Present day  
(6 months)

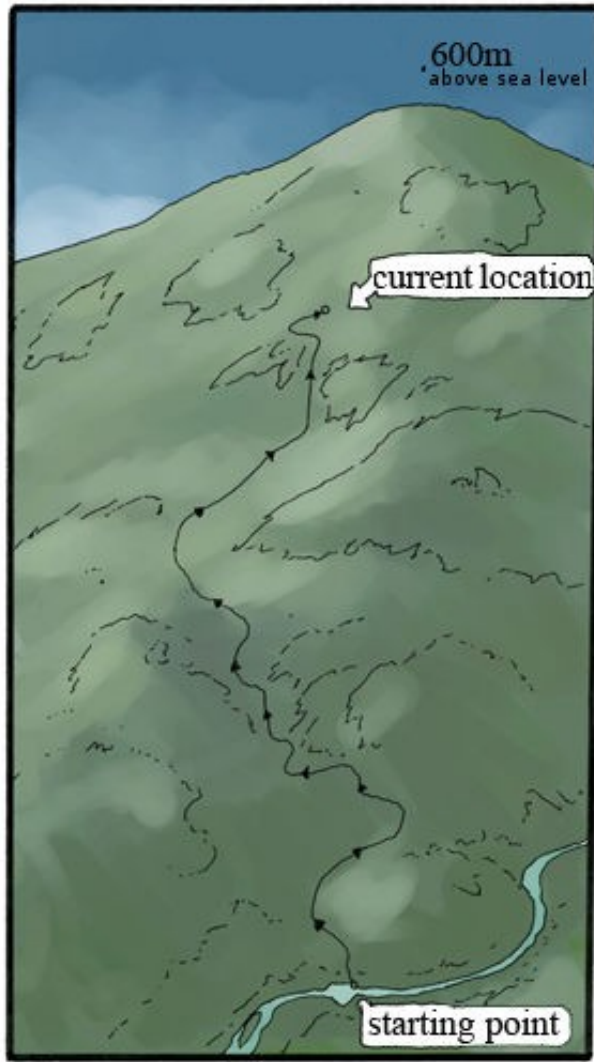

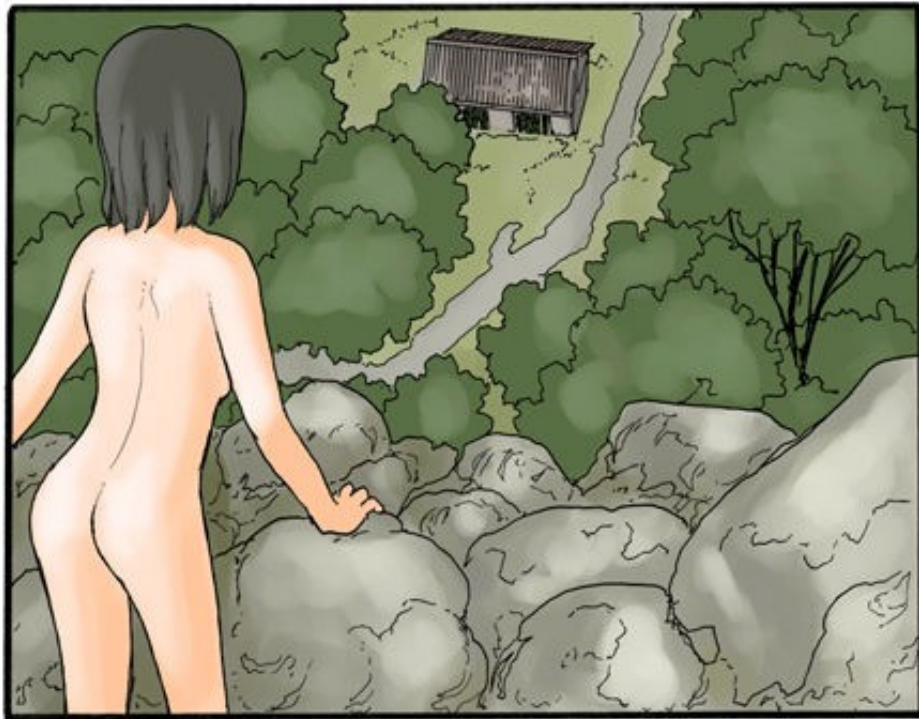

