

Hello.

All I've heard is that...

I still have no exact idea.

Why this distant relative of mine came to live at my father's side of the family,

You're back early, Seiichirou-kun.

She wasn't exactly blessed with good parents.

Hey... It's been a while, Fondue.

What?

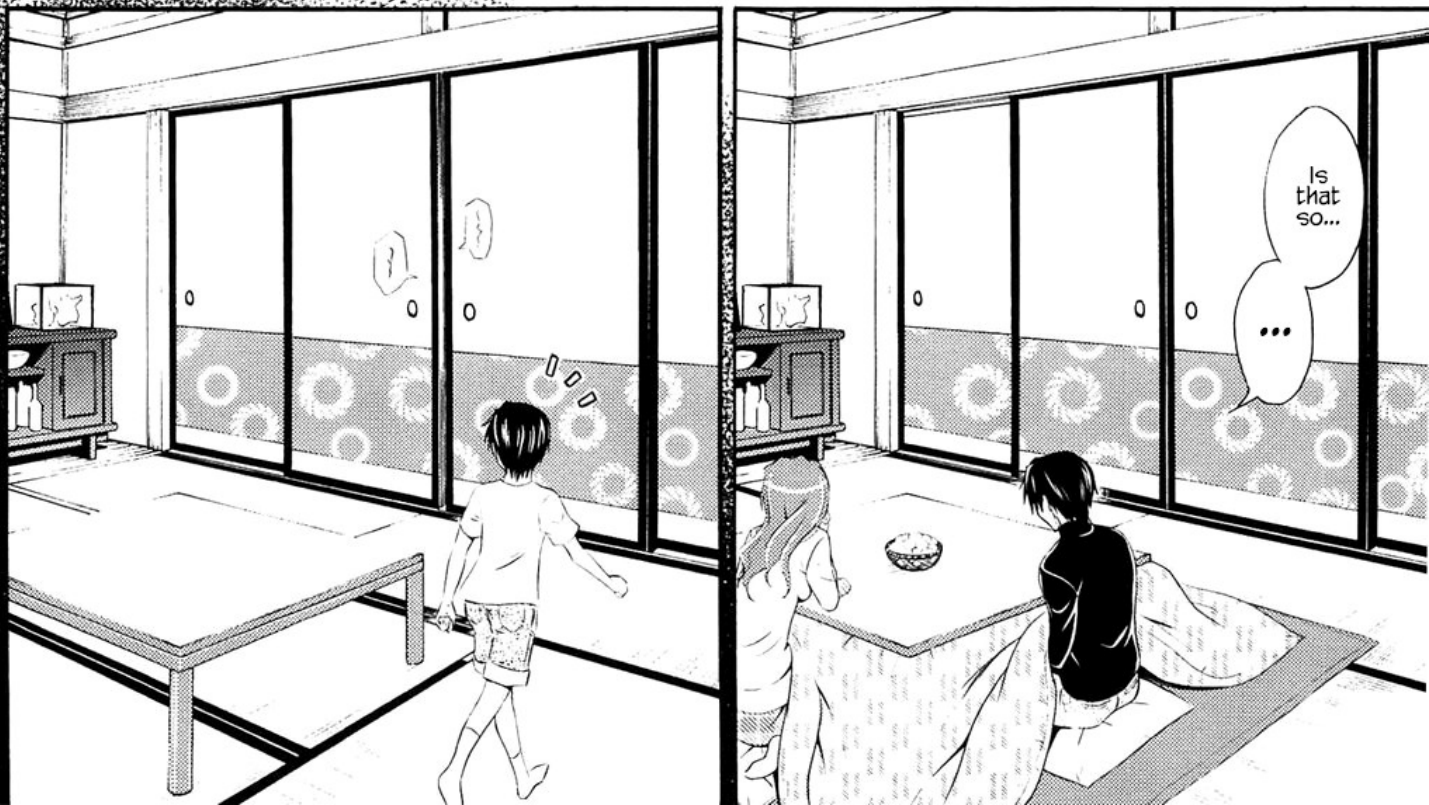

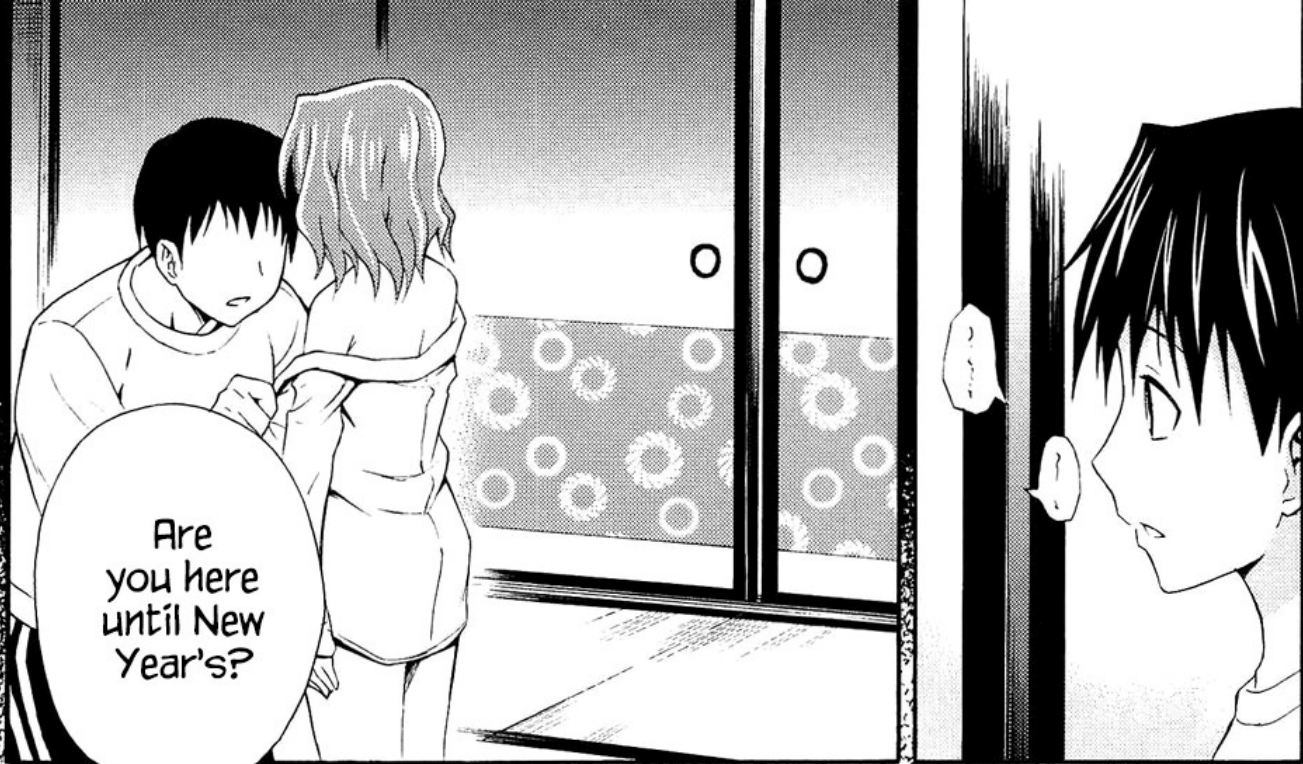

...

Are you here until New Year's?

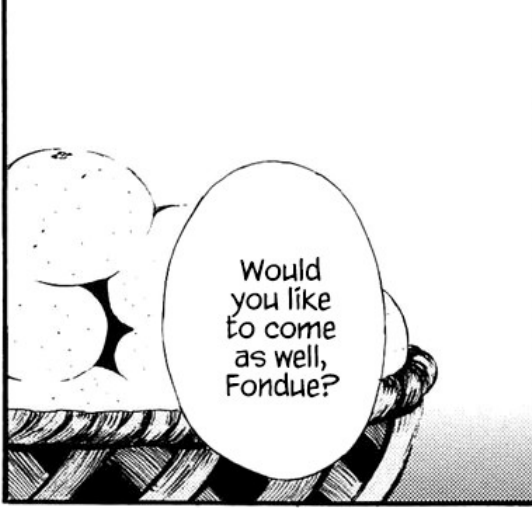

I'm pretty busy at the start of the year, so I'll be heading back before then.

