Been
a while,
huh?

"Kono-
hana"...
...Wait,
whaaa
aatt?!

It's
me.

Konohana
Miki.
We were
in the
Art Club
together,
remem-
ber?

Aaall
righty
then!

What do
you say
we go
for a drink
to celebrate
our
reunion?
♥

Yeah...
I'm just
back home
for my
summer
break.

If I
remember
correctly,
you're
studying
at a
university
in another
prefecture,
right?

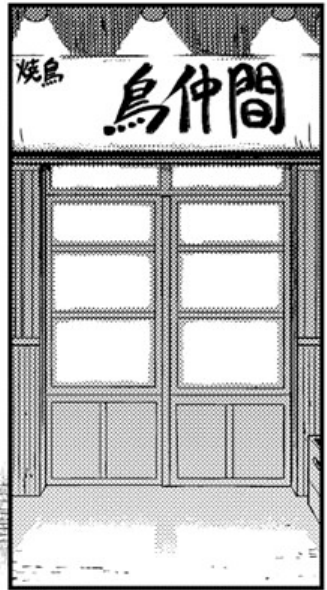

Huh,
neat.

ガッ

That's
the
stuff...

Aahh~

ガッ

I'm just
floating
along
where
the wind
takes me,
I guess.

How
about you,
Konohana?
What have
you been
doing?

...I don't
have a girl-
friend.

You spend
the days
fucking like
rabbits with
your girl-
friend or some-
thing?

So,
how's the
university
life?

Mm...

I don't
remember
you being
like this
back in
school.

...What's
happened
to you?

4+700

Then I ended up going out with him for whatever reason, right?

チッ

Who-?!

I was kinda raped by this punk from my class, see...

...A bit before graduation...

So, I left my home and went to live with him.

...But, just recently, he started beating me pretty badly, see...

Aha-haha~

Come on, what are you apologizing for?

...Sorry.

たこや

塩辛

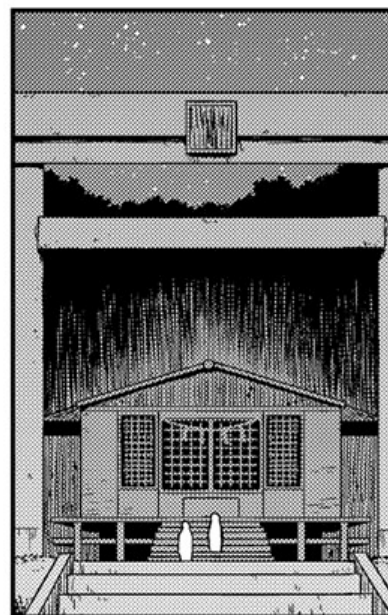

And I got pissed, so I left. I've been hanging out in manga cafés and the like for about a month now.

ズッ

Hey, remember the shrine that's close by here?

I've always been a pretty naughty girl, you know...

Huuh?!
W-What are you-

I said we could talk about things!

You could help me this way, if you catch my drift.
♥

I bet you didn't know that~

Well, you know~ I haven't had sex in such a long time that I'm feeling really horny right now~
♥

Kuuh!

That's perfect, then.
Let's get rid of that virginity here and now!

I-
No-
Um...

You said you didn't have a girl-friend, right?
...So are you still a virgin~?
♥

Look,
I'm
soaked~
♥

Ahaha~
Guess
I'm in
the same
boat,
though...

That's
perfect~
♥

You're
still hard
and
ready
to go,
huh~?

H-Hold on
a second!
I don't have
any condoms
on me,
though...?!

Oh
don't
worry
about
it~
♥
My ex
made me
take pills,
so there's
no harm
in doing it
raw.

