美少女☆戦国恋姫

Ai there! I'm Usashiro Mani.
This work doesn't have the usual JC
in the title, but just so you know,
it is a JC work!

After the main story of this book,
there's an ecchi manga from the girl's
point of view. Since the main story is
from the boy's point of view, I decided
to split it up so I could do both!

Nice, nice!
Smile,
Lime-kun!

Aw, thanks!

Yaaay!

This month's issue is totally going to sell out thanks to you!

Yeah, later, in Shibuya.

Today's featured model!
Kurei Lime-kun (19)

Huh, are we doing photo ops today?

He's gaining popularity on social media every day!
Cute, yet manly and has a handsome smile!
We've got an exclusive interview with THE Lime-kun!
¥3,700 / Top: ¥5,980
Hair stylist: XX

Well, I took her home and we did it this one time, but...

She was so damn cute!

How'd things go with her?

What was that girl's name? Uh... Yui-chan?

Oh, you mean that JK?

S-Sure...

She was so loose! Yeah, she's got a pretty face, but I just couldn't get it up!

Virgin middle schoolers are way better!

Now, I'm off to find another girl to squeeze inside of~

I can't help it! They fall for me just from hearing my voice!

Don't you think you're getting with your fans too much? Don't overdo it!

Oh god, oh god! I'm up next...

I'm gonna meet Lime-kun... this is really happening!

Next is...

Number 22! Come on in.

Wh-Wha-

Ah! O-Okay!

Um... Hello, there...

Event Venue

...

Thank you all for coming to today's "Hugs with Lime" Photo Op!

It's very crowded at the moment. Line up in the order of the number on your tickets, and we'll get to you shortly!

o-m...o-m...

o-m...o-m...

TL note: Yuzu means citrus.

Lime-kun's room..?

I-I thought I'd get to see your home-cooking show live...

Huh?! Where?!

That's what you wrote... on the backside of the photograph...

Um...

Aah

Yuzu-chan! Thank you so much for coming.

Huh?

Even her ears are bright-red! Her reactions are just too cute.

Nooo, stop...

Sorry for lying! But you could say I'm about to eat

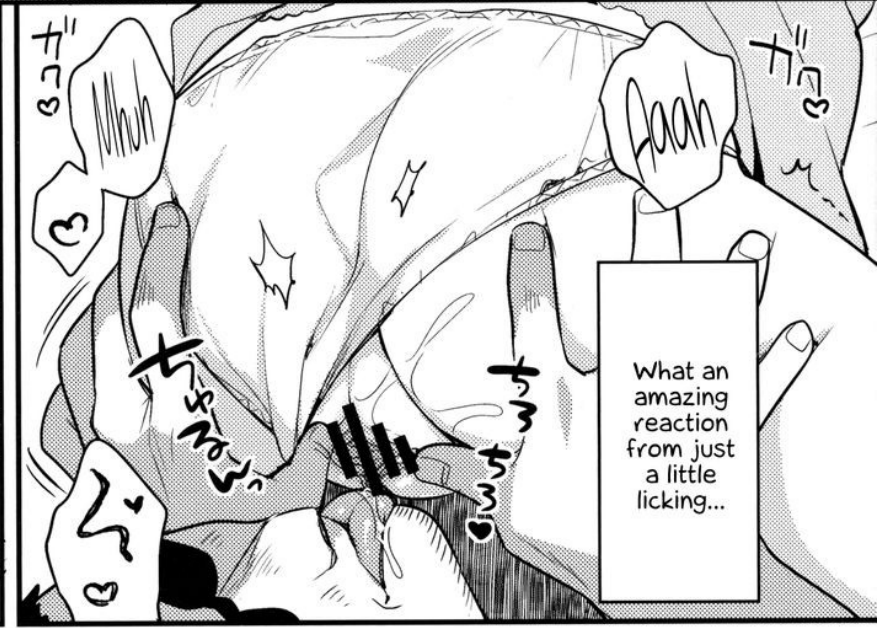

you up!

Aww, you don't wanna?

Seriously? This is the first time a girl came to me and didn't expect this!

Such an innocent little girl, cumming from just a bit of foreplay! I love it!

Raah~~! She's peeing herself!

I'm sorry!

Look how much she's shaking! Adorable.

I'm putting it in, Yuzu...

Now it shouldn't hurt too much.

There! Now you should be much more relaxed.

Aaaargh! I wanna break that hymen, right now!

This is it!
I can feel the pressure blocking me from thrusting deeper!

Ah, this feels great... I love you, Yuzu.

Man, it's awesome how much she tightens when I whisper in her ear!