No,

Bull's-eye...

You just don't want to meet your relatives.

Would you like to come as well, Fondue?

So... about that.

Huh... Congrats.

Hey, I got a job offer for next year...

What are you saying, Seiichirou?

Or perhaps you're feeling protective? Sympathetic?

It's not good to confuse those with romantic affection.

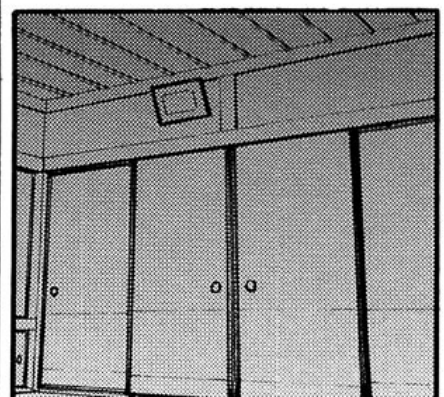

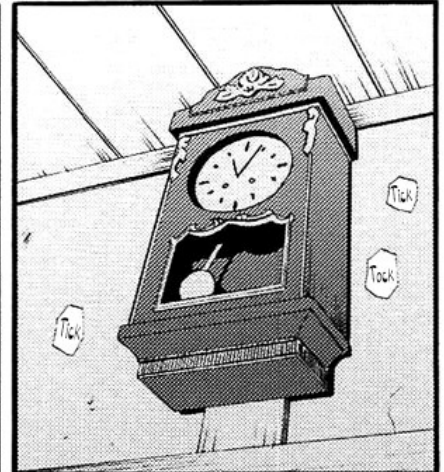

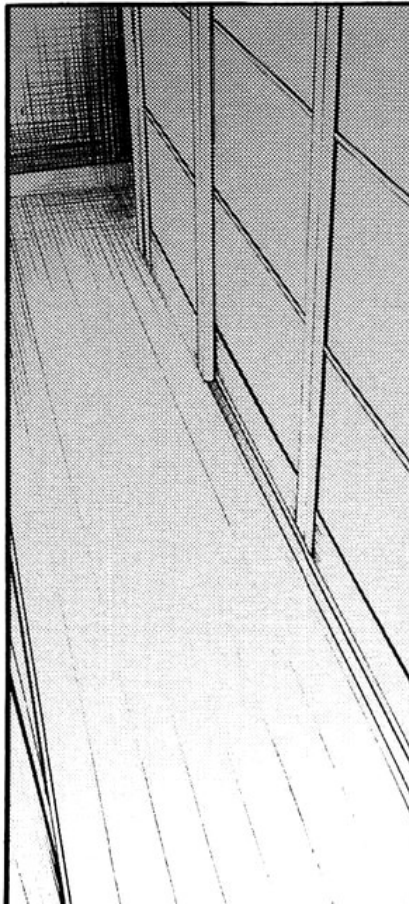

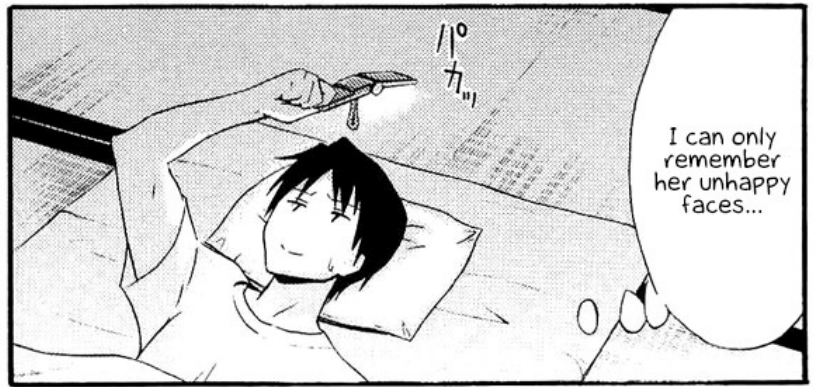

I'm not interested in trying to help you clear up your sense of guilt.

