

It's my first summer vacation since starting college. I haven't been down this way in a while.

I should have taken my bike...

so hot
it's so Hot

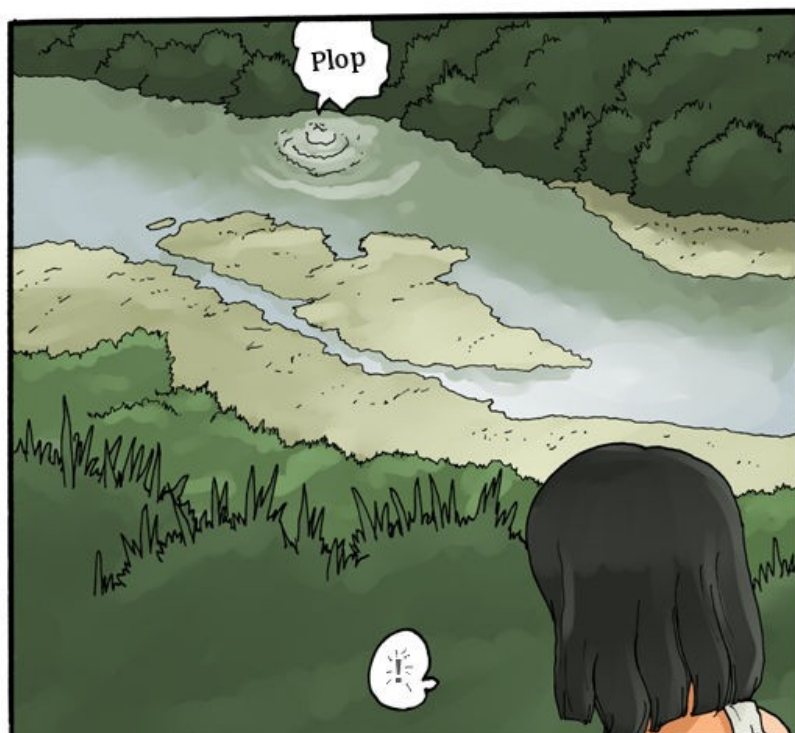

hot...

I think I'll buy myself some juice when I get to the convenience store.

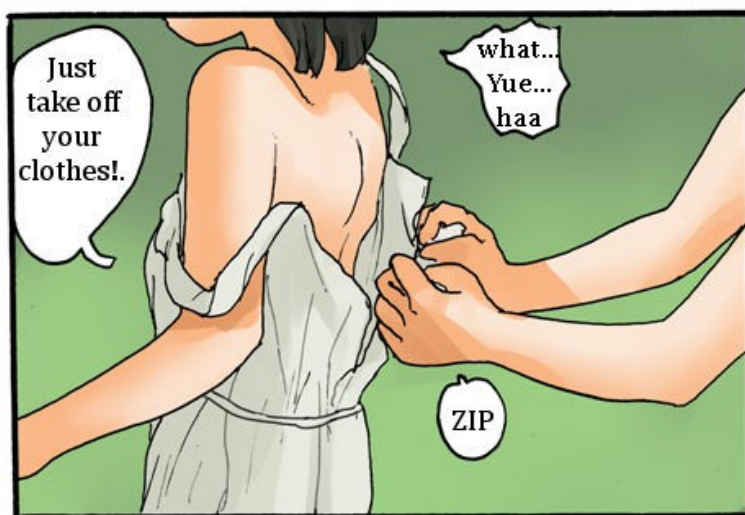

It's so, Hot...

