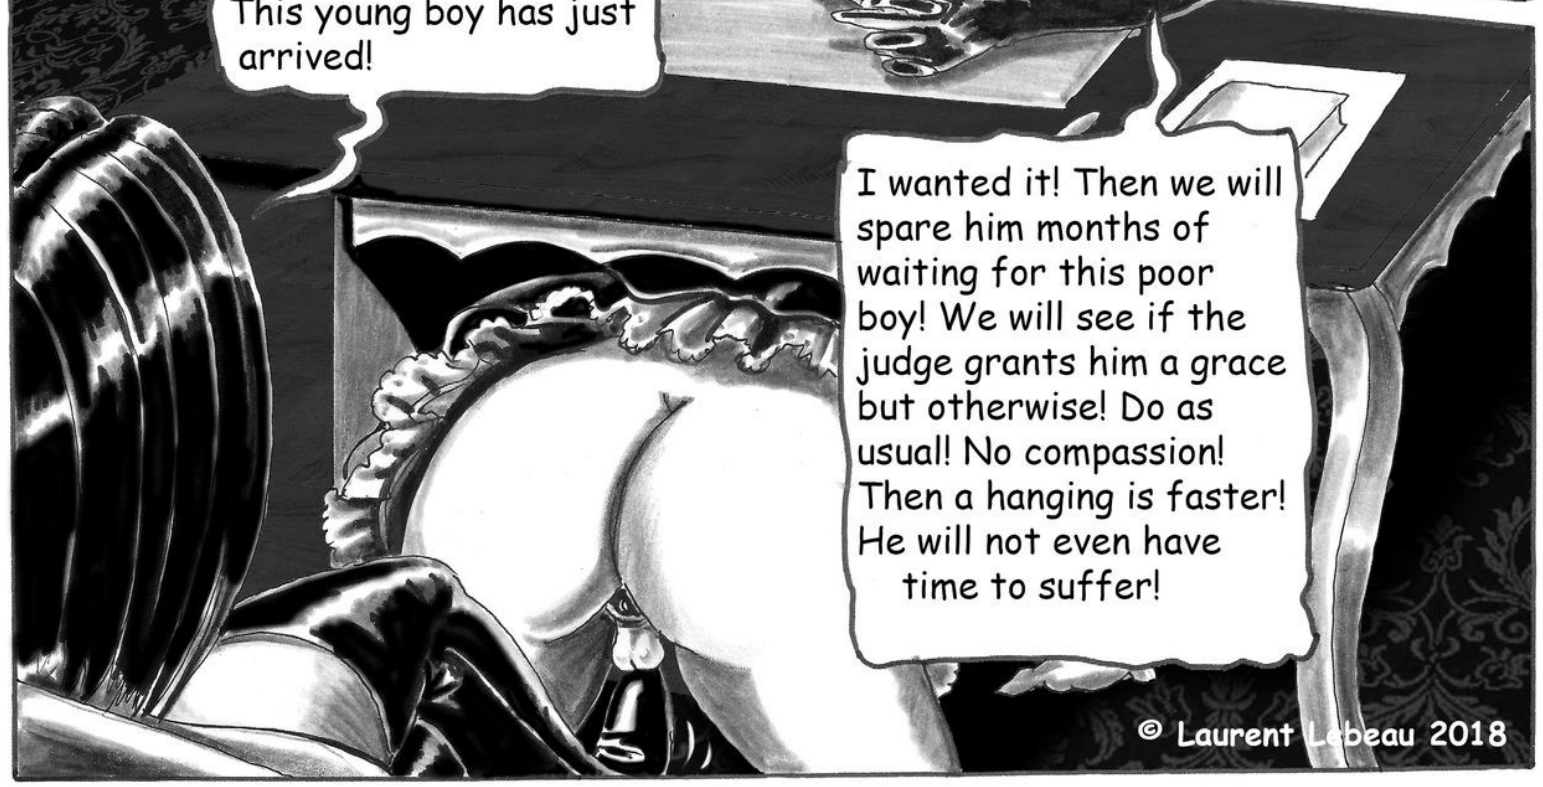

Yes Supreme Madam! I do it right now...

for this hanging, no whip!
This boy arrived three
days ago and sentenced
for a passion crime.

