CAUTION!
ENERGY DRAIN
搾り殺されます

All my life has come to is failing my boss and colleagues alike.

It isn't the slightest bit of fun to live anymore

How long have I been standing here, I wonder.

I have no reason to keep on living.

And no need to hesitate anymore.

Hey.

Don't you wanna jump?

Woah

The Fuck!?

うわあああああああ!!!

More dangerous than jumping off of a building?

To scare me like that...
That's dangerous!

What's wrong with you?!

That was close

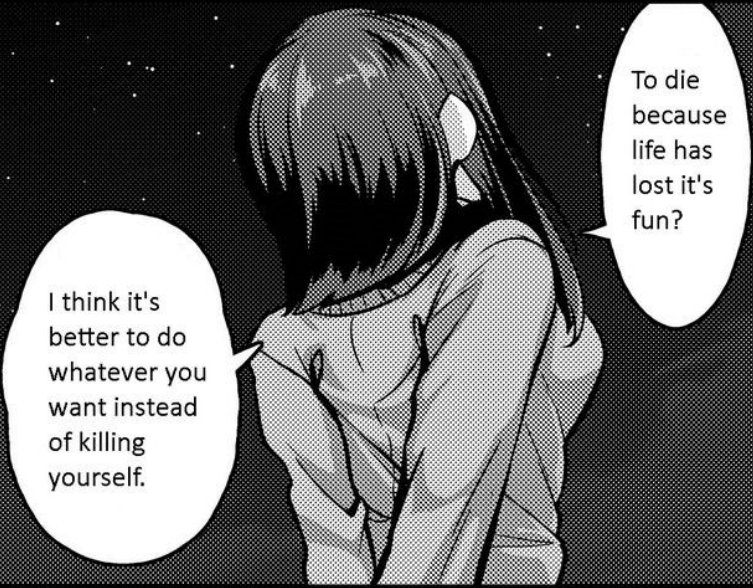

What's wrong?
Why did you stop before you died?

I was expecting a boing-boing followed by a long scream...

It's my first time watching someone committing suicide.

I think it's better to do whatever you want instead of killing yourself.

To die because life has lost it's fun?

I'm not afraid of death either.

Don't say such things lightheartedly. Every day is just not fun anymore. That's why I wanted to die.

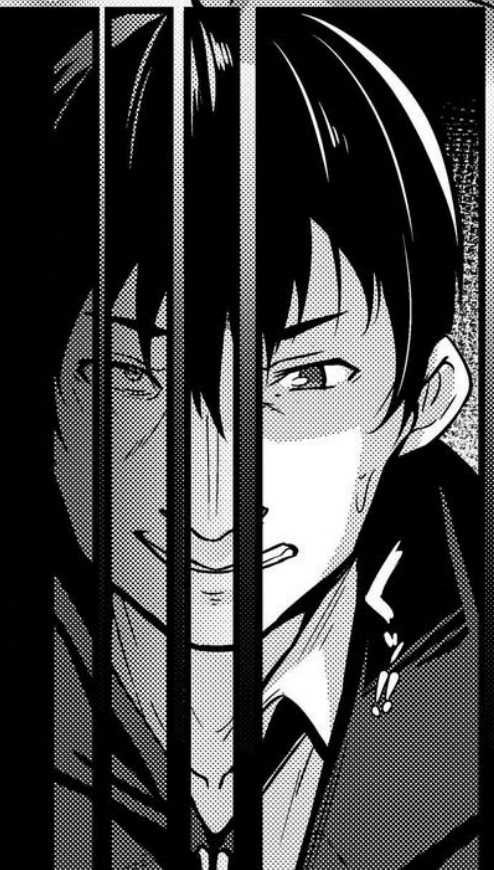

Life must have been rough. But I know how we could have some more fun together ♡

And you know... There just so happens to be a beautiful girl right next to you.

Why don't you try knocking a girl up instead?

You say that, but you are shaking. ストレス たまにはいいかも...

I'll take my leave then. Doesn't even go for an open crotch.

I won't do such a thing.

What a boring man. Would you hurry up and die?

This is stupid.

Time has passed.

WAIT!

But I've found what I've been truly looking for.

I've been searching

Robbery, murder and rape gave me the ultimate kick!

I did a lot of unspeakable things.

Death wasn't the answer.

It's been a while you brat!

Ever since that day, I've been waiting to meet you again!

You're...

And you will be my 13th victim. Ahahaha

This time I will do as I please.

The time back then was boring because of the lack of violence.

Thank you very much for preparing me for this.