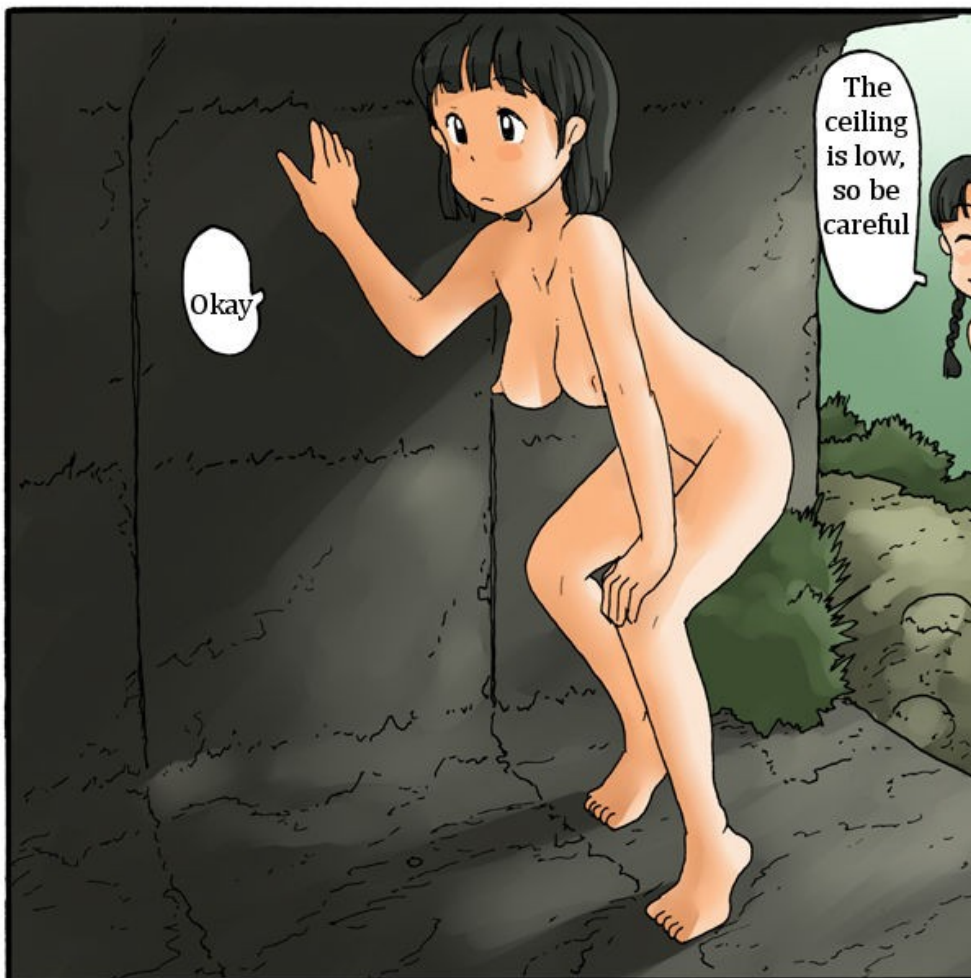

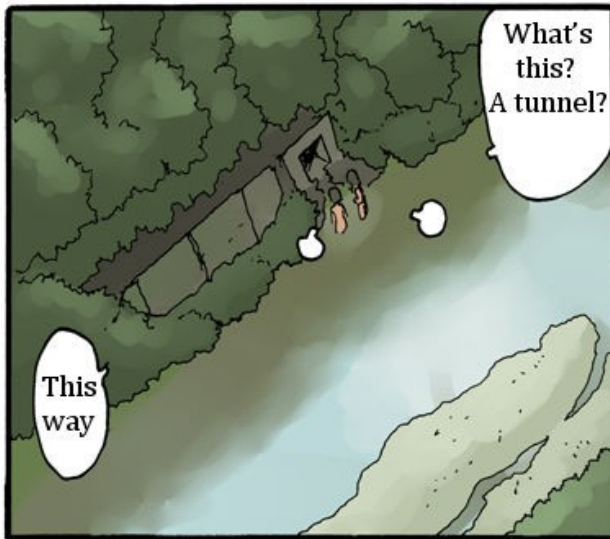

sweat lot
sweat lot

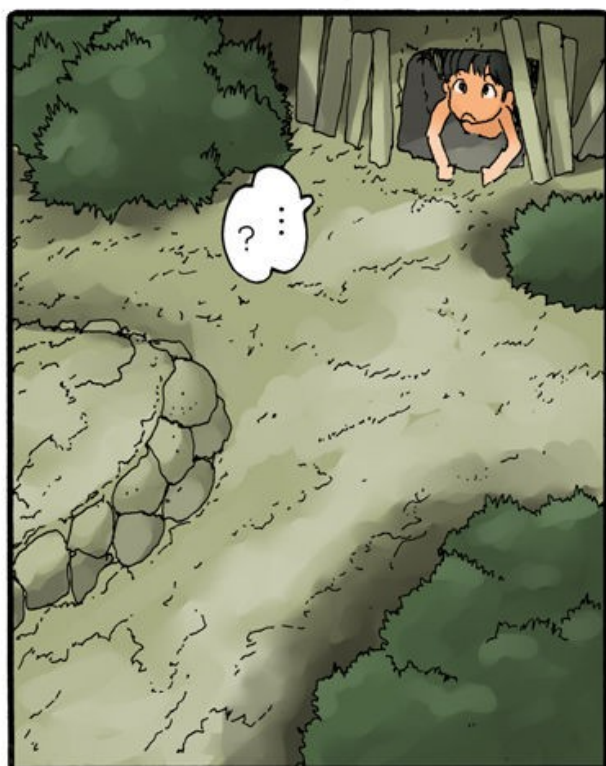

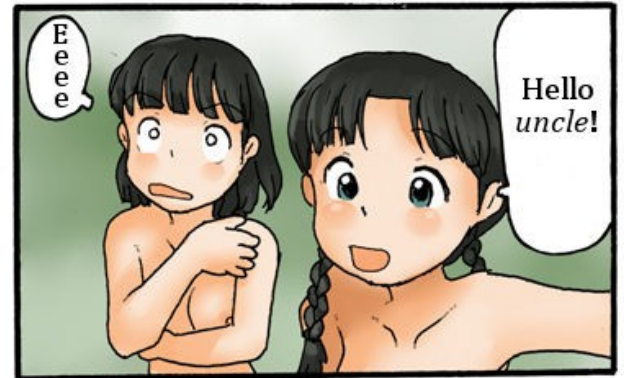