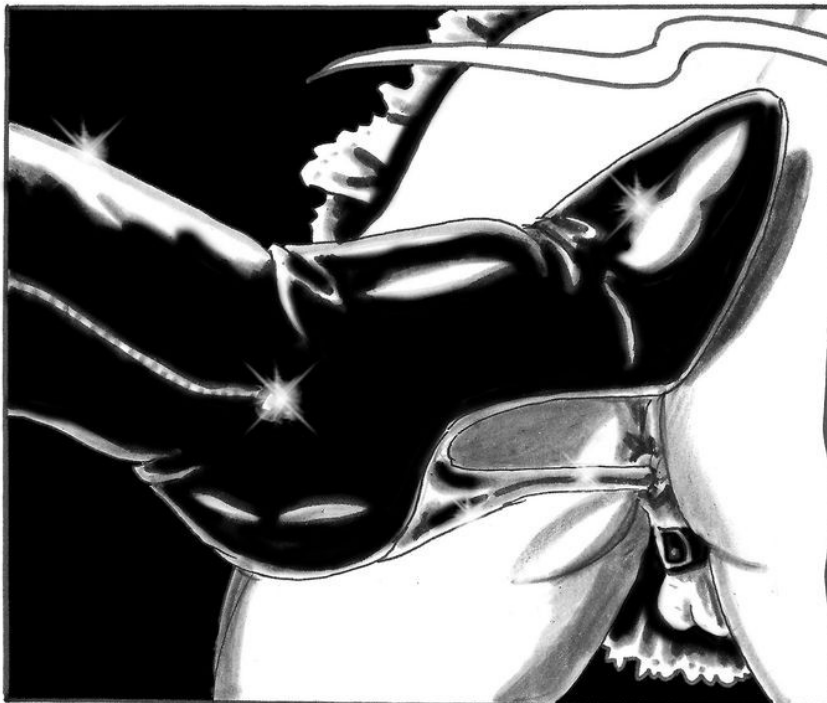

But as for the two others that
I must slit! Be merciless with
them! These two fuckers ra-
ped and killed a girl savagely!
Whip, fucking! In short, the
total! I planned these execu-
tions for the day after tomor-
row night! It will let me off!

Why not to execute
them tonight, these two!
This young boy has just
arrived!

I wanted it! Then we will
spare him months of
waiting for this poor
boy! We will see if the
judge grants him a grace
but otherwise! Do as
usual! No compassion!
Then a hanging is faster!
He will not even have
time to suffer!

As usual! For me, a convict remains a convict! They can cry, implore! I do not care! My job is to kill them! The more I perform, the more it excites me!

By the way, I'm going to have a big contract with a federal prison in Sapporo. We'll have nearly a hundred prisoners, the vast majority of whom will be sentenced to death. This prison closes and they send us their inmates. We can put some to hard labor in the career, it lacks slaves there! there are a lot of orders for the stone at the moment

That means executions at the chain! How exciting! I love seeing them all wait their turn and I pick one at random. It's going to be great show!

Mvvvh!!!...

For that I trust you! I have never seen a girl as sadistic as you! Besides, all the prisoners are pissing on themselves when they see you!

Especially when they know I'm coming to get them to execution! ... Then your little maid who is under your desk, if you give him to your sister Mimi! I will have chances to take care of him too! Waiting! He seems to love my heel deep in his ass!

Not far from there ... In the fortress ...

Slave! Welcome to Madame Yo's Fortress! I introduce myself, I am Hanako Lee and here is my big sister Miyuki! We are Madam Yo's personal assistants and you will have to call us Mistress! We came to get you to go to the infirmary and get ready! We will not tolerate any rebellion, no disobedience! You will be very wise otherwise you will be severely punished!

And I like to punish!
Prepare to suffer
because your life
will become hell!
And we like to
make criminals of
your kind suffering!
Why are you here?

