

Vermin Witch, Chenille

I've got you cornered now,

Tee hee hee!

Ah, geez!
You're so stubborn!

Tilith!

Today's the day my little cuties use you as their nursery!

Don't you already know that your gross pets can't break through my barrier magic?

You should just give up and get lost!

Barrier Witch, Tilith

決裂の魔女

my babies are just a little different today!

But

my next spell is going right in your face.

If you don't,

I'll say it one more time, so listen carefully.

Give up. Go away.

That's a tall order!

Could I give that up?

But I just desperately want to see your adorable face distorted with despair and the pain of childbirth!

That's too bad!

What did you just say!?

but you have the mind of a child.

I'll find you and kill you!

as soon as I get rid of these things...

Dammit,

Wh...

How cute!

And that tiny little chest is like a child's, too.

It's so cute how you still talk to me like that!

But...

Alright, boys! Here's the soon-to-be mommy!

Soon, you're just gonna be a hole for making ahegaos and spitting out babies!

Wait!

Not there!

DON'T PUT IT IN...

N-NOO!

Hah, yeah right.

My uterus has an even greater barrier set up around it!

Heh!
You thought I'd just walk around without a plan when a crazy bitch like you is stalking me?

My, my.

GAM!

GAM!

Sorry, but this "nursery" is closed!

Something as weak as your pets could never pierce it!

I'll just have to show you my best baby...

Oh, well.

Mhm.
Maybe this is too much for these babies.

...

This baby's the product of an upbringing in my very own womb!

HERE HE IS...

So what!?

What is that...!?

None of your monsters are a match for m...

Was she raising one inside her own womb...?

Sh-Shut up! Leave me alone!

Was that your first kiss?

Heehee, it just took one little kiss to calm you down!

It

start...

I never
realized
how much

she was...

No...

What could she do to hurt me even more!?

Please...

It might hurt a bit, but you can take it!

I can feel you loosening up. Soon, that barrier's gonna pop!

No!

Such a masochist! This is fun.

Does it feel even better when I label you a pervert?

And you definitely look like a good meat toilet for my vermin, too.

It's about time we finished up.

All I can do is be a nursery...

Ugh...

All of my magic is going to be used to raise these monsters...

This is awful...

Heheh, I guess I didn't need to worry.

I wonder if she's doing well.

Whew!

It's been so long since I came to this nursery room.

The mother and her children are all in perfect health!

It's still

even after
my waters
broke!