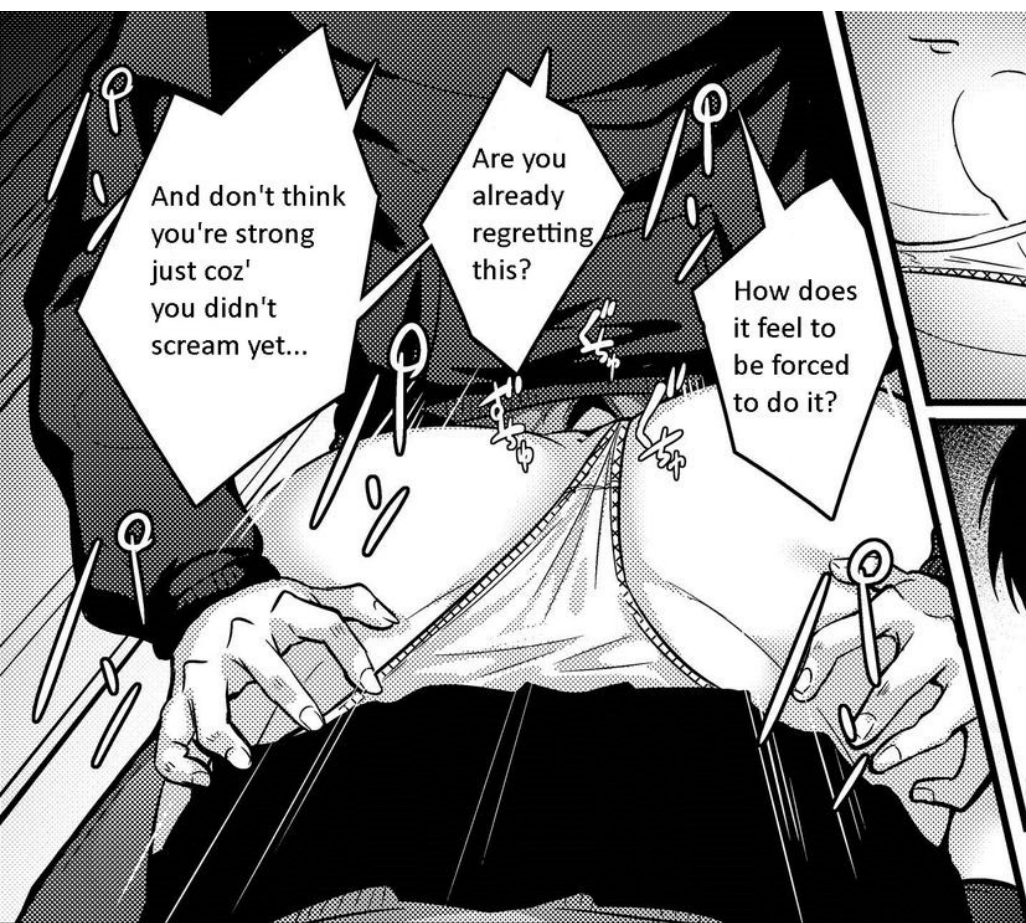

Hehe. You helped me become a new person.

You have turned out rather bad.

Thanks to a certain someone.

And don't think you're strong just coz' you didn't scream yet...

Are you already regretting this?

How does it feel to be forced to do it?

How lucky!
It's sucking me right in!

It's just like she was waiting for something like this to happen.

Hmm?

HEY!
Say something already!

Since this is your 13th time

What do you want me to say?
I'll have to subtract some points on the technique

Y-You!

Didn't you know?

It's embarrassing
to come first in
these situations.

Know
your
place!

At least try
to make me cry.

Hora hora, you can
do it. ♡

Do you want
to pull out to
save your dignity?

It does look like you're
about to cum.

Is that all?

Looks like you
have lost then.

Haa.
Too bad.
♥

Sumthing's off...
What did you do to me?

Wha-
what the fuck?

何だこれ...!!
射精が
終わらない...!!
抜ける...!!
全身の力が
抜ける...!!

Time for round 2!
♥

Hora
Hora!
Come here!

sigh

Don't scare me like that.
I didn't even really feel it.

