Hello to those I'm meeting for the first time!  
I'm Miyasaka Naco. \*  
Thank you very much for picking up this book!

This time I've come out with the second manga installment of  
my favorite postergirl Koron-chan being lewd!  
There was a bit of a hiatus between this and the first volume  
"Cat ears are the punishment", but I finally did it ><

I wanted to draw something in the spirit of summer  
And was thinking back on how much I enjoyed wearing a yukata  
So I tried drawing Koron-chan with a different look.

I started this project with even less time left before the deadline than  
usual, and adding the yukata design took quite a while so I was getting  
pretty anxious ; ;

I'd like to draw a lot more of Koron-chan,  
so I'd be happy if it strikes your interest ^ ^

With that, I hope you'll keep me company until the end of the story★

you OK?

IS HE TIRED FROM THE HEAT AND BEING AROUND ALL THESE PEOPLE?

SHALL I PREPARE SOMETHING COLD FOR YOU?

THANKS FOR INVITING ME, EVEN THOUGH YOU AREN'T GOOD WITH CROWDS.

AAH... SURE.

SPEAKING OF PREPARATIONS.

Wh-What?!

SINCE I HEARD YOU BOUGHT A YUKATA I'VE BEEN WAITING FOR THE CHANCE TO PUT THESE ON.