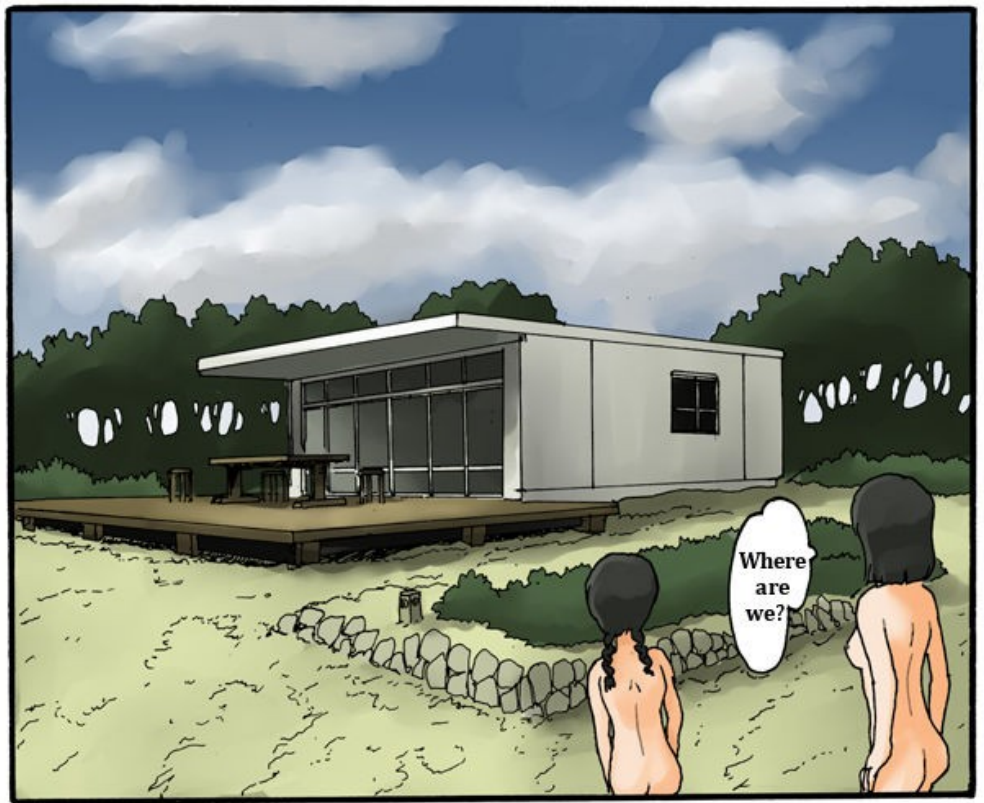

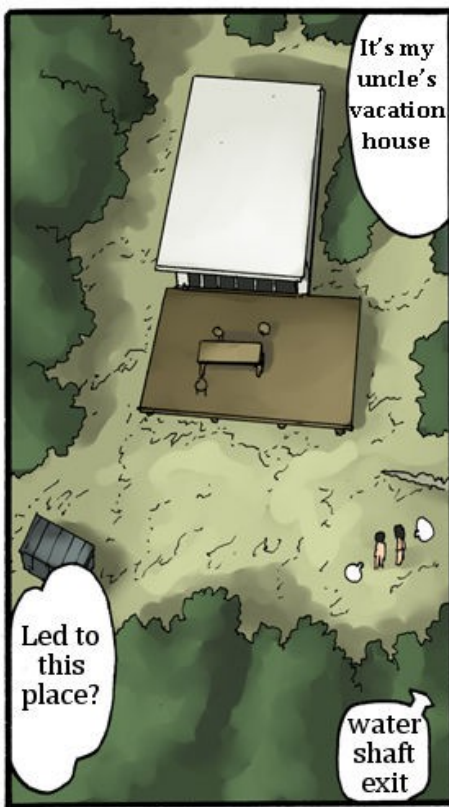

Plop

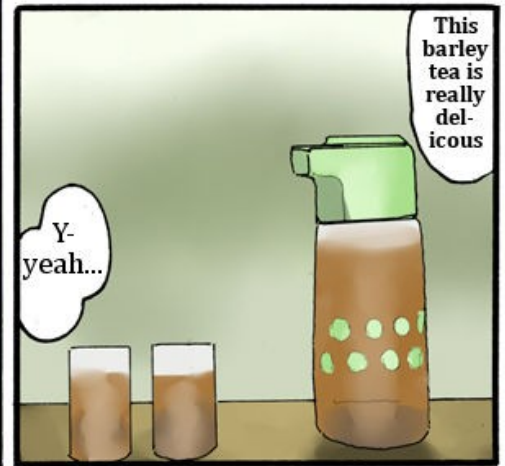

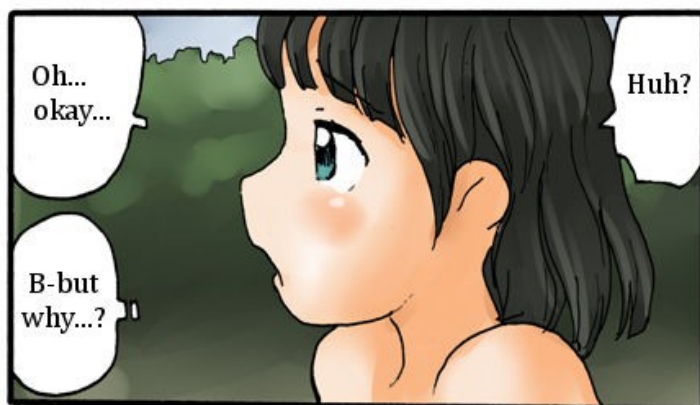

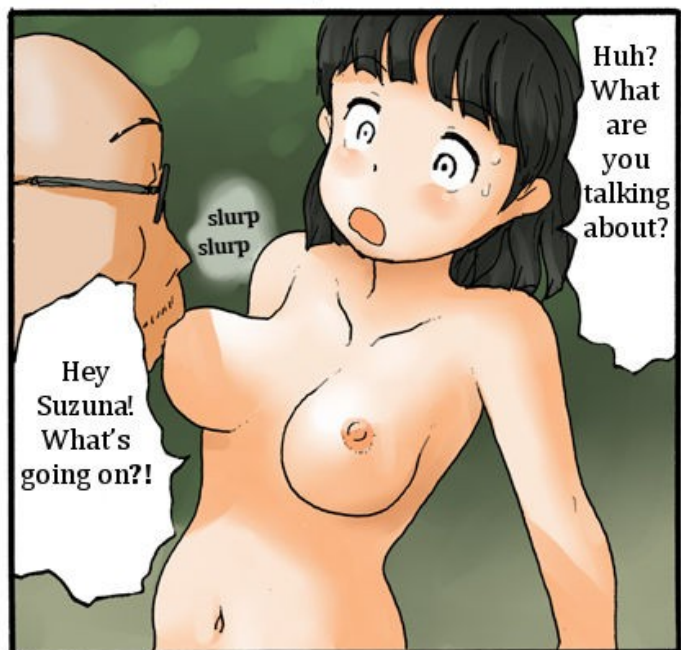

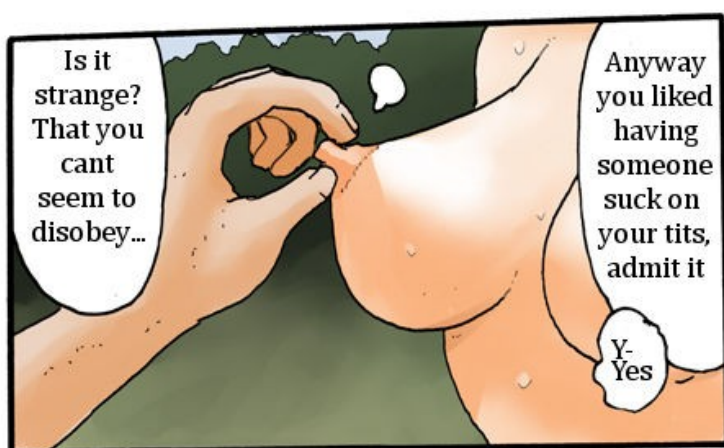

※ Maybe this is possible if he uses enough force

M-master,
I want you
to cum
inside of me,
lots and lots
please

S-
some-
thing
inside
me....

