

And the face my little sister is making

...  
It's over  
(^o^)

The terrible feeling when someone in your family discovers your loli stuff...  
It's a part of life's hardships.

ONITSUKANAGASHI

Presents

# Tsurezure

Yes you are.

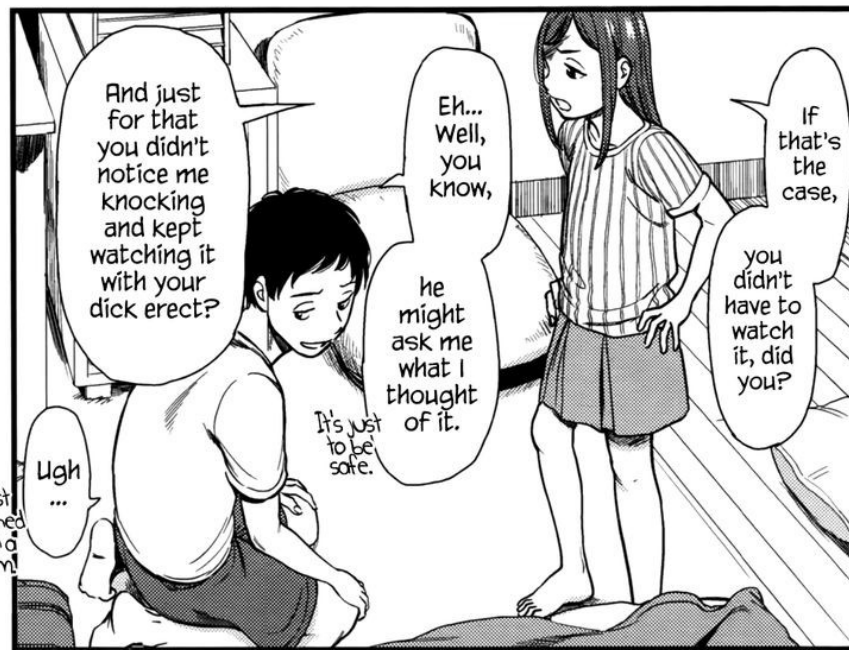

Since I'm so kind, aren't I~?

I'll hear what you have to say.

Ah... Please hear me out.

Huh?

Ummm, well, you see, how should I say this... just listen-

Seriously, this is all of them.

If you're hiding them I'll tell Papa and Mama later.

y-yes ...

Is this all?

Well enough about these.

It's not 90!

90% of them are porn... You're so...

Put them all over here.

Hm? There's a bag inside this bag?

Uwah, gross.

If that's the case then...

Ah, she's fine with the porn.

wouldn't borrow this type of thing, right?

Normally

Well... that may be the case sometimes.

Someone who doesn't know if they're interested in it or not

Like I said, it's just what I borrowed, I only watched the one earlier.

Seems like you got a pretty wide range.

Hm 9 to 12 years old... huh.

I hope there's nothing weird inside.

Oh yeah  
That bag... I handed it over without checking inside.

Don't tell me you look at me that way too, Orii-chan?

And what's with the 11 years old? That's my age.

No way I'd believe that.

And that erection was just an illusion ...

Wait, Rina!

Are you listening?

You're just so!

What!?

Ah!