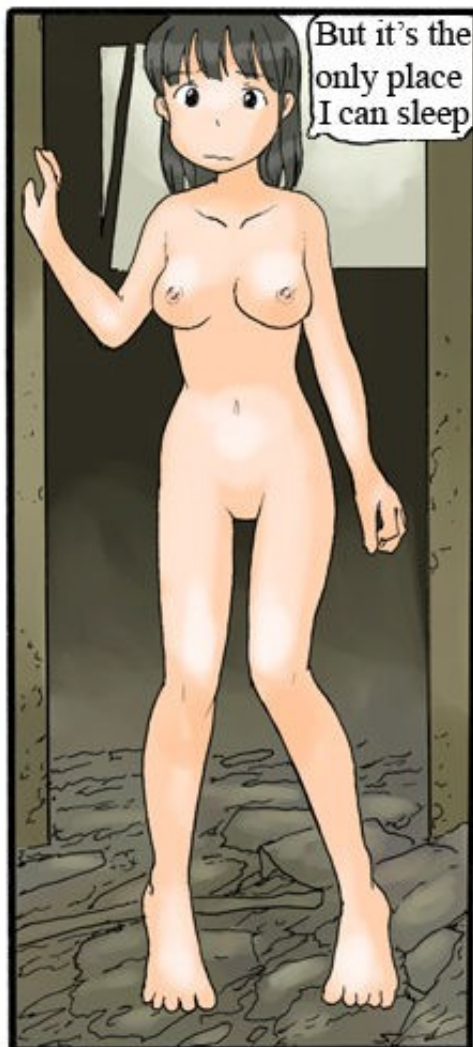

oh no, it's getting dark...

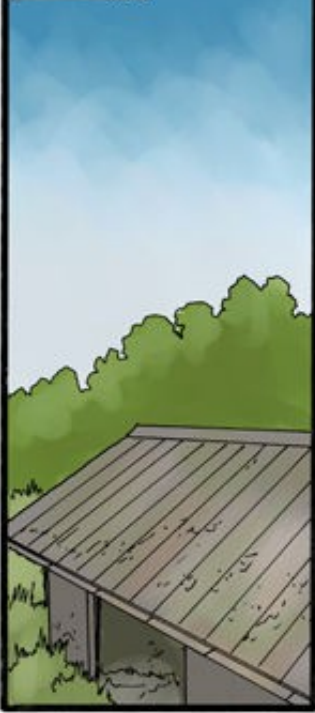

it's filthy...

