Selamat pagi! obsoletezero here

35th release, and this one is requested by the winner of my random raffle! →Congrats agen! I don't really get turned on by chikan stories tho... idk why... I don't hate it tho... but the fucken plot of this story made me cringe a lot.... And the fucken title already tells the plot of the story....

Crowe is releasing the part 3 of this series this coming Comiket 94!

(Also a JK princess NTR story - if you're into that)

You can visit Sugar*Berry*Syrup (SBS) booth at 3rd Day (Aug. 12 2018) East-H36a at Tokyo Big Sight!

And oh yeah... I put proper punctuation marks on this one... which I never did in all of my other TL works... Because of the lack of punctuation marks in Japanese raws... So yeah, I'll try to keep on learning more skills and techniques and apply it on my future releases...

Thanks for reading this and I hope you enjoyed it!
:-)
