

Man, I wish I had bug spray...

Today I'm working in the Grugrei-whatever-forest... doing some orc extermination.

I somehow manage to make a living as an adventurer by overcoming the unfamiliarity of this other world by using a "reincarnation point".

It's been about one week since I leapt into another world...

Miss...

It's dangerous to be alone here-orc.

Ah!

This is a flag for conquering a girl's route!

Ahhh!

S-Stay away from me, you vulgar pigs!

You might run into a scary orc like me and get attacked-orc.

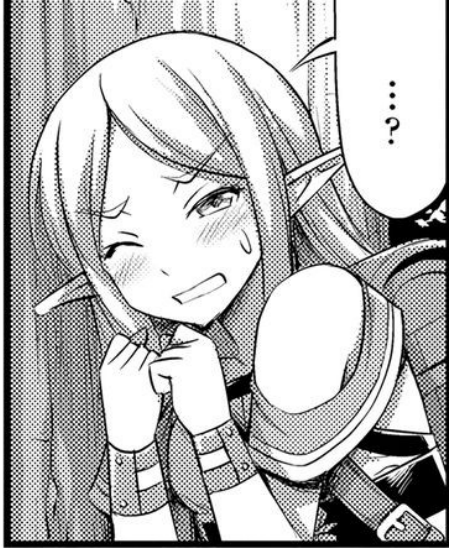

Oooh!

I'm coming right now!

You're gonna regret it!