Huh

I thought it'd be
fun for us to be
together

Anyway,
Suzuna,
I thought
we'd be
great
friends

What
did you
say you
wanted?

W-
what
did
you
say?

I just...
um...

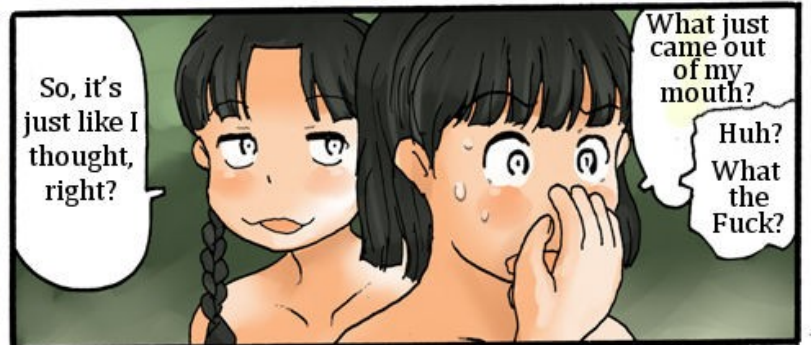

You
want me
to come
inside of
you
right?

Ahh

But -

Ahh

schlick
schlick

So, it's
just like I
thought,
right?