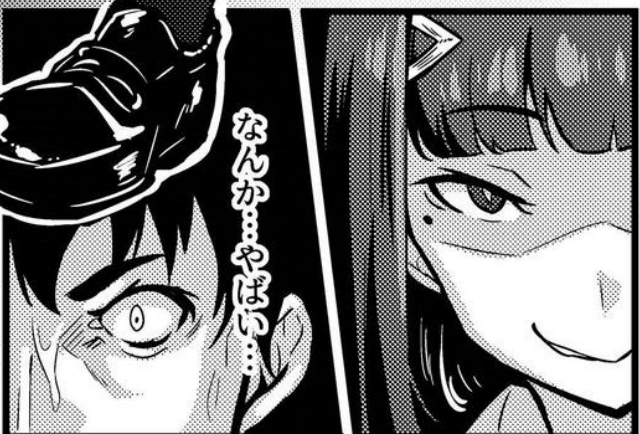

Don't you care about me?

So~
♥

This is bad!
I can feel it.
But -
I can't control my libido!

なんかもやばい...

絶対やばい!!!

You seem like you're not defeated yet.

Ha-ah
Is that so?

I'm an adult
I am a man!

And I will make you squirm!

But are you alright saying those things?

It seems like your stamina is receding.

...doing the naughty stuff ♡

Allow me then to be the one ...

Hora. You seem less energetic. Are you already unable to move?

Aren't those nipples just like those of a girl? Where did your manly pride go?

And your dick gets hard from getting your nipples played with! ♡

Ahahaha! What miserable sounds you're giving me!

YOU SHITTY

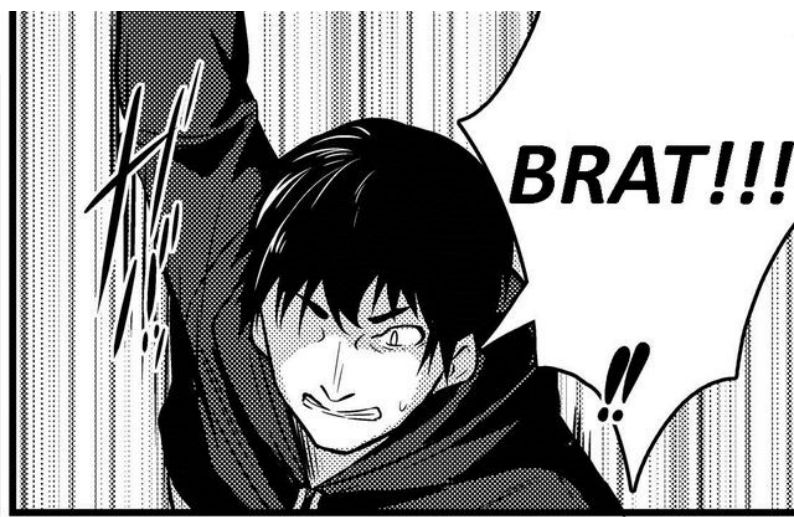

Can't do. Won't do. ♡

STOP!

Stop it!

Hey

Hey

STOP!

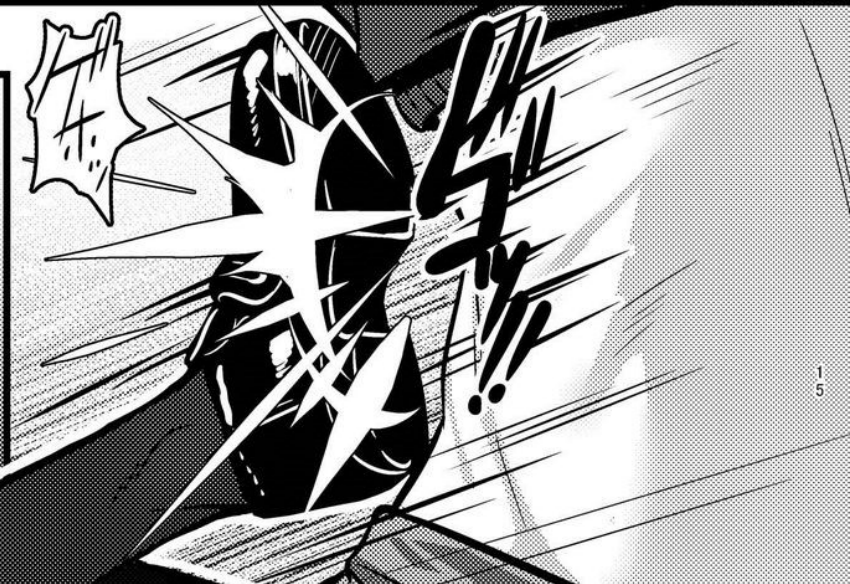

JUST
STOP
IT!

Heeey

Really now.
Don't try
to distract.

!!

What a useless tool.

To rely on such a thing.

I'm sure you've heard of us.

I'm no monster!
I'm a succubus!

Y-You monster!

We're both the best and the worst for them.

Female demons.

We squeeze out mans semen and feast on their lives.

