9. Be vigilant in the fields at night 167

10. Mimi-sama, make me Big! Thereafter 181

Afterword 189

Mimi-sama, make me Big! Chapter 1

It would be bad if we were seen like this.
ポロ〜ン
You're the only one who sees me.
To any other people it would look like you were just peeing standing up.
Thank you, Mimi-sama!
Though we've done this lots of times before ...
Hmhm. All right, then go ahead and pee on me.
!!
Come on, if you pee properly I'll make it stay big for a whole month.
チョロ
Ok, I'm letting it out now.
Mh... it's hot.
Hmm, I guess that's fine for my outer body.
I was thinking, why does my penis grow when we do this?
I don't know, this has always been my power...
But what I know for certain is that my power increases with pee.
Let's get some inside my body now.

Wha! Mimi-sama!?
Sluurp
Don't move or you'll spill it.
Why are you drinking it!? You never drank it before!

Then shall we make it small again?
It'll get small if you cover me with your sperm...
I wanted it to be only a little big.
Well, we have to get you erect first.
...uhum.
I allow you to use me to do your deed.
Look, in just a second it became like this.
To get more power out of it.
Whoaa!
This is too big.
That's bad.
It's stuck in the zipper.
Oww!

Let's go
Is it really ok to see her like this?
Well, look.
しゃあああ
I can change my body when I use my own pee.

I will definitely make it small for you again.
But your clothes could get dirty in the process so please remove them.
Eh! What are you doing, Mimi-sama!?

ガッ
What! Ah ah~ Ehm, right, yes.
That's impossible! I'm not sexually interested in little girls!
You have a point there.
しん

Better get inside the shrine before anyone sees that member of yours...
ふるふる

How's this, Mister Impolite?
Eh! Mimi-sama!?
ムニュウッ

チリ
チリ
チリ
It became so irregular ♥
The parts I covered like this became plump.
ムニュン
Isn't the balance off?

!
Mh! Mmm~ ♥
ビギ
ビオ
This is bad, let go!

Is that so? Looks like it became erect.
Kh... when it gets pressed with such soft boobs.
Doesn't it feel good?
Eh ehehm. I'm hitting your pussy! Are you really fine with this, Mimi-sama?
My ass, too.
Haven't you said you couldn't get excited with a little girl?
WAIT!
Hoho, and my private parts are even softer.
What choice do I have. But... it feels really good.
It's pretty erect compared to your statement.
Hm..., well, I feel good too.
When I think about it, the last time I had an affair was about a hundred years ago.
Ah, no. Mimi-sama, I think I'm going to...
Hmhm. Let it all out!
Cover me with lots of cum.

Spurt it on me ♥
Mhhm. That's some amazing force.
Oh♥ Hooo♥
There is even some getting into my asshole. ♥
Uaa. I'm letting so much out.
How is it? Did your member get small?
Shrink
Yes. But only a little.
Shrink
Huaaa. After a hundred years, sperm still stinks so much ♥♥
Ehm, Mimi-sama.
Can it be you are a bitch god?
Snnnffff
Well, then you have to cover me more.
Yes, I see ...