ANSWER TO MISTRESS MIYUKI!!

I am in preventive, I
am accused of having
killed a prostitute ...
But I am innocent !!!

Maybe you want me to suck you too? Come on! Hurry! I do not have only that to do!

Hi!
Hi!
Hi!

Then I have the right to call a lawyer! It's the law! I want....

For me, you're just a little shit! Like everyone else! So here you have no rights anymore! We'll train you'll see! Come on! We hurry! Madam Akiko is waiting for you! Here, we do not like slaves who are slow and talkative! So shut up your shit mouth and hurry! If you don't want to start your stay in the torture room! We will have to teach you to obey and submit to us!

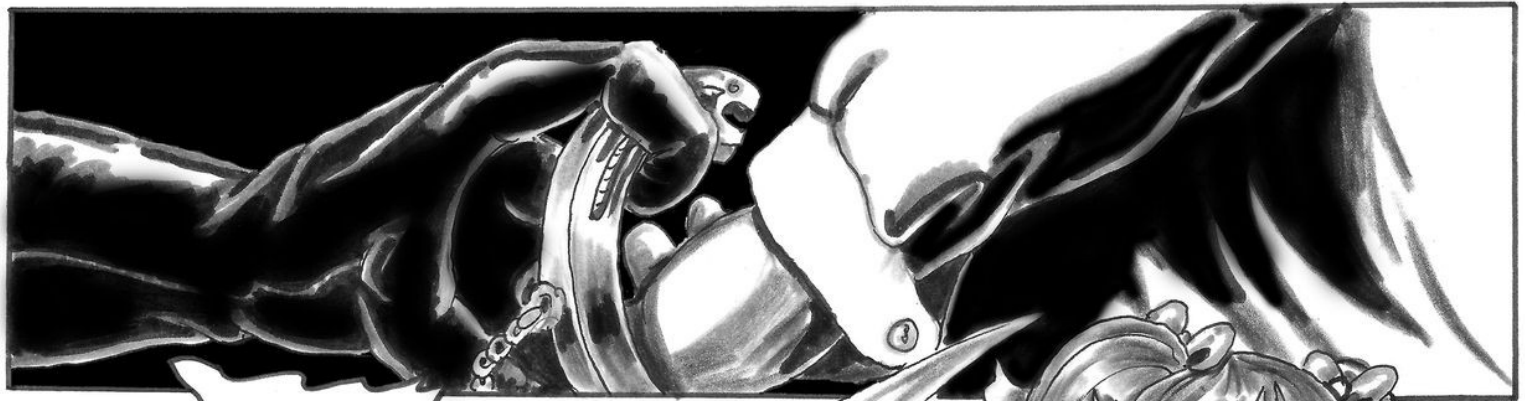

Hurry up, slave! Get in there! I am Mrs. Akiko and I will proceed to your inspection! Once you are inside, you immediately get naked! You put your clothes in the basket and you get kneeled down over the table, legs wide apart and hands on the head! I will prepare you for your incarceration! You are forbidden to cry during the inspection or I will whip you! And let me know that I'm not kidding !!!

Watch ahead!

!!!!

It's better to obey Mrs. Akiko! Be advised she knows very well to castrate! And as you are in prevention, you are not yet immune to castration or execution! Strip!!!!