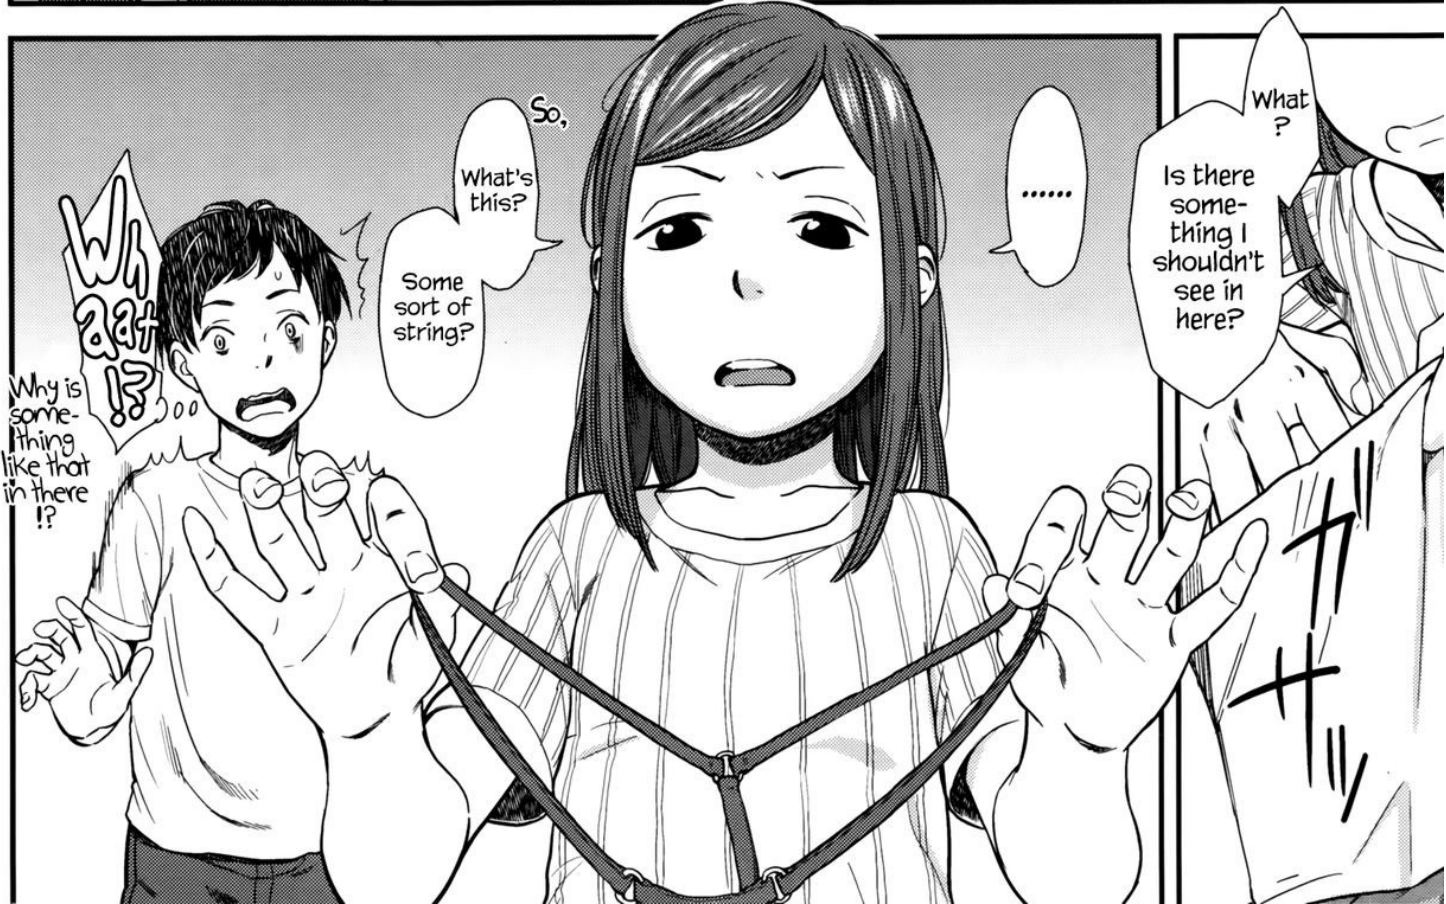

I have to find a way to check inside the bag first or it might be trouble.

To start with,

Orii-chan you're

This-That-

What's this?

Some sort of string?

So,

What?  
Is there something I shouldn't see in here?

Why is something like that in there!?

Whaat!?

If you get her to wear it, send me pic pls:

By the way, XXXXmi -chan is the same age as your little sister... The size should fit her perfectly.

It's thanks for getting that loot we talked about. Use it however you like.

Ootake, you said you like XXXXmi -chan, so here's the same swimsuit that she wore.

What she wore?

Hm? A memo?

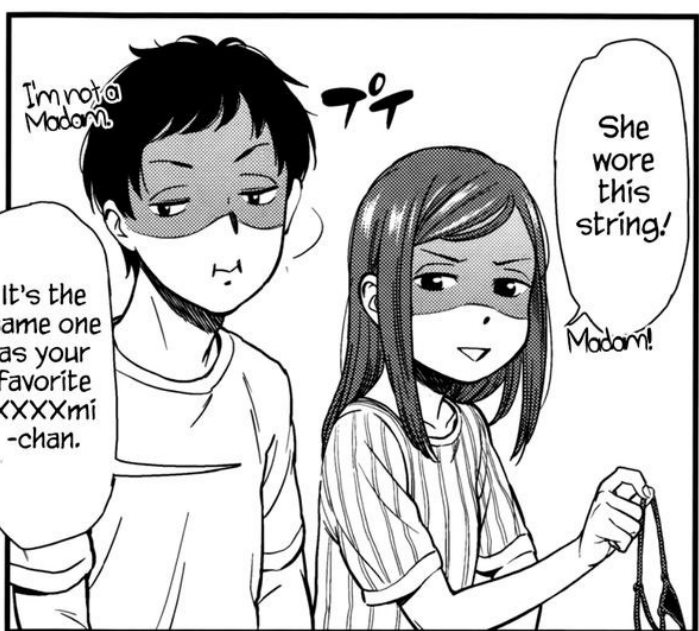

Hold on! Don't do any ...

Ah, don't you eeeeeer bring this Hizawa guy home again, ok?

The XXXXmi -chan who's my age.

It's the same one as your favorite XXXXmi -chan.

I'm not a Madam!

She wore this string!

Madam!

If you do that I'll take those DVDs and run around the neighborhood.

I'll tell Papa and Mama about this!

I don't get you!

HA AH !?

please wear this one last thing for me.

So,

And I promise I'll stop watching these DVDs.

I won't bring Hizawa home.

Got what?

Fine, I got it.

O... Oh.