Put just a little energy in your thrusts and you're all the way through! Tiny pussies are the best!

Eh...
Aah
It's...
in...

I love...
Aah
I love you
Yuzu!!
Aah

Yuzu!!
Aah
Lime
Aah
Squeeze

AH
HAA
Aah

Here it comes, all at once!

This is how big it got from you licking it, Yuzu-chan!

C'mon, baby!! Relax, and I'll slide it right in!

It's too big...

Whoops, all that cum from before is spilling out!

Ngoogh! The entrance was so tight, but the inside's soooft!

Splurt

From there, over and over and over, we used her body...

Man, her body's still so sensitive!

Buh

Ahh! Time to cum again!

The way her hips move is crazy! Damn!

Oof

HAA

Mgh

I'm cumming inside!

I don't even know whose cum is whose anymore!

Gah

Mm Aah

Haa

Gah

Aaah!
Here's
a thick
load for
you!

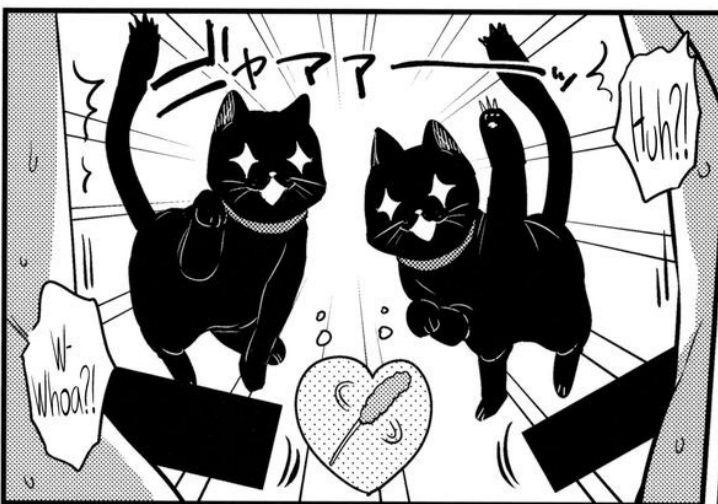

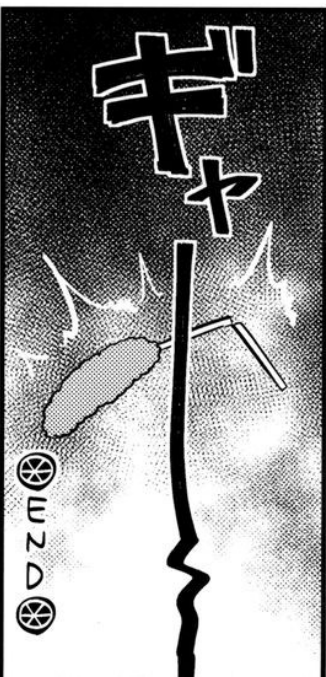

Probably.
Look at
her face to
be sure.

Oh,
damn. We
might've
gone too
far.

Hey, she's
twitching a
lot. Think
she's okay?

This is her character design sketch. It's simple but girly, even if it's not very high-energy... A lot of worry went into making her! I even remember drawing her with over five different hairstyles, lol, but eventually I settled with short hair. I don't normally draw it, but I love how it turned out! It's very tidy.

The manga starting on the next page is just a bit of ecchi from her PoV I wanted to try drawing.

I-I'm so close to Lime-kun himself, and now this is happening...

And I think I love you, too!

You're supposed to do this with someone you know and love...!

Sorry for lying!

But you could say I'm about to eat you up!

Wow... It feels so good when he moves his fingers...

It's so embarrassing, but I'm happy I could kiss someone I love so much...

Ugh, I wish I was wearing cuter underwear..

Lime-kun's so amazing! I love him!!

Feels so good...

It's like he knows everything that girls like...