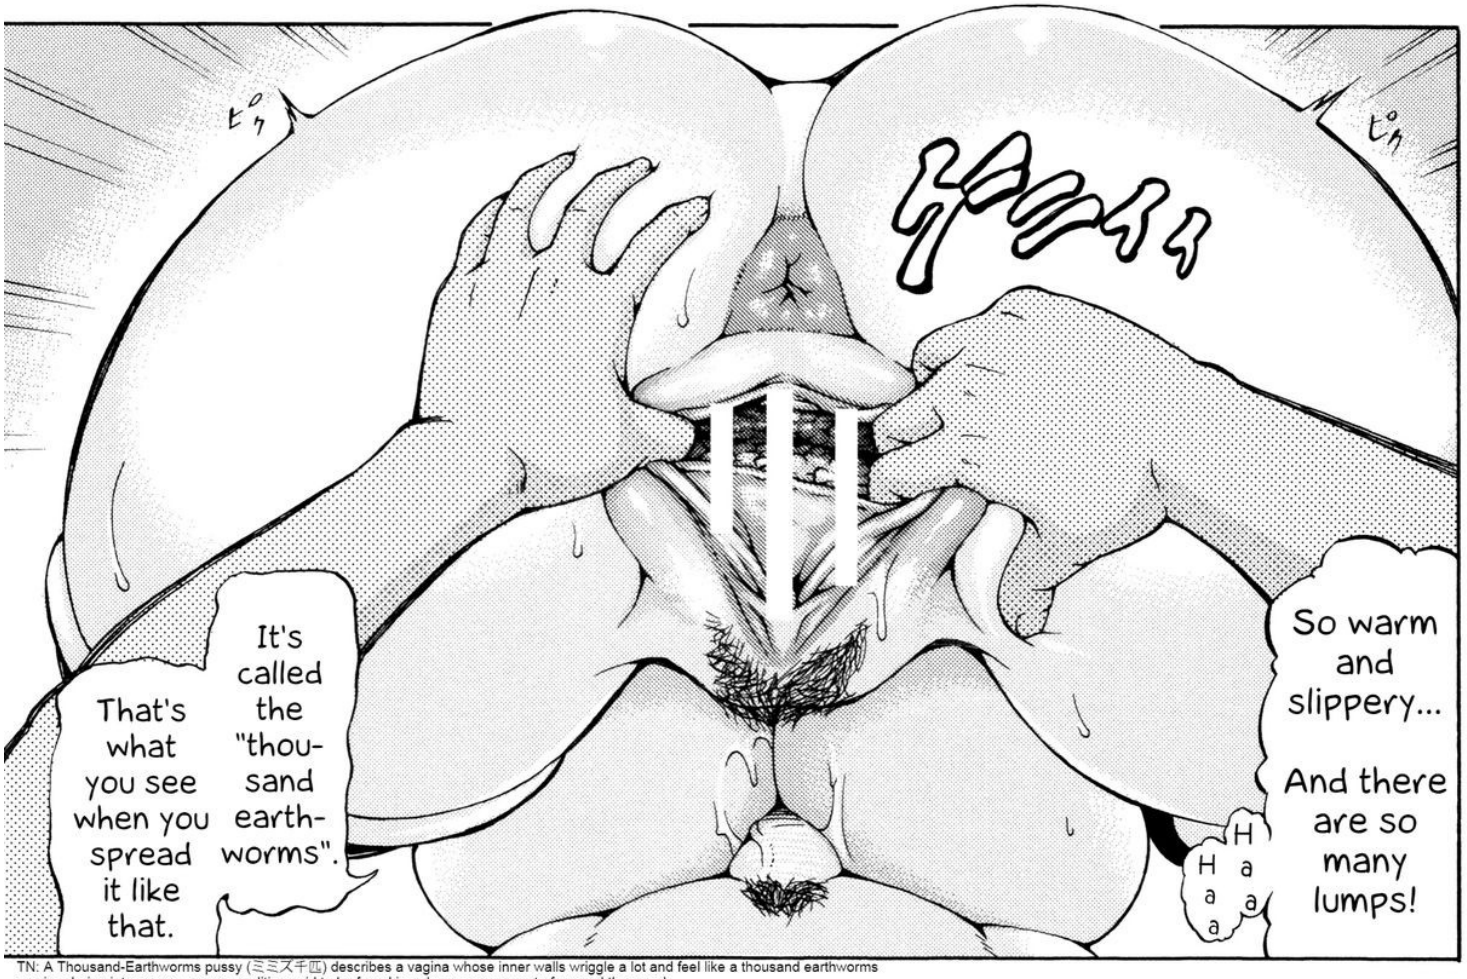

You cannot call a god a "bitch"!
OUCH!
But how come you know the meaning of "bitch"?
I just had a quick look at a porn mag that was dropped here...
Actually, in the old times I had sex with the people that could see me.
They were all nice people.
Un♥real - I love cat ears
Ecstacy Z - I came with a stick
Mhm! So Mimi-sama wants to do it with me too...
No, that's ...
I do this only so that you don't get laughed at by the girls in Tokyo.
Ah... is that all.
Yes, that's it.
So the people from the past were all lolicons?
Hard to imagine that they all had sex with this small Mimi-sama.
No, when we had sex I changed into my adult form.
Eh!? You can become an adult?
I mean big like this.
I need a ritual for this, but yes.
What a wild stick.