そわそわ

Ha ah,  
Done, Onii-chan.

Also, this is totally just strings, isn't it?  
This is so stupid

Why do I have to...

... really.

Excuse me~

Ha ah~?

I don't know when you're so bold about it, Well, where you're look. about it, Also I can't believe you wore it.

You're the one who said:

This is a one in a lifetime wish~ Please~ It's so I can stop in peace~

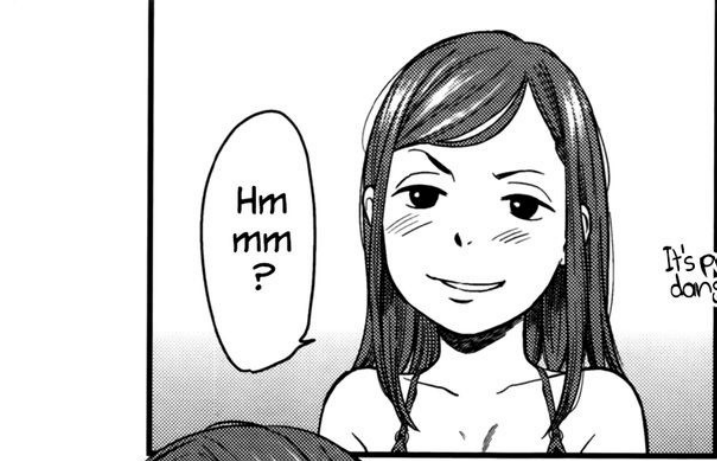

so I wore it for you.

And now you're not going to look?

Happy now?

How's this?

Hm mm ?

It's probably dangerous.

Well now that I'm seeing it, it's a lot more powerful than I expected.

You want to die? What's going on?

You're not going to look, right?

My back is like totally nude.

Wait. Uh, now hold on.

うわ

Then I'm going to change.

Uwah, it's so small.

I haven't said anything, have I?

Huh ?

The process is important.

So... what do you want me to do?

But me not wanting to show you is one thing, you saying that you don't want to see it is another.

Of course not.

Rina, do you actually want to show me?

Do you want to say good bye to that smart phone?

Let's take some pictures too.

...is what I won't say.

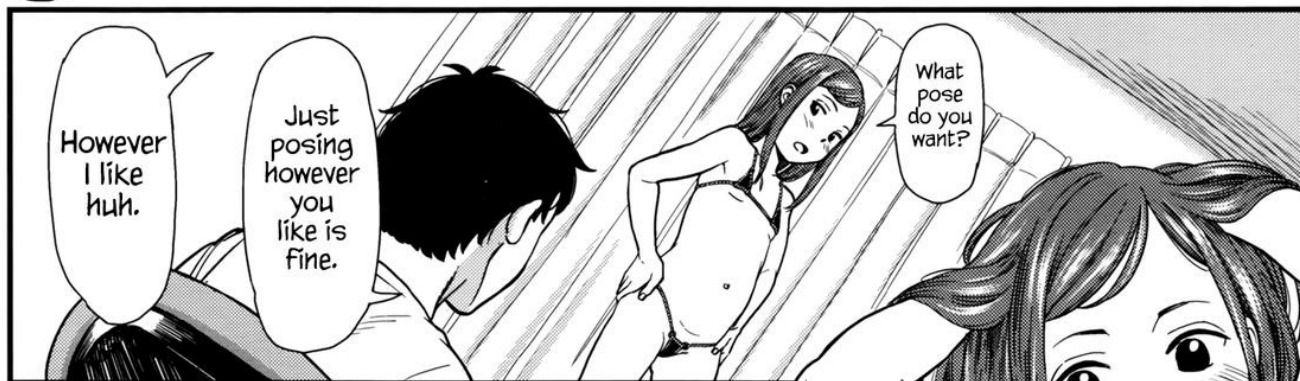

Fu fu

Just a little.

Could you give me a better look?