Gah hah hah oink-

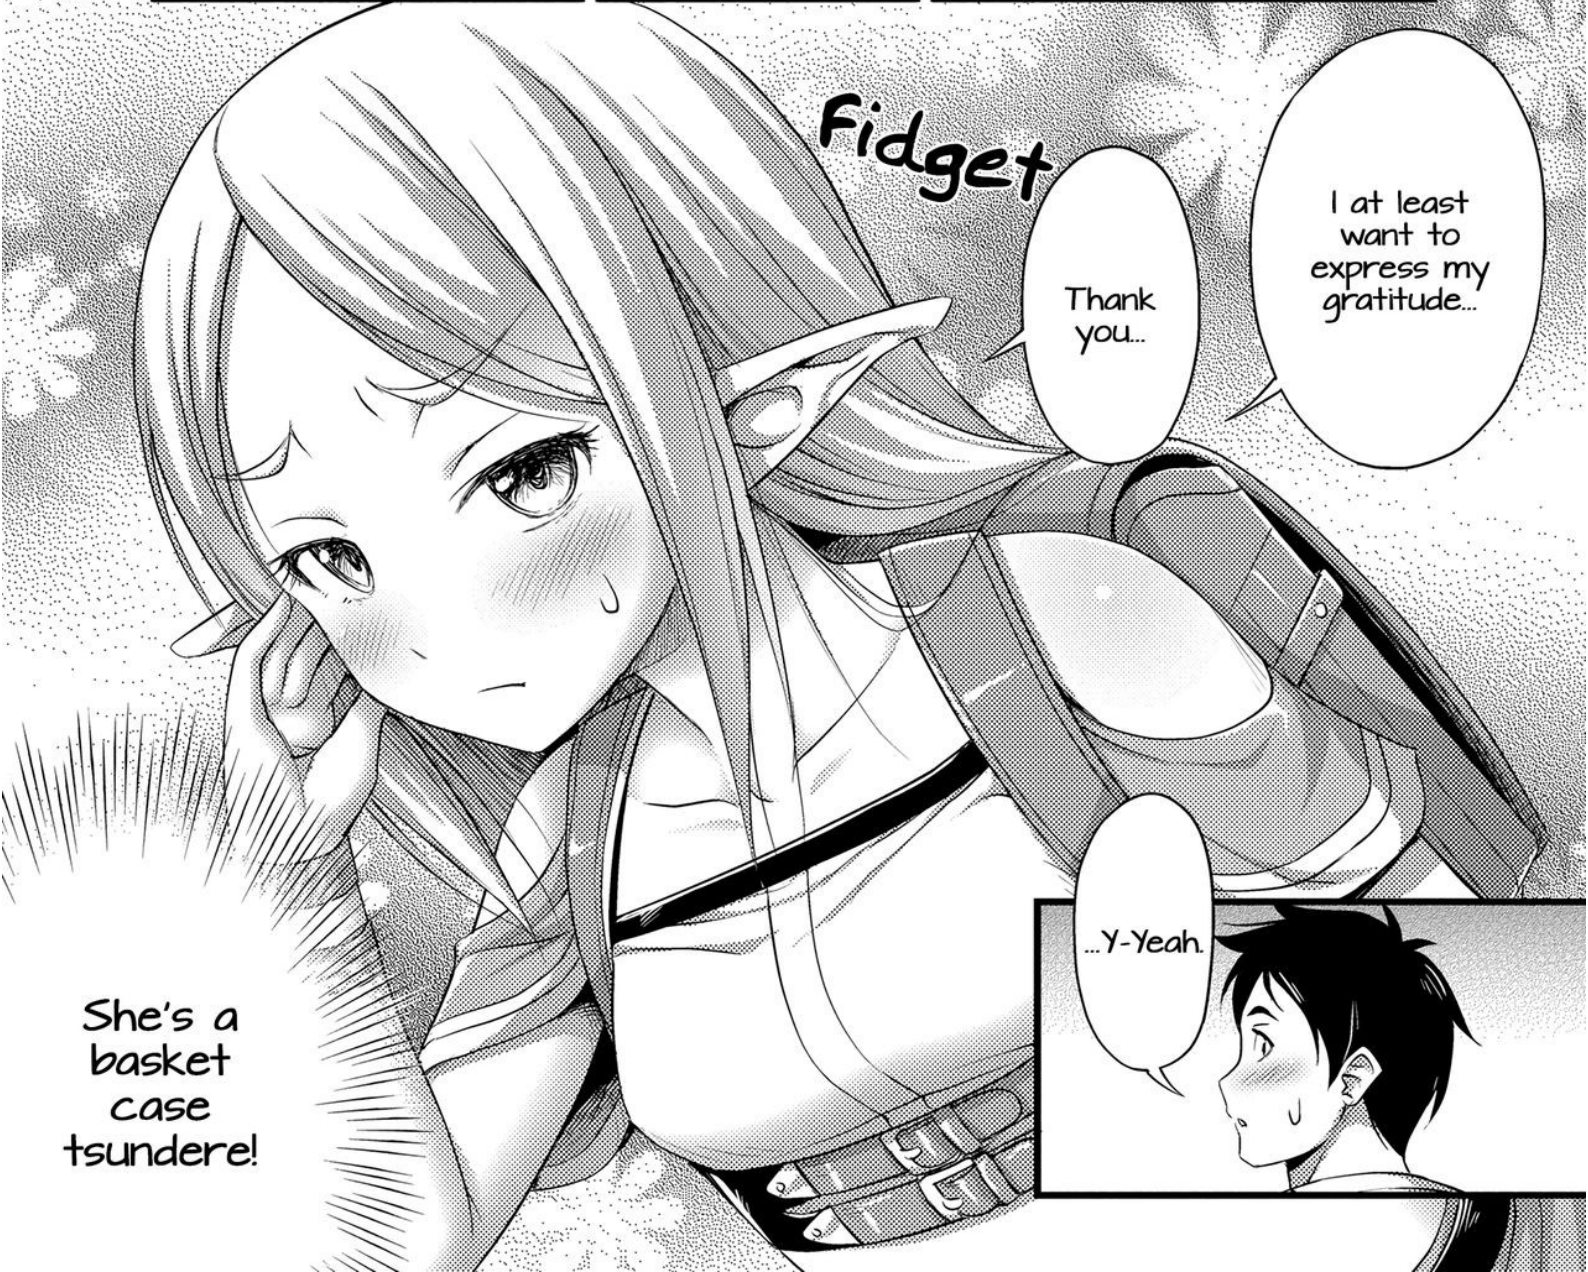

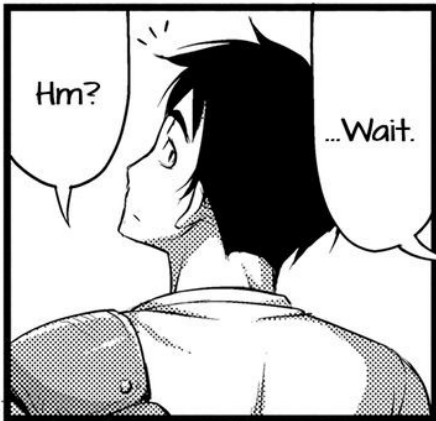

異世界★ロリエルフ 助けたらこぼれた

Ooohhh!

It's a
super-cute
elf girl!

Are you
okay?

It's the custom, so I don't have any choice.

...Are you sure?
You hate humans, don't you?

Come on, let's go!

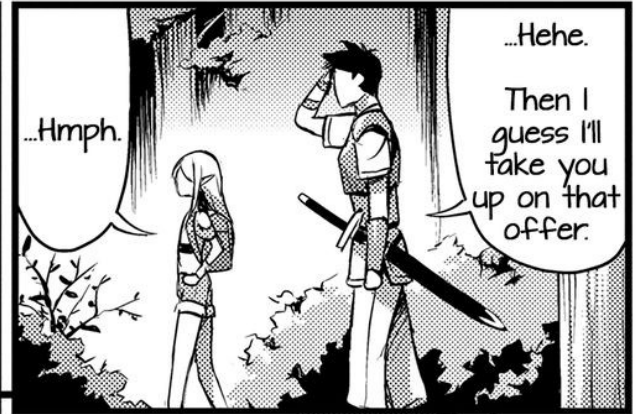

It's almost dark, so come stay in my home for the night.

One of our customs says that when someone saves your life you have to invite them to your home and show them hospitality.

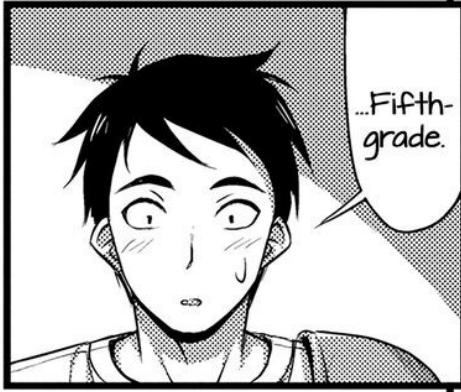

And you are?

My name is Kusanagi Takeru.
As you can see, I'm an adventurer.

...Hmph.

...Hehe.
Then I guess I'll fake you up on that offer.

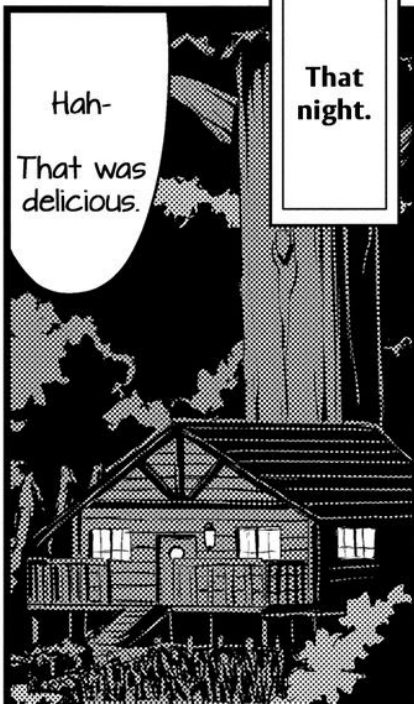

...Fifth-grade.

...Eris.
Eris Heinel.

I'm a fifth-grade elementary schooler.

Hah-
That was delicious.

That night.

When it comes to elves, their outward appearance doesn't match their age.

Ah.

Now that I think of it, Eris-chan is an elf.

I did.

What about it?

Wait, wait, wait.

Didn't you say you were still an elementary fifth-grader!?

What do you mean "what about it"?

She's a normal elementary fifth-grader!

I'm 11.

