Afterword

Hello to my fans both old and new!
It's certainly been a while. Thank
you for once again buying my book.
This is Ozy, from the circle BONJin.

It was okay with you that I drew a
Kaguya Luna book this time, right?
I'd be overjoyed if you like it!

Luna's really cute, pretty sexy,
and sort of an airhead, so this
book makes a lot of sense.
I really wanted to capture her
sort of manic energy when I was
drawing this. Honestly, I'm excited
to see what her next videos are
going to be.

Well, that's the end of this word
salad of mine. Thanks for reading
all of it! If you're so inclined to
read any more of my doujinshi or
serialized work, that would make
me so happy!
