

If it's you...

Alone as always, I see...

She's ...

With a LONELY GIRL...

漫画 淡夢 あわゆめ COMIC

Right, her grades are above average.

people must find her hard to approach, so she's usually all by herself.

Slowly, it leads to small conversations.

At least, that's what I think.

She's opening up a little to me.

By now,

Sen-sei...

Huh? Why are you locking the...

What is it, Sierre? You don't come here often.

Excuse me...

SORCERY PREPARATION ROOM

I'm so sorry...

In fact, I don't think I can break this open... You're displaying an excellent grasp of sorcery...

Sierre... As your teacher, I'm impressed.

Wh-what are you...

Sensei... you like... breasts, too... right?

Sierre... you can't be...

S-Stop...

Nnh...

Sensei... does it feel good?

Please stay still, it won't take long...

Stop! T-Think it ov...

Thank goodness...

Oh, I think it does. ♡

This is bad...
Feels like it's sucking me dry...

The spell is weakening...!

At this rate, I'm going to cum inside her...

Oh crap...
I'm going to cum...

G-Gotta pull it out!

Cumming!

Aaahhh

Nnnghh!

No...
Oh
no...
Sensei's cum... I wanted it inside, but why...

On the other hand, our elders expect us to bear child with haste.

Outsiders treat us with extreme caution.

...I think you must've known already, Sensei, but we Dark Elves are few in numbers.

Sierre...
W-why are you doing this...?

That's not true.

So I thought at the very least if you could make me pregnant, I would be...

You're too good for me, and I'm just going to cause you problems...

You were so kind to me, so I thought maybe you would... B-But I really shouldn't.

...But I don't know how to make friends, let alone a boyfriend...

If any, I think I might be not good enough for you.

I enjoyed our conversations, you know.
And look at you, you're just charming.

Sen-sei...
And so...

Sensei~
♥

And...

Knowing well that as her teacher I shouldn't be doing this, I decided to accept Siere's feelings.

After all that time alone, she must be hungry for physical contact.

Whenever time allows it, she asks for sexual favors.

At the same time, our sexual acts grow more perverse.

As time goes, Sierre becomes more cheerful. Thanks to that, I've been seeing her classmates talking to her.

She's getting attached to me, is this the right thing to do...?

I think it's too short...? / It's fine! As she grows, our secret meetings grow in frequency.

Someone her age is better for her.

I'm not really the right person for this.

Excuse me~

You see, someone just confessed to me, and...

Huh? What is it, Sierre?

That was Sensei, so intense... would you believe it?

Whew ...

Finally, the time has come...

I-I see... Good for you...

But he just confessed and then ran away... You think?

That would be better for Sierre...

Of course, I'm all yours, Sensei,
So I'm going to reject him! ♡

Ehehe ~ ♡

Yeah... Someone her age is better than me.

That would also be better for Sierre's future child...

I won't let anyone take Sierre...

What's wro... Nk ♡

Are you listening?

What's wrong, Sensei?

Sensei?

...I won't have it.

If someone's going to take her away...

Then I... I'll make her pregnant!

It's the first time you made a move on me, Sensei... I'm so happy... ♡

Look at you, Sensei... ♡ Ahn ♡

Sensei's dick is getting so hard... He must be really horny.

If you keep sucking the tip I'll...
