

When was it exactly that I fell in love with prostitution? With entangling myself with dozens of different men, each with their own little quirks, before parting in the night, never to meet again?

His rapidly softening dick bids its farewells within my mouth. And so ends another day.

Of course, while I very much appreciate the money, I'm struck with a feeling of emptiness when I get paid. I wonder why?

Yep! Thanks! ♡

There you go. Will this be enough?

Another chilly one tonight...

Sigh...

Let your hearts and bodies warm each other up on snowy nights.

I wonder what that man is doing out here on such a cold night?

Good evening!

Huh? Wha? Who is it?!

Rustle!

Ha ha! Did I make you jump? I'm Yuki. What are you doing out here, mister?

Boo! Down here!

Wahh! W-w-who are you?

Ohh... Ohuu uh...♡ Ish sooo fat...!♡

For crying out loud, we're barely getting started! Keep it together!

Righty then...

Ho aa n!♡

Before I knew it I found myself intimidated even by the younger women at my office. Be it at home or at work, there wasn't a single woman I could stand up to.

I became more lenient and pandering to try to get back on her good side, but that had the complete opposite effect. Now every time she opens her mouth, it's to hurl insults and spite my way.

I tried time and time again to give my own daughter a stern talking to. Time and time again, I was glared at like trash on the side of the road and disregarded.

And yet ...

Right now I'm pinning down a girl around my daughter's age and making her submit to me!

This is what I've been intimidated by this whole time...?
What a fool I've been!

More...!

Hello?

She has quite the foul mouth! I feel sorry for you!

Oh my, is that your daughter?

D-d-don't be silly!

We can't let this magnificent boner go to waste!

Ugh, don't yell in my ear! I can smell your gross breath from here!

Stand

What happened to the big strong man that was making a girl his daughter's age burrow her tongue into his filthy asshole mere moments ago?

Well Nho ...? oh! ♡

You're not that pathetic, are you? ♡

At this rate you're going to sputter out your cum like worthless garbage while your daughter berates you! ♡

Fuckin' codger, I'm talkin' to you!

Listen here! You watch that filthy mouth of yours when you're speaking to me!

Akemi !!

Pa-thetic ...? At this rate... I'll always be...

I've put up with your nonsense until now, but enough is enough! You're getting a serious talking to when I get home! Got that?!

But regardless... That manly display was a million times sexier than watching a father who can't discipline his own child. ♡

Just blowing his lid like that probably won't actually amount to anything in the long term. It might even just make things worse...

Hm mm... Well, that's not the only reason. ♡

See? You do have it in you! You did great! ♡

Yuki ...

were you provoking me deliberately to get me to snap like that?

Take me! ♡

Smooch

Ha ha... well, shucks.

Oh, really?

You've come a long way from the miserable old soul sitting on the park bench this evening. Now you're positively glowing.

Looks like you're gonna be just fine. ♡

Hm?

He said we should both forget about tonight. Yet another fleeting interaction. Business as usual.

Keep at it, Daddio! I hope everything works out with your daughter!

I don't think that's all. I may not entirely understand why, but the void I usually feel is filled to the brim with warm, happy feelings! And I think that's what matters!

I have you to thank for that, Yuki. You have my gratitude.

And yet the emptiness I was expecting at our parting was filled.

Is that because no money changed hands tonight?

No...