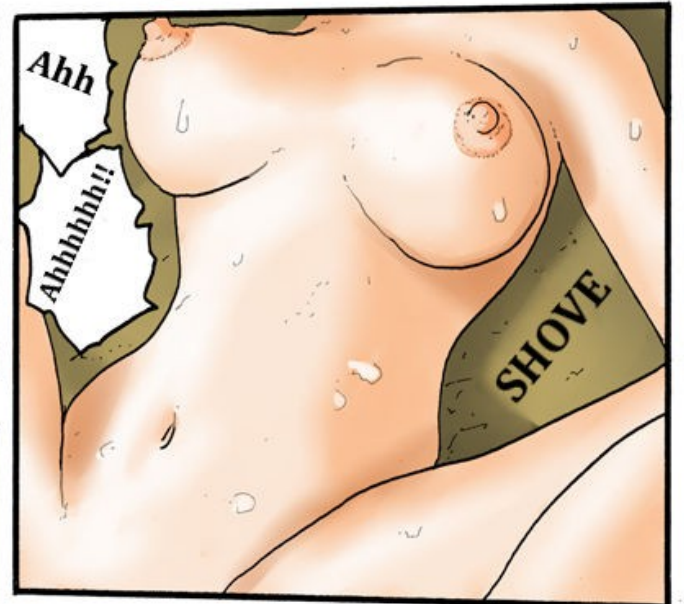

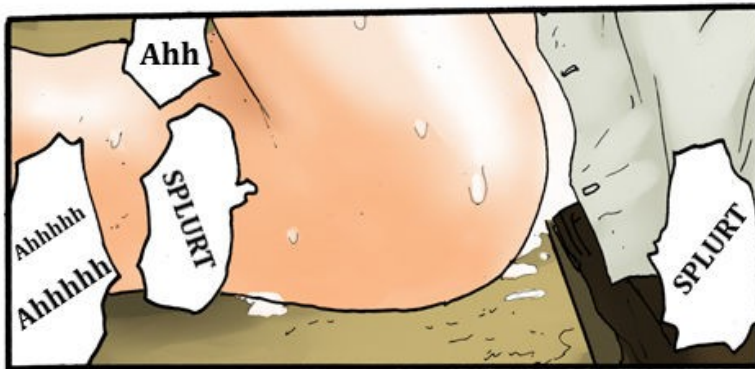

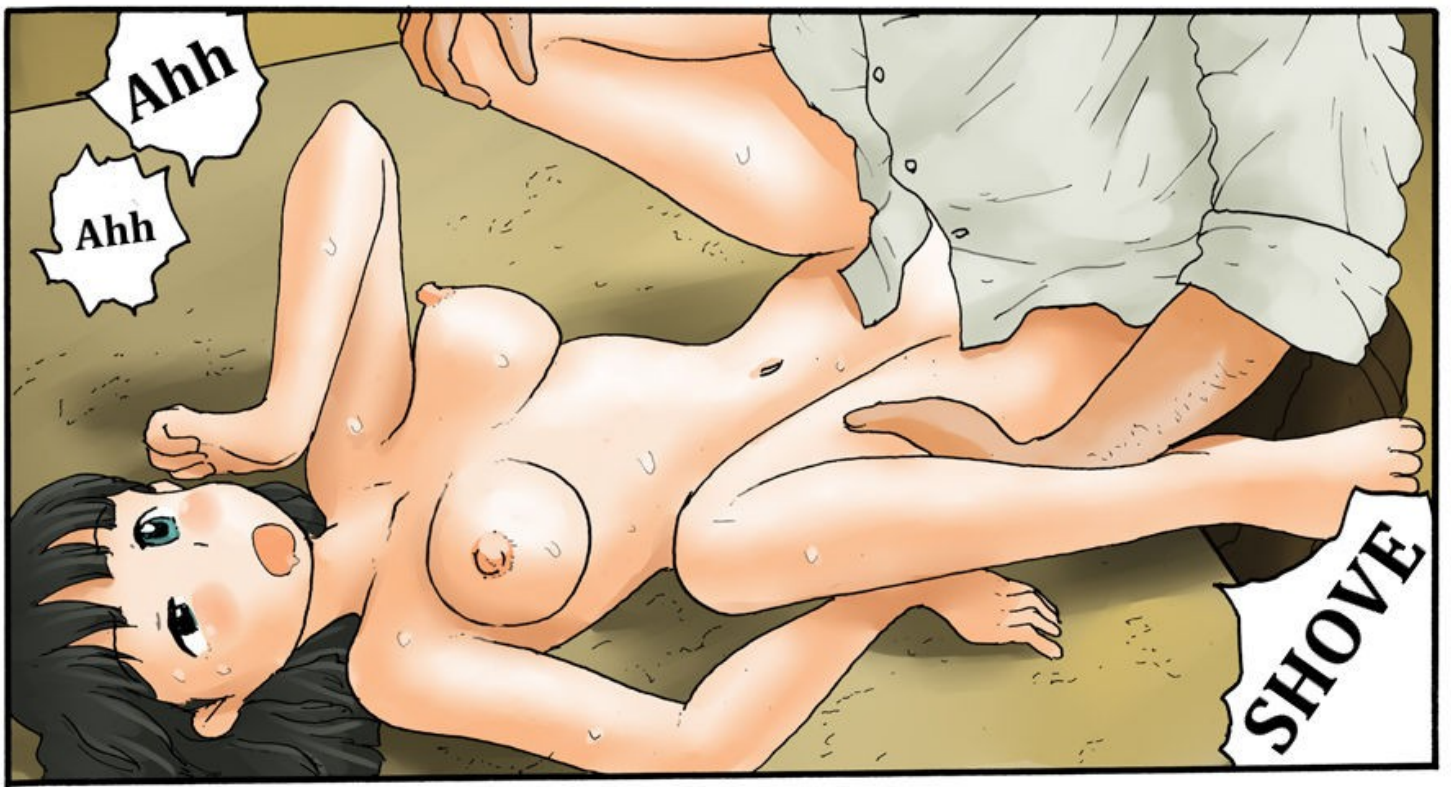

What just
came out
of my
mouth?