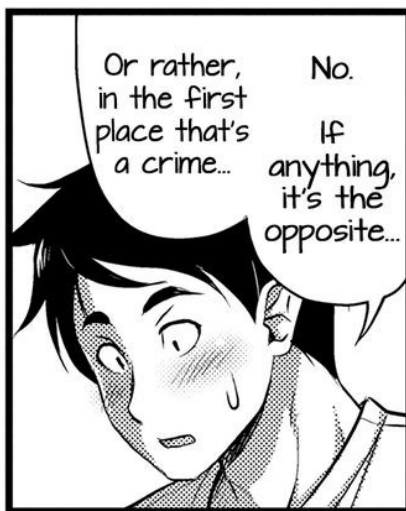

You can figure that out if you just think a little, can't you?!

Huh?

I said I'm an elementary fifth-grader, didn't I?

Sorry to ask Eris-chan, but your age...

Or rather, in the first place that's a crime...

No. If anything, it's the opposite...

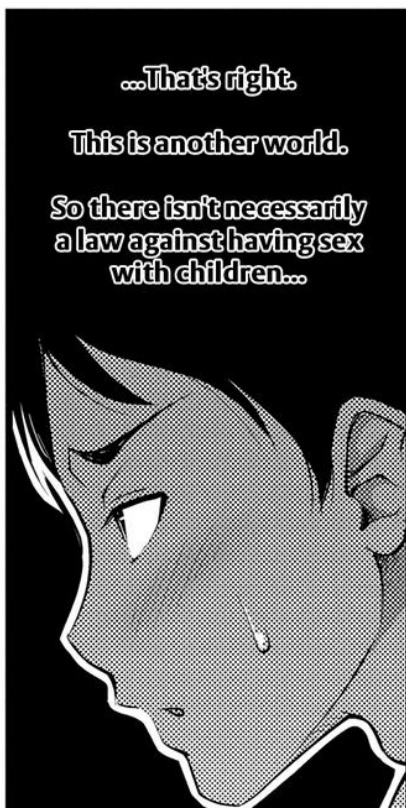

What's so bad about it...

Are you saying you can't become motivated if your partner is a child!?

Then it's bad, isn't it!?

To have se... sleep with an 11 year-old girl!

...That's right.

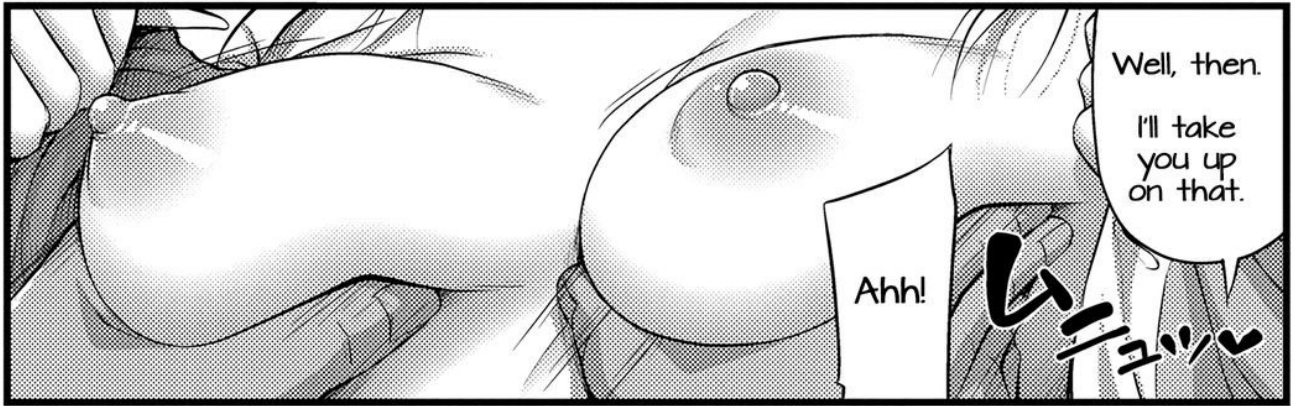

This is another world.

So there isn't necessarily a law against having sex with children...

Hooray
for the
other
world!

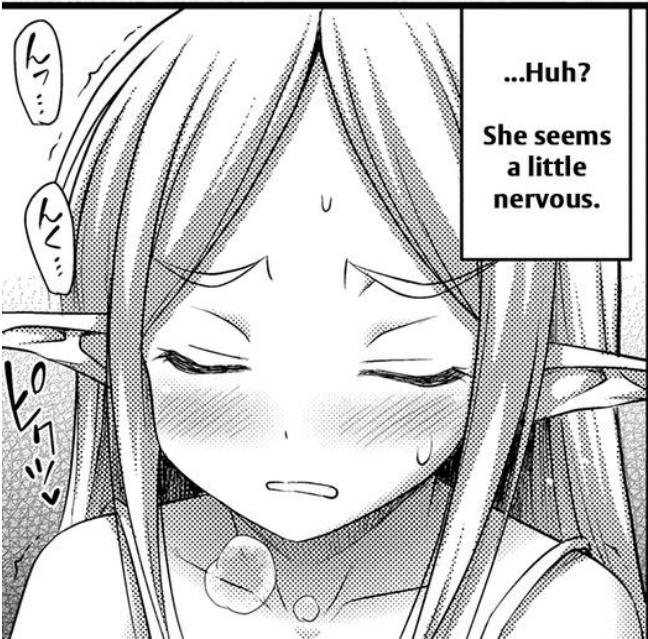

Well, then.
Hurry up
and sleep
with me.

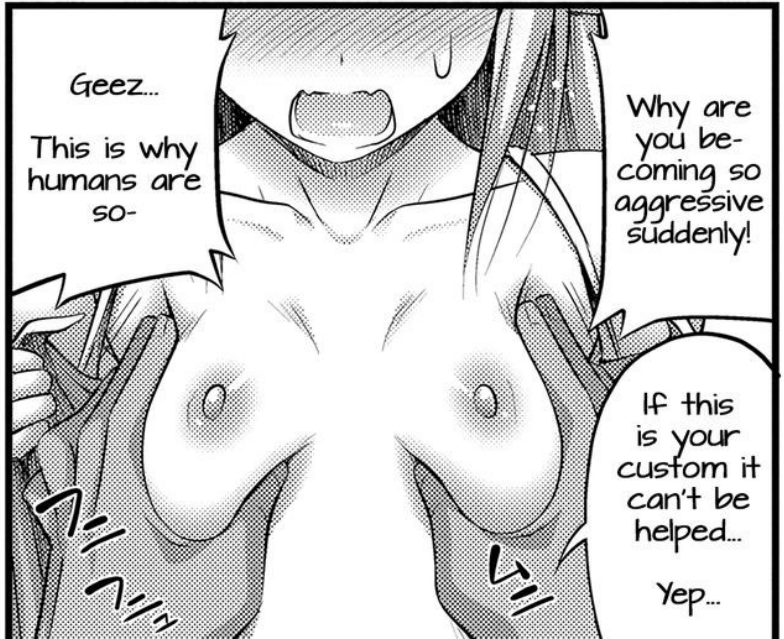

Well, then.
I'll take
you up
on that.