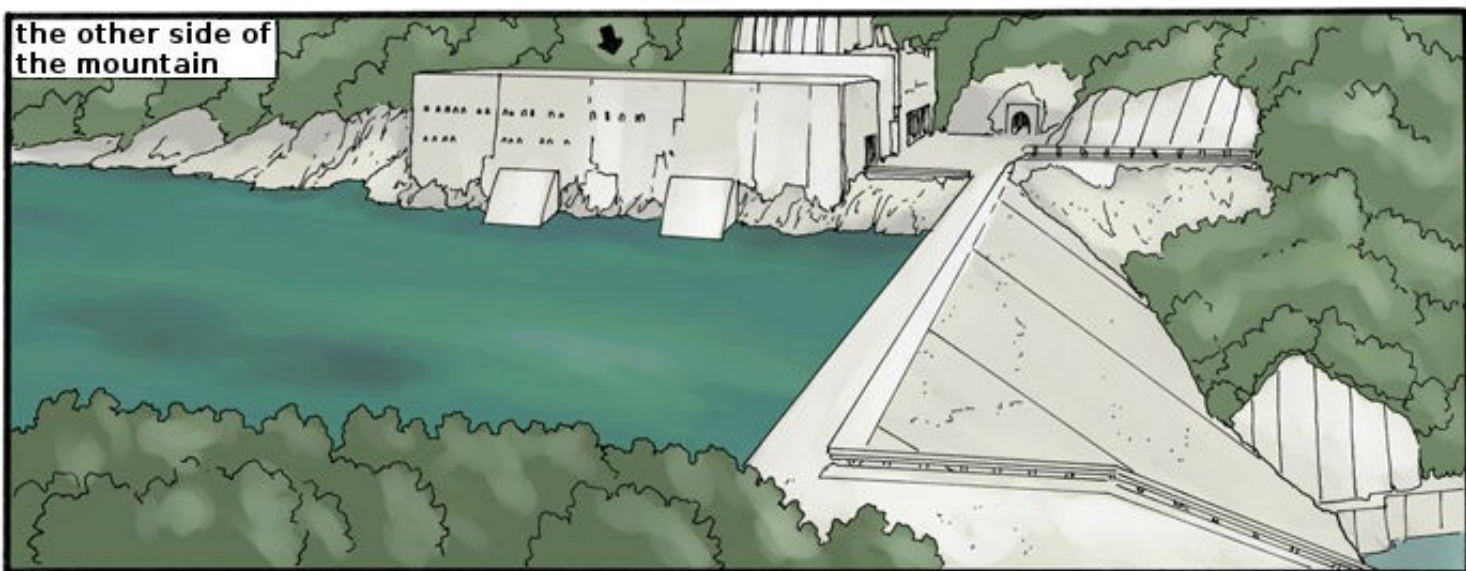

But it's the only place I can sleep

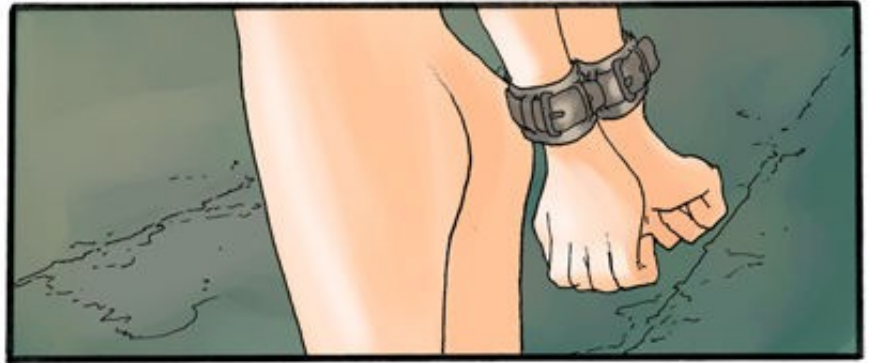

the next morning

the other side of the mountain

It's not a piercing

day one

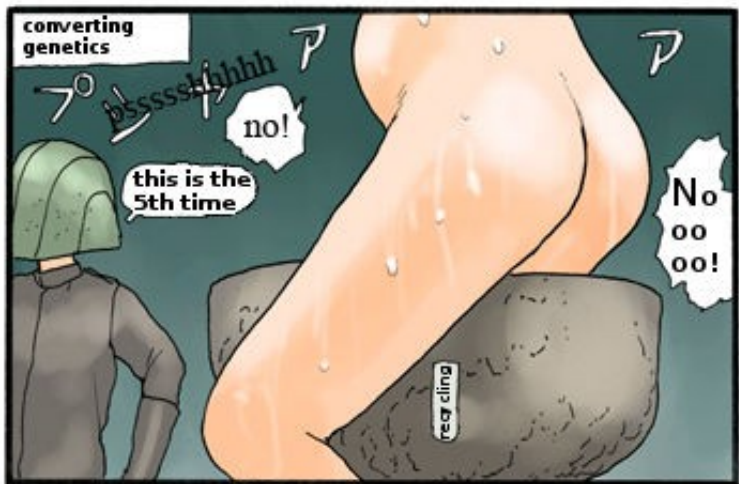

day 3

fir acimation

Day 5

preparing for live underwater

converting genetics

this is the 5th time

No oo oo!

8th dY

your partners

ugh

The "Dormitory"

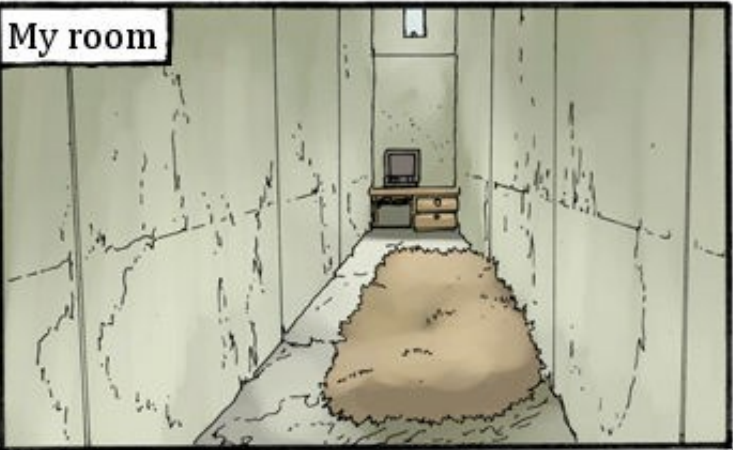

Is she the new girl?