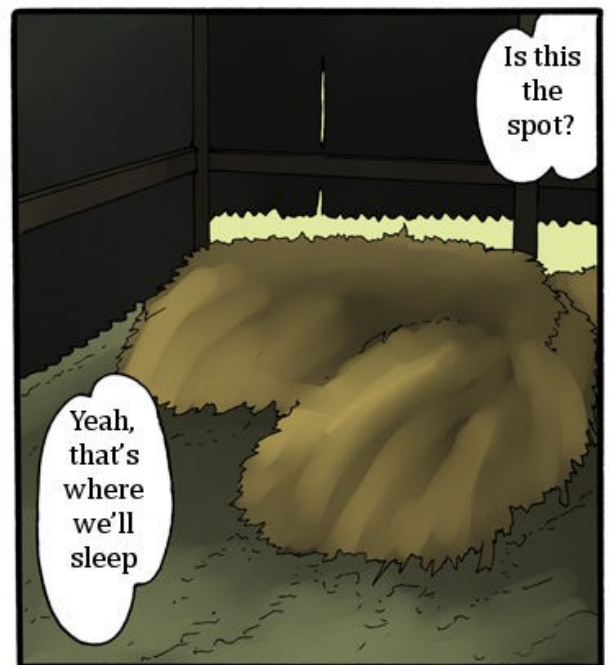

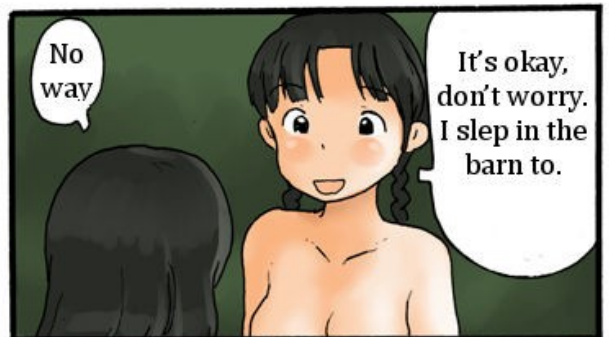

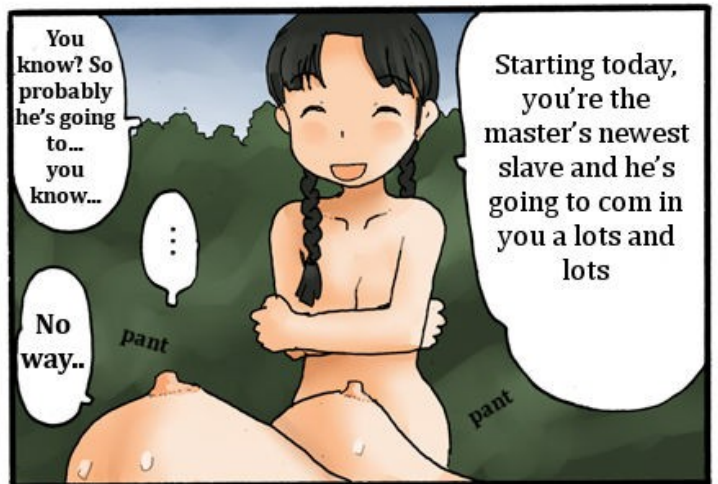

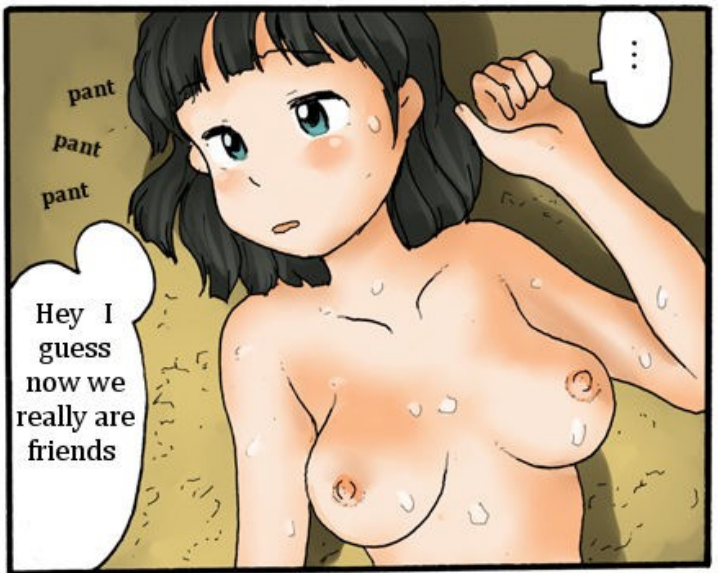