Ahh!
ぬっ!!
ん...

...Huh?
She seems
a little
nervous.

Geez...
This is why
humans are
so-

Why are
you be-
coming so
aggressive
suddenly!

If this
is your
custom it
can't be
helped...
Yep...

No, no, no.

Are you trying to say I'm not good enough or something!?

S-So what about it!?

What are you saying suddenly, human!?

Hu...
Huh!?

Eris-chan...

Could it be you're a virgin?

Oh.

It's just that you were so assertive, so I thought you already had experience, Eris-chan...

...Y-You don't need to worry about that.

Eh?

Flap
Flap

Flap
Flap

But, I was just wondering if you're really okay with me, a stranger you just met today.

Eris-chan you're the best, you're super cute, but!

Huuh!?

Hu...

Huuuh-

...I don't really understand, so I'm just going to file it under "tsundere".

...But still...

If you're the one who's my first partner...

Fidget
Fidget

I guess it's not too bad...

Well, I don't know how I feel about my first partner being a human.

There's also the fact I don't have a choice because of the custom, but...

Fidget
Fidget

Okay.
I'll try my best to live up to your expectations.

I'm not really expecting anything-

Nnah!
♡

Your voice sure is cute.

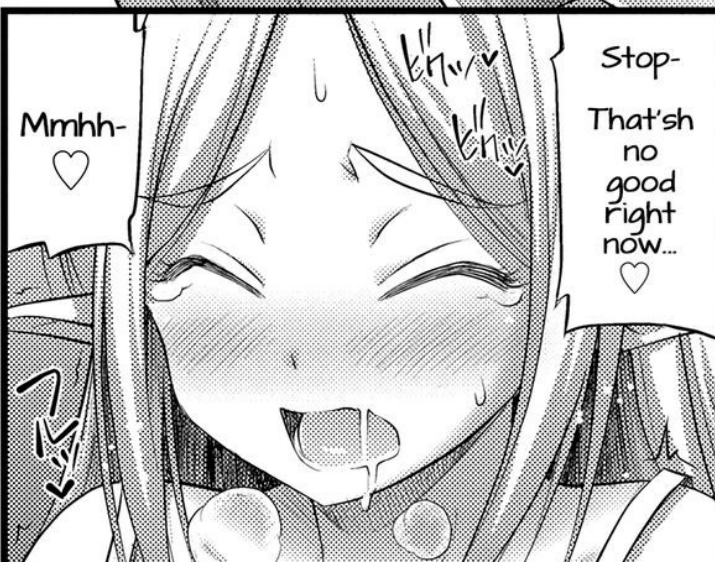

Idiot.
♡
If you do that...
Aah!
♡

You're pretty sensitive even though it's your first time, aren't you?

W-
Wait!
♡

If you do that all at once...
♡

Mmhh-
♡

Stop-
That's no good right now...
♡

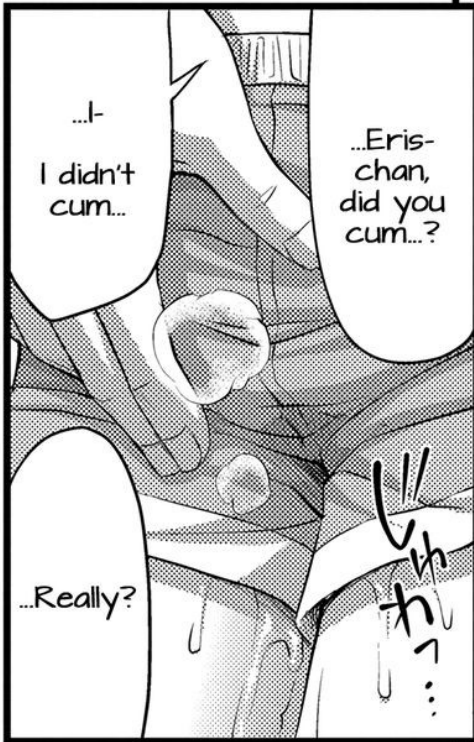

Phaahr
Th-
That's-
♡

I wonder how it is down here.

Eh!?

...I didn't cum...

...Eris-chan, did you cum...?

...Really?

クワッ...

Eh?

Well, I guess it's about time to put it in then.

Ahh-
Sorry, sorry.
My mistake.
Yeah.

I didn't cum!
D-Don't think you can make me cum... from only this much!

More like I was thinking "Finally!"

Do- Don't make fun of me!

...Huh? Is it impossible after all?