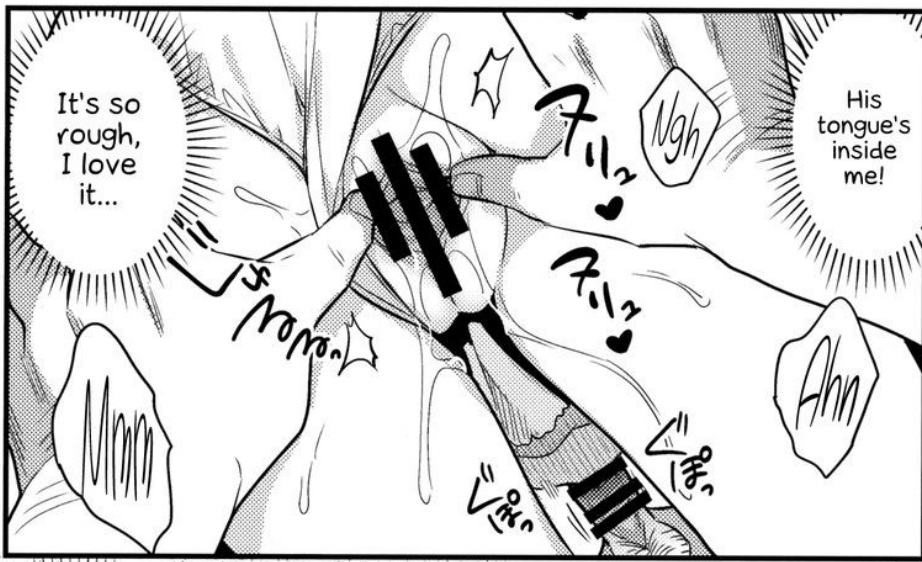

It's... Lime-kun's penis...

Make me feel wonderful, 'kay?

It's so lewd how the taste of his penis and precum mix together...

I wanna keep on sucking and sucking so he feels good.

It's so rough, I love it...

His tongue's inside me!

Suddenly, Papa-chan-san joined in, too...

Lime-kun's penis is stretching me out...

I wanna hold it back, but I'm gonna cum...

Stop...

I can't stop it...

It's...

in...

My first time's a little scary, but I'm glad it's Lime-kun...

Squelch

I'm putting it in, Yuzu...

S-So much inside me...