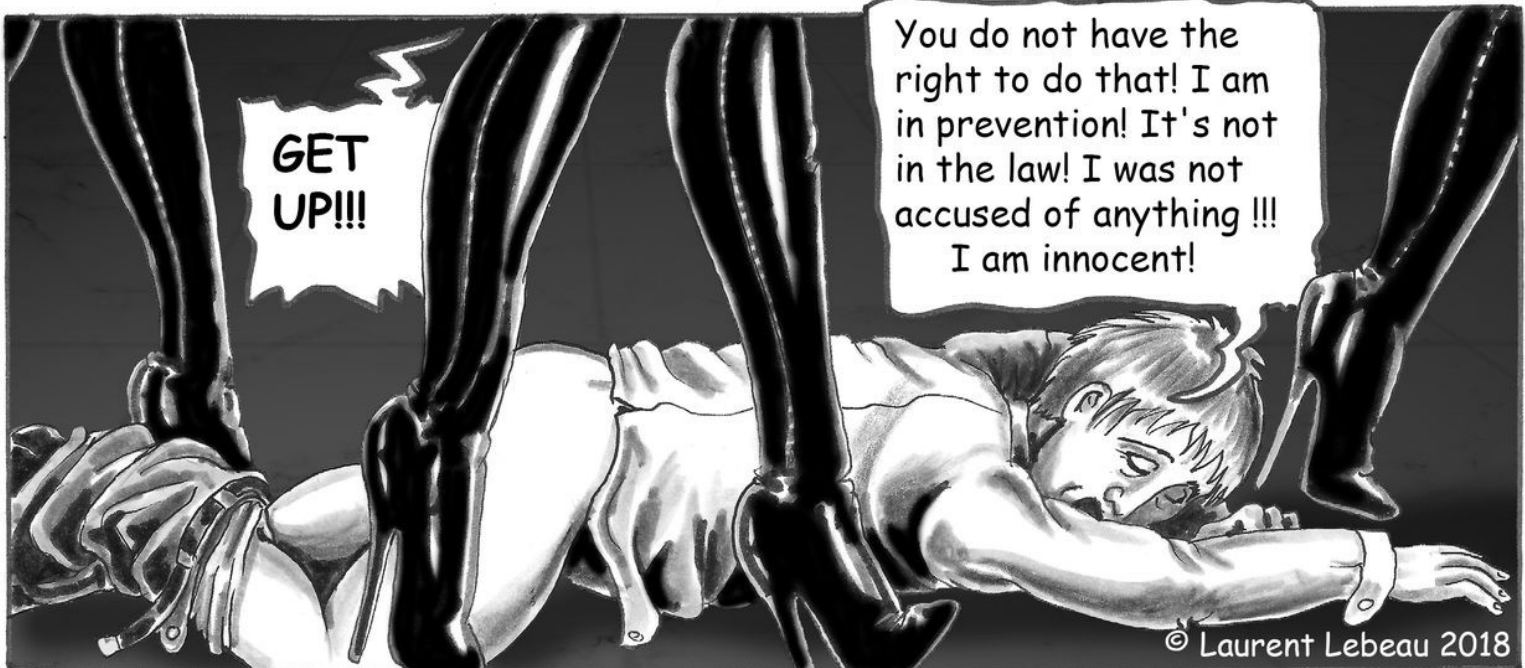

Arrgh !!!

STRIP
NOW!!!

GET
UP!!!

You do not have the
right to do that! I am
in prevention! It's not
in the law! I was not
accused of anything !!!
I am innocent!

At the same time...

How many inmates to execute?

Six and you will have to execute one by one in front of the deputy and her friends ... As for the others, it will be necessary to pass them quickly enough to make room for those who will arrive if the deputy makes us grant new contracts with other prisons ...

These prisoners are coming Friday. I leave it to you to make the selection! We need a few people sentenced to death for the demonstration in front of the deputy. It's true, I did not tell you that we are going to have a visit from the member of Parliament. She wants to see the fortress closer and all the activities we do. So that can lead to new contracts ... That's why we will offer her executions on these convicts who will arrive!

DID I TELL YOU TO SUCK THAT DILDO! STOP SUCKING! KEEP IT IN YOUR MOUTH!!