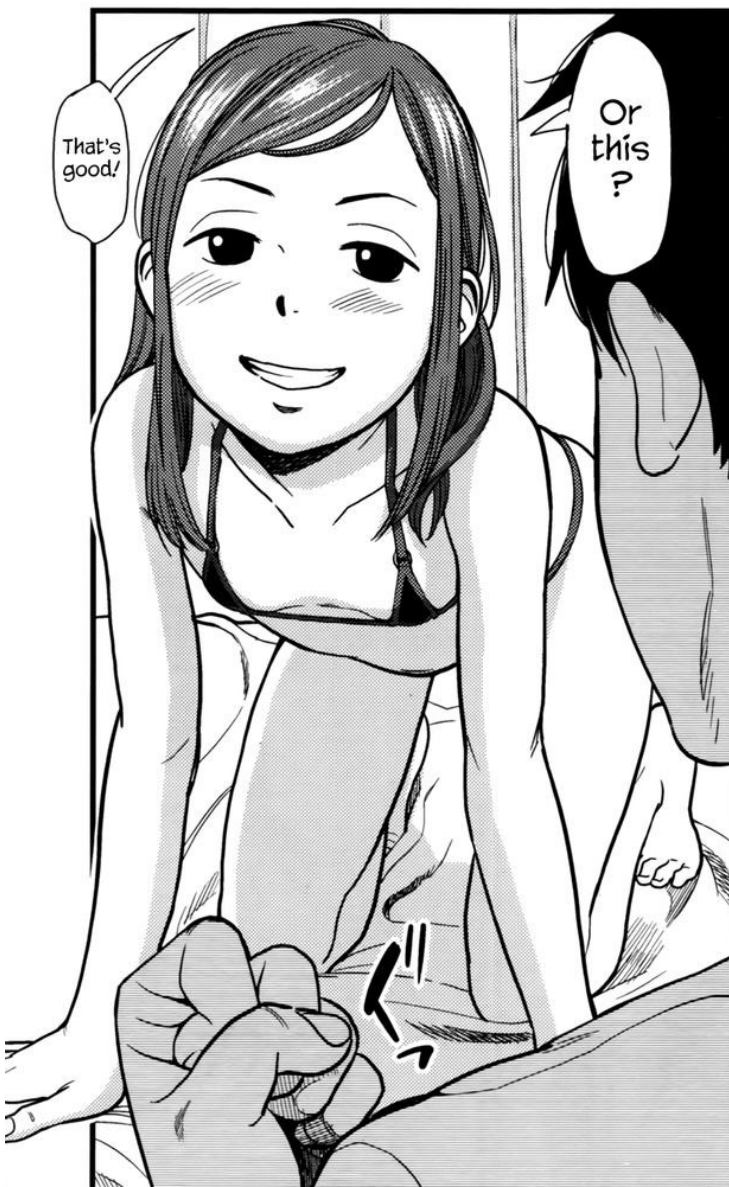

I-in that case ...

However I like huh.

Just posing however you like is fine.

What pose do you want?

That's good!

