

Isn't it obvious?

The reason why you're calling me to a deserted classroom after school...

Fufu
♡
What could it be, Sensei?

.....

Supplementary lessons.

If I get a poor score on this supplementary print...

I get a perverted punishment.
What do you say!?

...She takes things a little too far sometimes.

Yashiro Chiari.

A student in my class. Elementary School Sixth Grade.

...Oh, yeah.
Sensei!

Ah.
What is it, Chiari?

「せっかくなので教室で」

Eh~

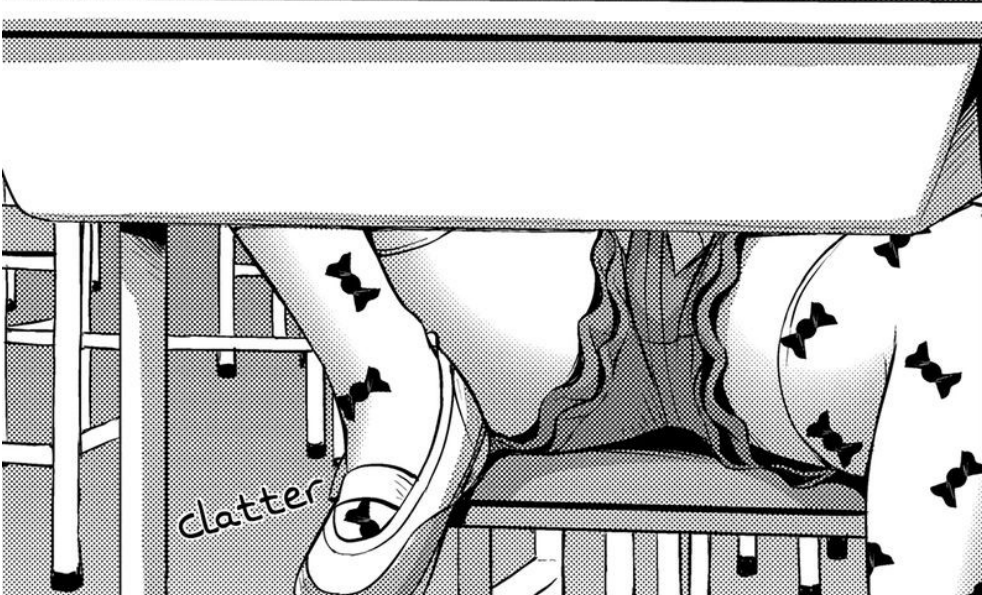

I don't want
to be
punished~
♡

Idiot.

If I do that,
you'll get a
bad score
intentionally.

Wiggle

Boo...

You're always
thinking up
ridiculous
things.

Stop
dawdling
and get
that print
done.

Eh!?

...Well, if
you score
90 points
or higher,
I might do
something
as a reward.

Looks like they've gotten a little bigger than they were at first.

Grr...

A little... They've gotten pretty big...

...I guess there's no helping it.

Fufu

Don't act like you don't want to do it right away.
♡

Yes they have!

They haven't changed all that much.

They're definitely becoming more sensitive.

Let's see, then.

Ahh~
♥
Amazing,
Sensei.
♥

You can tell
whether or
not they've
gotten bigger
by doing that,
Sensei?

Yep, I can.

They
really have
become
a little bit
bigger,
after all.

Is that
something
that can
change?

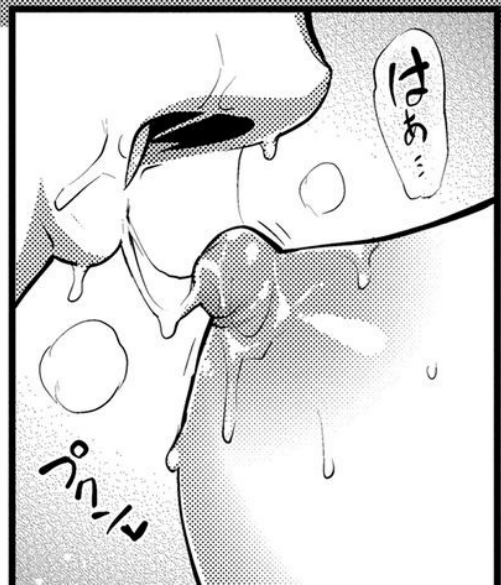

Your
nipples
are as
hard
as ever.