We are doing this ritual!
Mimi-sama, please become an adult.
I get it, I get it.
Then lie down on your back and open your mouth.
パオーン
Yes!
...
...well you're honestly horny now.
ビン
ビッ!
It's a pretty easy ritual actually. You just have to let me pee into your mouth...
Eh? Wait a-
スイ
...mix it with your saliva and spit it on me.
Relax. My pee is clean like spring water.
しゃあああ
じょぼぼぼ
Wait. That's actually a big thing...
Uuuh. He's used to being on the giving end,
but will he get used to being on the receiving end?
If you drink it, we will have to do it over again.
ごぼぉ
Hmhm. Looks good.
Spray it on me.

You're so sexy, Mimi-sama!
!!
More important, what do you think of this body?
Can you not spit a bit less forcefully?
It-it came out of my mouth so quickly.
Well, fine.
I can't say that it tasted so good I wanted to drink it.
Your hair grew too ...
Haa
Well, that's how it goes.
It's because your sexual preferences, that were mixed in through your saliva, reached me.
ほれほれ
Haa
Jackpot!
I want to cum from a titty fuck.
Hhm, all right. It's been a long time for me too.
We have to make your member smaller first, it won't fit even in my new body.
L-like this I can finally get rid of my virginity.
ﾌﾟﾙﾙ
ﾌﾟﾙﾙ

While I use my breasts ...
you loosen my P-pussy.
Leave it to me, Mimi-sama.
E-eh
Yes, but your titty fuck feels good too, because they're so soft.
Do you want to put it in so much?
An adult pussy, looks like it's overflowing.
and pussy hair
Uwaa
Haa
Haa
It really became big again.

TN: A Thousand-Earthworms pussy (ミミズ千匹) describes a vagina whose inner walls wriggle a lot and feel like a thousand earthworms moving during intercourse, a rare condition said to be found in only one women out of several thousand

No, don't!
Hugh!
It's coming out!
I'm cumming.
Then I'll do this.
Fuuuu
Uh
Ah
Huaaa.
My head is going numb from this thick and smelly juice.

Un-
belie-
vable.
You
came
even
more
than
before.
My body
is
covered
with the
smell of
sperm.
♥
But
somehow
I feel
happy.
That's because...
it's a smell I like,
I guess.
Now that
your
member
finally
got
smaller,
make the
insides of
me smelly
too.
shrink
shrink

It became smaller, but it's still as big as an arm.
Don't worry, this size is...
no ... problem
Uff!
Uaaa!
It-it's so tight, I thought for a moment my penis would get peeled.
Hhmh... I too thought my pussy would get dragged
Out!
It's your fault Shō, it's like you set my heart and body on fire.
I get it. ...Mimi-sama, please go a bit slower.
I see. Let it out inside ♥

Uhi ♥
You don't have to tell me.
See, I get it.
It's coming out! ♥
So much is pouring into my womb! ♥
Ehm, is that bad?
So you're saying your pussy comes before my penis?
That's because ...
I want to feel Shō's member more.
Ugh!
Despite my penis getting smaller,
your pussy feels as tight as before.
Ah ♥

Even though you won't let go of my penis?
It's only because of you.
No, I'm not a bitch.
Nhi♥
Your face became so lewd too.
No, I like that you are like a bitch.

Because you're talking like this I want to cum again.
Mhm, then go on.
Ha
Haa
Hey, Mimi-sama.

continued having sex until my penis was back to its old size again.
Like this, Mimi-sama and I
Mimi-sama-aaa♥
Ahi♥
Make my womb full with your sperm.

Even though you won't let go of my penis?
It's only because of you.
No, I'm not a bitch.
Nhi♥
Your face became so lewd too.
No, I like that you are like a bitch.

Because you're talking like this I want to cum again.
Mhm, then go on.
Ha
Haa
Hey, Mimi-sama.

continued having sex until my penis was back to its old size again.
Like this, Mimi-sama and me
Mimi-sama-a a a♥
Ahi♥
Make my womb full with your sperm.