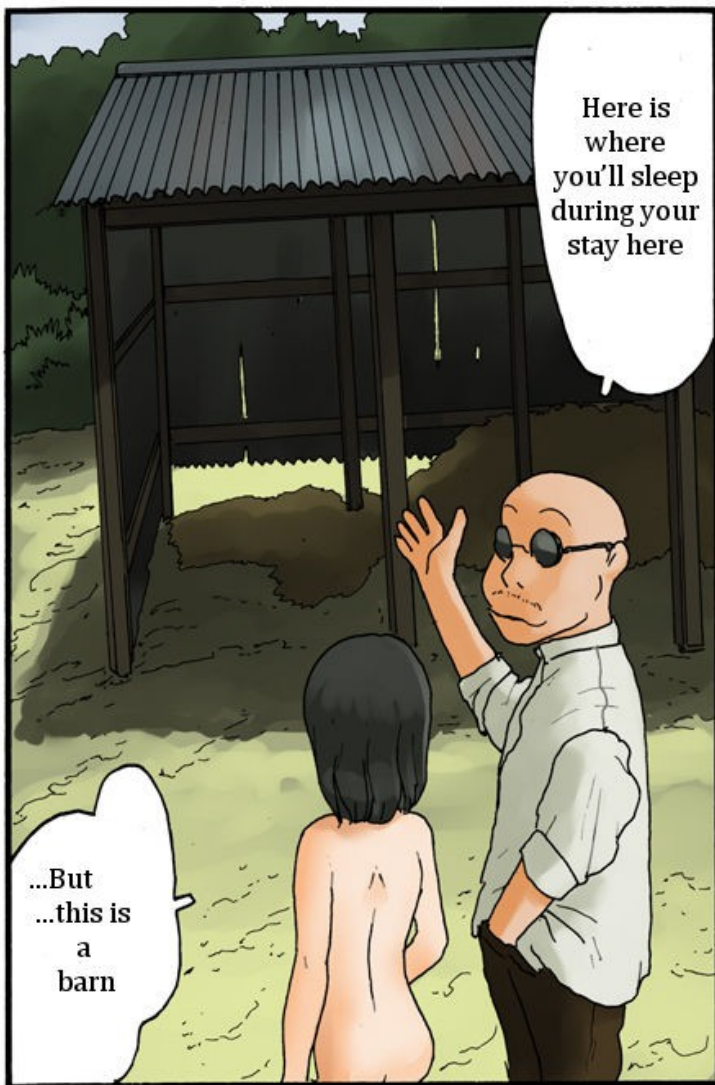

Huh?
What
the
Fuck?

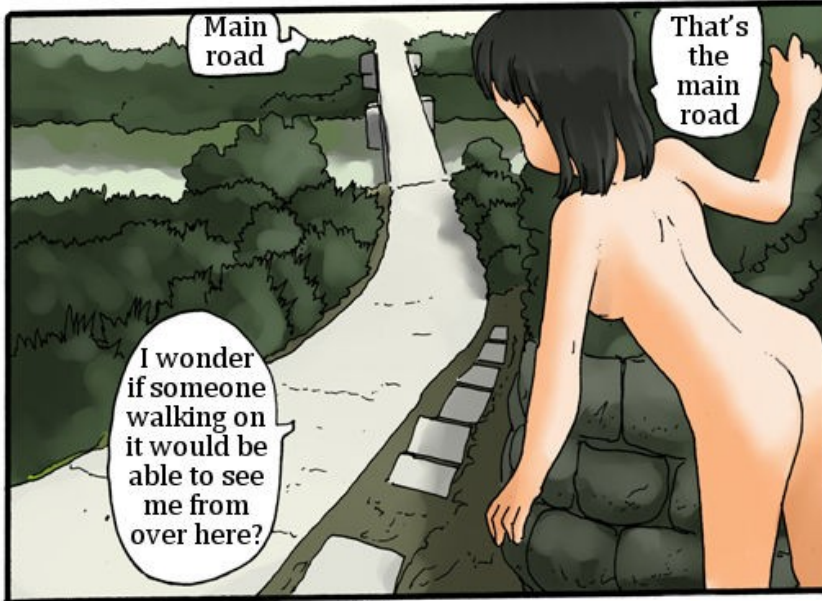

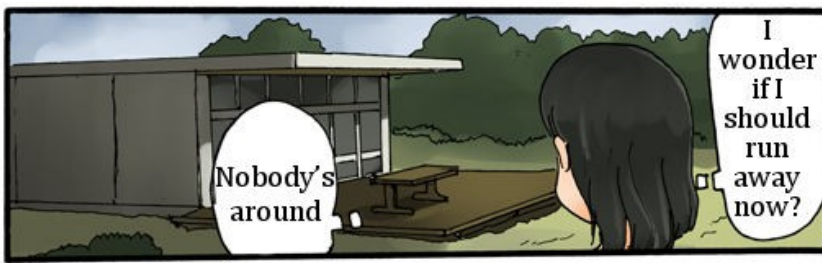

Wel then,
let's do it

Ahh

Wide open space
