

I was a little sad, but there was still reason to celebrate.

In order to accompany my dad after he married into a new family, I left my hometown.

Keiichi-san, this has been on my mind for a while now, but...

So from now on, I'll be living together with this Mitsuko-chan under the same roof, huh?

Ah, this?

...What exactly is that bag?

It was a farewell gift from my friend.

After all, I got myself such an adorable little sister!!

I wonder what's inside the bag.

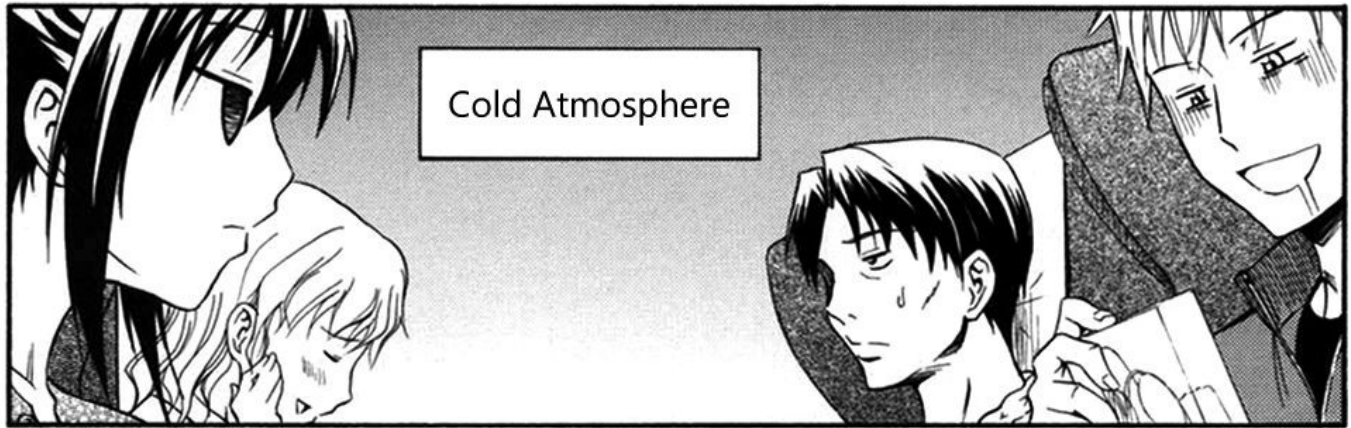

Oh, what a good friend you made there.

Ah yes,
I'm
back...

Welcome
back.

I'm
home.

We got it as a gift, after all.

Should we... try using this thing?

What are you talking about?

But... I have no girlfriend who could use it...

...!?

Why are you holding that...?

Isn't there a nice girl who could test it out right in front of you...?

...

It's "simulation".

There's no way this can be real!

What kind of love simulation is this!?

and now she's seducing me...

Wait, hold on! I got a little sister not related by blood...

...Then this is even more difficult to understand.

having to live together with a boy around my age all of a sudden

That said, Keiichi-san,

is like a shoujo manga story to me too.

?

Well, you have a point.

I didn't really turn up sparkly like how the usual main guy does in a shoujo manga, did I?

Dating someone like me is kinda...

So, you agree with that too?

Don't you think that it isn't really strange for you to be interested in me?

You already got hard just by being close to me?

I'm saying this as your big brother!!

I say it's better for you to do it with someone you like...

Of course it's not strange.

I... I'm at that stage in puberty so I can understand that, but...

Did I...?

Kei-Nii-san, I don't remember saying that I don't like you.

...

...

My body is getting hotter as well... ♡

This feels so great, Mitsuko-chan... Ugh!!