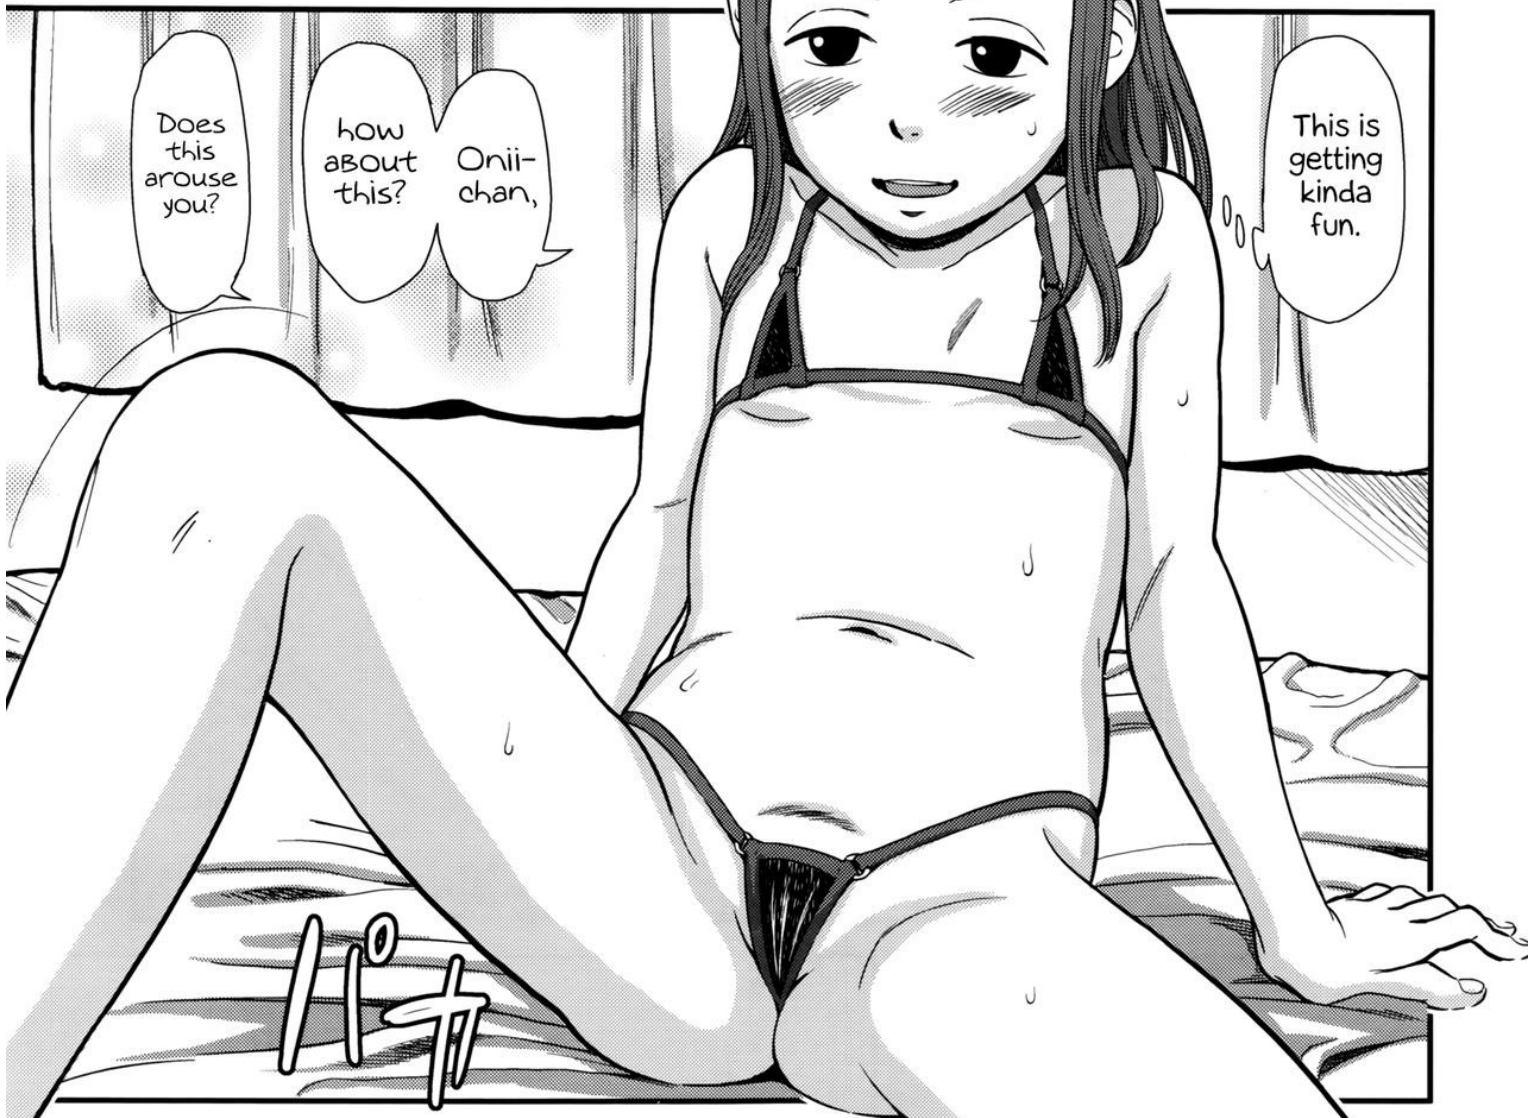

Or this?