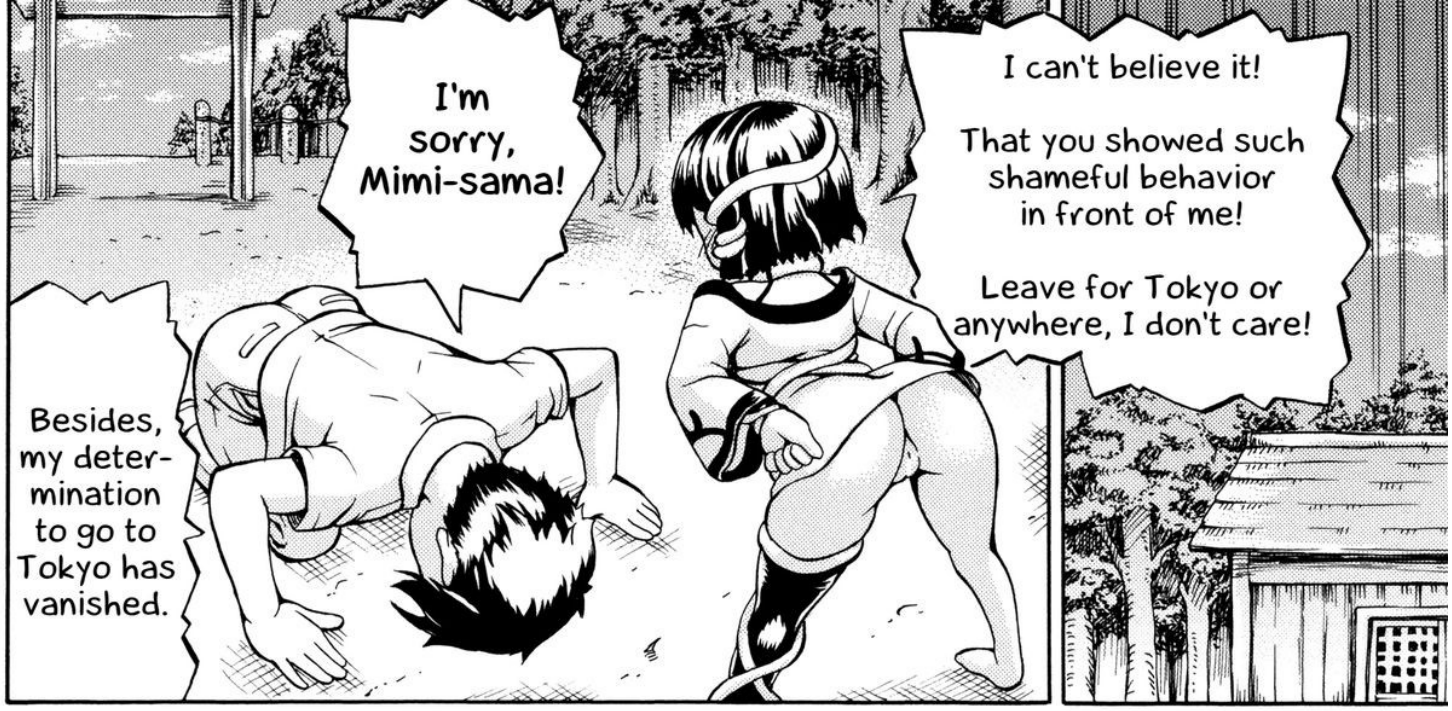

Many hours later
Ah, it popped out.
にゅるん
Haa♥
Haa♥
Because I was penetrated so much by your member,
I'm so loose now.♥
ぽっかぁ
むあ
But it made it wide open, is that okay?
It will go back to normal when I return to my little girl form.
But before that we need to get the sperm out me.
Is it ok when I tease your pussy like this?
ぬちゃ
Ahyu
ぬちゅ
Uwah.
A loose pussy is sexy too.
Mn♥
In the end, even though you got rid of your virginity, you still behave like a child.♥