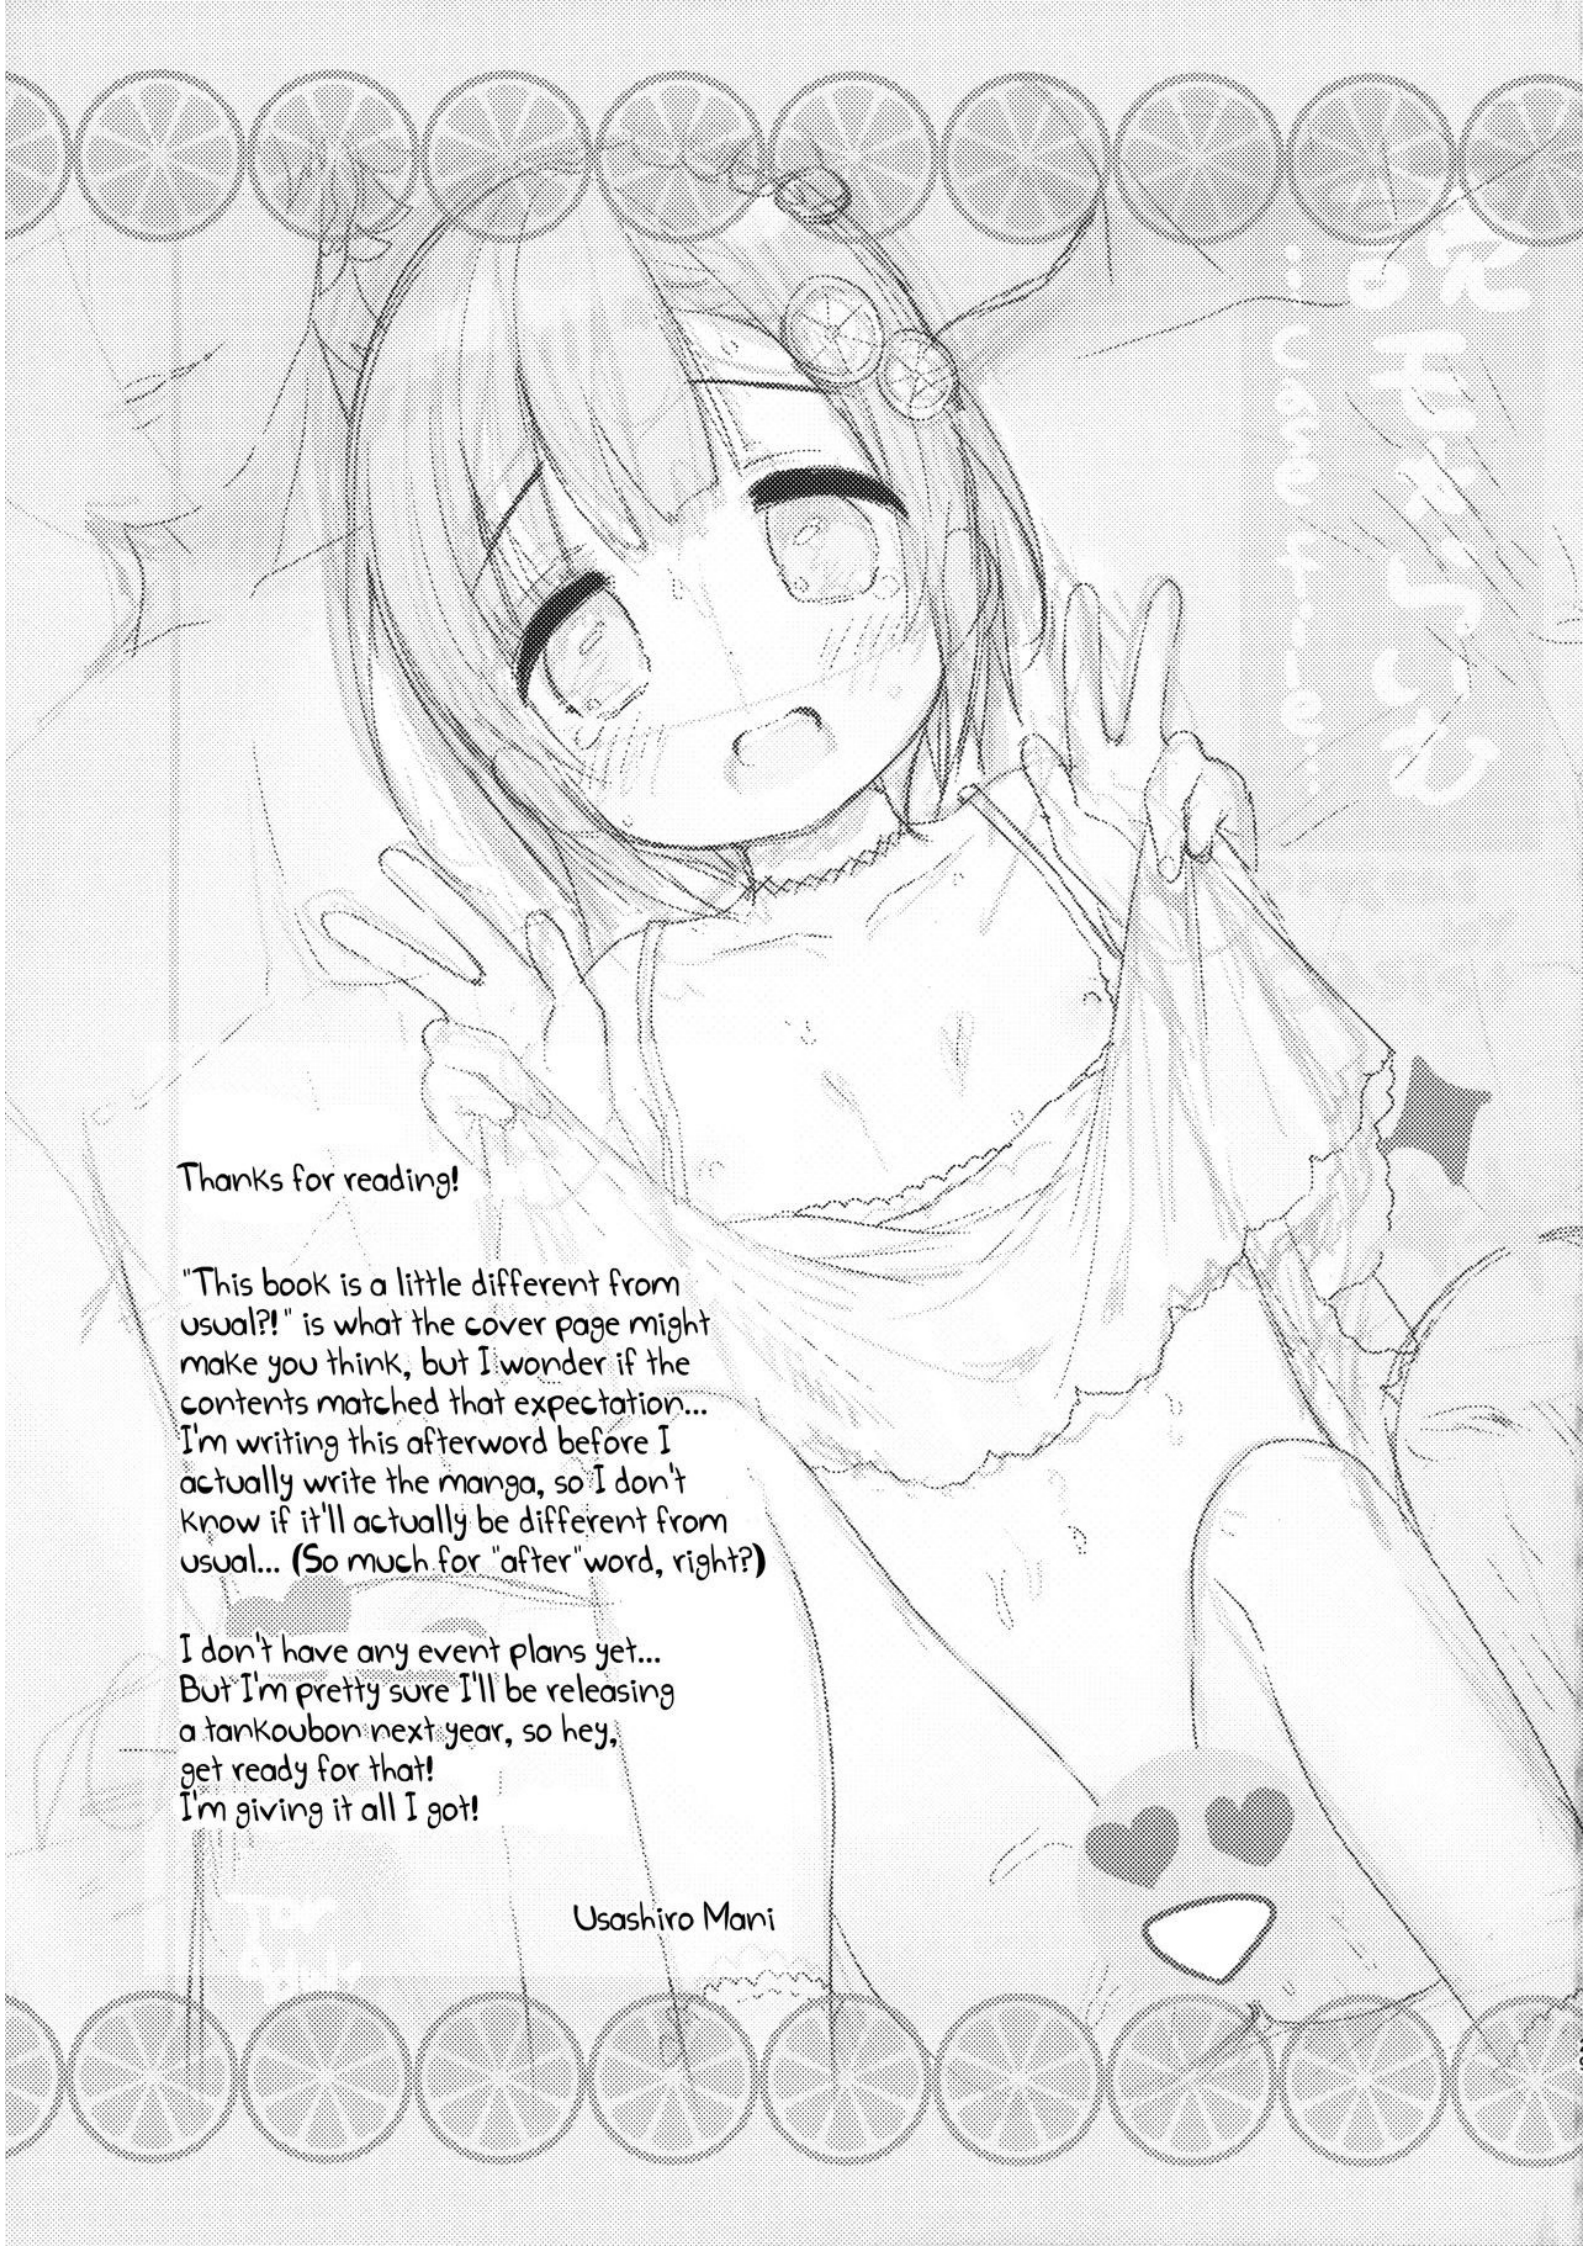

Get a taste of mine, too!

And his finger feels amazing!

He's sooo handsome when he's having fun, too!

Thanks for reading!

"This book is a little different from usual?!" is what the cover page might make you think, but I wonder if the contents matched that expectation... I'm writing this afterword before I actually write the manga, so I don't know if it'll actually be different from usual... (So much for "after" word, right?)

I don't have any event plans yet... But I'm pretty sure I'll be releasing a tankoubon next year, so hey, get ready for that! I'm giving it all I got!