...Huh?

I want to
lick your
penis too,
Sensei.

It's no fair,
Sensei.
You get to
lick my
boobs all
you want.

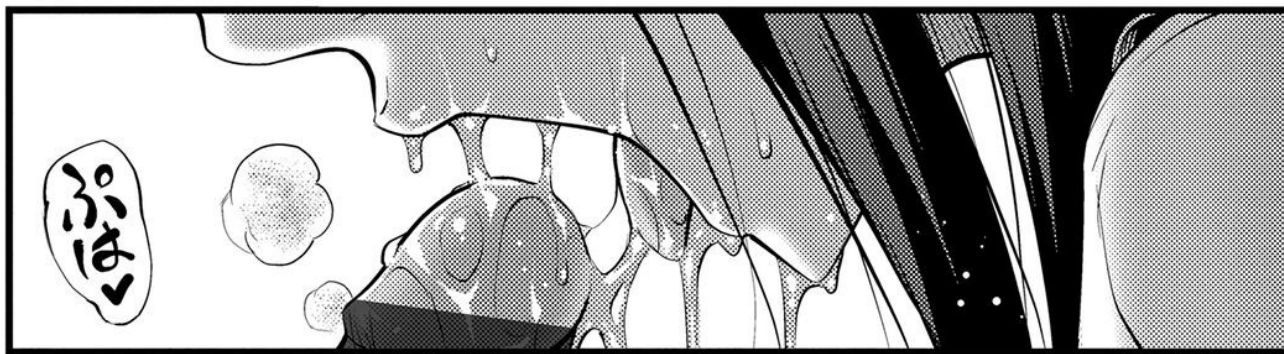

ぽろぽろ...

Are you ready...?

Hey, Sensei...

Uugh...

She's so freaking cute.

So that's how girls see Kumasawa?

As if, idiot.

Jealous?

...Well, being where we are we should hurry up and do it.

She's a pretty dirty girl, but she sure is cute.

Yeah.

He's quiet and kind of cute.

Then let's borrow this seat.

Isn't that Kumasawa's seat?

Kumasawa probably
would never imagine
his seat was being used
this way...

I'm sorry, Kumasawa...

Kumasawa-kun

Come on.

Hurry up,
hurry up.

When I put my
dick inside,
she gets this
worked up...

Normally
she's just
a cheerful,
cute girl,
and yet...

It's a
complicated
feeling as
her teacher.

Her clit is
cute, too...

In this tiny
little pussy...

Whoa!
That startled me!

Nhaaa~

Clit?
What!?

So you like having your clit played with, huh?

What! Sensei!?

What'd you do!?

