She lowers her underwear

and bends over the toilet

the brown thing starts poking it's head out

slowly

It's being pushed out

What's with this kid? she's taking such a magnificent leak outside

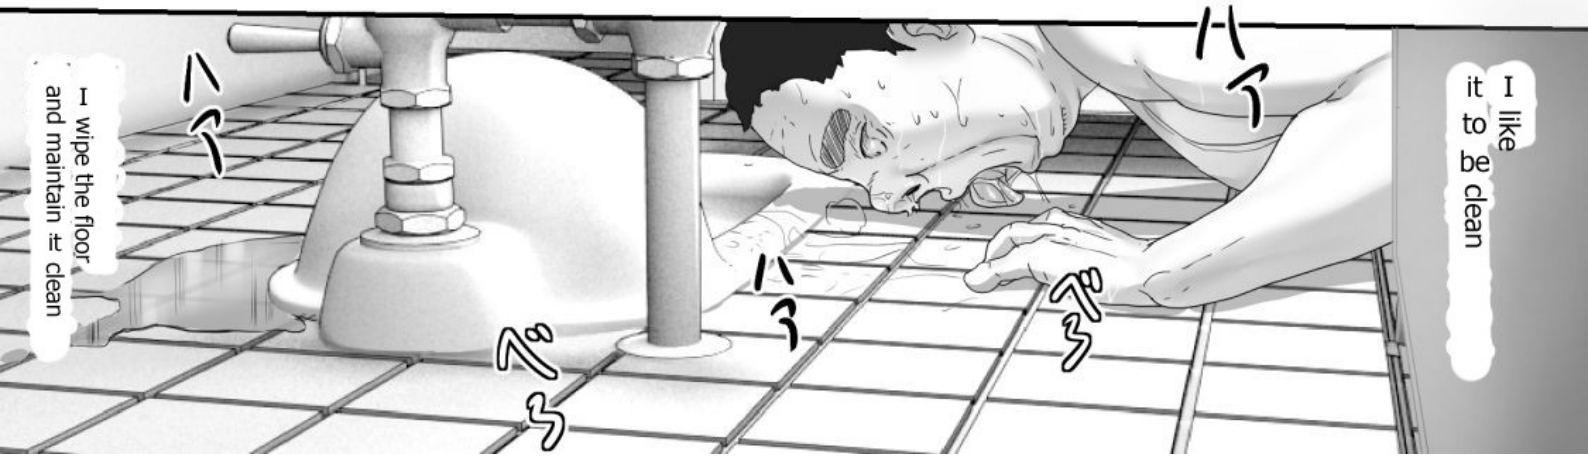

She's missing the toilet there's a puddle on the floor

Not my problem

My intentions were good, so it's fine like this ... right?

I wipe the floor and maintain a clean

I like to be clean

He was peeping through the crevices