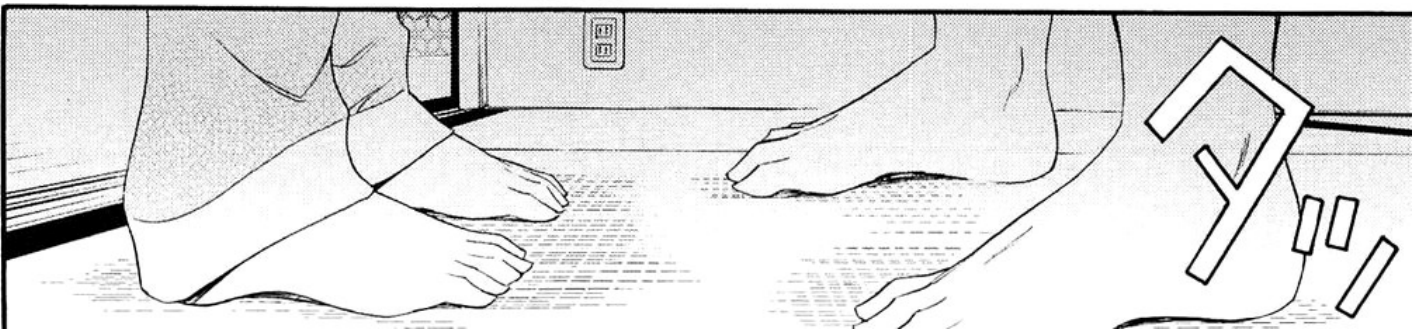

Oh... This was supposed to be a confession of sorts.

*I've
always
liked
you!*

*Your face is
cute as hell!
In other words,
I fell for that
at first sight!*

If you're
talking
about when
we first met,
how long
ago was
that...?

...Are you
stupid?

That's
the worst
pick-up line
possible...

Sigh...

Believe
in your
outward
appearance
more!

Also,
your style
is great!
I've come
to like your
looks.

These are
Fondue's
breasts...

They're
so big...
and soft...

Her
nipples
are
hard...

...

You're getting way too into this...

Hang on...

Haa

Haa

Haha

Th-That's because

How should I put this...

Oh, whatever.

I get it already, so...

I've... always...

Over here too...

Mm...

Haha

Stop talking like that.

if you're okay with that, then...

Well... My body's not exactly pretty, but

...You're right. It's not good to talk like that, is it...

No wait, that's too big...!!

What do you mean "What is that?" It's my dick.

Huh?

Wai-!?! What the hell is that?!

Ah...!?

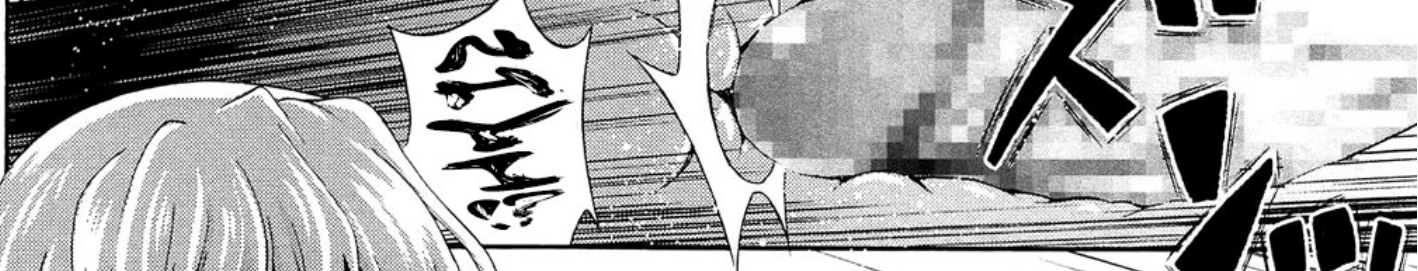

Don't be so full of y-

...

Could it be that you're really feeling it, Fondue?

Hmm?

I came inside Fondue many more times.

After that,

I even came on the outside.

I came so much that I couldn't even believe it.

Just how much have you...