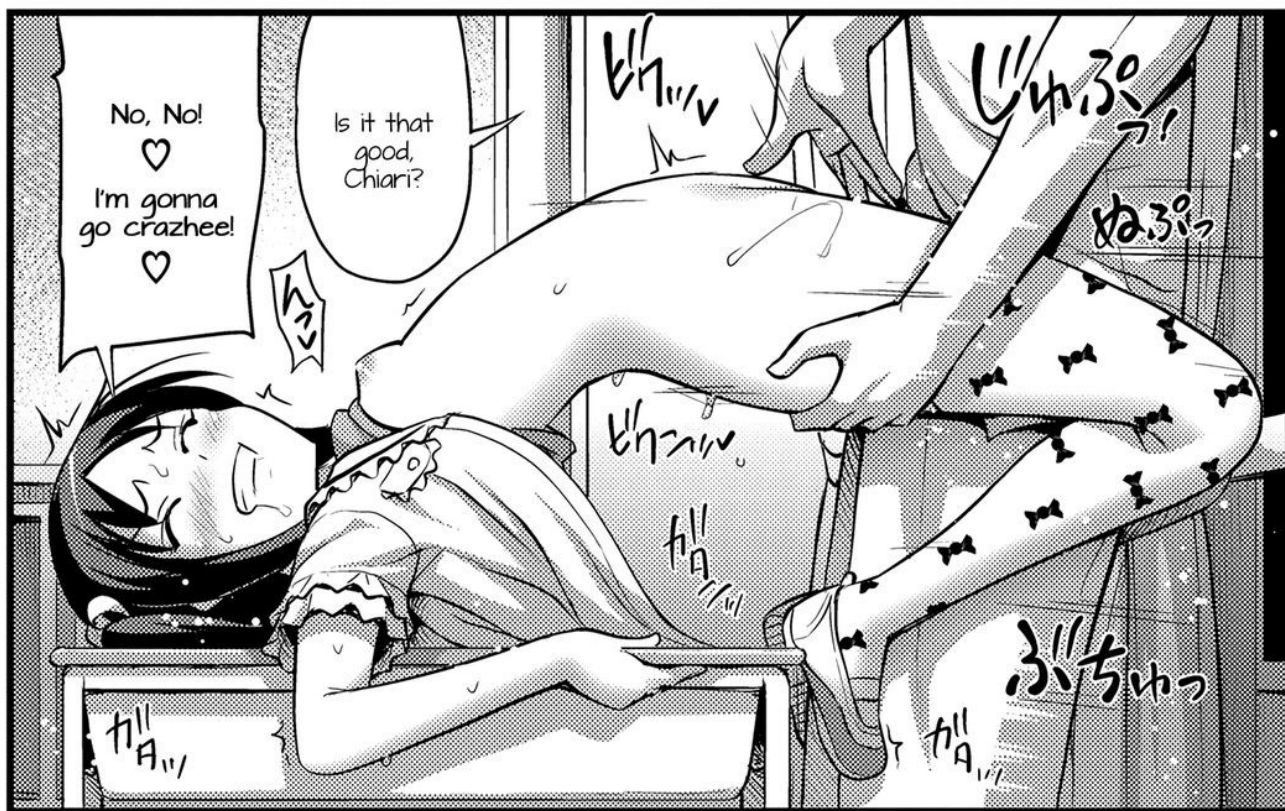

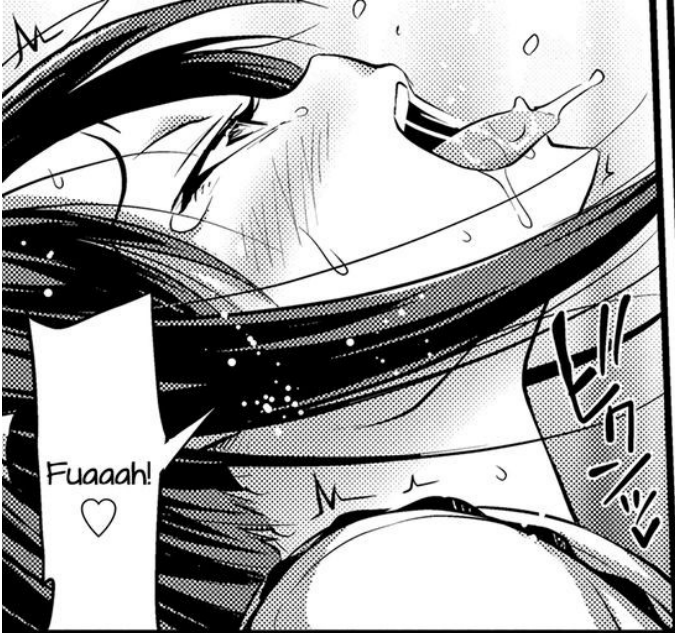

Phaaaa.

It's not goood!

ぬちゅっ

What a reaction.

It's soaking wet...

Kumasa-
sawa's
desk...

Geez...

Sensei,
you
meanie...

Ooh.

This is the
first time
you've
squirted.

Ehhh?

Don't take a test with the intention of getting supplementary lessons, you idiot!

After the next test, let's have another supplementary lesson.

Hooray!

...If you score 90 or higher on the next test, I'll do something as a reward.

Boo...

Ding Ding
Dong Dong

Next day.

End

...I'm sorry, Kumasawa.