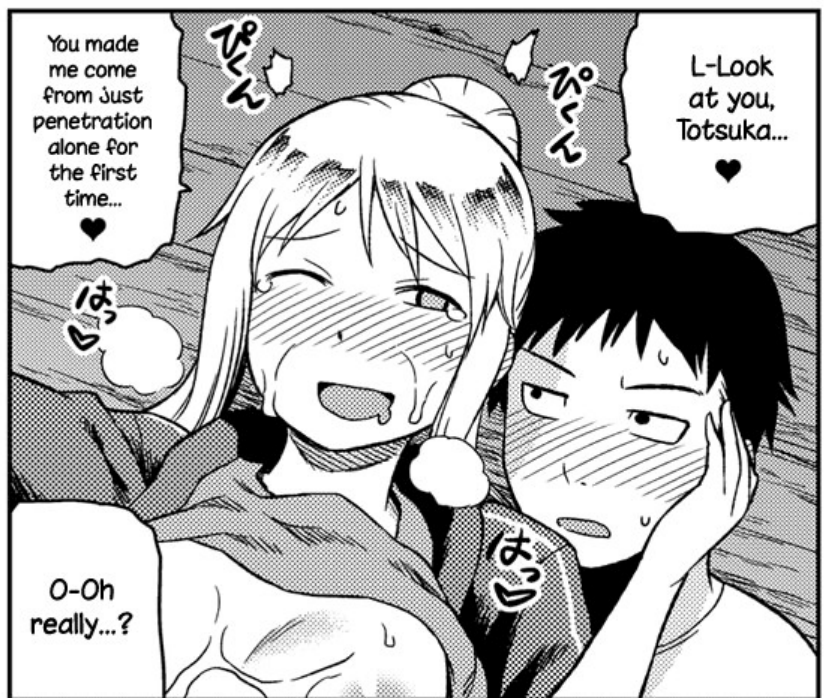

Now
then...
Say
goodbye
to your
virginity~
♥

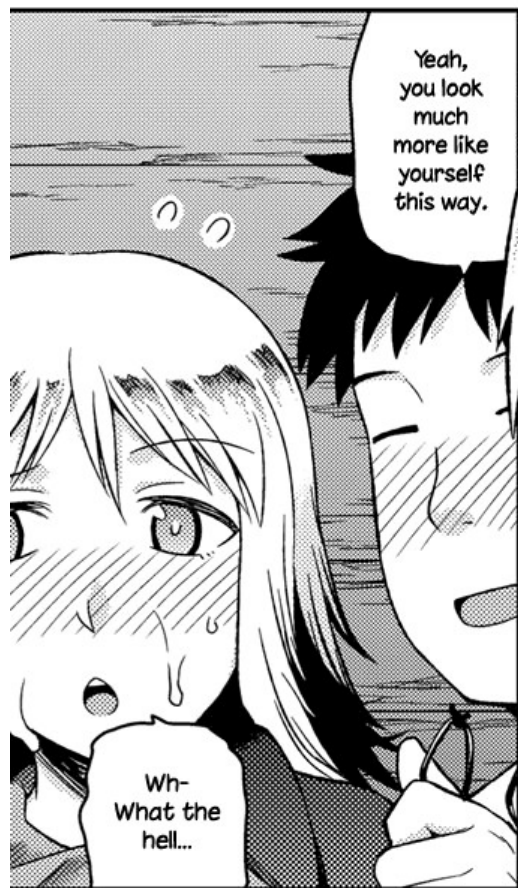

Uoh?!
Ah!