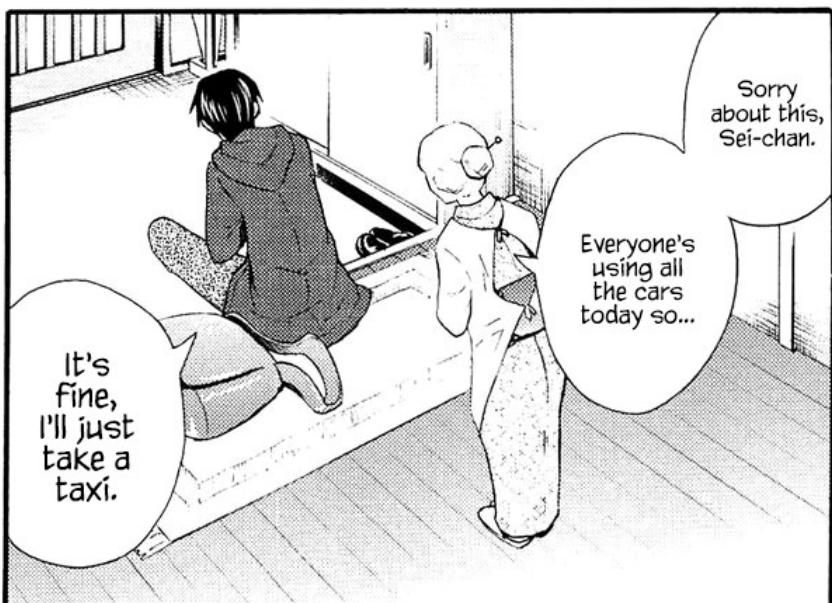

Haa...

You've gotten me so sticky.

...She hasn't even shown herself this morning.

I guess she's not gonna see me off either...

It's fine, I'll just take a taxi.

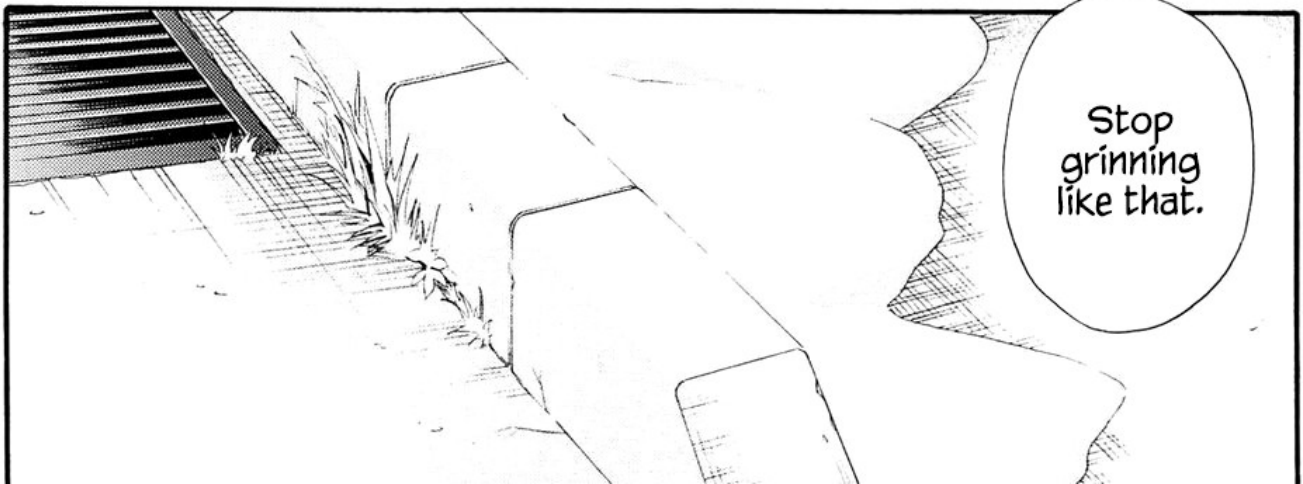

Sorry about this, Sei-chan.

Everyone's using all the cars today so...

Jeez,
why'd you
take so
long?

I'm
gonna
catch a
cold like
this.

Stop
grinning
like that.
