Incontinence

This bitch's squirting while she's choking. This is why real women are inferior.

Then that means she came here hoping to fall victim to us otakus. You're a real Pucking slut, aren't you?

What a bitch...

People are worrying about this chokehold-loving whore, yet she doesn't feel a Pucking thing.

But I'm...

Not a real woman, I'm a Virtual YouTuber...

Get her damn clothes off!

Both, maybe.

ori... cum and pass away?

I'm gonna cum and pass out... Ah, it's all over...

ALL THESE MESSAGES

Yeah, she's Pucking hot as long as she isn't screeching.

Wow, this bitch actually gets me rock hard when she shuts up.

Get ready to choke her again if she wakes up. Cuz her voice makes me go limp.