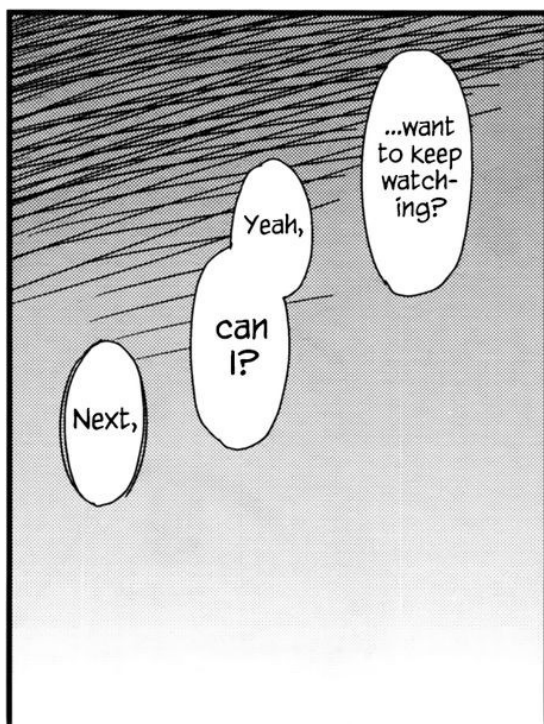

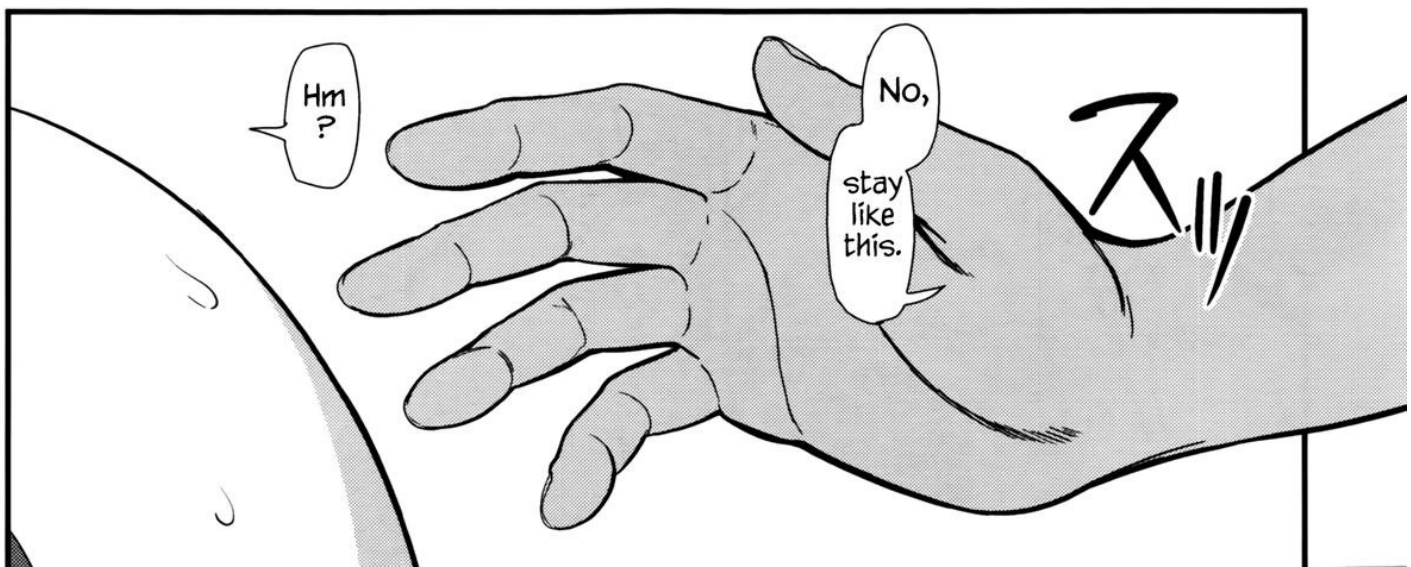

So ...

Something like this?

Oooh, that feels like it.

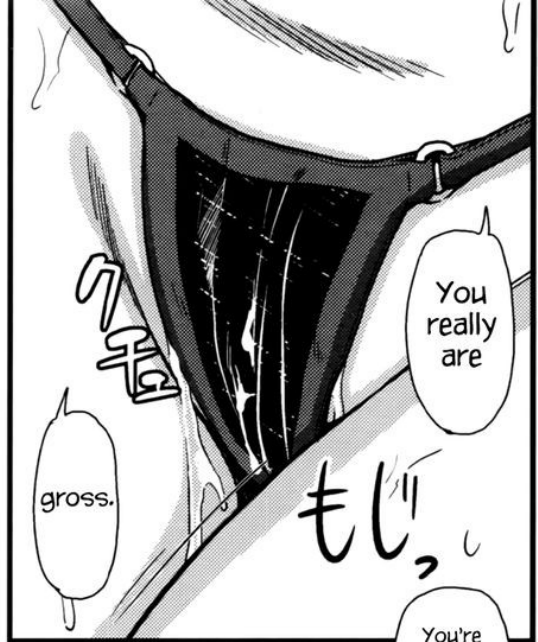

Sex ...be gentle, ok?

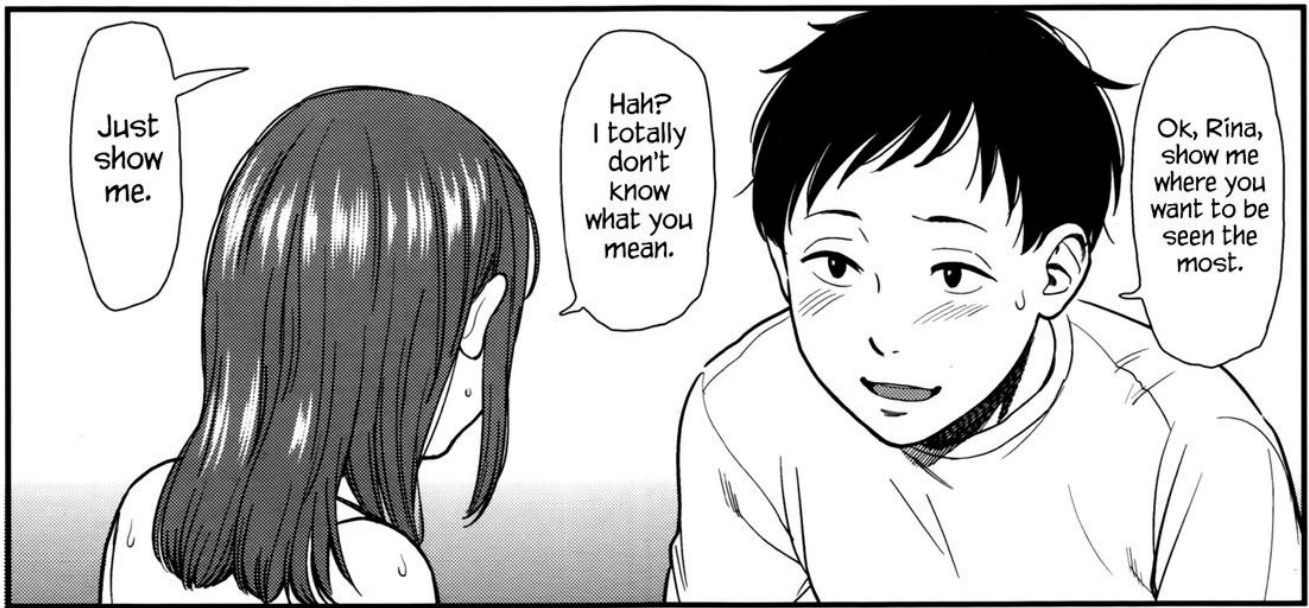

gross.