Weren't you pretty eager on dying before?

Hmm? If I recall correctly

S-squeeze out? I don't want that! Stay away!

And I'm glad.

Hmm. I just remembered.

Thanks to you I've changed. And I want to live life to the fullest!

Now is different! I don't want to die.

is my favorite

Feasting on people that don't want to die

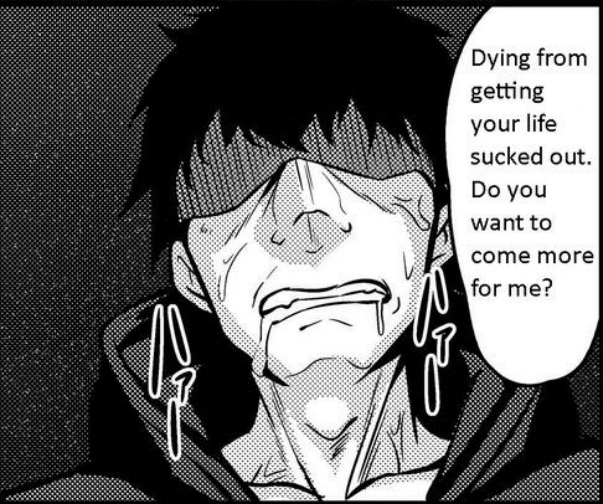

Your resistance has grown weak.
It's your body's response to being eaten ♡

Fufu. That's good You're quite alluring that way.

Nooo! I don't want to die

♡♡♡♡♡
♡♡♡♡♡

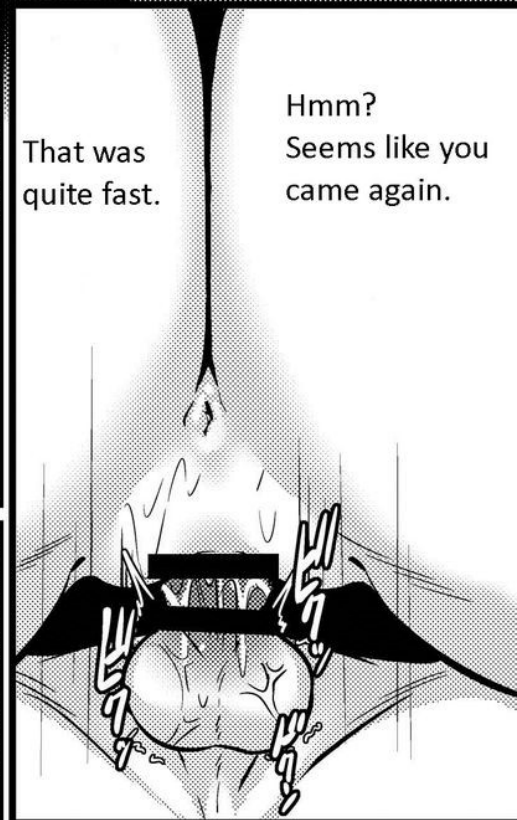

♡♡♡♡♡
♡♡♡♡♡

Dying from getting your life sucked out. Do you want to come more for me?

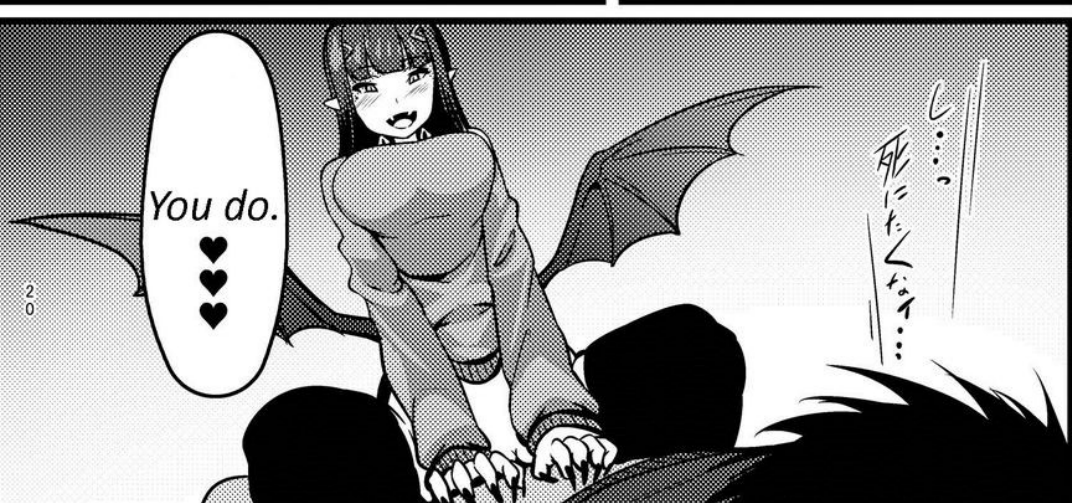

Should I start squeezing you seriously next?