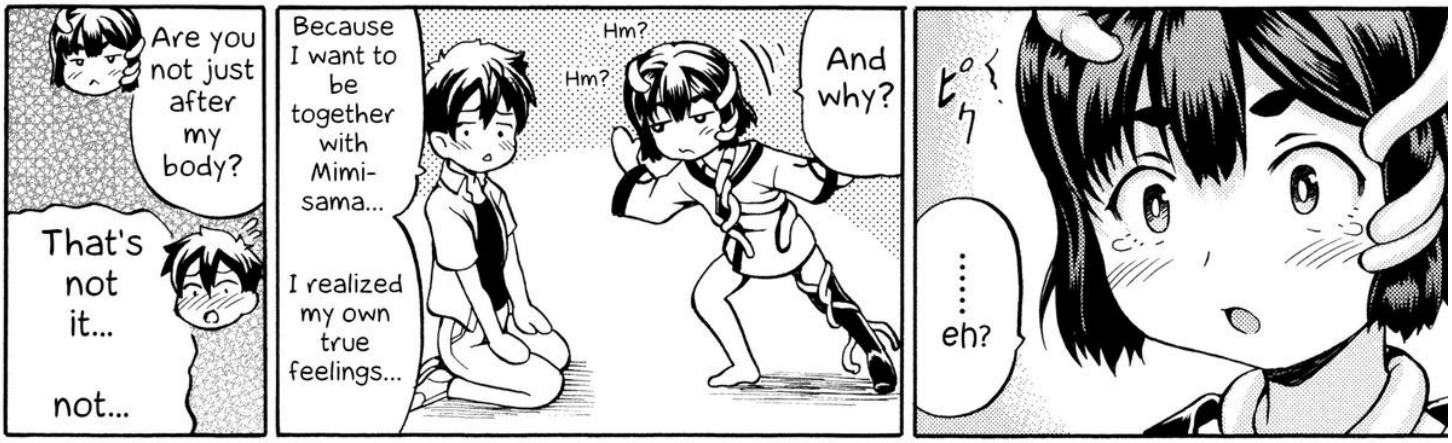

Oh?
What's that?
Eek!
Don't pinch it.
Hu hu
These lumpy walls feel great, right?
Hya! What are you doing?
Hey, don't pull on it! Put it back!
That's my womb.
Because my vagina got stretched out so much, it slipped down.
Looks like I can enter.
Stop, you can't put it...
Mnnn nhooo!?
Hee, it can come down so far.
Ah...

I'm inside!
It's squeezing my penis.
Oh Ahh
Hiaaaaa!
Don't move.
My womb will slip out.
Ah, sorry. Does it hurt?
Should I stop?
Yes! Yes!
...actually the opposite.
It feels so good that I'm afraid.
Hii!
Ah
No, not good.
Don't worry, I'll cum soon.
Hii!
Well, then only a little bit more.

I have to make the best use of Mimi-sama.
Nhiii
Don't try and escape, Mimi-sama.
Only a little, a little bit more.
Nooo, you say that but aren't stopping.
!!
Ugh, Mimi-sama, I'm done.
Hey, can you feel me cum-ming?
Ah
Hii
Then hear me out.
I'm at my limit, my brain is getting strange.

Nooo, I'm becoming a biiiitch ♥
Aaah! Your womb popped out.
Hoa Aaah...
I put it back inside.
Uwawa! It's so soft, it looks like I can get my wrist inside.
Hua ♥

To Be Continued

Aah... we sure had fun at those times.
Geez, the next time it'll work.
Eh
ボテ
ギュルル
ギュルルル
Ahaha. Mimi-sama is clumsy.
But was I really that scary...
To save the village there were times when I had to switch to my true form.
Ooh! The red dragon Mimi-sama has stopped the land-slide!
ゴゴゴ
じょお
I just wanted to show him...
N-Nou, do you want to play spinning top with me...
ガタ
Good worship-ping...
Ah
Waah!
Sorry, I have to work in the fields.
みみ様おっきくして! 第2話
Mimi-sama, make me Big! Chapter 2

Mimi-sama, good morning.
Have you prepared the dirt heap?
...he's lively this morning.
That...
I've become skilled...

You can mix it with the dirt in the fields.
Waha, so soft.
Well, "produce" might not fully describe the process...
He wants to use the good dirt I produce on the fields.
This fellow is Shō.
キィ
The dirt heap is right here, can't you see it?
Thank you Mimi-sama! I'll go get the wheelbarrow now.