You really are

Phew  
.....

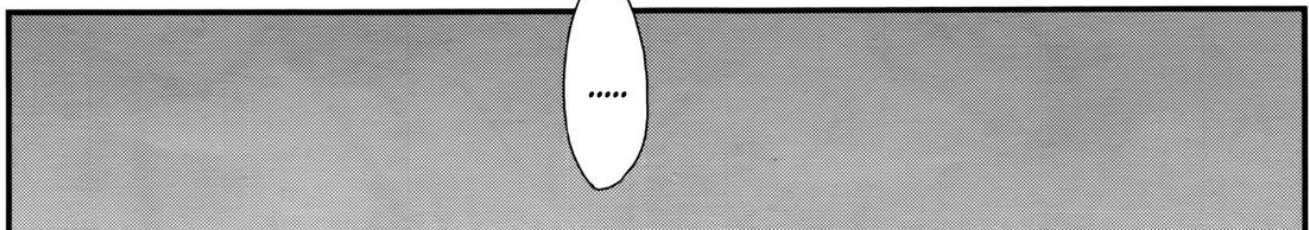

You're one to talk, you got aroused from being watched.  
And you're even wet from this gross onii-chan touching you.

Just show me.

Hah? I totally don't know what you mean.

Ok, Rina, show me where you want to be seen the most.

.....

Maybe it is.

I don't know.

Probably.

Is that the spot you want to show me?

Haha

Haha

I really want to cum.

Damn,

Your penis got like that huh.

Ah ...

Haha

Haha

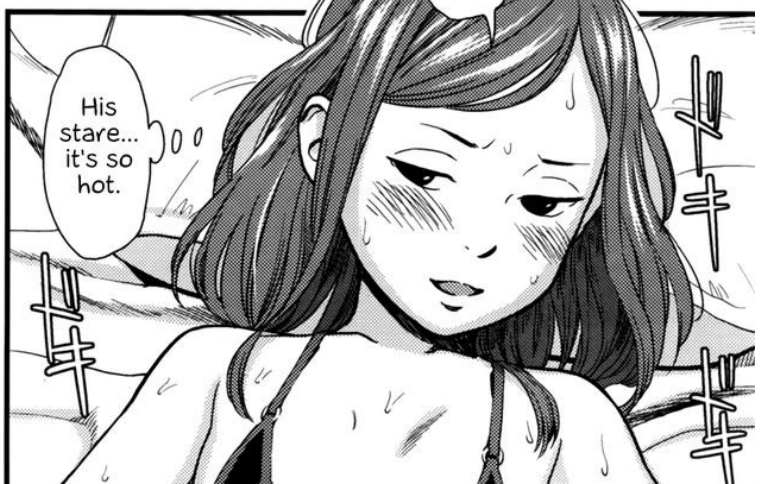

Haha

Haha

You're so erotic, Rina.

Shut up, perv.

His stare... it's so hot.

Oh~  
Your nipples  
are hard.

Ah!  
Ha!  
Wait

Ah!  
Wah!?

Well  
I'm glad  
you're  
not in  
pain.

Ha ah  
Lw oh  
So sud-  
den.

That's  
...  
Ha ah

You  
didn't  
have to  
mention  
that.

But  
you  
enjoy  
me  
staring  
at your  
nipples,  
right?

I don't  
care,  
stupid.

If you  
tighten  
up that  
much  
I'll cum  
soon.