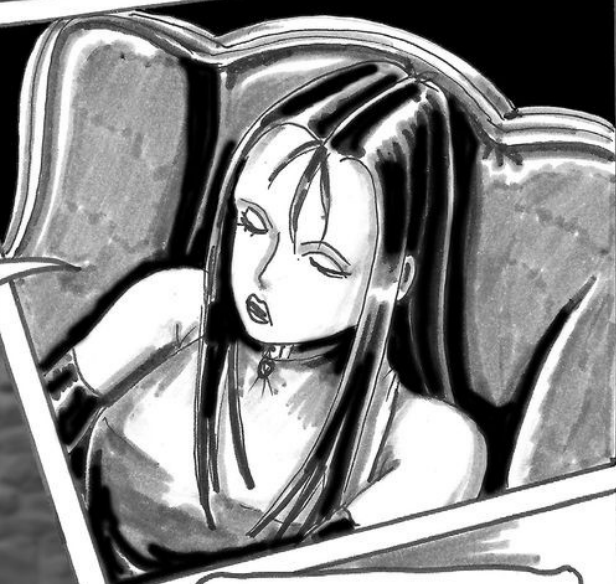

In the meantime, we go easily inside his ass hole with my heel!

In the meantime, I feel like I'm going to do a little beauty tomorrow, I need to change my hair! I had to go see a new prisoner who just arrived, I'll go tomorrow before the execution ...

I'll go to see him right after! It seems that he is in preventive! I'll see what he looks like! It will distract me a little!

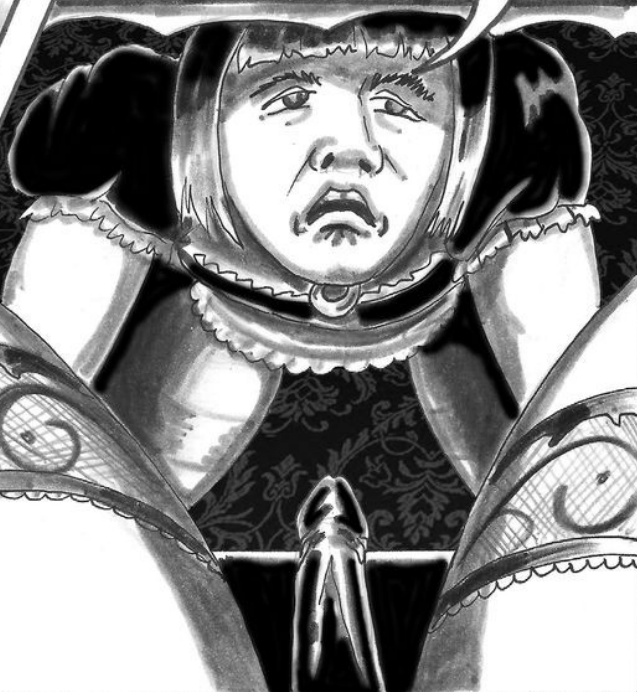

And you! Go post yourself over the bench, the ass offered! We'll have some little fun!

Yes Supreme Madam! ... I'm going now!

AND HURRY UP! A good sodomy will do good to you!

So, I leave you Yo!
We'll see each other
later! Then you Slut!
Present yourself on
this bench!! It's your
interest to please
Madame Yo !!!

I'm going to
see the new
one! Have fun
my darling !!!