That was quite fast.

Hmm? Seems like you came again.

You do. ♡♡♡

♡♡♡♡♡
♡♡♡♡♡

Be patient and wait for your death.

Ahahaha. ♡

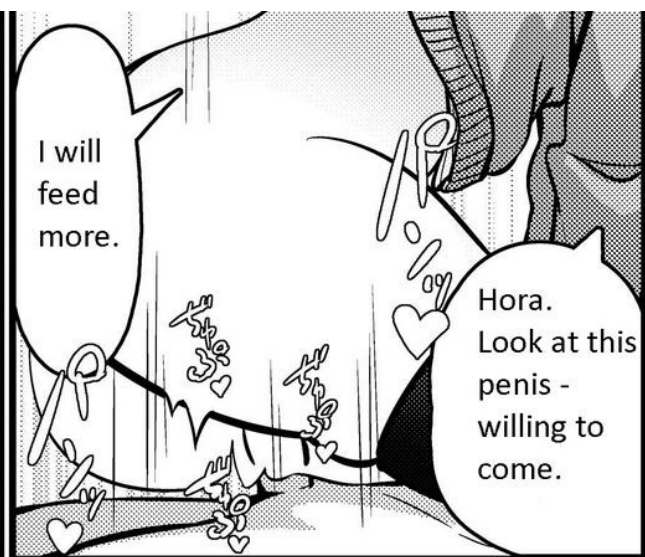

"I don't want to die"

Can you endure it? Every minute every second of it.

I want to die.

want to die

I will feed more.

Hora. Look at this penis - willing to come.

But you're more tasty than I'd ever dreamed!

I just can't get enough of you!

All I needed to do was to prepare you into a delicious dish.

I could feel the life force hidden inside you.

To be honest: I knew from the very beginning.

When I saw you standing on that rooftop

But I'm happy I was wrong.

Very happy. ♡ ♡ ♡

I thought you'd try to run away after you realized something was off.

Those would probably be "I don't want to die.", right?

It seems you've reached your limit. You got any last words?

Is your heart shattered into pieces?

I don't want to die. I don't want to die. Have those feelings become unbearable?

chuckles

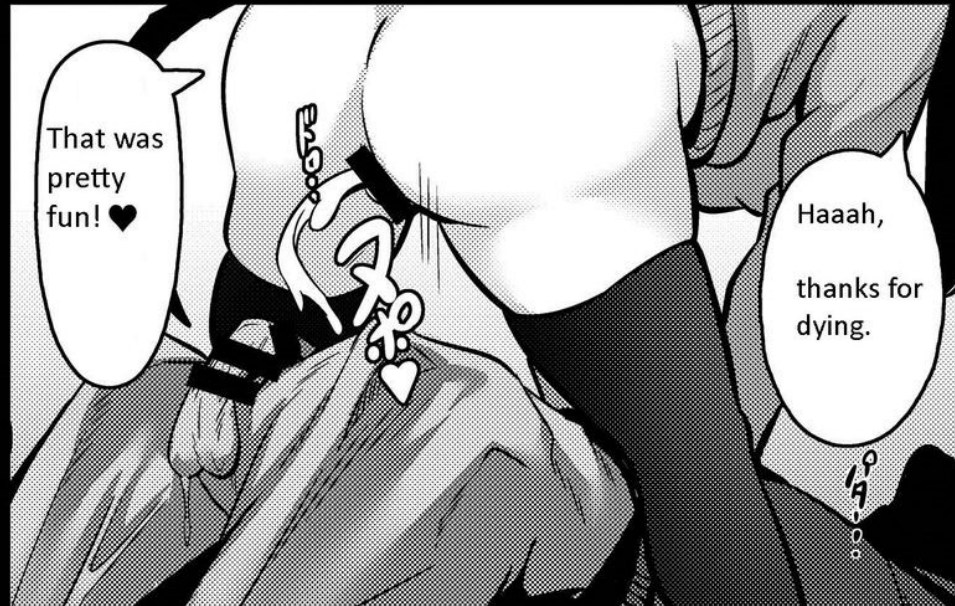

Thank you for the refreshing meal! ♥♥♥

大好き!!

Well then, sweet dreams.

That was pretty fun! ♥

Haaah, thanks for dying.
