You've been looking really tired lately, Tecchan.

So I wanted to find something I could do to...

...Umm... Tecchan?

I read on the Internet that this helps fatigued men get back on their feet~

Uhh...

Soo... what do you think? Feeling more energetic now?

You scared me... There's no need to rush, you know-?

And just
let me
take good
care of
you~
♡

You can
forget
all that...

That's it,
that's it-
♡

GURP...

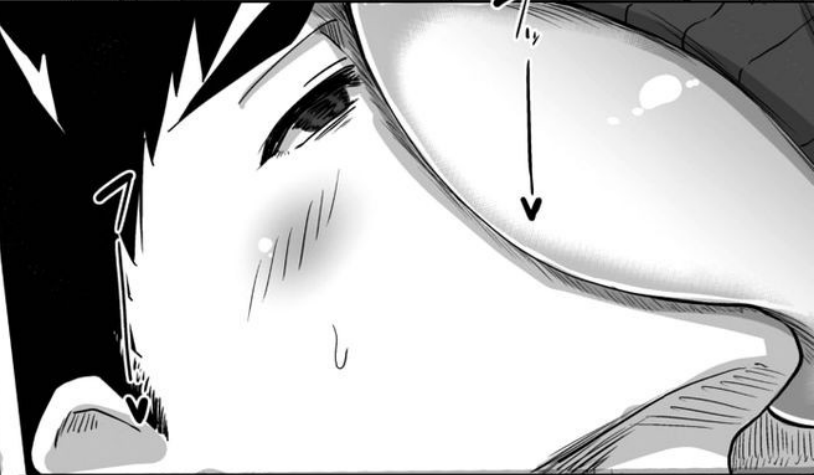

He's like a big baby~

Now, let's get you out of your stuffy suit~

And then let's get it aall out...

All that pent-up stress and tiredness~

I know you like it when I rub the underside with my fingers...

I know all your weakest spots, you know~

And when I rub the head real rough~ ♡

Feels...

That... ♡

Ah ♡

Hah ♡

Really good... ♡

All you need to do is lie down and take it easy, okay?

I see... That's great~ ♡

Yeah...

Did that feel good?

Wow~
♡
Look at it fly~
♡

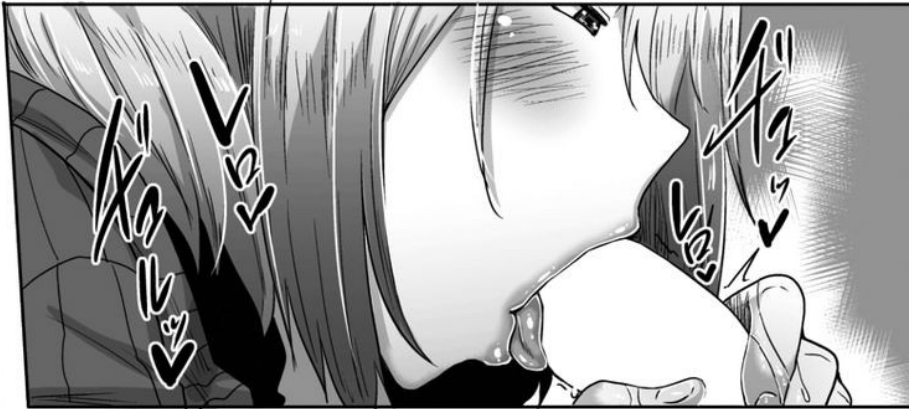

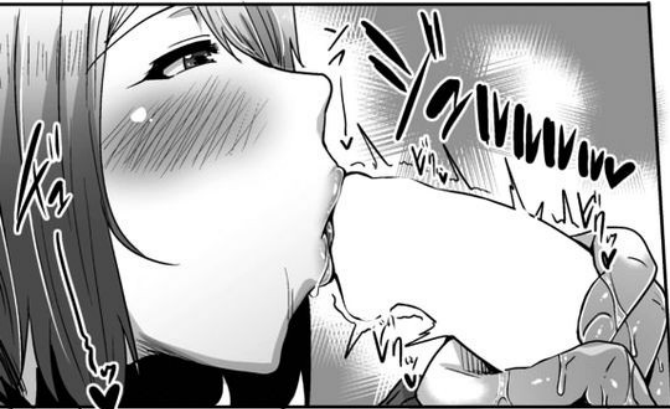

Hah'sh greah...
♡

I'll clean it all up for you, okay~?

IT'S WARM,
IT'S SOFT,
AND IT FEELS GOOD...

ALL MY SENSES

I'M SO LUCKY TO HAVE HER...

Tecchan...
I'll do whatever that makes you happy...
♡

That's why, Tecchan...

Don't shoulder all the responsibilities by yourself, okay...?

Nn Haah

Fufu

Yukie san...!

Nnn...

You can come whenever you need to~

I really love you lots, Tecchan...

I just didn't want you to go through that stress...

And the wedding's coming up... I thought I'd take care of it all...

This time of the year is a really busy time at work...

I know.

I know.

...I know.

You really had it tough, didn't you.

I know.

Yukie-san...!

But you can take it easy now.

...Yeah.

Sweet dreams, Tecchan.

If you feel sleepy, you can go to sleep whenever you want.

There we go...

You don't need to worry about anything... I'll take care of the rest.