Well it is, but...
Don't smell it!
フニ
フニ
フニ
パン
パン
Hey, can I see how you produce the dirt?
Eh, it's just dirt, what's the problem?
The thing is, this dirt is actually my, an earthworm's...
スンスン
Hee, it smells like dirt right after the rain stops.

*Ōya tuff stones: Soft stones collected in Ōya, Utsunomiya city, Tochigi prefecture

No, actually,
since you acted so lewd I started to get excited by little Mimi-sama too.
What?
Lewd?
Me...
I thought you wouldn't get excited by little girls?
?
No, that's not a problem. But this way I can better watch you peeing.
Hm? But why would you want to watch?
Ah, and please, before you change into your adult form..
Ah, I spilled a bit because he was looking at me.
Don't watch me I-like that...
かあ
ゴソ
ゴソ
Please wear this, Mimi-sama.
What... is that...
ぽにぽに

I-Is this what is called "cosplay"? ...
But the measure-ments don't really fit?
Woa, almost too sexy. It suits your adult form very well, Mimi-sama!
So pretty! And cute! And sexy too.
Well, I guess this is fine in its own way.
It looks like you don't really seem to see me as a god.
I'm so happy that I can see a pure maid even though I didn't go to Tokyo.
Mimi-sama, thank you! And now, please show me how you produce the dirt.
...Okay, but only the pose,
... Master.
Eh... What did you just say?
I know from porn mags what maids really are.

They are female servants that fulfill the desires of men.
Hmm... she's not really right, but I'll stay silent.
Look, this is my pose for producing dirt, like you wished for.. What shall I do next?
Will you do whatever I desire?
Yes. ♥ I will.
By the way, why are you hiding your pussy?
Usually it's fully exposed.
AH!
Ha? I haven't done anything yet, how come it is already wet?
That's strange. You only looked at it... Am I becoming more and more perverted?
Well, then let's get even more perverted.
Hua!?

Where are you inserting your fingers!?
Well, since you've read the porn mags, you should know.
We're going to have anal sex, Mimi-sama.
I know of it, but I've never per-formed it!
Nh
Nnh
Great! That means I am your first!
Shō... Master, but it's your first time too.
You see, since you produce lots of dirt with this, I can easily insert three fingers in this sexy asshole.
Nn, don't dig into it.
Ah, sorry, it felt so good, I uncon-sciously ...
It's different from your pussy, right?
There are no lumps here, but it should be really fluffy deep inside...
Hyaa!? This is...
It is, but that's fine.
...how come?

Huaa, my intestines are being spread apart!
Please make it big.
I endured it for a long time, so I can pee a lot now.
Aah, because of my erection I'm split peeing.
Anal sex!?
I'm inside...
But as my penis is so small...
But when I ejaculate it comes out in a huge load, I wonder why not now.
More import-antly,
you know what happens when you pee inside me...
Aah!!
That's it.
It becomes even bigger than when I pee on you from the outside! Mimi-sama, are you okay!?
Ngh u
It's ok. Because it's inside my body it will stop growing when it doesn't fit anymore.
When urinating on Mimi-sama one's penis grows.

Haaa, I don't know...
But I'm surprised that this size, bigger than an arm, is still "fitting" your body.
ぬぶん!
Sorry, I will be careful, Mimi-sama.
Though we would be in an awkward situation if you had sprayed my body on the outside too.
Mm
Yeah, your thousand earthworms pussy is great too.
Isn't my pussy better?
Will we continue with anal like this?
Ngh... It feels that good!
Nh♥ Something hot is coming out♥
But the tightness of your anus and the softness of your depths...
Aah!

Mm
When ejaculating on Mimi-sama, one's penis shrinks.
Sorry Mimi-sama, you didn't have a chance to cum yet,
and my penis already got smaller.
No problem... It's fine for my pussy♥
No, since we came this far, I want to make Mimi-sama an anal bitch!
Haa!?
You can be pretty zealous with some things.
You're right, it's actually a pleasant feeling to have something stuck inside, but shouldn't it be enough by now...
Hyaa
Having it gaping wide open like this is sexy and nasty.
It's a pity that you couldn't cum with such nice anal play.