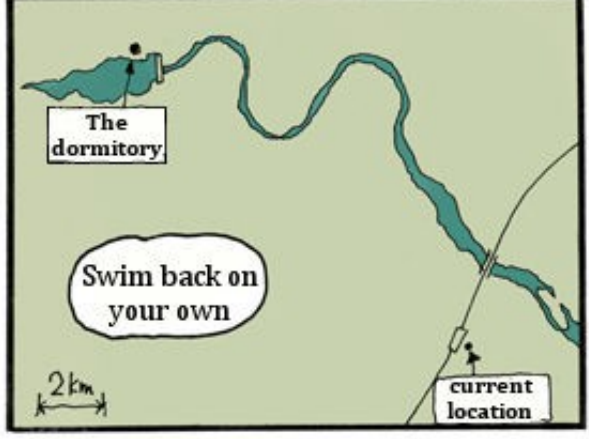

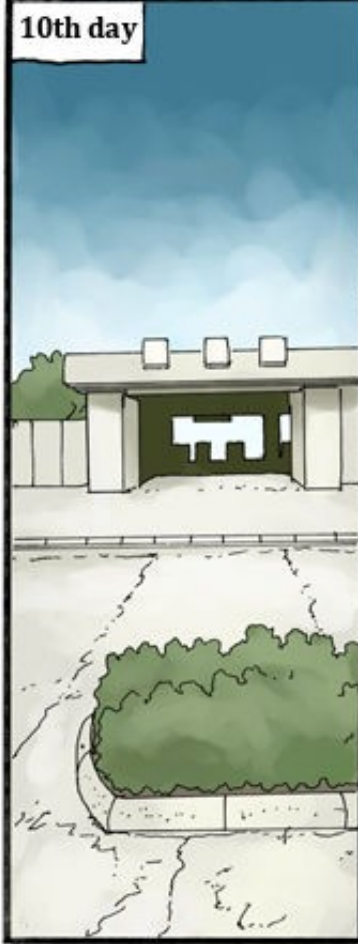

She is

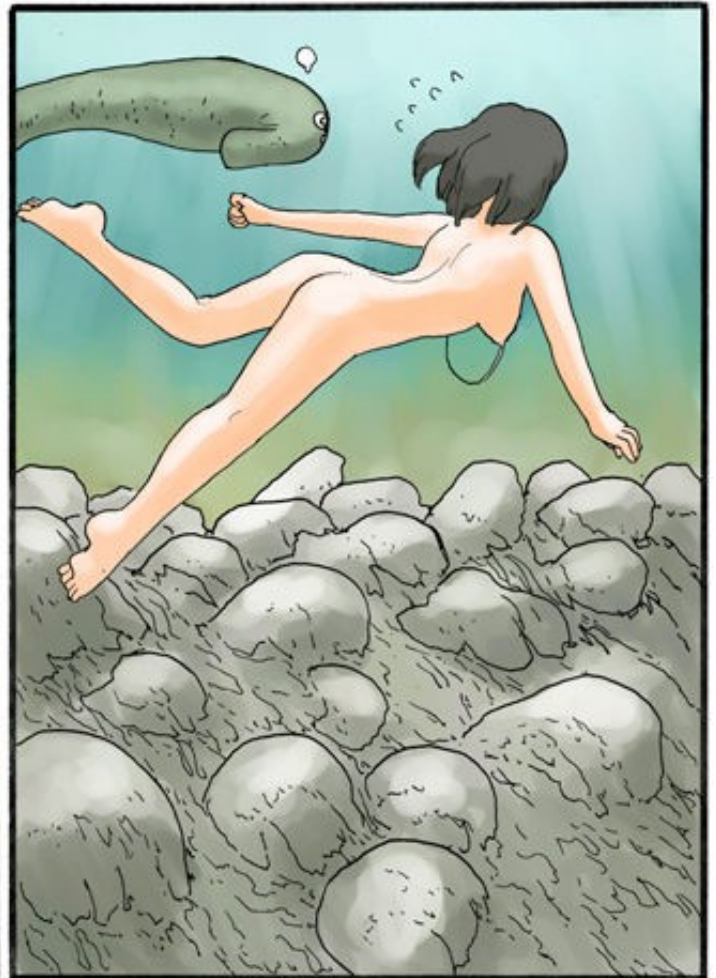