Wow... That's gonna go inside me...

gulp

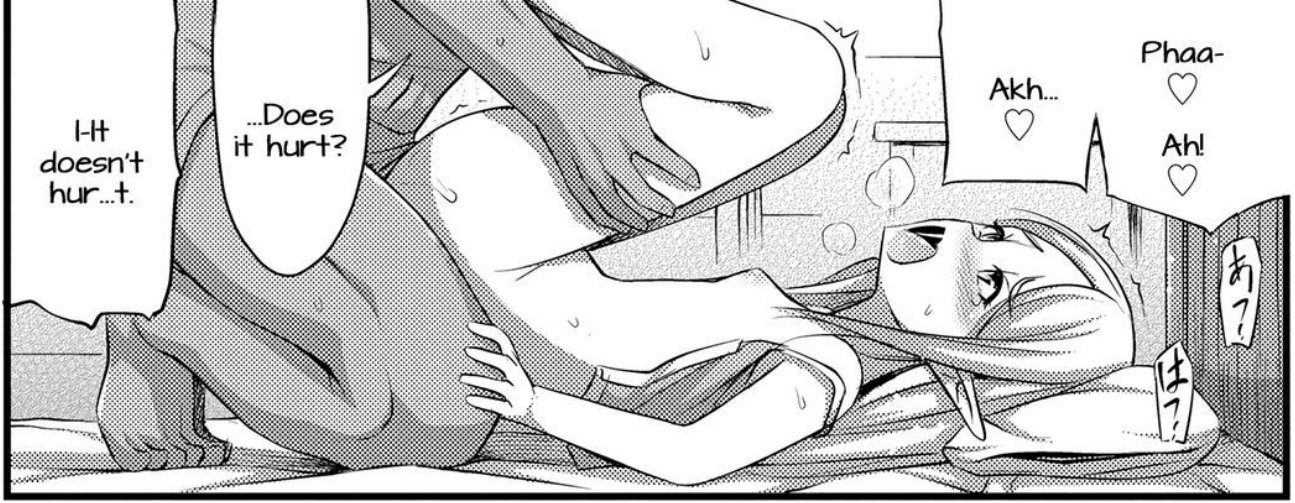

Nh-♡

All right... then here I go.

Nhaa-♡

Th...

The adventure with a loli elf I've dreamed of is starting now...!

It doesn't hurt...

...Does it hurt?

Akh...

Phaa-
♡

Ah!
♡

あ?

は?

She's stubborn...

...I see.

It doesn't hurt... I'm fine!

There's no need to force yourself, you know?

Oooh...

Looks like you really are getting turned on.

Eep!

♡

My ears again!

♡

あ
は
あ
は

Your pussy is getting wet and it's becoming a little easier to move.

That's... Phaaaa-
♡

I heard elves get turned on easily with their ears.

I wonder if it's true.

Nnh...
It certainly seems... it might be a little easier...
♡

No.
That's not what I meant.

I knew it.
So it did hurt, after all.

Phaaaa-
♡
Nho-
Nho-
♡

All right then, I'm gonna go a little faster.

Humans are amazing.
♡
This is amazing.
♡

Cumming!
♡
I'm gonna cum again-
♡

フッ
フッ

フッ
フッ

I...
I came
again...

Naa-
♡
Haah-
♡

Uugh...
Idiot...

Did it
feel
that
good?

Haha-

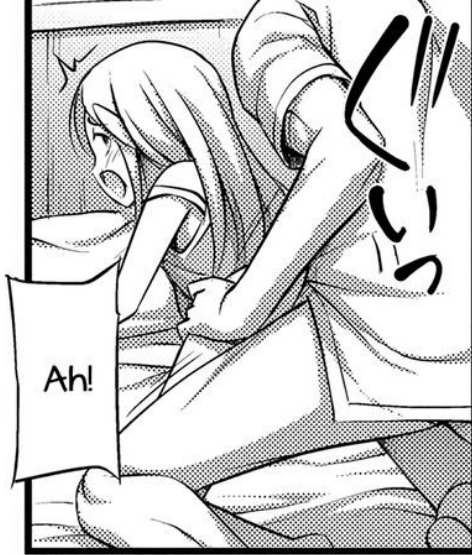

はっ
はっ

はっ
はっ

Elves really
are strong-
willed, huh?