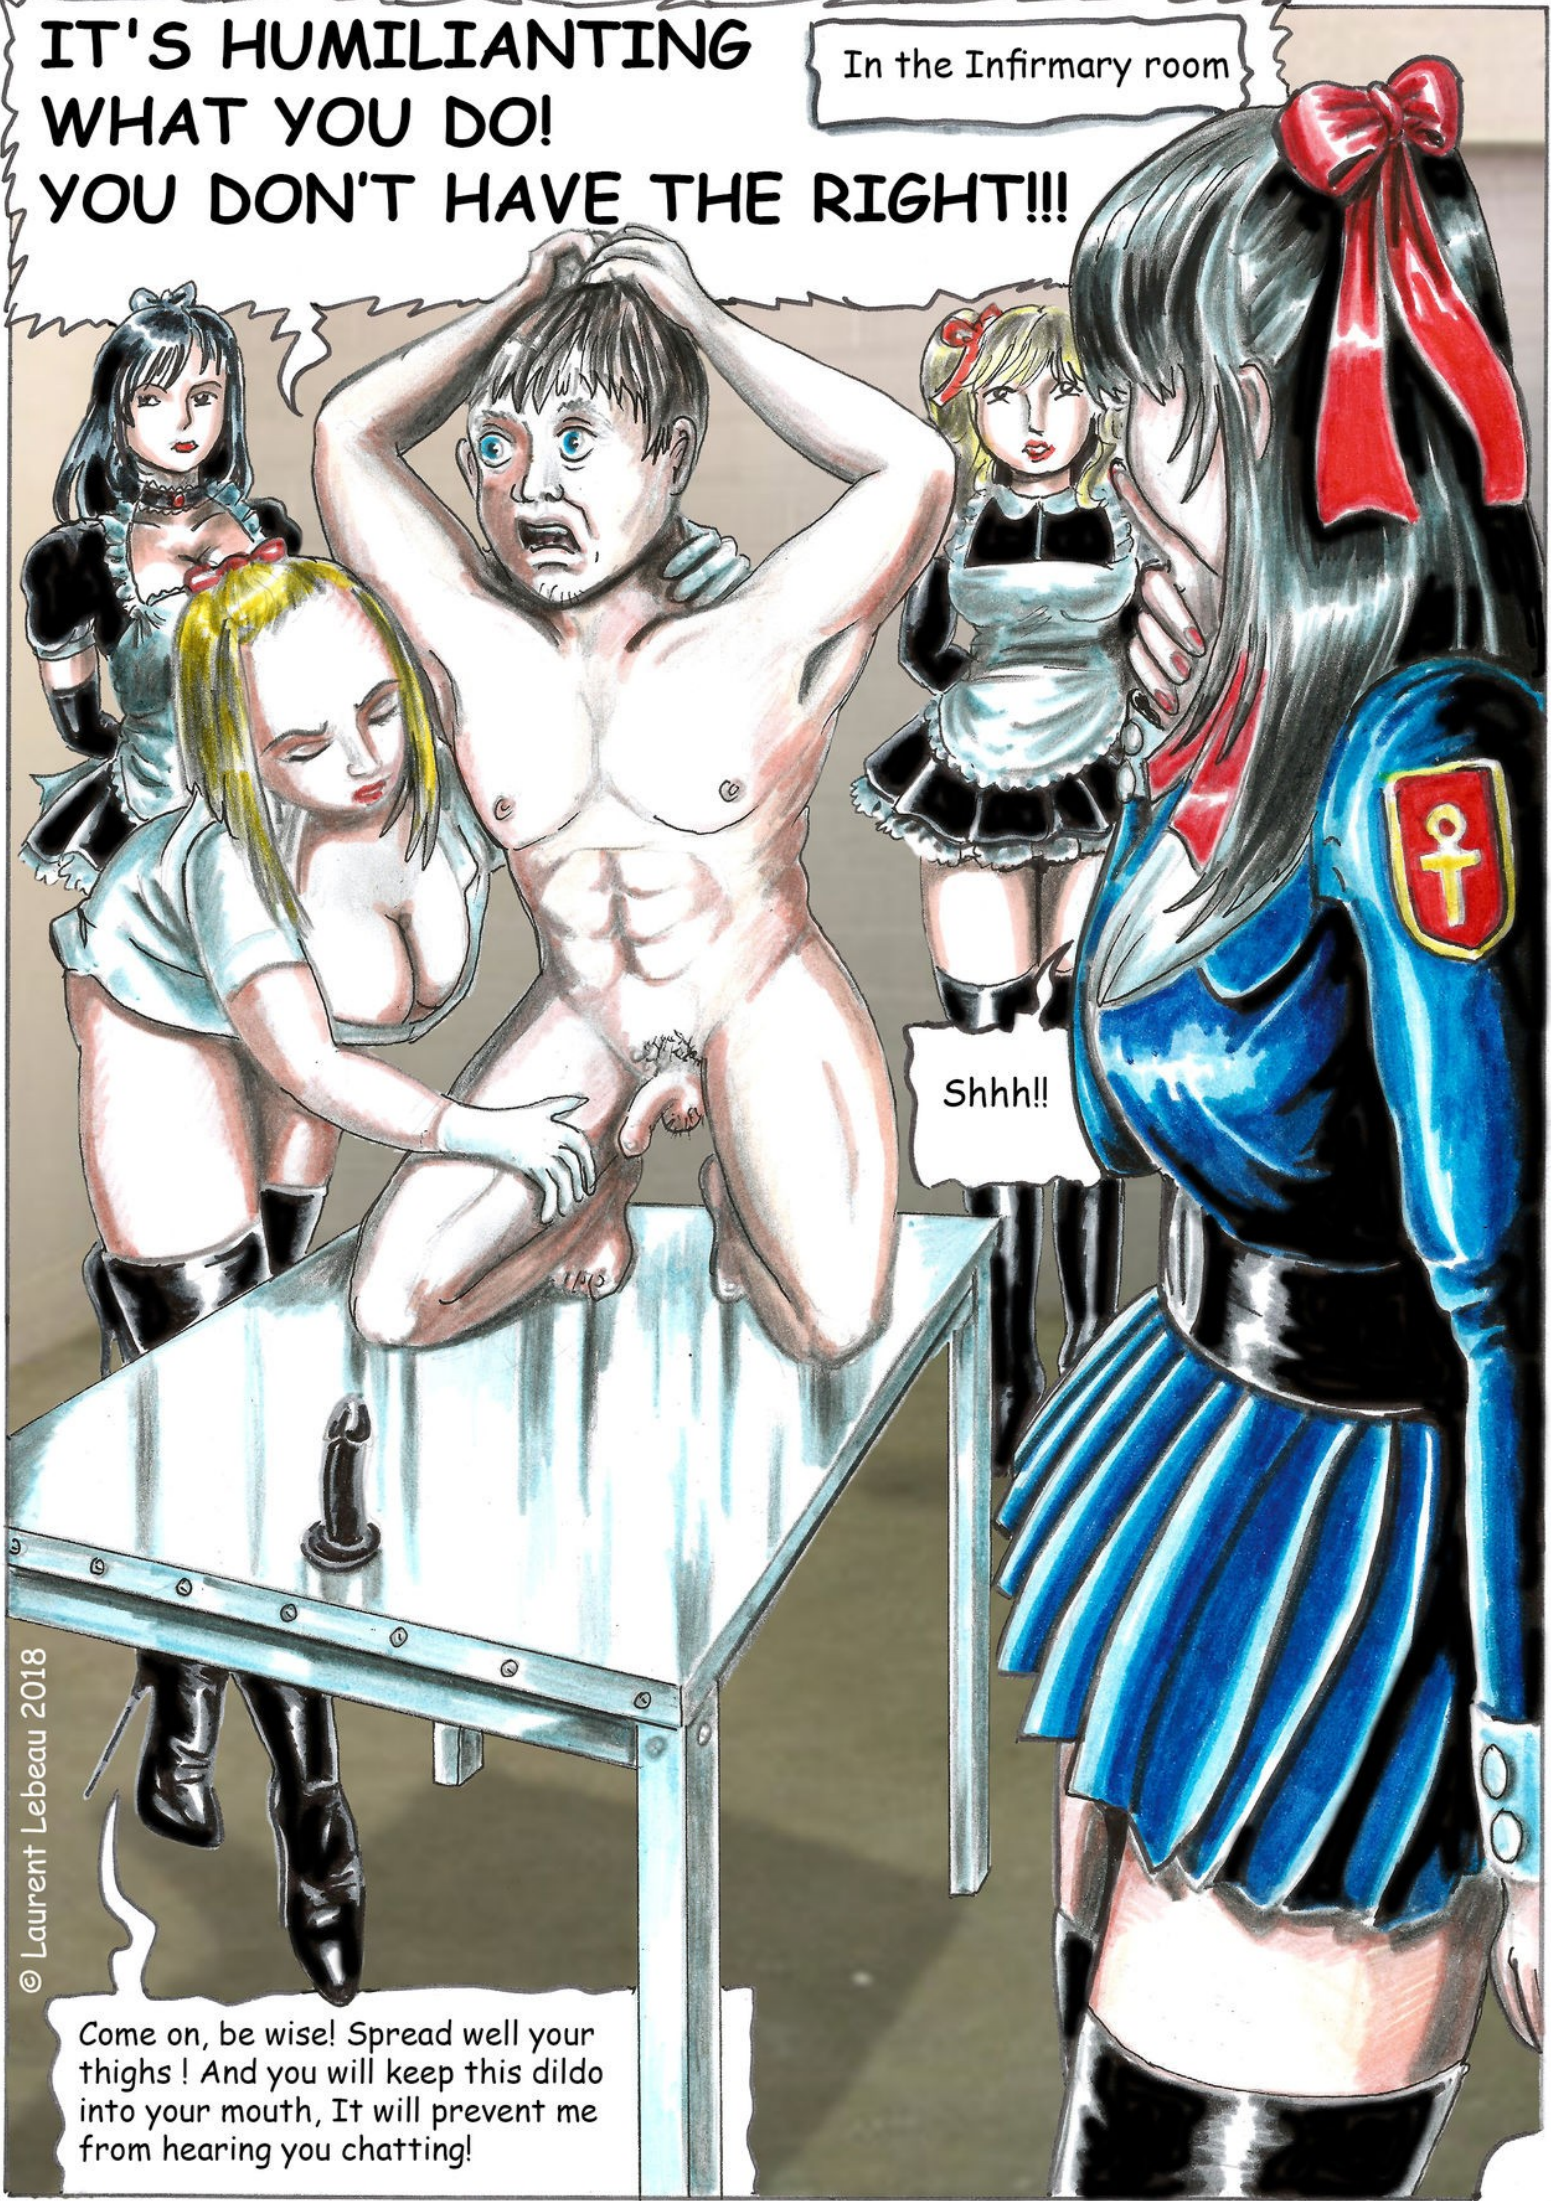

See you in the living
room! I finish this re-
port, I fuck this little
whore a little bit and
I'll join you! I'm going
to fuck his ass and ma-
ke him squeal!

IT'S HUMILIATING
WHAT YOU DO!
YOU DON'T HAVE THE RIGHT!!!

In the Infirmary room

Shhh!!

Come on, be wise! Spread well your
thighs ! And you will keep this dildo
into your mouth, It will prevent me
from hearing you chatting!

Ah! You came to join us, Asami ...

I was curious to see what this slave looked like! You soon finished Akiko ??

I finish preparing him so that it can be presentable in front of Madam Yo! I shave him, puts his necklaces and it will be available soon ...

Mvvhhh!!

Don't hurry! Madam Yo will see him tomorrow, so since he must need some rest, bring him to the conditioning cell! It's the best...