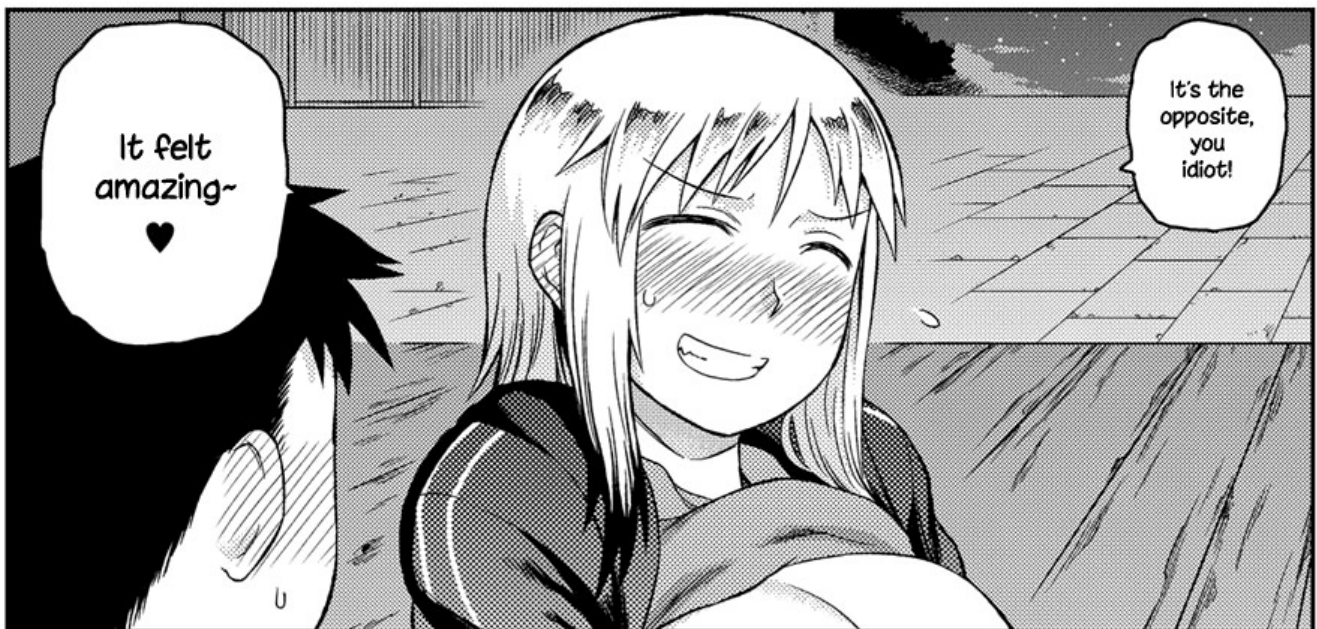

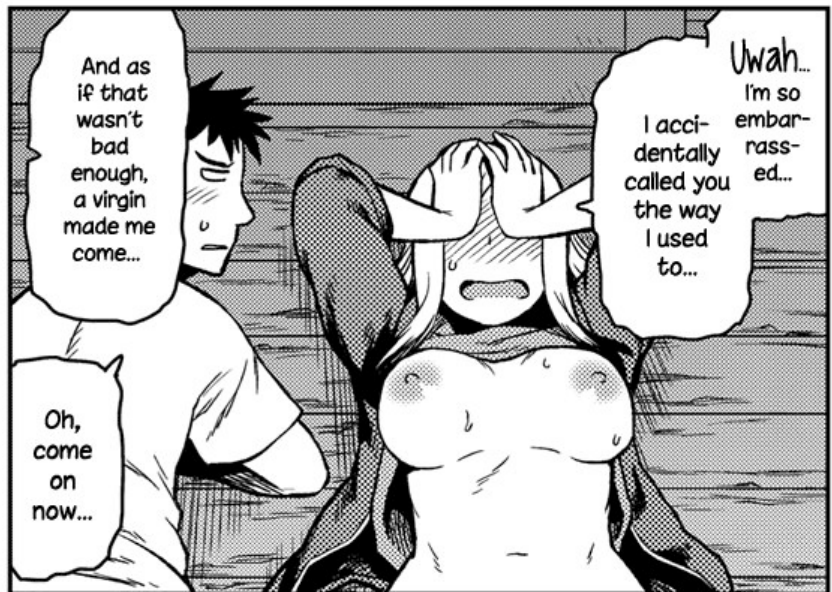

So, honestly, I can't see much at all right now.

Well, I switched to contacts, but I forgot them at his place...

You used to wear them, right?

By the way, what happened to your glasses?

Hey, you hadn't changed a bit.

I'm amazed you even recognized me, then.

But, well, if you say you like them...

I wouldn't mind starting to wear them again, Totsuka-kun~