Nkh-
♡

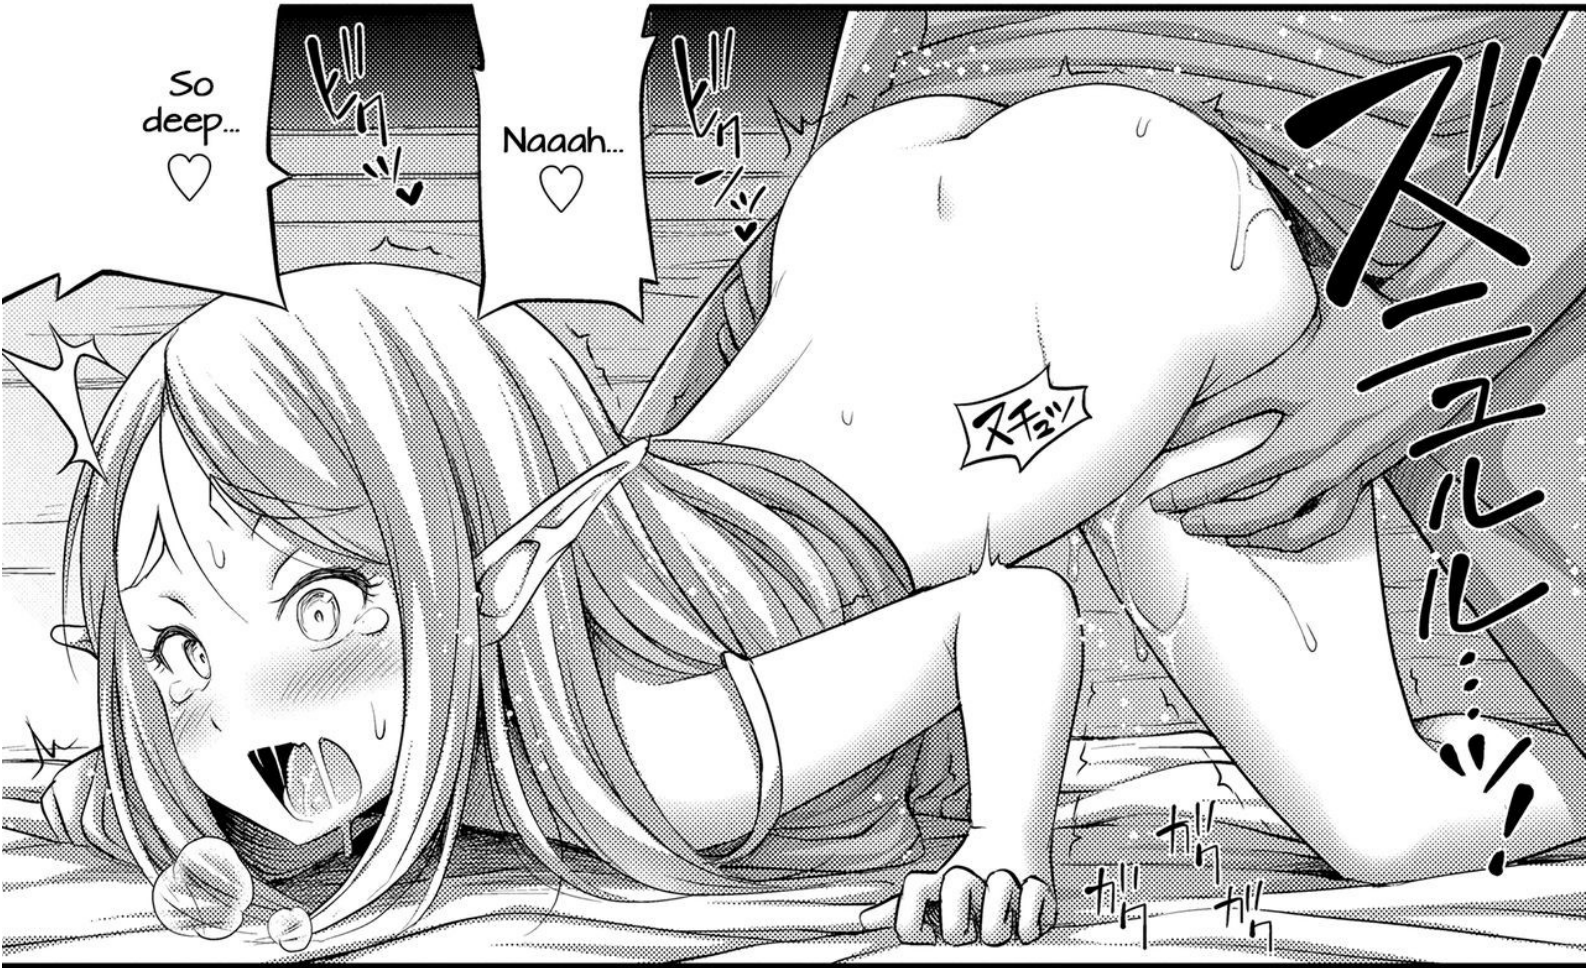

Ah!

I'm gonna cum in a little bit too, so let's feel even better, okay?

Hawh...

Phaa...?

So deep...

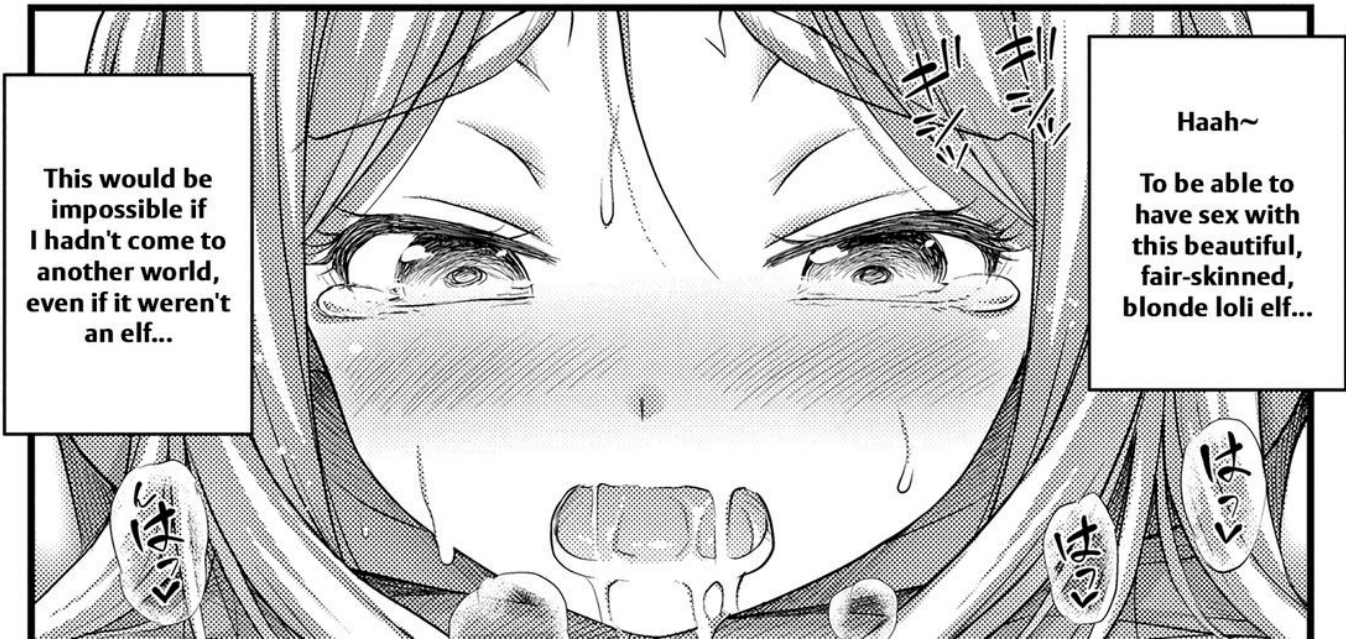

Naaah...

アッ!!

アッ!!

Haah~

To be able to have sex with this beautiful, fair-skinned, blonde loli elf...

This would be impossible if I hadn't come to another world, even if it weren't an elf...

はっ!!

はっ!!

はっ!!

Your butt is twitching too, it's so cute.

Eris-chan, you really look like you're feeling good even though you're still a child.

Nho, nho- Don't say embarrassing things.

Don't touch me... there!

Eep!
♡
H-diot!
♡

At least your body is being honest.

That's not... Takeru you idiot!

Your pussy gets tighter, Eris-chan.

But when I play with your butt...

