We'll discuss this somewhere else.

Uh Oh... hm?

Sure...

What's the big idea, hm? You'd better choose your next words wisely...

R-Right...

I know.

Ah! Sorry, futanari's a term that refers to girls with penises.

Ah, and it's even better with balls!

All the different shapes and sizes. Grotesque penises, rugged penises...

Penises are just wonderful, don't you think?

He actually likes my disgusting body...?

I can't tell if he's being serious or not...

What's the deal with this guy?

So gross.

We'd rather not start sprouting penises too.

Uhh, Tachibana-san? Could you stay away from us?

Are you a girl or not? Make up your mind already.

Oi, dick girl~

I-it's nothing.

You looked a little upset...

**Eh!?**

are you alright?

U- Uhm,

**!!!**

showing me your penis?

I was wondering, if it's alright with you, would you mind...

Anyway, there was something I wanted to ask you...

Sorry for getting carried away.

I promise!

Kuh... And why should I trust you...

I won't tell anyone, I swear!

Like hell I'm showing you!

What!?

I'm really gonna do it...

I'm doing it...

You really do have a penis!

A-Amazing!

S-Sto...!

Haahh... It's so beautiful...

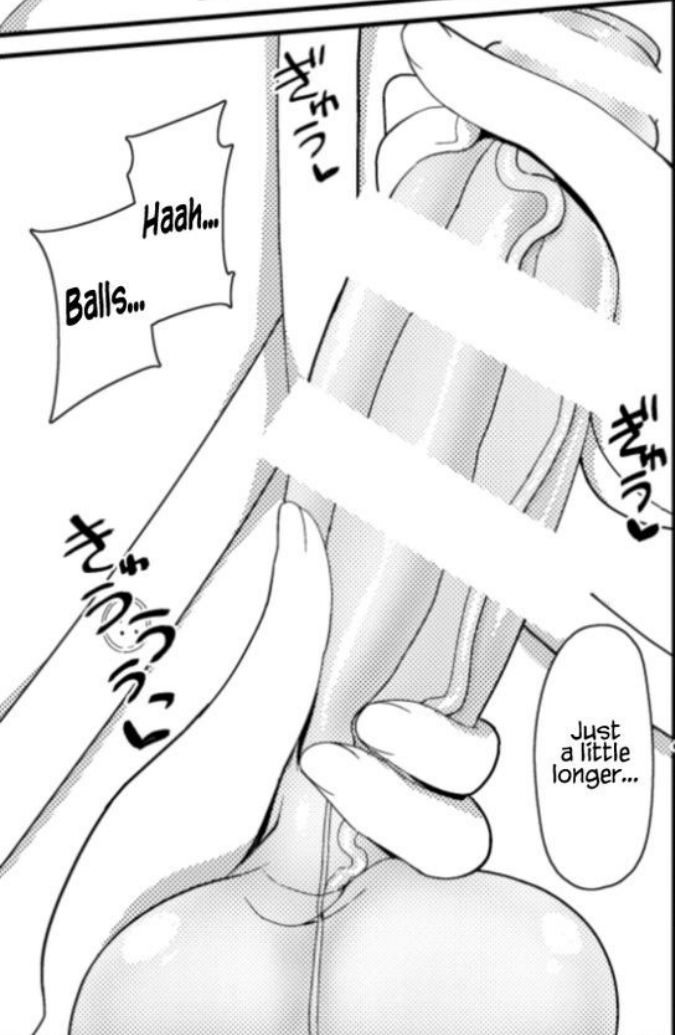

Knock it off!

Q-Quit touching it!

You've got phimosis, huh. ♡

So cute ♡

Haah...

Balls...

Just a little longer...

He's getting far too carried away...

H- Hey...

Surely that's enough now...

If this carries on much longer, I won't be able to control myself...

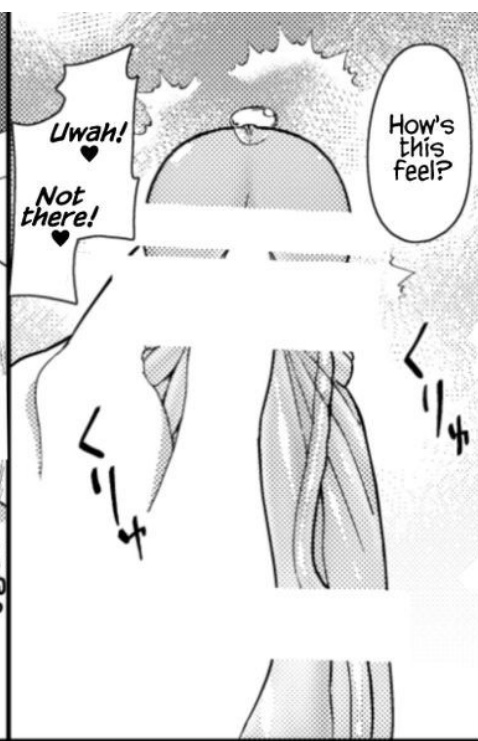

Kuh...

Dammit...

Your balls are so swollen and heavy too. ♥

Uwah!

How's this feel?

Her sweet feminine scent mixed with the smell of her penis is making my head spin... ♥