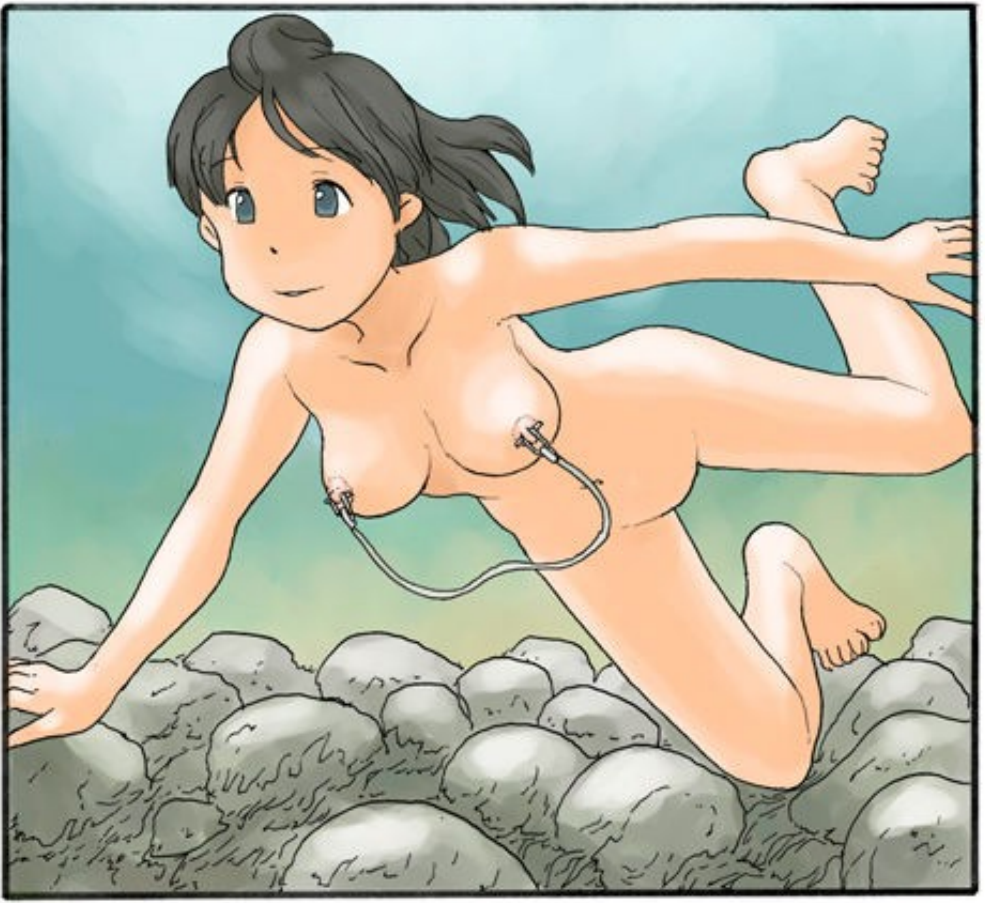

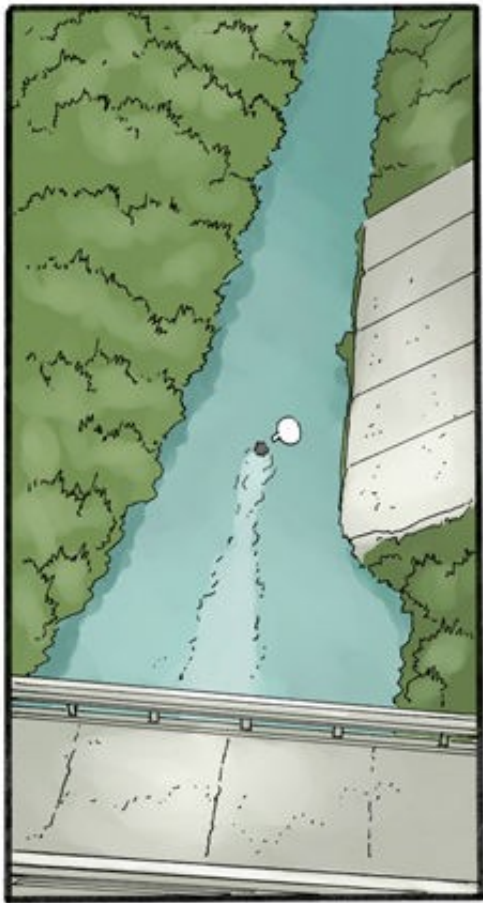

19?

My room

㊦ -Loud rattling and humming sound