My pussy is achiing-
♡

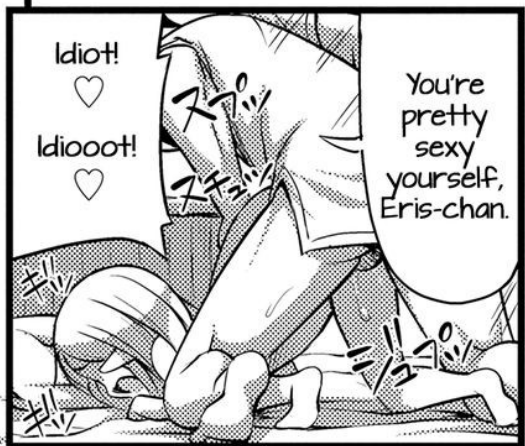

Oh nho-
♡
I'm gonna cuhm agaain!
♡

Ahaah!
♡

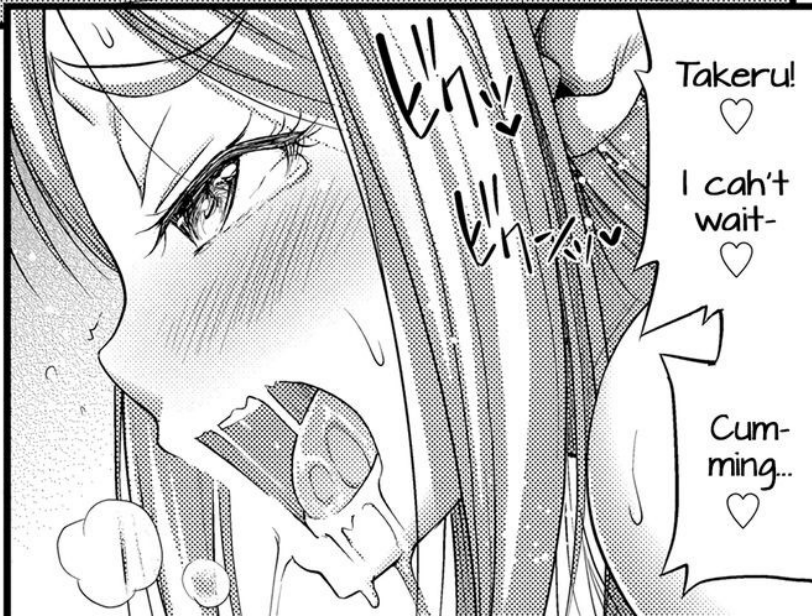

This is why you humans...
♡

You really are such perverts!

Idiot!
♡
Idiooot!
♡

You're pretty sexy yourself, Eris-chan.

Takeru!
♡
I can't wait-
♡
Cumming...
♡

Eris-chan!

I'm about to cum, too...!

It'sh
coming...

Something
hot ish
coming
insiiide-

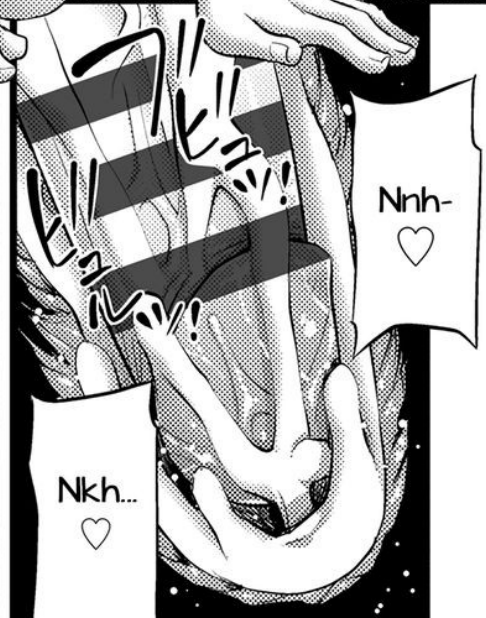

Naaaah-

Wow...

Takeru,
your penis
just won't
stop...

