I Tried Filming

11x撮り3Pしてみた。

Threesome POV Porn with my Sister and Girlfriend.

HATORI RIKA (16)

The protagonist's older sister.

Around the time when she was 9 years old, her brother and her watched their parent's homemade POV porn by accident.

She has been hooked on POV porn ever since then.

When she turned 13 she became increasingly dissatisfied with the POV porn she found online.

She became determined to record her own with her brother: "Our Ideal POV Sex Recording for Masturbation Purposes".

3 years later (present day) they carried out their plan and recorded one.

The video was then intentionally "leaked" by them online.

Currently, they still continue filming POV porn in addition to recording it while livestreaming.

She does not have romantic feelings for her brother, but rather thinks that he is the ideal partner for the purpose of filming POV porn.

She hates having her face recorded although she is somewhat narcissistic. Her reason is because it is hard to masturbate while seeing your own face.

A lot of embarrassing close-up shots of her face have been recorded by her brother which is something that she doesn't particularly like.

She loves close-up shots of genitals and her favorite sex position is missionary.

She walked in on her brother and his girlfriend filming POV porn and so she proposed that they try filming a threesome.

Sou's classmate and lover.

NAMISHIMA MIZUKI (13)

While searching all over for POV porn, she stumbled upon the Hatori siblings' POV video by chance.

Since then she became a huge fan of them. She also watches every livestream that they do.

Although she fell in love with Sou even before finding out about the videos, after watching them she came to love him even more.

She has a habit of blurting out whatever is on her mind whenever she feels too good. As a result they were able to gain a mutual understanding of each other and thus began their POV recording.

She gets horny whenever Sou's dick appears to be feeling good.

She seems to have innate sexual talent, as she is quite skillful at sex, despite experiencing it only once.

In regards to Sou having sex with Rika, she is not only okay with it, but she often pushes him to do it with her more often.

She loves the cowgirl sex position and her favorite thing to do is giving fellatio. She gets the most excited from mating presses, a fetish that she picked up after watching the Hatori siblings' POV porn.

She immediately accepted Rika's threesome POV proposal without a second thought.

■ AFTERWORD ■

Hello, Satsuki Imonet (satsukiimonet) here.
This will be the third time in a row
that I've participated in Summer Comiket.

Although this time I am participating with my first
original doujinshi work, for those fans who know me
from the time I was commercially published in magazines,
I am sorry to have kept you waiting.
This will be the continuation of "that POV sex thing" which was
supposed to have ended along with the publication's cancellation.
At first I didn't really feel like drawing the continuation of this
series but when I participated at Comiket there were many people
asking "will you continue that POV sex thing";
as a result we have this doujinshi.
Although I plan to make two more sequels after this one,
if they are well received, I will think about making more.

Thank you very much to those of you who have bought this work
for the first time.
This work was made in a way so that you are able to understand
the series without having to read the previous chapters.
However, I think there are parts that weren't explained too well as
the explanations were abridged.
Digital editions of previous works are available for sale on DMM.

1st work

『A Brother and Sister Tried Filming their Ideal POV Porn /
Shitei de Risou no Hamedori Shitemita』

2nd work

『My Favorite Classmate Tried Filming POV Porn for Fapping Purposes /
Daisuki na Classmate ni Shikottemorautame no Hamedori Shitemita』

Both of these works came out entertaining,
so for those who are interested please give it a read.

And with that, let us meet again another day.