Don't dig deep inside... my ass.
But my arm should feel good too.
That's why I'm telling you...
Haa
Haa
If you spread it like that...
Hoaa
Like I thought!
Anal fisting is possible.
Because you pene-trated it with that fat penis.
Haa
What!?
W-What are you doing!
But your pussy got soaking wet...
That's not-
あぃん
Mimi-sama, can you feel it already?

Nhii!
Nyaniooo♥
And I can tease Mimi-sama's weak point, her womb, like this too.
That's 'cause you're bending your fingers from inside my intestines.
The lumps came out!
Don't have such strange thoughts
Hee, I can stimulate your pussy, from inside your ass too.
Well, I'll do that later. Now I want to see you cum like this.
H-Hon-estly ... with my ass and my womb ...
Ha Nn
But you said you wanted to make me a bitch that can cum through anal alone..
This feels better than only anal, doesn't it?
Didn't you?

ビクン
Uah! It's tightening so hard, my arm is going numb!!
ギュウウ!
I don't know
with which part I'm cumming ♥
When I press it from inside her ass like this ...
!? Nooo!
Ah! Your womb is coming out again.
A...aah. I experienced a strangely pleasant feeling ♥

Uwaa! No matter how often I see it, it's always amazing!!
Is my womb coming out again? ♥
Recently it plops out quickly.
Haa
Who's fault is that...
Ah, sorry Mimi-sama, are you angry?
Mh
Mh
Mh
I'm not angry, but you have to take responsibility for what you did with my womb.
Ha ♥
Let's continue inside the shrine ♥
Ha ♥

Mh
Good thing that I brought a futon here.
Your back doesn't hurt this way, right?
No, it does not ...
I can't pay attention to my back when you tease my womb.
Then I'll make you pay even less attention to it...
Where did you learn such a thing ♥
Nowhere, I just wanted to suck on it.
So it's your idea!
Really, you can be voracious some times.
Sh-Shō! Master, is so gooood.
Hau

What are you doing there?
it pretty much looks like a penis this way, so let's...
Ah, when I see it like this I find myself thinking,
Nhyo!?
As expected, because your breasts are so big,
they can titty fuck your womb.

...I'm astonished by your way of thinking... ...mh
But it looks like I'm not able to cum by my own breasts.
Doesn't it feel good? How is it?
How is it? The titty fuck which made me cum so many times?
My breasts are stretched out too much.
It hurts a little.
Mmm
Drive the maid mad with your penis alone, Master.
Haha, that's what you mean.
You're just over-doing it.
Why are you so disap-pointed?
Sorry
If that is so... I just thought it would be a good idea.
Next time be more considerate.
Good grief, is this thing here only for decora-tion?
Ouch! What are you doing Mimi-sama!

That's my Master ♥
ビビビ
Uh
Ah
ビビビ
Nnn ♥
ぷるるん
ぷり
ぷりぷりぷり
Well then, I'll make you a penis loving bitch.
You're so skilled ♥
ちゅぱ
ちゅぱ
Not only my womb,
you're doing my breasts too at the same time...
ぷりぷり
ぷりぷり
はむ
Yes, I'll give it my best.
ぷりっ
ぷりぷり

Penis sucking wombs are bad.
It's coming out again, put it back deep inside ♥
Thanks to you, Mimi-sama.
Mhii!
This is how this womb should be treated!
Khu.
Me too...
Mimi-sama...
HOoooooo♥o
If you fap like this ...
my womb ...
will cum ...

Nnaa
I'm cumming like crazy.
Cummming
Ukhu... I'm cumming and it's not stopping.
Like always, doing it with my penis when Mimi-sama made it big is the best.
Ahuu
Mimi-sama's cosplay is also super sexy.
Please do cosplay again.
Huaaa
It's too much

You became a bitch who can cum with her womb alone.
Oooh don't mas-sage it ♥
Right! Make a peace sign with both of your hands.
That's even more bitch-like.
Hou ♥
Ha ♡
Haa ♡
And stick your tongue out too.
Hahi ♥
Like this?
Yes, good!
You're such an erotic bitch, my penis became hard again.
You can't pull it out any further. ♥