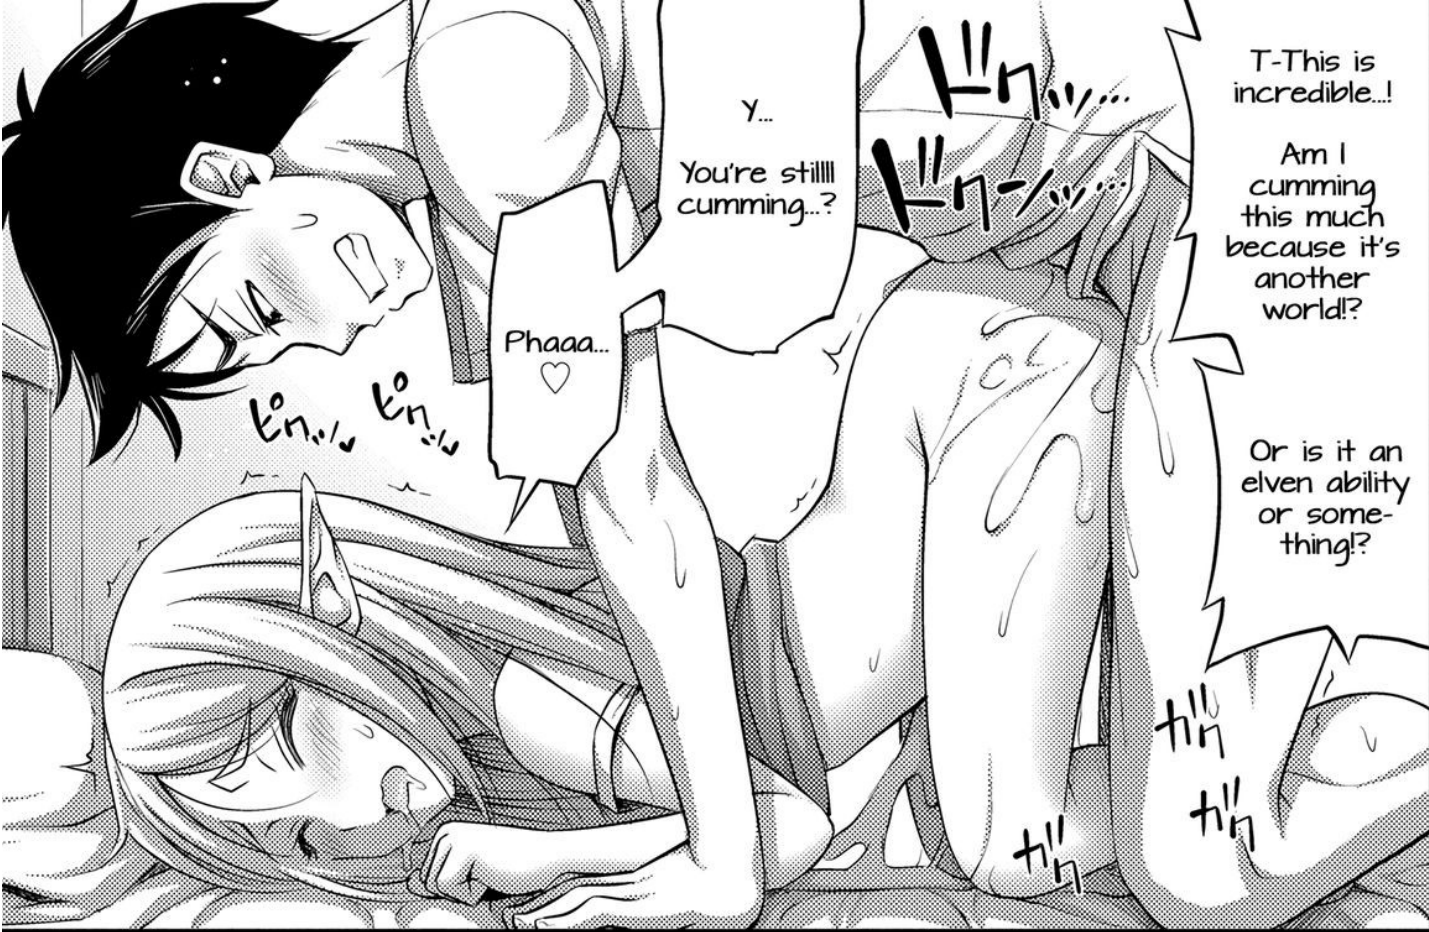

Nnh-

Nkh...

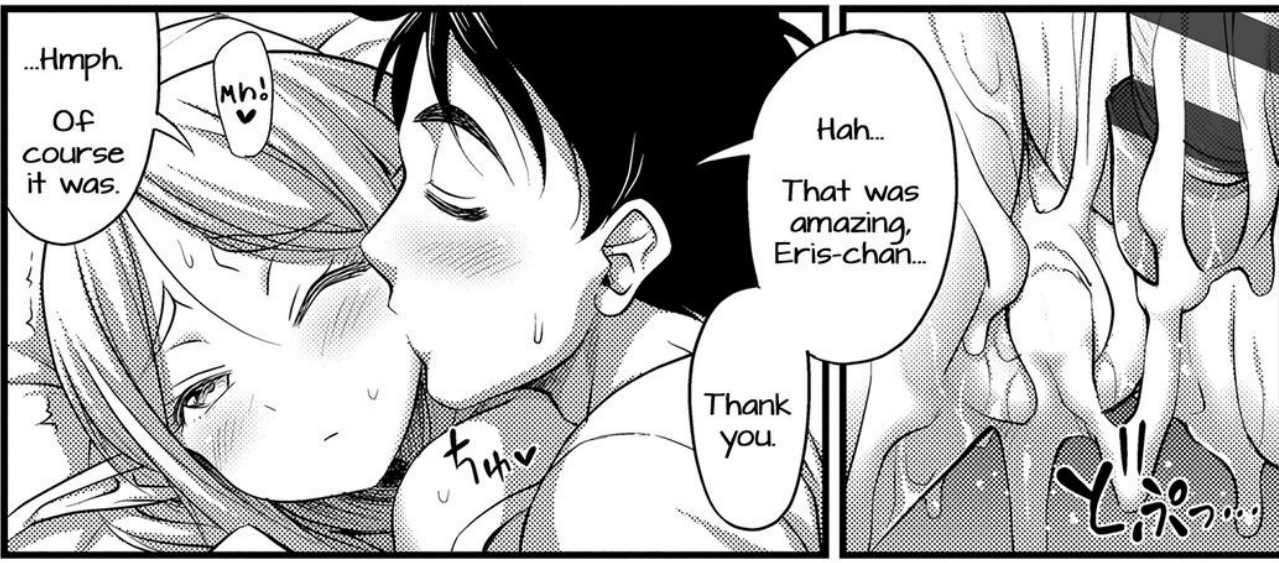

y...
You're still cumming...?

Phaaa...
♡

T-This is incredible...!

Am I cumming this much because it's another world?!

Or is it an elven ability or something!?

...Hmph.
Of course it was.

Mh!
♡

Thank you.

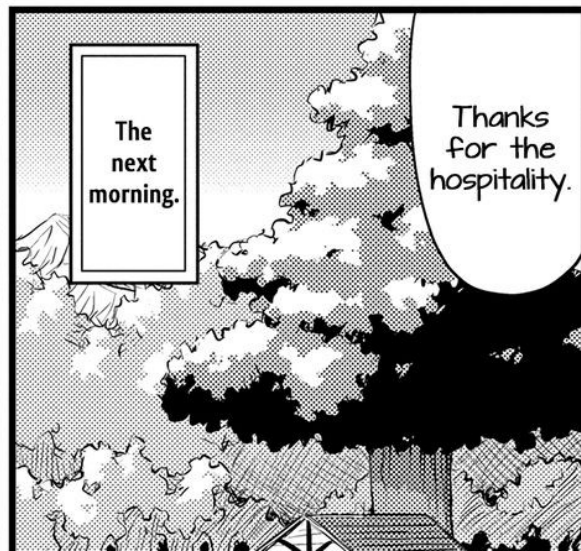

Hah...
That was amazing, Eris-chan...

It really is great living in another world...

One wrong step and I'll die, though.

Ha...
That was such happiness...

The next morning.

Thanks for the hospitality.

I'm your wife, Takeru.

Of course I am.

All right, let's get going.

...Eh?
Where?

...Eh?

...That's what you meant by "offering your body"!?

Come on, let's hurry up!

On an adventure, obviously!

You're an adventurer, aren't you?

No, I mean...
You're coming with me?

If it looks like something dangerous is going to happen to me...

Make sure you protect me, okay!?

To be continued.