Yes, it's just a poor guy who killed his girlfriend
We must hang him at 7PM...

It's perfect! I think I will finish tomorrow with him ... In fact, It is true that we will execute someone tomorrow evening! At what time do I have to go to block "E"?

ARRGGG !!!

Now, leave this table! Go to introduce yourself to the girls to put on your necklaces! I'll see you tomorrow to finish preparing you! ...

That makes me look his new slave is a little fragile! It's good to know that! I will take pleasure in making you suffer if you have to be executed! Is not it? Little cocksucker ??

We'll see each other again! Rest well! You need it!

STOP MOVING!
HEAD UP, SLAVE!

Look how pretty! A beautiful collar just for you and you will wear permanently!

Have a nice stay with us!
We'll meet again!

It's inhuman what you do! It's forbidden by the Geneva convention! You know that ??

Slave! Now you are under the control of the Fortress of Supreme Madam Yo! You will be incarcerated until the end of your pre-trial and after the investigation!

Mistress
I ...

Now you will have to answer under your registration number 3825! Here you have no name! So try to remember it! We'll take you to block A, in the conditioning cell where you'll spend your first night! I tell you that here you have no rights! You will have to obey and suffer or you will be punished! Let's bring the prisoner !!!

We'll train you !!! Stay calm otherwise I'll deal with your case! And it will hurt a lot !!! We are not jocking here You understood???

**I AM INNOCENT!
I AM NOT A
CRIMINAL!**