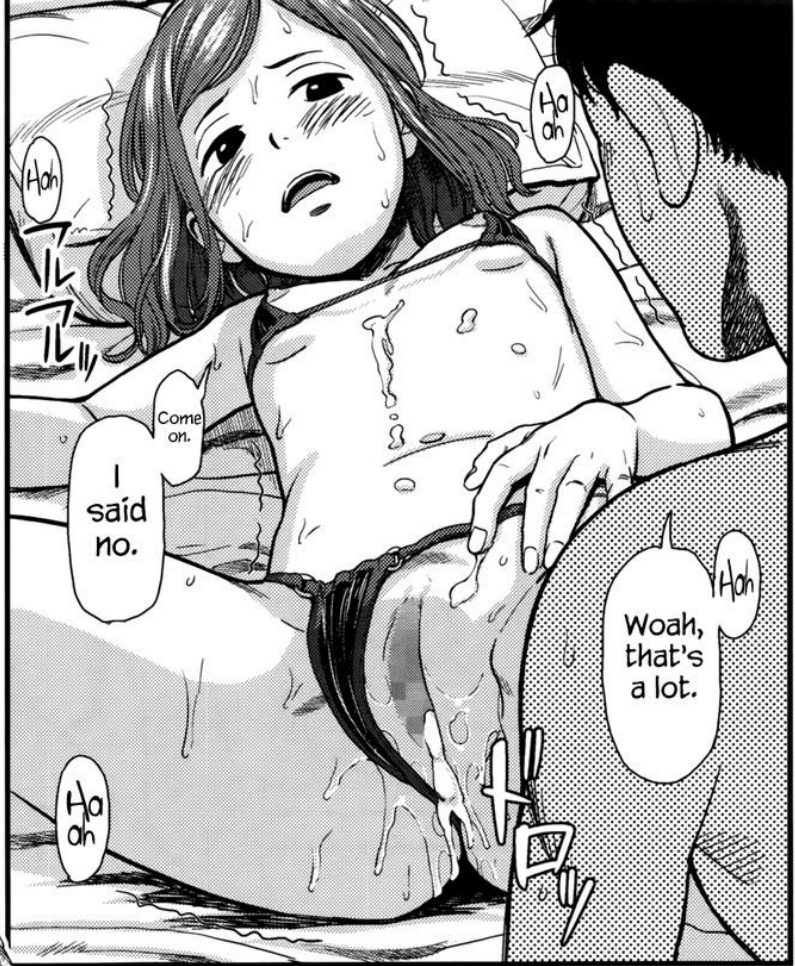

Ha ah

Well it didn't look you hated it

I said no.

Woah, that's a lot.

What~?  
No way.

Yeah.  
Really?

Whatever, cumming once or twice is all the same.

Look, if you don't fight I might just cum in your vagina again.

What is it~?

Deciding by yourself huh?

I just want to check again.

Whaaa at~?

could it be that you actually like me, Rina?

Now that I think about all the stuff we did,

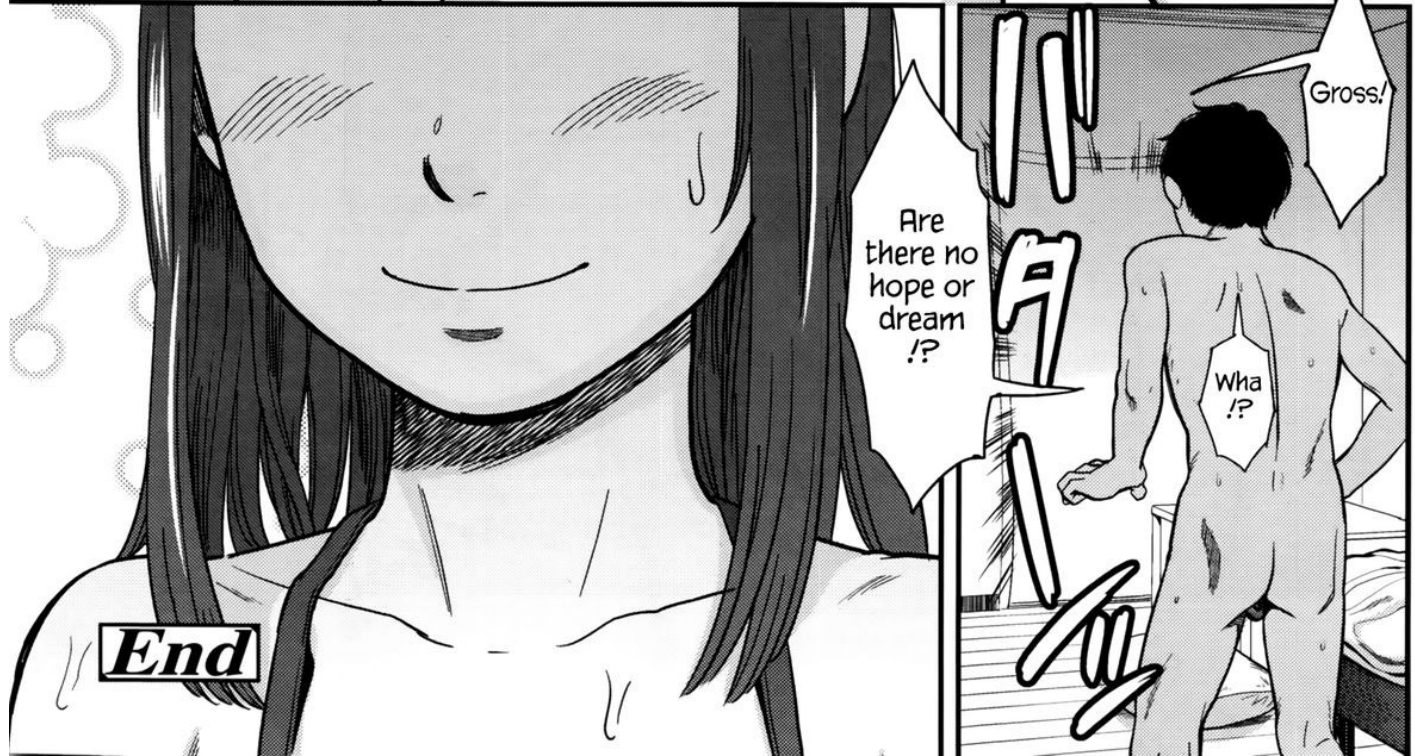

IN THIS WORLD

THAT WOULD LOVE THEIR OLDER BROTHER.

THERE IS NO LITTLE SISTER

**End**

Are there no hope or dream !?

Gross!

Wha !?
